

Dragon Husband 1577 part 1

Chapter 1577

Liu Yuntian's face changed drastically after listening to it!

He looked at Wiliam in shock, as if he had never understood this young man from the beginning!

In the eyes of normal people, Wiliam's game has been laid out a few days ago.

And now, the people of the three sects are forced to ransom them heavily, and they dare not speak out.

It's a complete dumb loss!

As a result, Wiliam became rich overnight.

But now, Wiliam actually said that the game has just begun!

This is too much!

It was so thrilling at first!

Then, what kind of turbulent seas he has to dig out!

And the next thing, the most important thing is the nine qualifying!

Could it be that the entire nine qualifying matches were Wiliam's game!

Thinking of this, Liu Yuntian couldn't help taking a breath!

This kid is not thirty years old yet!

Is it so arrogant that he wants to play with the entire Nine Sects in the palm of his hand!

"Wiliam! Would it be a little risky for you to do this?" Liu Yuntian said to Wiliam tactfully.

Wiliam smiled disapprovingly, "There is nothing wrong, people don't offend me, I don't offend people. I never leave a line when I do things."

But Liu Yuntian was deeply afraid of what Wiliam said.

Through these days of getting along, Liu Yuntian understood this too well.

It seems to be the case.

In the game Wiliam set before, if several sects had no intention to kill, this situation would not have occurred.

Rather than saying that Wiliam's materials are full of killer moves, it is better to say that Wiliam just made all the road arrangements.

Then which one to choose depends on the opponent's heart.

There is nothing wrong with choosing the right one.

The wrong choice is over!

Is this the case again now?

Liu Yuntian dared not ask any more.

I was afraid that Wiliam would dare to speak, but he would dare not listen!

"Then what am I going to do next?" Liu Yuntian asked weakly at last.

"Come on, get a good night's sleep, get up and announce some things." Wiliam said, and walked straight forward, "I believe you will handle the next thing very well, so I don't need to worry about it."

Liu Yuntian looked at Wiliam who was leaving, with all sorts of complications in his heart.

This back figure, when he looked at him in a trance now, was somewhat similar to the mysterious Seven-Star Ferryman above him.

The upper part of myself is so shocking.

This kid has a limitless future!

What happened next, as Wiliam said, everything went smoothly.

The three sects soon sent spirit crystals.

And Liu Yuntian also returned those arrested quite neatly.

It's just that when everyone leaves, there is always a feeling that life is like a dream.

What happened tonight is really like a dream.

Everyone is still there, but the money is gone.

The kid waved his sleeves and took away 180,000 spiritual crystals...

At noon the next day, Wiliam was called by Liu Yuntian.

"Wiliam, several people from the sect gathered at our Yuntian auction house again. Let's take a look out." Liu Yuntian shouted outside.

Wiliam was naturally prepared, Shi Shiran walked out of the room.

At this moment, the last wave of people gathered again in the meeting room.

Dragon Husband 1577 part 2

The only people who are missing the fragrant flower and blood.

Speaking of it, Can Jian Jiutian and Canglang Zhixiong's people came here bitterly, how embarrassing it was.

I just assassinated someone last night, but they still didn't kill them, and finally went bankrupt to redeem them.

After a while, I have to come over to install the countertop again.

Do they dare not come?

But it's too obvious when it comes.

But when I came over, it was so embarrassing.

Several sects looked at Wu Qixiong without a smile.

Wu Qixiong's forehead was sweating coldly.

Yesterday, he went and invited these nine big brothers one by one.

But very few people agreed.

Now, for example, Su Hongxiu, the lady of the red and thin tall building, looked at Wu Qixiong jokingly, and said grandiosely: "Sect Master Wu, didn't you go to assassinate Wiliam last night? Why, are you still here now? Is it possible? Wiliamzhen died in your hands? Did you fail?"

The faces of the people at the scene became weird.

Wu Qixiong didn't think that Mrs. Shi Se was so upright, and even said it directly in front of everyone.

His face was pale, but he had to pretend to the end, and smiled awkwardly: "Where is Sect Master Su, how could I do such a shameless thing? Today Wiliam is going to announce the sect that I joined, how could I have such a hatred last night? Isn't this offending everyone to death? Don't dare. We are decent people."

The faces of the people at the scene were even stranger.

The imperial Su Emei almost laughed.

Does she know what happened last night?

She and Can Jian Jiutian took a look, and their eyes were funny.

Even Can Jian Jiutian came this time as an undercover agent who participated in the land chasing operation last night.

Now that Wu Qixiong is so embarrassed, it is really interesting.

“Wu Qixiong, although I don’t despise your previous proposal, I still have a fair word. Our Nine Sects have a good reputation outside. If someone is playing some conspiracy behind the scenes, my Dugu Hongshi absolutely will not allow it.” Dugu An elder of Hongshi said loudly.

“Definitely! I decided to die for the prestige of Jiuzong.” Wu Qixiong wiped the cold sweat on his forehead and quickly stated his stance.

In this way, it seems that he is a decent figure with a thousand feet of gold.

“That’s good.” The elder nodded awe-inspiringly.

At this time, someone saw Wiliam coming from outside the door.

“Wiliam is here,” they whispered.

Wiliam walked in, facing these big bosses, he was naturally respectful and polite.

“Everyone has been waiting for a long time.” Wiliam bowed to everyone first.

“Wiliam, you said that you are going to announce the sect you joined today, so we came as promised, hoping not to let us down.” The elder of Dugu Hongshi took the lead and said.

He stood in front of Wiliam, letting out his anger slightly.

There was even a trace of blood in between.

Their unique bloodline of the lone red lion is no joke.

He wanted to demonstrate secretly to Wiliam so that he could be more acquainted.

However, it occurred to him that Wiliam was clever and clever, even slightly hiding, avoiding the coercion of the elder’s secret energy.

He looked around, as if not aware of the elder’s actions just now, he smiled and said, “Then I won’t sell it anymore. Everyone is very busy with everything.”

“The sect I decided to join is Jinyu Volley!”

The people at the scene fell with Wiliam’s voice, and their faces were shocked!

It’s not a lonely lion, it’s not Han Xing forgotten love, that’s all!

Come to the Immortal Prison at the end of the crane and so on, and the people of the Nine Sects will recognize it!

What the hell is this golden jade volley!

This kid is playing with everyone’s feelings!

The elder of the lion lion seemed to have been teased by the supreme.

The vitality of the blood in his body, this time it leaned out towards Wiliam without hesitation!

“Boy, you say it again!”

“Which sect do you choose!”
