

Dragon Husband 1574 part 1

Chapter 1574

Hearing Wiliam's words, Song Hanyu shuddered.

What is a warm and comfortable negotiation!

Saw a ghost!

Negotiating with such an enchanting evildoer can still be warm, thank God for not being stripped of the skin!

However, Wiliam made these arrangements. Is the ultimate goal just to negotiate?

Song Hanyu put a question mark in his heart, feeling that things would not be that simple.

Wiliam went over first, and Song Hanyu quickly changed to another suit and followed to the room where the nine people were held.

When they got there, the nine people were already tied up by Wuhuada, but they all looked angry, as if waiting for Wiliam to come.

As soon as Wiliam came in, several people yelled, "Wiliam! Where's your guts, tie us all up! Are you not afraid to offend our sect!"

First, the momentum is very arrogant.

But Wiliam let them break the defense with a single sentence, "Oh, okay, I don't know some of you, then I will notify the people of Jiuzong to come and claim it."

Several people seemed to be fed a mouthful of Xiang suddenly, their faces turned blue!

This kid is too bad for riding a horse!

Notifying the people of Jiu Zong to come and claim it, isn't this to catch a few of them and make them embarrassing to the public!

It is conceivable that after being notified, would the sect still dare to come and claim it?

Absolutely clear the relationship in the first time, maybe you will just kill your relatives and preserve the reputation of the sect.

"Well, why didn't you speak? What about the arrogant energy just now?" Wiliam asked these nine people with a smile.

The nine people looked at each other, and for a moment they didn't know what to say.

On the contrary, the three elders in Xianghualixue had skinless faces, and immediately softened, "Wiliam, you see that we have met somehow, and they are also friends. What we are doing today is

that we are not authentic, we and Is it okay for you to apologize? You let us go, and I promise you that I will never embarrass you from now on.”

With this, Song Hanyu, who had just changed his clothes, was twitching at the corners of his eyes.

Is this what people said?

You guys wanted to kill Wiliam, but you didn't hit someone on the road.

Is it exposing a sentence that is not done authentically?

What's the point, it means that Wiliam was killed by you guys?

Forget it, why not make it difficult for you in the future...

Can you figure out the situation?

You are caught now, not Wiliam being caught!

For such fools, Song Hanyu had the urge to push them on the ground and rub them.

Wiliam seemed to have a lot of experience in dealing with fools, and he was mature and stable.

Without changing his face, he smiled and said, “Really? Then I have to thank you all for not killing. Thanks to the group of people behind me, otherwise it will be a bad thing. If you guys should I kill it.”

The person at the scene is called embarrassment.

Wiliam, Wiliam, shrimp and pig heart!

It's okay not to mention this. When it comes to this, the nine people on the scene are sad with tears streaming down their faces.

A total of nineteen people were dispatched. Well, ten of them were undercover...

Who can stand this horse riding!

This was not only a failed land chasing operation, but also a shameful land chasing operation!

“Let's talk about it, how are you willing to let us go!” the big-headed brother before said sharply.

“I want to go back. It's very simple. Let your respective sects come and lead them. I will give you five minutes each. Then give me an answer. Once the time has passed, there is no answer, I will directly ask each sect.” Wiliam smiled. Very warm, like the sun in July and August.

But in the eyes of everyone, this warmth is simply chilling to the bones.

It's too cruel!

After Wiliam finished speaking, he motioned to return the phone that he had confiscated to the nine people, and said to them, "It's time to count."

Nine people look at me, I look at you.

Call back, absolutely scolded.

If you don't call back, you will be embarrassed in front of Jiuzong, and the sect will also be affected by this.

Which one is lighter and heavier, can you tell at a glance?

Everyone coughed, and immediately divided into three waves and huddled together in a tacit understanding.

You push me, I push you, the three of you who are fragrant and bloody, and finally one of them calls back to the sect.

The man's hands were trembling, his heart was bleeding, and his scalp was numb.

And at this moment, in the sect of fragrant flowers and blood.

Those individuals were sitting around a big chair late at night, and their faces were full of anxiety.

Sovereign Wenren Tiange even couldn't sit down because of anxiety, and kept pacing beside them.

The atmosphere is very depressing.

Suddenly, Wenren Tiange's phone rang.

He was shocked, picked up the phone and took a look, revealing ecstasy!

"The call is coming!" Wenren Tiange said excitedly.

Wenren Tiange made an agreement with the three of them before.

If things are successful, report to Zongmen as soon as possible!

You know, by participating in this operation, Wenren Tiange is betting on the honor of the sect.

It's not an exaggeration to say that it's risking the world's great misfortune.

Under such great pressure, can he feel at ease?

Now the call to announce the good news came, and his uneasy heart finally fell.

He answered the phone and asked tremblingly: "It's done?"

There was no sound on the other side of the phone for a while.

It seems that I don't know how to answer the suzerain's question.

"Speak! It's no longer there!" Wenren Tiange's voice raised a few points.

“Zong, Sect Master...I’m sorry...” There was a knocking sound on the other end of the phone.

In a word, let Wenren Tiange be hit hard!

sorry!

This operation failed!

Wenren Tiange, who was finally relieved just now, seemed to have received 10,000 critical hits, his legs were a little weak, and his eyes were a little dark.

“What’s the situation!” Wenren Tiange took a deep breath, barely calming himself down in front of everyone.

“Sorry, failed...” whispered on the other end of the phone.

The confirmation failed, and Wenren Tiange’s lips turned pale.

“What the hell is going on! With so many of you, how could you fail!” Wen Ren Tiange roared.

“Nineteen of us this time, ten of them are undercover...” explained over the phone.

Wenren Tiange was stunned for a while.

Nineteen people and ten undercover!

What the hell is this!

“What about you guys! Come back quickly and talk about what’s going on!” Wenren Tiange’s lips trembled.

The people at the scene also heard their hearts popping out.

Wenren Tiange thought that these three people had failed in their actions, so they came back and chose to call!

snort!

When they come back, I can’t kill them!

However, there was silence on the other end of the phone.

It seems to be a lucky thing to come back.

“You guys are dumb! Talking!” Wenren Tiange almost dropped the phone. These three people are too much of a thing, and they are not easy to speak!

A low voice came from the other end of the phone, causing Wenren Tiange to soften his legs and sit directly on a chair.

“We were caught by Wiliam...”
