

Dragon Husband 1572

Chapter 1572: Terrifying Speculation

After the man collapsed, he sat down on the chair next to him.

She is not Song Hanyu.

This was Song Hanyu's first full fight since he recovered.

But I was really scared into a cold sweat.

Before, Wiliam asked her to do a little favor. He just told her to pretend to be Wiliam, and then postpone the time for a while, and finally feign death.

So Song Hanyu's first reaction was "This is it?"

It's too simple.

Because in this place, there are still many people who are proficient in the art of disguise.

And she was also a little familiar, and then using her vigor to support her body, it was definitely not a big deal.

But the reality is suffocatingly cruel.

Song Hanyu killed so many people in his opponent.

At that time, she was almost scared to pee, and she would turn around and run away if she was not firm.

Fortunately, after the first encounter, she found that someone was paddling deliberately, and it was paddling in all directions without dead ends.

This made her heart less nervous.

It wasn't until later that she received a signal from Wiliam and began to feign death.

Then those people suddenly turned back, and immediately subdued all the nine people.

This series of transitions made her dumbfounded.

Rao was personally involved in this action, and she was the protagonist doing her part, and she didn't understand how many turns were hidden inside.

Now she has ten thousand whys in her heart.

"Wiliam, what the hell is going on? What are you playing? When did you know that these sects would assassinate you? Also, when did you have a relationship with Yushizhiren and Canjian Jiutian's sect? Alright? You have to know that you let them become anti-skeletal cubs!" Song Hanyu asked the first wave of questions.

Wiliam had a black line, and drank his saliva before slowly saying, "I know they are going to kill me. The people of Can Jian Jiutian told me. I happened to be on the phone when you entered my room before. The people from Can Jian Jiutian called me and told me this message."

Song Hanyu's eyes were blank, "I thought you were on the phone with your little lover? It turned out to be the person of Can Jian Jiu Tian..."

Wiliam nodded.

Xu Tongyin was naturally the one who called him.

After Xu Tongyin came up with the Canglang Heroes, he didn't have a clear position immediately.

Instead, he went out with excuses, called Wiliam and told Wiliam about this.

He was naturally on Wiliam's side.

And when Wiliam heard this message, he immediately used his plan to make such a game.

Of course, he also thought of Yushizhi's side, and also called Su Emei.

So the Yushizhiren and Canjian Jiutian people naturally helped Wiliam with this favor.

Just kidding, the relationship between Wiliam and their two sects was so deep that outsiders could hardly imagine.

"As for why the relationship with them is so good, Lin Jiang and I are brothers, you should know that. Can Sword Nine Heavens, I have been to their sect before, ask them to help me re-engineer the gods. Well, the forged magical soldiers turned out to be surprisingly good, and they were also very happy, so they did me a favor." Wiliam said lightly.

Speaking of this long live demon lotus, this is also the most important reason to confuse everyone. At first, everyone saw that the fake Wiliam would use Long Live Demon Lotus, so they all confirmed his identity.

This was deliberately done by Wiliam.

How could Song Hanyu manipulate the Long Live Demon Lotus, but Wiliam buried the Long Live Demon Lotus in Song Hanyu's body, and then he manipulated the Long Live Demon Lotus not far away while paddling the water, creating the illusion that Song Hanyu would use the Long Live Demon Lotus.

At this moment, Song Hanyu looked at Wiliam with a puzzled look.

Yushizhi still makes sense, but Can Jian Jiutian is a bit unreasonable.

Just because of forging the magic weapon, the relationship between the two sides is so iron?

"Well, it's because of Xu Tongyin." Seeing Song Hanyu's eyes burning, Wiliam had to bite the bullet and said.

"Ha! Isn't he dead! He is dead!" Song Hanyu suddenly became excited.

Wiliam took a step back silently looking at her like a bloodshot.

Also, the legend of Shuangjiao has always been the peak showdown among the nine sects.

It's a pity that both arrogant and arrogant fell before.

Now that Song Hanyu has recovered to its peak, and may even be more diligent, there is a great regret in his heart.

It's a pity that one of the two prides is gone, otherwise, how mighty it is to revive the name of the two prides!

Now that Xu Tongyin is still there, can she not get excited?

William told Liu Yuntian of Xu Tongyin's message before, and told Liu Yuntian not to spread it outside.

I don't think that Liu Yuntian is enough for men, and everyone in the pillow said.

The mouth is hard enough!

William explained in a low voice that Xu Tongyin had been frozen in the battlefield of blood and tears for more than two years, and Song Hanyu was obviously in a deeper agitation.

After a long time, she calmed down and said, "I'm sorry, I made you laugh. You won't understand this kind of peerless double pride."

William nodded, vomiting in his heart, I really don't understand the peerless arrogance, but I understand the feeling of the three plagues in troubled times too much.

"Hey, how could you think of being in their team, wouldn't you be afraid of revealing your identity? It's too dangerous, right? If you were discovered, you would be beaten to death!" Song Hanyu said suddenly with lingering fear.

William smiled and shook his head, and said, "How could it be exposed? Think about it. I will tell the public today the sect that will opt-in tomorrow, so before I announced, I was still the most sought-after person among the nine sects. Especially the upper sects such as Dugu Hongshi and Han Xing Wangqing want to protect me. Acting on me at this point in time is to risk offending other sects. This is one of them. The second is, In order to have a better chance of winning in the ranks of the nine sects, several sects sent a bunch of masters to besiege and wanted to kill me. Is this behavior fair and honest? Does this behavior conform to the upright temperament of the nine sects?"

"Third, the most important thing they have to guard against is to besiege me, and I am still immortal. If so, think about so many people besieging me without taking it alone, aren't they even more embarrassing?"

"Based on the above three reasons, I am 100% sure that they will definitely try to hide their identity. After all, killing me is a small one, and it is a big one to shame the sect. The result is indeed the same as I thought, even more serious. They not only I didn't even want to say anything, and even the various strokes in order to hide our identity gave us great convenience."

Song Hanyu heard his scalp numb, ah, from the very beginning, this kid had already planned it?

Even the other party's psychological activities are clear?

This group of people is too bad! Encountered the existence of the enchanting level like William!

“Then how are you sure that they will do it tonight, and how do they know that you will appear on a small hill...” Song Hanyu asked casually, but the more he asked, the more shocked his heart suddenly became!

A terrifying guess came to her mind!

She actually jumped three feet high from the chair, completely ignoring the usual gentle image, and swearing directly came out.

“h! You won’t start from that time, just...”
