

Dragon Husband 1584 part 1

Chapter 1584

William absolutely didn't think that his eldest brother Liu Lang would become one of the three referees this time.

Although he was wrapped in black clothes, William knew the posture of walking and hanging around.

As if feeling William's gaze, Liu Lang's figure stagnated slightly, and immediately returned to normal.

People around are constantly whispering, "Those three are the referees photographed above. Look at this momentum, it's really amazing."

"Six Laws, this is the treasure I have always dreamed of. I wonder if there will be a chance to go to the Six Laws in this life to see the glory?"

"After a while, go to the three referees to get close to each other and see if you can get some friendship."

William was about to turn around and take a rest, when he heard a strange voice from behind him, "Hoho, are you looking at the three big guys too? Why, thinking about dating too?"

You don't have to look back to know that the speaker is Chen Zhongyan.

Several people stood behind Chen Zhongyan, among them Chi Zhan was still blindfolded with a red cloth, standing behind Chen Zhongyan like a sculpture.

And the other lackeys immediately laughed, "Hahaha, what are you saying, Sect Master? What do you mean? Is it okay to be clear?"

"Every step this kid walks, isn't he just relying on Climbing Dragon and Fufeng to walk through the back door? He is always familiar with this routine."

"Ouch, then shall we ask him to see if he can help us also introduce him?"

"Hahaha, dream. That's the six methods. Even if this kid is capable of going through the back door, can he know the three referees of these six methods? I twisted my head off and used it as a stool for him to sit on."

William didn't even care about these people's laughter, but Song Hanyu looked angry.

The upper beam is not right and the lower beam is crooked!

Jinyu Lingkong has rotten roots under the pollution of Chen Zhongyan!

It's time for a thorough rectification!

Just start with today's nine qualifying matches!

After a while, the people at the scene were already seated.

On the rostrum, there are three referees sitting in the middle, and next to them are the masters of Jiu Zong sitting on the left and right.

On both sides of the rostrum, the elders of the nine sects and the masters of some small sects are sitting densely.

As for the participants, they are naturally standing on the opposite side of the podium.

“Okay, be quiet, everyone.” A loud voice rang.

Without a microphone, the sound spreads clearly to everyone’s ears.

It was the leader of the nine sects, Bai Jianxing, the lion’s suzerain.

Bai Jianxing has a white beard and hair, but his face is ruddy, full of energy, and bulging. At first glance, he is a very powerful warrior.

The scene immediately fell silent under his order.

“Today is our Nine Sect Qualifying Tournament once every 20 years. It can be said to be the grandest gathering of our sects. Today Dugu Hongshi and the old man are fortunate to be the host and host. It is a great joy. And we have also invited the Six Methods. It is another blessing that the three strong players in the third come to be referees. The rules and specific schedule of the game have also been informed to the Zongmen present. The old man is not nonsense. Next, there will be specific referees on duty. Guide everyone.”

“Now I announce that the nine qualifying matches have officially started!”

Dragon Husband 1584 part 2

With the order from Sect Master Bai Jianxing, countless roars sounded on the scene, adding momentum to the start of the game.

Immediately, ten referees on duty stood up and guided the ten teams to their respective competition areas.

Wiliam naturally followed the referee and went to the tenth district.

The tenth district is at the corner, but there are the most onlookers.

As anyone with a discerning eye can see, there will be a very miserable and pitiful person in the tenth district who will be besieged by several sects.

Song Hanyu went to the third district.

Wiliam didn’t worry about her strength at all, but only hoped that she would not be too blockbuster.

The referee on duty in the tenth district is also the elder from Dugu Hongshi, and coincidentally, it was the person who wanted to recruit Wiliam before, but was finally given a step by Wiliam.

The elder's name was Bai Hetian, and his eyes were very complicated when he looked at Wiliam.

Yu Qing Yu Li Wiliam saved his face, he should take care of Wiliam a lot in the game, and return this favor.

Helplessly, the situation in which Wiliam was targeted in this area was too obvious.

The referee can't put the water anywhere...

He was a little worried for Wiliam.

And Baihetian still has the most worrying point, which is the schedule of the first day.

The schedule on the first day is very tight, and the top team will be determined within one day.

In other words, Wiliam is being battled by wheels!

No matter how good he is, when he is exhausted later, there will always be people who will miss it.

Just forget it, this group of people is clearly going to kill Wiliam...

Hey, I can only see that when Wiliam didn't support him, he arbitrarily gave in to his defeat.

Bai Hetian made this bold plan silently in his heart.

On the rostrum, many people's eyes also turned to the tenth division.

Seeing that everyone's eyes were on there, Bai Jianxing smiled and said, "Are you also focusing on the tenth division?"

Two of the three referees were a little puzzled, wondering why this tenth division was so compelling.

Those who know the inside story just laughed and didn't say anything.

Sect Master Hu Yixiao, who covered the sky with a strange sword, showed a vicious smile.

"The three referees may not know something. There is a player who is the youngest in the tenth division, but his strength is very strong. A few days ago, he also caused a frenzy of all the sects, but unfortunately, he joined one. Xiaozongmen. Now everyone is naturally paying attention to this little guy, oh yes, his name seems to be Wiliam." Bai Jianxing explained for the three referees.

"Wiliam..." Two of the three referees groaned.

As the leader of the nine sects, Bai Jianxing's mind is naturally very large.

Wiliam is just a little bit strong, but it doesn't cause him to pay too much attention.

"But in addition to Wiliam, there are still many things to watch in this year's Nine Races Qualifying Tournament. There are some very strong people who will return to the king, and some dark horses have also emerged. I can only sigh that there are talented people from generation to generation." Bai Jianxing sighed again.

As the organizer, he naturally knew that Shuangjiao came back hand in hand this time, and planned to prove the name of Shuangjiao again.

And there are indeed many newcomers who are very strong, some even outrageously strong.

As an old sect of Jiuzong, some of its details are naturally unknown to outsiders, and they all sighed, intending to become famous in today's venues.

"Well, the next game is about to start. I will also arrange a professional commentary here to explain some heavyweight games to everyone in real time." Bai Jianxing said again.

The game really started.

And Wiliam made his debut in the first game.
