

# 1589 part 1 Dragon Husband 1589 part 1

## Chapter 1589

The people at the scene were completely stunned and didn't know what happened.

There are only two images in their minds at the moment.

That person, that apple.

Except for these two images, their heads are blank.

No one, no one noticed what happened just now?

Understatement.

But it's incredible!

When someone discovered Song Hanyu, there was a loud exclamation on the scene.

"What happened just now? Why did that person fall down?"

"Why did Song Hanyu go to a seat that far away in an instant? She can magically move instantly!"

"Is there anyone who can tell us who won and who lost?"

Even the referee was dumbfounded.

It's really just a blink of an eye!

A person falls down, life and death are unknown.

A person left the ring and appeared far away.

Who wins and who loses?

Saying that Song Hanyu won, she wouldn't be considered a win if she wasn't on stage.

And if that person wins, what the hell is he going to talk about?

At this moment, Song Hanyu took out something casually and threw it out very lightly.

Shoot straight at that referee!

The referee thought it was an enemy attack and immediately tightened his nerves.

But the next second he noticed it was wrong!

Song Hanyu projected it without a bit of murderous intent, but a kind of clever energy.

The referee took it upon himself, and the goosebumps all started!

When the people on the scene saw what he took over, they also burst into violent screams!

What Song Hanyu projected was a brand!

A winning card!

This brand is only available on referees!

When the referee decides whether he wins or loses, he will hold up this sign!

The winning card is always on the referee's body!

Why did it appear in Song Hanyu's hands!

The referee quickly fumbled on himself, and the result was horrifying!

The sign on the body is missing!

What I got in my hand was the winning card I didn't know when I lost it!

A guess that makes people get goosebumps is printed in everyone's mind!

At that moment just now!

Song Hanyu not only defeated the enemy!

And he took the sign from him before the referee had no reaction!

Even went back to the seat and ate an apple!

This horse!

Who can believe it!

Is time not valid for her or something!

How could she do so many things in a short moment!

Is she a human!

For a time, everyone's eyes looking at Song Hanyu had all changed!

She is not like Xu Tongyin, one of the two arrogances, to make a world-shaking domineering move.

She was like a drizzle spring breeze, moisturizing things silently.

But the result is very contemplative!

The people sitting on the podium also looked at each other, their faces were full of disbelief!

Song Hanyu's game, to be honest, they didn't have any attention at all.

And they didn't know what happened in an instant.

It was just such a result that their hearts began to beat violently.

Song Hanyu!

It's definitely not easy!

It's not like what I said before, her realm has fallen, and her double pride is no longer!

## 1589 part 2 Dragon Husband 1589 part 2

Just this soft trick just now is impressive!

Even, like Xu Tongyin's handy move!

One is strong and one is soft!

Double pride!

A terrifying thought appeared in the minds of these big guys!

Wasn't it the same two years ago?

Peerless double pride, one man and one woman, one soft and one strong!

Seeing this world as nothing, tell the hero to bow his head too!

For a while, everyone felt in a daze.

They even have an urge to wait!

That short moment just now was too worrying.

Now I can't wait to see Song Hanyu's next game!

Although Xu Tongyin, who was standing not far away, hadn't noticed the moment just now, when he looked at Song Hanyu, he just met Song Hanyu's gaze.

One gaze is full of perseverance!

One gaze is full of tenderness!

Shuangjiao's eyes met him for the first time after two years of traveling!

In each other's eyes, there seems to be a kind of arrogance that is unfair and screaming!

In each other's eyes, they understood four words even more!

welcome back!

Xu Tongyin knew Song Hanyu too well.

With a look, he knows what will happen next!

Upright, he couldn't even hide his excitement!

Haha laughed directly!

For a lifetime!

For a lifetime!

After all, it is a legend to be continued!

The road ahead is gone! Not in vain!

Future prospects! Songs and tears!

The big guys at the scene heard Xu Tongyin's frantic laugh, as if they had understood something, their faces were full of wonder.

This year's nine qualifying matches, unexpectedly exploded with the return of Shuangjiao!

Shuangjiao unexpectedly used the Jiu Zong Qualifying Tournament as the stage to announce the master of the nine Zong in the future!

This 9th Qualifying Tournament, after all, is the stage for both of them!

Some people even looked at Wiliam regretfully.

What a shame!

This kid is very good, very powerful.

But compared with Shuangjiao, it is a bit inferior after all!

I thought that Wiliam would shine in this qualifying competition, but I expected to encounter double arrogance!

After all, all the light must be covered up.

Wait another twenty years!

Maybe it will be your stage for Wiliam alone in twenty years.

With such regrets and unfulfilled happiness, the sect masters slowly lowered their expectations of Wiliam.

Instead, he turned his attention to the two protagonists who were doing their part this time.

And the golden jade volley at this moment, don't be too exciting!

One by one, they are just like idiots, their expressions still cannot be controlled by themselves!

Song Hanyu is right beside them!

But it makes people feel that she is far away!

This kind of distance is the alienation of status and status!

She is in the sky, and the others are on the ground!

Strange, I never felt such awe before.

Why Song Hanyu still has the same temper with the same expression as before, but it makes people unable to give birth to any derogation.

Even, they dare not look directly at Song Hanyu!

For fear of being met by Song Hanyu's eyes, he was shocked.

This strange feeling haunted everyone's heart.

Especially Chen Zhongyan, he looked at Song Hanyu who was beside him, and a stormy sea was set off in his heart!

Although I don't know what happened to Song Hanyu just now.

However, this is definitely not Song Hanyu's martial arts realm all the time!

As far as the realm showed in a moment, it is not an exaggeration to say that it is the pinnacle of the innate secret realm!

It's really frightening!

However, since Song Hanyu has such strength, why has it been a human being with his tail clipped for the past two years!

It's totally unnecessary!

Is it fun to be bullied by others?

What kind of trick is Song Hanyu playing!

Just as he was suspicious, he realized that Song Hanyu had turned his head.

The eyes are facing each other.

A feeling as if being stared at by a behemoth spread all over Chen Zhongyan's body!

Song Hanyu asked with a gentle smile that has always been gentle: "Vice Sovereign Chen, what's the matter?"
