

# Dragon Husband 1600

## Chapter 1600

When Wiliam saw Wen Renqingqing's last insistence, he was actually slightly fluctuated in his heart.

This silly woman.

Seeing this sect and this family is more important than anything else.

But what did it return to her in the end?

It was the sect who forced her to poison her.

It was the sect who wanted her to die and do the impossible on this stage.

Moreover, he has to bear the verbal harshness of his relatives.

Too much wronged.

Wiliam also knew why Song Hanyu would stand up and do something completely inconsistent with her identity and character.

Only women know women best.

Song Hanyu has been lonely and lonely.

She knew Wen Renqingqing's sad feeling of being kidnapped by the sect too.

She stood up and made enemies with Xianghua, but she was proud of being a woman.

And Wiliam stood up as a human conscience!

Wenrenqingqing is still a good friend with him after all.

The fragrant flower has drained its blood, and it has rotten to the roots.

Everyone was stunned to see Wiliam stand up, not knowing what to say.

A woman is crazy, and a man is also crazy?

Two people go against the forces of a sect?

Are you afraid of being laughed at?

Song Hanyu is okay, he is both proud and has a certain right to speak.

But what is Wiliam?

A person who concedes defeat right away without a fight is qualified to stand beside Shuangjiao?

I'm afraid it is totally unworthy!

Compared with Song Hanyu, he is the gap between Haoyue and Mochen.

Wen Ren Tiange looked at Wiliam, and after a short astonishment, he also sneered.

"You really think of yourself as a green onion? What are you? Everyone invited you before, just because you are young and have potential in the future. Personal strength is placed in the entire sect, and you are afraid that it is not enough. Standing. Here, don't you think it is embarrassing?" Wenren Tiange completely tore Wiliam's face this time, completely disregarding the feelings of the two daughters.

Wenren on the side held her unconscious sister with all his heart, and bowed her head so that she couldn't see her face or the look in her eyes.

It seems that she can't see her joys and sorrows.

She seemed to be frozen, letting the hustle and bustle around her noisily noisy, she did not move.

Wiliam smiled slightly at the corner of his mouth, without answering Wenren Tiange's words positively.

Because, someone answered for him.

"Not enough? Add me." A soft voice came, and a white tiger jumped out of the stage and onto the stage.

And above the white tiger, there is Su Emei, the imperial master who has just left the field!

People at the scene saw Su Emei's debut, and there was a collective uproar!

You may want to say that someone who can't understand Xiang Hua Lixue's aggressive behavior just now will jump out to support Song Hanyu.

But it was absolutely unexpected that Yushizhi had jumped out.

After all, they are the same as nine sects, and the thin noodles between each other still have to be given.

I didn't think that the imperial system would directly come out to support Song Hanyu!

Even Song Hanyu himself was dumbfounded.

Just now it was purely a momentary anger, she wanted to speak for Wenren in her personal capacity.

But I didn't expect that things would get bigger and bigger.

It's fine for Wiliam to stand up, after all, his current influence is still not that big.

But when Su Emei jumped out, things were a big deal.

Who did not know that Su Emei was the spokesperson of the imperial family in the past two years!

All her words and deeds represent the meaning of the sect!

Stand up now, isn't it exactly what Zongmen meant!

But why?

Song Hanyu wants to know why?

She herself felt the same friendship with Su Emei.

Su Emei will never risk the world to help herself.

However, after a brief consternation, she immediately reacted.

Su Emei came to Wiliam!

I am passionate about myself.

After Su Emei came to power, she stood behind Wiliam.

She watched Wiliam turn her head, smiled slightly, and blinked.

As if to say, thank you, this favor, I'll return it to you!

In fact, before Su Emei took the stage, she called Miss Su again.

She told Miss Su about what happened just now.

Then ask Miss Su what to do? Do you want to come forward?

She was also entangled in her heart. The imperial family owed William a favor, and she would have to pay it back sooner or later. Isn't it just right?

But Su Emei has a pimple in his heart, is it really good to be so hard and fragrant?

After all, they are a big sect.

For this doubt, Miss Su just said a word.

"When a tiger faces a wolf, it is a tiger wrong. But facing a group of wolves, it is just a sick cat."

Su Emei is open and cheerful!

So she hung up the phone and stood up.

He returned this favor graciously.

Wenren Tiange's face changed on the spot!

Huqing Su Emei!

Imperial!

Yushizhi would actually be on Song Hanyu's side at this time!

hateful!

This imperial ruler is a notorious evil sect among the nine sects.

Their rootless souls have always been criticized, saying that this is against ethics and morals.

Therefore, Yushizhi Ren as the nine controversies is also very big.

But how powerful is the imperial system.

And fortunately, they don't bother to care about other people and fight for a while.

So all these years have been fine.

I don't think that they usually don't take the initiative to cause trouble.

"Imperial! Are you serious, and you should protect them like this? Don't hesitate to fight with me?" Wen Ren Tiange looked deeply at Su Emei behind William.

Su Emei smiled slightly, "I love to hear what Hanyu sister said, I don't like it, so I stand up. But if I represent the sect, please let Wenren Sect Master decide by himself."

At this time, Su Emei began to play tricks.

She doesn't carry this pot.

Wenren Tiange immediately looked at the drowsy suzerain of Yushizhi on the rostrum, "Old Mrs. Chen, did you make the same decision?"

Everyone's eyes turned on the old woman who seemed to be asleep.

However, no matter how noisy outside, how to ask questions about Wenren Tiange, Mrs. Chen seemed to be really asleep, without saying a word, just sitting with her head down.

This makes Wenren Tiange angry!

"Good! Good! Good! It seems that Yushizhi also wants to take a dip in this muddy water! Do you really think we are afraid of you! It's just a trick to play with some dummies! The trick of not going to the stage!" Wen Rentiange said angrily road.

At this time everyone also noticed that this drowsy old lady Chen was simply a spiritual man made by their imperial family.

Everyone knows that the overlord of the imperial family is extremely mysterious and doesn't ask anything about the world.

Before, everyone was wondering why the nine qualifying matches could alarm the old lord.

Now it seems that the old master is playing tricks on everyone!

It's unexpected to hide the eyes of so many people with a spiritual person.

"Ho ho, Sect Master Wenren, since they are so unscrupulous in forming gangs, then we have to stand up and speak justice for you." At this time, another voice came.

Two people stood up slowly.
