

# Dragon Husband 1585 part 1

## Chapter 1585

"In the first game, Wiliam, who was volleyed in the sky, faced Chen Zuiyue, who was in troubled times with a mad knife." Bai Hetian said loudly, standing in the center of the ring.

With that said, the people at the scene suddenly applauded frantically.

A butterfly-like figure jumped straight onto the ring, standing still.

This person has a greasy face, and he feels like an idol.

He was dressed in white, and looked like a young master of the world.

He didn't carry any weapons, and he only had an ordinary-looking paper fan in his hand.

As soon as he appeared, some onlookers screamed frantically.

"It's Lord Drunk Moon! He was the first one to appear on the stage. We are really eye-catching!"

"I came in with all my hardships just to get a glimpse of the unparalleled demeanor of Young Master Zuiyue, ah ah ah!"

"I didn't see Chen Zuiyue in my life, so I called him a handsome man in vain! Brother! I'll give you my life!"

Unexpectedly, the appearance of Chen Zuiyue had caused such a sensational effect.

The competition of the other nine arenas was suddenly overshadowed.

Everyone's eyes are on the tenth division.

The man's eyes were filled with blazing jealousy, and the woman's eyes were filled with stars.

"Worse, Wiliam met with Young Master Zuiyue in the first game. This is not easy." Liu Yuntian muttered to himself with some worry in the audience.

His worry is not unfounded.

This turbulent mad knife is a sect that is more than inferior, and the sword is used as a weapon in the sect.

By the way, this Chen Zuiyue sword went slant forward, and he didn't practice any sword skills.

What he is practicing is Shen Fa.

Chen Zuiyue's body skills are said to have been taught by a mysterious old man.

And not only is it good-looking, it is also very practical.

His Shenfa is quite famous among the nine sects.

And because he looks very good, he has also become the external image spokesperson of the chaotic world.

A sect that uses a knife, and the female streamers who want to join the sect every day are like the sands of the Ganges.

It must be of ulterior motive to put Chen Zuiyue here now.

You know, the relationship between the chaos and the Qijian Zhetian is very good. Known as the sword and stone alliance, they have been related to each other for hundreds of years.

Qi Jian Zhetian wanted to use Chen Zuiyue's posture to hold Wiliam and consume Wiliam's physical strength.

Wiliam slowly stepped onto the ring, just like an ordinary person, unpretentious.

The people at the scene looked at him, and after a short astonishment, they all laughed.

Because Wiliam also looks good, the female fans on the scene screamed again.

"Wow, another handsome guy! This game is really worth it! Let me die!"

"I haven't heard of this person named Wiliam before. What a handsome guy is doing in hiding."

"But I still love my son Drunk Moon more. Look, he smiled, I'm going to faint!"

Chen Zuiyue looked at Wiliam indifferently, showing a slight smile.

He had done his homework before and knew that this Wiliam was very skilled.

So when it comes to martial arts, Chen Zuiyue knows that she is innocent and can't be ranked in the sect, let alone be comparable to Wiliam, who defeated the nine elders.

But other aspects are open to discussion.

Chen Zuiyue arched her hand to Wiliam politely, "Master Wiliam, okay."

Wiliam got a little goosebumps looking at this guy's sour and stubborn gesture.

He replied painlessly, "Hello, let's get started."

Too lazy to talk to such pretentious people.

However, the female fans at the scene refused to follow them, showing unpleasant expressions one by one.

"Hey, I thought that Wiliam was also a handsome guy with a nice temperament. I didn't expect to be so polite and unqualified!"

"Yes, my elder brother took the initiative to greet him, what is his attitude! Are you rushing to reincarnate? I don't love it anymore."

"Hurry up, hit it! Brother beat him in place!"

Wiliam's scalp numbed as he listened to the indignant voices of the women around him.

Woman, your name is Yue noise.

"Okay, let's start." Chen Zuiyue smiled cheerfully, and agreed to make the scene.

With a kick in Wiliam's footsteps, he blasted towards Chen Zuiyue.

And the corner of Chen Zuiyue's mouth has a beautiful curve, and that's all she thinks about it?

His body is like a flying butterfly, and the electric flint hides behind him, and when he dodges to the ground, his clothes are fluttering and he looks like an extraordinary person in the world.

Of course, it caused a wave of screams at the scene.

Wiliam stood still, a little interested.

This person named Chen Zuiyue is really good at her physical strength.

Among people of the same realm, Shenfa should be invincible.

But to Wiliam, it was just a little trick.

"That's it?" Chen Zuiyue looked at Wiliam provocatively, and hooked his finger at him.

Below is another handsome call.

Wiliam smiled slightly, "It's still not there."

With that, he rushed up again.

From Chen Zuiyue's posture and his deliberate provocation just now, Wiliam already knew what this group of people were doing.

Wiliam just thought it was funny.

Deplete power?

Didn't the people who have spent much time tell you that for me, Wiliam, this road is a dead end?

Wiliam naturally didn't know, Wenren Tiange naturally told these things to the other two sects.

But why they don't believe it!

You said that it's okay to milk yourself once or twice. Can you milk for a lifetime?

This is impossible!

It is estimated that the blood will not work after a few times.

That's why they arranged this round of wheel warfare.

It is estimated that this Chen Zuiyue is the one who can escape most, intending to give Wiliam a blow.

When Wiliam rushed over again, Chen Zuiyue was actually ready.

He is still a little clever.

He despised the enemy tactically and was extremely careful in battle conditions.

He is like a crispy shrimp, fast, but with thin skin. It is estimated that he will die if Wiliam touches him.

For a time, two people were chasing around on the stage, and they gradually became uninterested in seeing them.

What the hell is this playing!

The first few competition areas are still real swords and guns, and here are the corners of the clothes?

Did you really come to see your face?

All the men hissed.

As time went by, even Chen Zuiyue broke out in sweat.

His white clothes can't float anymore, just like a butterfly wet by rain.

Chen Zuiyue avoided Wiliam's attack once again, and looked at Wiliam in surprise.

This kid is better than himself?

You must know that Wiliam is the offensive side, not only to chase, but also to accumulate energy, it should be more physical.

But he doesn't sweat anymore, sorry?

I have already done my best for it!

And just when Chen Zuiyue was a little surprised at Wiliam's persistence, Wiliam smiled again.

His figure speeds up suddenly! It's like a thunder!

"I want to speed up? Come on, hold on!"
