

# Dragon Husband 1582 part 1

## Chapter 1582

Song Hanyu was furious when he heard this!

Wiliam, who was rushed by the Nine Sects, was actually on the side of Jinyu Volley, just making up the number?

If this is spread out, wouldn't it be laughed at by everyone!

What a golden jade volley, the hand is even bigger than Jiuzong!

"Sect Master, Wiliam is very good at it! Don't underestimate him!" Song Han Yu was not angry, and said again.

However, Chen Zhongyan interrupted Song Hanyu's words carelessly, "Okay, isn't it just going to be gilded? For the sake of the old sect master, I will go. Anyway, this time there is Chi Zhan, and we are enough to glorify the lintel. NS."

Song Hanyu still had to talk, but saw Wiliam's eyes.

Wiliam's eyes were full of mysterious jokes.

He looked at Chi Zhan curiously, and the corner of his mouth twitched slightly.

Wiliam also shook his head lightly towards Song Hanyu, signalling Song Hanyu not to be troublesome now.

Obviously the old Sect Master couldn't listen at all.

Then use strength to prove it.

"That's it, report the list, and prepare for the nine qualifying matches." The old master said at last, and dragged his old body away from the scene.

And Song Hanyu was in the corner with Wiliam and Liu Yuntian.

Song Hanyu said to Wiliam apologetically: "I'm sorry, Wiliam, I didn't think it would embarrass you so much. When I was in power, Jin Yu Lingkong was definitely not like this."

She was referring to the villain in power.

"Nothing, I also expected it. See the real chapter on the court." Wiliam said with a smile, as if he didn't care about it at all.

"I really didn't expect Chen Zhongyan to find a notorious person like Chi Zhan and persuade him to join Jinyu Volley. To be honest, even if I recover now, I am not confident that I can defeat Chi Zhan. It's a good thing for Jin Yu Lingkong, but why do I always feel uneasy in my heart, and I am still a little afraid of this person." As a woman, Song Hanyu's sixth sense is bursting.

"It's okay. Let's do what happens." Wiliam still didn't care.

"However, thinking about it now, it seems to be a dream. The three sent out by Jinyu Volley this time, one is Chi Zhan, who is almost above the double pride, and the other is Han Yu, one of the double arrogances whose strength has reached the peak. The last one is Wiliam, who easily defeated the elders of the nine sects and drove the nines to berserk. I am afraid that even the sects can't come out!" Liu Yuntian said suddenly a little excited.

Song Hanyu was taken aback, but didn't think about it.

Now that I think about it, it's a bit scary.

Even if it was Nine Sects, the trio of Jin Yu Volley was a tremendous increase in strength.

And now, the unknown Jin Yu volleyed, by chance, the three masters have gathered together!

If these three masters are placed in the nine cases, it is understandable to say that this sect can win the top of the nine cases.

If you work hard together, Jin Yu volleys into the ranks of the nine sects, wouldn't it be easy!

In this case, the old Sect Master's obsession can indeed be achieved.

Not only completion, but also the kind of Dzogchen that astounds the world!

Thinking of the old sect master, Song Hanyu suddenly thought of something, and hurriedly asked: "Wiliam, the old sect master has been in poor health. You have extraordinary medical skills, can you help him see it?"

I thought that Wiliam would agree to it all at once, after all, this was just a matter of effort.

Wiliam was able to crack even Song Hanyu's shuihanjin, so what's the matter with the slightest ailment?

But Song Hanyu saw Wiliam slowly shook his head, and showed a wry smile.

"There is no cure." Wiliam just spit out four words.

Song Hanyu was anxious when he heard it.

She pulled Wiliam's sleeve and quickly explained: "Wiliam, don't think that the old sect master is stubborn and has no cure. He is usually not like that. It's just that he is really old in the past two years and has been injured. It will be as unreasonable as it is today."

Wiliam smiled and said, "Aunt Song, you have misunderstood what I mean. I deserve no cure, not for his brain, but for his injuries."

He simply explained in detail: "When I first saw the old sect master, I saw that his hall was darkened and there was another fishy odor on his body. At that time, I concluded that the old man was sick and lacking skills. "

"What is the disease of the elderly?" Song Hanyu asked suspiciously.

"Geriatric disease means that he is old and his body's functions are completely degraded. Even Daluo Shenxian can't save him. Unless he breaks through to the fairyland, there is still a possibility of prolonging his life." Wiliam explained.

Upon hearing this, Song Hanyu's face became stiff.

Obviously she thought of this too.

However, stepping into the wonderland is easier said than done.

Although the congenital secret realm warrior and the seeking fairy realm warrior are only one step away.

But at this step, how many people were repelled.

It can be described as indescribable.

Unless this person was born in the tyrannical sect, there are high-quality medicines piled up.

It's a pity that none of the nine sects can be regarded as a super sect, let alone a golden jade volley that has always been a small transparent existence.

"Well, in fact, I am also mentally prepared. I just hope that this time the Nine Sect Qualifying Tournament can bring some comfort to the old Sect Master." Song Hanyu said helplessly at last.

"Let's go." Liu Yuntian took the two of them and left Jinyu Volley.

Nine qualifying matches will start soon.

Many sects are already making the final preparations.

And some undercurrents are constantly surging.

It seems to attack the entire nine cases.

Opposite Chen Zhongyan sat Chi Zhan with a red cloth blindfolded.

He held a glass of wine and said with a smile: "Brother Chi Zhan, then I wish you a victory tomorrow. This time the Nine Sects Qualifying Tournament will show your grand ambitions! Be below the world's glasses!"

The opposite Chi Zhan still looked expressionless, just holding the cup and drinking it.

Chen Zhongyan drank slowly, his mouth grinning.

Everything is moving in the direction he expected.

God really took care of him and made him become brothers with the famous Chi Zhan by chance.

If nothing unexpected happens next, Jin Yu's volley will be a blockbuster.

And he will become the new suzerain with the highest status in Jinyu Volley's history.

Liu Yuntian and Song Hanyu will be completely trampled under his feet.

How fast!

"Come on! Drink again! Do it for my brother!" Chen Zhongyan was in a good mood and couldn't help drinking again.

In a blink of an eye, the nine qualifying matches officially started.

But before Wiliam had time to go out with Song Hanyu to the venue, he received a call from Liu Yuntian.

Wiliam picked it up casually, "Old Liu?"

On the phone, Liu Yun's weather was disturbed, and he seemed to be shocked.

He almost said angrily on the phone: "Wiliam, the big thing is not good! I didn't think of the sons of a bitch! Even in the qualifying match, he blatantly started targeting you!"
