

Dragon Husband 1586 part 1

Chapter 1586 I want to speed up

William was in the shape of electricity, and these words blasted into Chen Zuoyue's mind like a bolt of lightning!

Speed up?

come on?

What the hell!

He can be fast!

Rely on the demon!

In a hurry, Chen Zuiyue accidentally got scratched by William, and the white clothes suddenly broke.

William stood there and looked at Chen Zuiyue with a smile, "Can't it work?"

There was an uproar at the scene!

This is the first time William has hit Chen Zuiyue!

Those women can't breathe with heartache!

"Lu Gou is here!"

"Xiu hurt my brother!"

Chen Zuiyue could no longer hear the shouts from all around.

His head is buzzing, it is about to stop working!

This kid should consume twice as much energy as himself!

Now if nothing happened!

Can be faster!

Fight!

Chen Zuiyue worked up to twelve points and barely dealt with William.

Two more minutes passed.

Chen Zuiyue is panting like a dog!

But suddenly, I heard Wiliam say again: "I want to speed up again."

Chen Zuiyue almost scolded his mother on the spot!

You are playing with me!

It can be fast!

are you human!

However, Wiliam proved with facts that he could really be faster!

"Bang!" Chen Zuiyue staggered and received a punch from Wiliam. There was an unpleasant rattle on his shoulder!

Obviously Wiliam hit the arm!

The women below, scolded even more vigorously.

But Wiliam turned a deaf ear and looked at Chen Zuiyue with a smile, "That's it?"

Returned what Chen Zuiyue had said before.

"Damn! You F*cking!" Chen Zuiyue finally couldn't help it, and cursed directly.

After the scolding came out, the scene suddenly fell silent.

Those women looked at Chen Zuiyue with horror as if they didn't know Chen Zuiyue.

Is this the brother they know?

Isn't your brother gentle and gentle?

How can you curse?

And Chen Zuiyue regretted it after she finished her scolding.

It feels a bit collapsed.

His hatred of Wiliam is even stronger!

He can see it too!

It was Chen Zuiyue who wanted to play Wiliam!

But it turned out to be played by Wiliam!

Wiliam didn't do his best before!

"I admit defeat!" Chen Zuiyue spit out fiercely, and then walked away.

He could see it, he was already incompetent, but Wiliam still had a lot of abilities to be useful.

This kid can't be consumed any longer, the gap is too big.

With Chen Zuiyue's surrender, there was a cry of father and mother.

"Brother, you have to hold on, you are the best!"

"Don't admit defeat, are you the brother we know?"

"Brother, no one can lose to this bastard!"

Listening to the voice below, Chen Zuiyue wanted to scold her fans for the first time!

Don't you dare to come on stage to fight?

Don't you dare to be embarrassed?

If this continues, Lao Zi's Sh*t will be beaten out, do you want to see it!

"Boy, remember it for me! I'm just the first one, but I'm definitely not the last one! You can feel good about it below!" Chen Zuiyue bitterly put a word down, and strode directly away from the scene.

Dragon Husband 1586 part 2

Those women, like crazy, half chased Chen Zuiyue, half stayed at the scene and yelled at Wiliam.

Wiliam has a black line.

Yeah, this is planing your family's ancestral grave, right?

Woman, it's so annoying.

Especially the brain fans, it's really terrible.

"Okay! Be quiet! If you keep on arguing, I won't blame me for chasing people!" Bai Hetian hurriedly stood aside to stop the noise at the scene.

People not far away saw this scene and shook their heads.

The layman looks at the heat, the insider looks at the doorway.

Those people sitting on the rostrum fell into silence for a while.

Of these sect masters, only Wenren Tiange and Su Hongxiu had seen Wiliam's skills, and the others had heard about it.

Now that I have witnessed it with my own eyes, all eyes are shining.

They could see that this was definitely not Wiliam's all-out effort!

It's too obvious that Wiliam is free enough, can he reach one-third of his strength?

Only Liu Lang sighed in his heart, the third brother's progress was too fast.

From this time on, Wiliam truly entered the vision of these powerful men.

"Wiliam, you hurry to get off the court and rest. It's a bit more stamina to respond." Bai Yuntian kindly reminded Wiliam.

Wiliam nodded, thanking Bai Hetian.

He didn't consume much physical strength.

However, a disgusting scene appeared.

Normally, there are still a lot of people who don't have a match in this round.

Wiliam had an hour or two to rest.

But several sects have already reached a tacit understanding.

In the next few rounds, several opponents surrendered directly.

Suffer people without fighting!

After seeing this scene, Liu Yuntian directly screamed in spite of his image.

"You sects, do you want to point your face! This is not an obvious unity to bully people!"

Those other sects at the scene also shook their heads secretly.

This pattern is too small.

Although he has an antagonism with Wiliam, don't be too obvious.

Fragrant flowers shed blood, strange swords cover the sky, after all, it is an old antique.

But in two minutes, the first round has already been settled here.

In other regions, even the first round of the first round is not over yet.

Bai Hetian was also angry, but as a referee, he could only act according to the rules.

"Wiliam, your next round will be five minutes later. Hurry up and adjust your breath! I didn't expect it to be like this." Bai Hetian whispered to Wiliam.

Wheel war, this is the most disgusting part of wheel war.

Wiliam never took more than ten minutes to rest from the end of the game to the second round!

Wiliam smiled and said, "No problem, thanks."

Bai Hetian looked at Wiliam still indifferent, secretly helpless.

Little guy, can't you see the situation clearly?

This group of people is ready to get sick to the end.

Maybe you won the second round, and everyone else once again abstained.

The time left for you to rest will only become less and less.

Song Hanyu, who was still not starting the game, saw that the situation was not right, and hurried over to tell Wiliam again and again.

If Wiliam worked for Jin Yu Volley for free, Song Hanyu would never forgive herself if he was killed again!

However, Wiliam thanked Song Hanyu for his kindness and went to the stage with a smile.

This time, Wiliam met with an old acquaintance.

This time it is the people who fought hard.

The opponent who played in the battle had a complicated relationship with Wiliam.

This opponent, with an awkward expression on his face, stood in front of Wiliam looking at a loss. The one was called Chu Chu pitiful.

Wiliam smiled and looked at the opponent in front of him, and said, "Oh, isn't this my servant? What's the matter, you still want to kill the master in front of so many people today?"

There was no mistake, Wiliam was facing Li Nianyi, who was so scented with blood.
