

# Dragon Husband 1581 part 1

## Chapter 1581

The people at the scene looked at the man named Chi Zhan, and suddenly backed away several steps.

Each face has the fear of an enemy!

William looked at the man who appeared out of nowhere in front of him curiously.

This person is dressed in black and has a very weak breath.

If you don't notice it carefully, you won't be able to find that he is a big living person.

The man's eyes were covered with a piece of red cloth, which was very conspicuous.

He just stood silently, saying nothing.

The people at the scene were mixed.

The good news is that Chi Zhan's strength is indeed very strong!

No wonder Chen Zhongyan dared to bet on his position as deputy suzerain!

But the worry is that Chi Zhan is too strong.

Strong enough to be the enemy or me!

"William, you may not know this man named Chi Zhan. Let me introduce you briefly. This Chi Zhan is about forty years old this year. If he participates in the competition, he would be considered a stepping line. But he has been famous for 30 years! This man is cruel and cruel. He was very eccentric. He was born in a noble family, but overnight, he was only ten years old, and he slaughtered the whole family to prove his life by killing him. It caused a sensation in the entire common people's territory! Later, when someone wanted to judge him, He disappeared mysteriously. Then he appeared again ten years ago, and his strength has become very terrifying."

"At that time, he was recruited by the strange sword to cover the sky. He stayed in the sect for a while, and then personally killed a hundred children in the sect! This incident caused a sensation in nine sects, and Chi Zhan's notoriety spread. It's a pity, He is like a fog, after the killing, he disappeared without a trace."

"Ten years ago, at that time, Xu Tongyin and I of Can Jian Jiutian hadn't formed a double pride. If Chi Zhan didn't disappear, I guess there was nothing about the double pride. He was superior to the double pride ten years ago. The existence of Shang, now he reappeared ten years later, and how terrifying his strength is, I don't think even Chen Zhongyan himself knows."

Song Hanyu on the side was shocked, and whispered to William this man named Chi Zhan.

"Chi Zhan's name was also given to him after he created the sect killing ten years ago. No one knew his real name. It is said that he was very capable of assassination. The person of Tu is cut with a single knife! Others call him Chi cut."

Everyone looked at Chi Zhan nervously, each one felt like stepping on sH\*T.

Wherever this Chi Zhan went, the killing would follow.

Now coming to Jinyu Volley, won't you want to create another killing in Jinyu Volley!

Now the people with strange swords covering the sky are still looking for him, wanting to smash him into thousands of pieces.

Is it really good to take in such a bomb?

"Hu Hong!" The old Sect Master raised his voice for an unprecedented time, his expression becoming very unhappy.

Everyone knows Chi Zhan's notoriety.

It doesn't matter if such people are accommodated.

Let this kind of person play for Jinyu Volley, isn't this completely ruining the reputation of the sect!

However, Chen Zhongyan seemed to have planned a countermeasure long ago. He smiled and said, "The suzerain does not need to disturb himself. Chi Zhan has devoted himself to worshipping Buddha over the years, and his character has changed a lot from before. He will no longer just cause killing. And, if we don't say anything, who knows that he is Chizhan? Just give him a name, won't he be eligible for the competition?"

## Dragon Husband 1581 part 2

"Sect Master, think about it, does our Jinyu Volley really rely on a Wiliam to keep our face? The reputation of emptiness is nothing more than his boasting. But we all really know the strength of Chi Zhan. So Chi Slash is our greatest support! No, he can not only reach the top three personally, but also enter the nine sects with the sect! And this is the ideal you pursue in your life! We can't wait for the next twenty Year!"

Chen Zhongyan's words directly hit the old sovereign's heart.

The old sovereign's face changed rapidly.

In the end, he just asked vaguely: "How did you find Chi Zhan! Also, what price did you pay!"

Chen Zhongyan hurriedly said: "I also found him by coincidence. He was incognito, and he revealed his identity to me as soon as I met him. As for the price, there is no such thing. He and I are already brothers of the opposite s\*x. Brothers, what is the cost."

With that said, the hearts of the people at the scene began to itchy.

I picked a super Slaughter King out of thin air!

And it works for me.

Isn't this the ideal result?

For a moment, everyone looked at Chi Zhan, their eyes blazing.

All of a sudden, Wiliam's existence was wiped out.

Everyone also bowed their hands to compliment Chen Zhongyan, "Sect Master Chen is still capable of it! This is nothing short of giving charcoal in the snow, great!"

"This time, if we Jinyu volleyed to make progress, it will all be attributed to Sect Master Chen!"

"It couldn't be better that Chi Zhan can be used by us, now we have confidence!"

However, Chen Zhongyan looked humble and said: "Everything has to be decided by Lord Sect Master. If Lord Sect Master does not want to fight with Chi Zhan, I will let him go immediately."

The people at the scene immediately looked at the suzerain.

The old sect master seemed to be asleep again, without speaking.

However, Song Hanyu, who had always understood the character of the suzerain, knew that something was wrong.

The ideal of the old suzerain is to take Jin Yu volley into the nine sects during his lifetime.

Saying that it sounds good is an ideal, if it is unpleasant, it means that obsession is a demon.

Now that Chen Zhongyan is making a fuss with the old master's heart demon, can it still work!

Before the suzerain could speak, Song Hanyu quickly said: "Suzerain! Think twice! Chi Zhan has a notorious reputation. A killing 30 years ago, and another 10 years ago, it shows that his bad roots are hard to change. It is really not worthy of belief! Discovering that he is Chi Zhan, our Jinyu Volley has been completely infamous from then on!"

Chen Zhongyan sneered disdainfully, "Song Hanyu, don't spit people anymore. Talk about notoriety, is Wiliam's reputation very good? I heard that he has a reputation for eating soft food when he enters the common people's territory. Well, Chi Zhan's notoriety is a man's behavior anyway. Wiliam is like a wife. I don't rarely talk about him."

"Okay! Don't say it." The old master finally interrupted the two people's quarrel.

Chen Zhongyan smiled.

On my own side, he was fulfilling the old Sect Master's dream, while Song Hanyu's side was breaking this dream. How would the old Sect Master choose?

Sure enough, the old sect master said: "God has the virtue of good life. Although Chi Zhan has been full of killings in the past, if he can change his evil and return to the right, it is also a good talk. I will give him a chance. Let him play for our Jinyu volley in this nine-sect platoon. As for Vice Sovereign Chen, I also remember your previous promises. If the qualifying results are good, my old man should abdicate and become virtuous."

As soon as these words came out, Chen Zhongyan's mouth would be cracked to the bottom of his ears!

The old sect master looked at Wiliam again, as if he couldn't bear it, and said, "Since Wiliam was brought by Hanyu and Yuntian, then join together and make up the number."
