

Dragon Husband 1579 part 1

Chapter 1579

The people at the scene watched this scene in disbelief!

This kid, under the blood pressure of Elder Dugu Hongshi, there is nothing wrong with it, that's all!

Now I can walk around at will!

This is walking with blood pressure!

How many people with a lower realm than this elder can do it!

Moreover, looking at the face of Elder Dugu Hongshi, it was as if he had seen a ghost, what did the elder bear!

Reluctantly, the coercion on Wiliam only rushed to Elder Dugu Hongshi, and no one else could truly feel the coercion of Wiliam's blood.

And the elder in it, an old face turned pale!

He only felt a kind of terrifying breath that entered his bones, slowly devouring himself!

Even if he mobilized all his blood pressure and wanted to dissipate the pressure released by Wiliam, he found that he couldn't do it at all!

The pressure he released was completely swallowed by Wiliam!

No, it's not swallowed!

It's assimilation!

It's fusion!

The strength of his own bloodline magically blended into Wiliam's pressure!

Then oppress yourself in turn!

This is a picture he has never seen before!

A shocking thought appeared in the mind of the elder!

This kid is also the bearer of blood!

Moreover, his bloodline is of the same origin as his own bloodline!

More noble than your own blood!

If this is not the case, how can you easily turn your blood pressure into your own use!

Where did this kid come from!

And what will it be that the bloodline of the same clan is the same as that of the Hongshi lion and is noble!

There are only a few words left in his memory!

Eternal unicorn!

Kirin blood!

If it is not for the blood of the unicorn, and it is the blood of the unicorn, how can this be done!

The elder thought so, and when his legs became weak, he would kneel to the ground.

But at this time, Wiliam stretched out his hand to catch it at will, and seemed to pat the elder's shoulder indifferently, so that he didn't kneel on the spot.

This can be regarded as an indirect sale to the elders.

Wiliam's bloodline Qi Jin immediately gathered back, and smiled and said to the elder: "Okay, I have enough fun, I have decided to join Jinyu Volley, you don't have to persuade me anymore."

The people at the scene looked at each other.

With the strength that Wiliam just showed, even the elder of the Dugu Hongshi couldn't help him. Who has the courage to persuade Wiliam to change his evil and return to righteousness?

I'm afraid there are no people at all!

What's more, such as Mrs. Food Color Su Hongxiu, who stared at Wiliam with scorching eyes.

Just now, for the last time, Wiliam supported the elder of the Dugu Hongshi, but she was completely watching it.

The elder couldn't do it under Wiliam's coercion!

On the contrary, Wiliam needs to support him so that he won't be embarrassed in public!

Scary kid!

Where did he come out!

The elder of Dugu Hongshi looked at Wiliam deeply and said to Wiliam: "Well, since this is your decision, we respect you and hope you will do it for yourself in the future."

He secretly gave Wiliam a look of gratitude.

After all, if Wiliam didn't support him just now, he would be really ashamed!

Dragon Husband 1579 part 2

Now, he has more important things!

Immediately return to the sect and report to the sect master what happened just now.

This Wiliam's identity is by no means simple!

Whether he has the blood of a unicorn or not, it needs to be determined by the Sect Master!

If this kid had the blood of a unicorn, he would have great fate with Dugu Hongshi!

Thinking of this, he bowed his hand to Wiliam, "I'll leave first."

After all, he strode away.

The rest of the people who saw the Dugu Hongshi couldn't help Wiliam, their eyes were weird, and finally left one after another.

There is only one Su Hongxiu still left.

She sits lightly on a chair and is wearing a long skirt with high slits today.

He raised Erlang's legs casually, and his long, white legs were unobstructed.

"Does Sect Master Su have any advice?" Wiliam asked with a smile.

Su Hongxiu took a sip of tea and said with a smile: "They should have sent someone to assassinate you last night, and then you resolved it? How did you resolve it?"

Wiliam smiled without saying a word, but Su Hongxiu didn't answer.

After a brief contact, Wiliam already had some basic understanding of this woman.

She is rumored to be overwhelmingly eccentric, both righteous and evil.

But in Wiliam's view, this is not the case.

This woman is like an enhanced version of Wenren's heart.

At the time of the red dust, Wenren turned his heart into a child's grandmother, which is just like the game world.

But Su Hongxiu is definitely a smart person.

The head is more inspiring than hearing people's heart.

Otherwise, he would not become the lord of a sect.

They are all women's sects, after all, women's teams are not easy to lead.

With reference to his elder brother Liu Lang, he was all overwhelmed by several women.

Su Hongxiu's strength should also be very strong.

At present, she couldn't see any intentions. Wiliam didn't plan to have a direct confrontation with such a terrible woman.

"Oh? Don't you? It should have reached a certain condition with those sects who assassinated you? Let me guess, you should have caught the opponent and then forced the other party to pay a certain price, right?" Su Hong Xiu said with a smile again.

Liu Yuntian's expression on the side changed slightly.

This woman is terrible too.

What happened last night, the three sects will not say, Wiliam and Liu Yuntian are also tight-lipped.

This woman got her guess easily!

How did she do it!

"Women shouldn't be too smart. Men generally like women without brains." Wiliam said lightly.

"Oh? Shouldn't it be someone who likes big breasts and no brains?" Su Hongxiu deliberately stood up two points and said seductively.

Wiliam glanced at it, then turned his head.

This woman can't be seen too much, she is like a witch, with an absolute ability to curse the world.

"It seems that you still don't want to pay attention to me. The last sentence, you think about it, marry me, or marry me, this is absolutely good for you." Su Hongxiu slowly got up, with the long split body on her body. The skirt was also like running water, slowly covering her proud long legs.

She stretched her waist, and her familiar temperament killed the audience.

Wiliam smiled, "Sect Master Su has shown love, and Lu can't bear it."

Wiliam couldn't see through this woman, so he was extremely cautious in his words and deeds.

Su Hongxiu seemed to know Wiliam's answer, so he got up and walked outside.

However, she said as she walked: "In this case, we will be enemies before the nine qualifying matches are over."

"Get ready to prepare."

Su Hongxiu said, turning back, the breeze stroked her peerless face, her hair fluttered silently.

She gave Wiliam a beautiful smile and blew a kiss.

"We women in the red and thin tall buildings are not so easy to deal with."

“How many can you deal with at once?”
