## Chapter 1568

Seeing Wiliam's weird expression, Song Hanyu went to his heart, and immediately answered: "It's the girl who hears people and loves you, see if you are happy."

Wiliam's face froze on the spot, as if he was seen through his mind, a little at a loss.

Song Hanyu, such a warm and caring woman, immediately comforted: "Hahaha, there are no things, young people, there is always a need for in-depth communication with each other, I understand."

Wiliam sweats, what kind of words are these tigers and wolves, how can Aunt Song say it?

Song Hanyu thought that Wiliam was shy, so she joked: "Do you think I don't know? You sneaked out in the middle of the night these days, and it took a long time to come back. Did the girl go to the private meeting? Well, it's been a long time. , Did Aunt Song's Shiquan Dabutang work?"

Wiliam's face turned green on the spot.

Don't mention that, okay?

Hurt the kidneys!

"Okay, okay, Han Yu, Wiliam is still young, don't keep talking like this, take him down. Hurry up and talk business." Liu Yuntian saw that Wiliam was a little embarrassed, and quickly interrupted Song Hanyu's stubbornness. fierce.

Only then did Song Hanyu put away his joking thoughts, his face became very serious, and asked: " Wiliam, tell me honestly, have you decided which sect to join now?"

Wiliam was stunned for a moment, and didn't answer her question directly, but instead asked, "Aunt Song, let's just say anything."

Song Hanyu nodded and said, "So many sects on the scene have offered you extremely terrifying chips, and you have not agreed to it. I don't know what you are considering. And to be honest, those chips even touched my heart. , I asked myself that Jinyu Volley had no way to get those things out."

"However, Aunt Song is still cheeky and intends to speak to you and invite you to join Jinyu Volley this time. You should listen to me first." Song Hanyu's face showed a trace of melancholy and sat down.

"I told you before, Jin Yu Lingkong's current sect master is my mentor. He has suffered very serious injuries before, and he is too old. He can't last long. His biggest wish in this life is to

lead Jin Yu. Volley entered the ranks of the Nine Sects. Although I recovered my combat power this time, I was certain that I could take the Jinyu Volley and directly into the ranks of the Nine Sects, but my master's condition has worsened in the past two days, and my heart has been beating very fast. There seems to be some ominous premonition."

"Isn't it ridiculous? This is an unwarranted premonition. But to be honest, Master is so kind to me that he can wait until I regain my realm, but he can't wait for the next 20 years. So this time I have to be 100% Sure, lead Jin Yu to volley into the nine sects, and you are that one hundred percent sure."

"Tell me about my bargaining chips. As long as you join Jinyu Volley, you will be the master of Jinyu Volley. This is the most sincere I can give."

After Song Hanyu finished speaking, his face gradually calmed down, his eyes fixed on Wiliam.

Before she came, she thought she would be nervous and anxious, but she didn't know why, after saying these words, her heart calmed down instead.

It seems that everything is the best arrangement.

Wiliam smiled suddenly.

But not the kind of ridicule, but a smile from the heart.

Song Hanyu was gradually a little nervous when Wiliam smiled. She explained: "Although Jinyu Lingkong is not a big sect, it may not be in your eyes at all. But after all, it is also a sect. If you can lead Jinyu to volley into the nine Zong, you will be one of the sect masters of the Nine Sects from now on, isn't it incense..."

Wiliam said quietly: "Aunt Song, you have a good calculation. I became the Sect Master of Jinyu Volley. From then on, a bunch of messy things were thrown at me, and I was tightly tied to Jinyu Volley..."

Song Hanyu's face suddenly paled, and she waved her hand quickly, "No, no, I didn't mean that, I just want to say that the highest sincerity that can be shown now, that's it. I have never thought of anything else."

Wiliam sniffed and laughed again, "Alright, alright, I'm just kidding you."

It is undeniable that the previous sects, including Jiu Zong, had a very high bargaining chip.

But the highest is only to the nine elders.

It's a fool to open up Wiliam as the supreme bargaining chip.

After all, those sect masters fight back and forth, don't they just fight to enter the nine sects, and from then on the status and status are superior.

A fool like Song Hanyu directly gave up the position of the sect master, which was simply stupid in the eyes of other sect masters.

In the end, for whom is the hard work and sweet for whom?

The sect has entered the nine sects, so is your own suzerain?

That's a fart.

Song Hanyu is the only one who really considers the sect, and even asks Wiliam for the love of Chicheng's master and apprentice.

"Then what do you mean?" Song Hanyu became cloudy for a while, and his heart couldn't bear it.

"You promised me one condition, and I promised to join Jinyu Volley to participate in this Nine Sect Qualifying Tournament. But the Sect Master loves whoever it is, I'm not appropriate anyway." Wiliam said with a smile.

"Huh? You are still willing to join Jinyu Volley without being the Sect Master, as long as you promise you one condition? What do you want?" Song Hanyu was a little unbelievable.

But as she talked, she felt that the smell was a bit wrong.

She made an excuse to let Liu Yuntian go out to fetch something, and when only the two of them were left in the room, Song Hanyu spoke again: "Let's talk about it, what are your promises?"

When she said this, she was very nervous, even a little afraid to look at Wiliam's eyes.

Wiliam didn't speak for a while, but looked at Aunt Song strangely.

What's the situation with Aunt Song?

Why is his face a little red, and there are even slight beads of sweat on his forehead.

Is she fever?

Wiliam took a step and reached out to check Aunt Song's forehead temperature.

But Song Hanyu just like stepping on the cat's tail, his body jumped up, and straight back to the corner.

Her expression became very strange, and she said to Wiliam with sweat, "You, don't come over!"

Wiliam didn't react for a moment, and walked over two steps and asked, "Aunt Song, what are you running?"

Song Hanyu suddenly covered her body with her hands, and said nervously, "I knew you shouldn't let your kid drink too much Shiquan Datang soup. You just wanted me to agree to your terms, and I couldn't do it to death! Aunt Song! It's a man of integrity, I already have a lover, and you are so young, we are not suitable, you can change the conditions..."

These words were like a bolt from the blue, and Wiliam was blown up directly.

Why did Aunt Song say that?

Is there any misunderstanding in this?

Wiliam took a black thread and said faintly: "Aunt Song, what have you misunderstood? I don't even think about you at all?"

"And you may not know that my integrity is stronger than you."
