

1593 Dragon Husband 1593

Chapter 1593

Wenrenqingqing seemed to be back to light, and his eyes suddenly opened!

The expression in her eyes became extremely shocking and unbelievable.

She didn't even know where she got her strength, she clung to Wen Renqin's shoulders tightly, and asked silently, "Why! Why is this happening! Why do you say he..."

As we spoke, there was a burst of boos on the scene!

Wen Renqing turned his head and looked around with difficulty.

However, he just happened to see that Wiliam was hit by Huang Lingming, who was covering the sky with a strange sword, and he moved back several steps.

This punch seemed to have no strength at all, as if Wiliam couldn't dodge in a hurry and was scratched.

However, with such a fluttering punch, Wiliam vomited black blood like he was overwhelmed by a heavy mountain!

Everyone at the scene thought it was Huang Lingming who was better at it, and they were also cheering Wiliam.

"Go on! You brag a lot before, we really believe it."

"It turned out to be a soft-footed shrimp, who can only bully ordinary people, and if you meet a real expert, you will be persuaded."

"I don't think this kid is nothing but you, there is nothing to look forward to. I'll go to the double pride competition, that is the ultimate battle!"

No matter how stupid Wen Renqingqing was, he discovered at this moment that Wiliam was not hurt by his fist and vomiting blood!

Instead, he had been suppressing toxicity before, but now he was punched and couldn't suppress it anymore, so he vomited blood directly.

Her face instantly turned pale, and she held her sister's hand, "Why! Why is he like this! He should know it's poison!"

Wen Renqing couldn't believe it in his heart.

When she handed Wiliam the bottle of water, she knew she would be recognized by Wiliam.

However, she still passed it.

Because she felt that Wiliam would definitely have a way to resolve the embarrassment between the two without hurting his harmony.

But I didn't think that Wiliam, a fool, could not find a way to dissolve the poison after drinking the poison, but let the poison go!

"Sister, you really don't know Wiliam! Don't look at him in the usual way that doesn't matter to him. But in his bones is the most affectionate and righteous! He will not easily owe others kindness. of!"

Wenren's tears fell again.

She continued to say, "I brought him here, and you allow him to join the fragrant flowers and blood, which is a kind of grace to him."

"But for us, it's just a matter of effort. No matter how small the favor is, he will remember that fool!"

"Then take my life to report it!"

Report your life!

These four words are like thunder, and it blows up to Wenren Qingqing.

Her lips trembled, and she couldn't hear what she was talking about anymore.

Wen Renqingxin still said to himself, "Don't you understand the real meaning of his drinking the poison? He is using this way to pay back your kindness!"

"He must know that you are involuntary, so he doesn't want to embarrass you!"

"From then on, he and you have nothing to do with each other!"

Wenrenqingqing heard the last sentence, his eyes went dark, and he couldn't feel anything.

On the ring, after Wiliam vomited a mouthful of blood, he only felt the pain of a thousand arrows piercing his heart.

When Huang Lingming saw this scene, he burst into laughter, "Why? I can't hold it anymore?" He didn't know that he was saying that Wiliam could not hold the poison, or could not hold his offensive.

Wiliamqiang endured the pain, his eyes gradually became cold.

"Wiliam!" A sharp voice passed through the noisy crowd and reached Wiliam's ear.

Wiliam raised his head and looked into the distance.

I suddenly saw Wen Renqin's tearful face.

And lying in her arms, the unclear Wenren Qingqing.

Wiliam frowned instantly.

He probably guessed something when he saw Wenren's affection.

Huang Lingming finished laughing at Wiliam and continued to rush towards Wiliam.

But this time, Wiliam suddenly burst into a fierce aura!

“boom!”

A crimson light spurted from Wiliam’s body!

A monster lotus bloomed in everyone’s eyes!

Long live the demon lotus!

All the people who knew Long Live Demon Lotus had their eyes widened in an instant!

finally!

Out!

This kid!

Really tolerable!

Actually only used the big killer Long Live Demon Lotus until the end!

And all the people who have a good relationship with Wiliam have already seen something wrong with Wiliam!

“Oh, there is the baby at the bottom of the box! I’ve been looking forward to it a long time ago. Others have said that your lotus needle is very powerful, but I want to see and know. I hope not to be like you, just blow it out.” Huang Lingming is not at all. Feeling threatened, he continued to provoke Wiliam.

“Get out!” Wiliam yelled infrequently.

He is racing against time.

He even said that he was in a race against death that was so affectionate!

Long live demon lotus is like a heavy weapon, smashing at Huang Lingming fiercely.

Huang Lingming laughed loudly, still trying to resist with his hands.

“Boom!” A burst of sound!

Huang Lingming suddenly screamed, and his body flew out directly.

He struggled from the ground and looked at Wiliam in disbelief!

impossible!

How can this be!

He is an innate Secret Realm warrior, even if this kid has a magic weapon in his hand, he is still poisonous, how could he be his opponent!

However, the facts are already here.

Huang Lingming thought of a possibility.

This kid has been showing the enemy's weakness.

Even the poisoning just now may be an illusion!

In other words, the time for him to be poisoned has not yet come!

Therefore, Huang Lingming quickly chose a strategy.

Continue to delay time.

He wandered around, planning not to give Wiliam a chance to get close.

Delay for a few minutes and see how the situation is.

But would Wiliam give him such a chance!

The big ring suddenly burst into the sky with red light!

The lotus flower was instantly resolved in midair!

Turned into countless crimson silver needles!

These silver needles were scattered on the edge of the ring, and then flew to the middle at a very fast speed!

In this way, Huang Lingming has no room to hide at all!

His face changed instantly!

The victory or defeat is just between this thought!

With Wiliam's encirclement and killing move, the countless Long Live Demon Lotus instantly pierced Huang Lingming's body.

In the horrified eyes of everyone, Huang Lingming's body seemed to bloom with blood flowers.

In just an instant, his body was already dyed red with blood!

Wiliam didn't have a killer move.

Long live the demon lotus pierced Huang Lingming's body and rose into the air again!

Directly impacted him under the ring.

The Long Live Demon Lotus who completed the task flew back into Wiliam's body in an instant.

The people at the scene were still immersed in Wiliam's amazing trick. Wiliam on the stage had already disappeared.

Even referee Bai Hetian couldn't find Wiliam anymore.

At this moment, Wiliam had already appeared next to Wen Renqing.

With a squeeze of his arms, he quickly led the sisters to a distant place with no one.

Wen Ren eagerly waited for Wiliam to land, kneeling straight in front of Wiliam.

She burst into tears.

“Wiliam, save my sister!”
