

Dragon Husband 1605 part 1

Chapter 1605

Song Hanyu suddenly looked at Wiliam in surprise, "What's so fun? Don't fool me!"

Coming along the way, Song Hanyu felt that she was transparent in front of Wiliam, and everything was clearly seen.

But to Song Hanyu, Wiliam was a cloud-filled mountain, with nothing to see.

The world is too unfair.

"Look at it." Wiliam said with a smile.

Song Hanyu could only nod his head.

Chen Zhongyan looked at Song Hanyu's expression of anger but did not dare to speak, and a smile appeared at the corner of his mouth.

The turn of events starts here!

Soon, several figures appeared in the hall.

Suddenly, Hu Yixiao, the Sect Master who covered the sky with a strange sword.

As soon as Hu Yixiao came over, he arched his hands and laughed loudly: "Hahaha, the old lord, okay! Recently, my body has become stronger and stronger!"

The old sect master also arched his hands and said with a smile: "Sect Master Hu is coming to the humble house, and there is a long way to go! It is really welcome! Please come to your seat soon!"

After a few people were seated, Hu Yixiao immediately entered the topic, "Old Sect Master, this time your golden jade was born in the sky! It's not an exaggeration to call it the best sect in this nine-sect qualifying competition!"

The old master naturally thanked him politely.

"It now appears that you are only a small step into the Nine Sects! Here, I would like to congratulate you on your successful promotion to the Nine Sects!" Hu Yixiao said with a smile.

"Hey, there is nothing else, Sect Master Hu is really too polite!" The old Sect Master was full of excitement.

This Hu Yixiao is not as inaccessible as the rumors.

It seems that it has a lot to do with the promotion of our Jinyu volley status.

"Oh, yes, there is something, I have to say sorry to Sect Master Hu." The old Sect Master suddenly looked at Song Hanyu.

The things in his mouth naturally refer to Song Hanyu's things.

"My disciples had offended Guizong in the ring before. I really have no way to discipline. I am here to make you a compensation. I hope Sect Master Hu has a lot of them and don't take it to heart." The old Sect Master continued.

His eyes kept beckoning Song Hanyu to stand up.

But Song Hanyu stood erect beside Wiliam like this, there was no movement at all.

What a joke.

Although Song Hanyu promised that Wiliamzhen would jump out and embarrass him, he was not a shameless person!

After all the words were released, and still apologize to others?

Moreover, Song Hanyu would never do anything against his heart.

Seeing Song Hanyu not coming out to apologize, the old Sect Master's face suddenly became ugly.

"I'm really sorry, rebel! Rebel! I'll take care of her later!" The old sovereign finally said helplessly.

"Haha, it's okay, young man, the spirits are normal. I have to congratulate you. One of the two arrogances has returned strongly, and it is also very dazzling in this competition." I didn't think that Hu Yixiao actually didn't know this thing at all. Take it to heart.

"Hahaha, Sect Master Hu is still magnanimous!" Chen Zhongyan also stood up at the right time, brushing a wave of his presence.

"By the way, I don't know if Sect Master Hu is coming this time, what can I advise?" After some politeness, the old Sect Master finally entered the topic.

He always felt that Hu Yixiao's coming this time was not so simple to congratulate him.

When Hu Yixiao saw the old sect master's question, he smiled with satisfaction and said: "The old sect master is wrong. I'm here this time to discuss a sale with you."

"Sale?" The old master was taken aback.

"Um, business. You only need to hand over one person, and I can ensure that you enter the nine sects in peace!" Hu Yixiao made it clear.

"What do you mean by this?" The old Sect Master was confused.

What does it mean to keep you safe and secure into the nine sects?

Our Jinyu volley has already half-step nine cases, do we still need you to protect it?

And what is meant by surrendering a person?

Didn't you just keep saying that you forgive Song Hanyu?

The face is the butt in turn?

Jin Yu's face turned embarrassed up and down in the sky.

But the old Sect Master didn't show it to his face, but asked: "I don't know who Sect Master Hu you have fancy with us? Or is there someone who has offended you?"

Hu Yixiao casually pointed, pointed at someone, and said with a smile: "He, cut off his head for me, that's it."

Everyone looked at his finger, and the person who found his finger was Wiliam standing in the corner.

The old sect master frowned, "Wiliam? Does he have hatred with you?"

Hu Yixiao said: "Well, it can be said to be a deep hatred! This kid has repeatedly provokes the majesty of our strange sword to cover the sky. If he doesn't twist his head off, wouldn't it be sweeping the face of our strange sword to cover the sky?"

The old sovereign suddenly became silent.

Although Wiliam had become dispensable to Jin Yu volley, after all, he also exerted great efforts this time.

And ranked first in the standings!

This should also be considered when the nine cases were finally decided.

In short, Wiliam couldn't hand it over.

Besides, what does Qijian cover the sky?

Why should we keep us in the nine cases?

You can't protect yourself, so why don't you talk about us?

Where's the face?

Chen Zhongyan's expression on the side also darkened, "Sect Master Hu, this is not appropriate, right? Have you ever thought about a problem? Now you have been swept out of the Nine Sects, and we are about to enter the Nine Sects. Now that we are talking on an equal footing with you, it is considered a bit of a thin face for you, why? Still wanting to be an inch?"

He knows how to observe words and colors.

Seeing that the old sect master's expression was wrong, he took the initiative to sing the red face, leaving good people to the old sect master.

However, Hu Yixiao heard Chen Zhongyan's words and suddenly laughed, "Hahaha, I have two questions for you now. Do you really think that entering the Nine Sects is a certainty?"

"Also, do you really think that our Qijian Zhetian has fallen out of the nine sects?"

Two questions, the people at the scene were even more confused.

Both problems are obvious!

Especially when Qi Jian Zhetian fell out of Nine Sects, there was almost no suspense.

The last of them is to give up the game directly, rather than admit defeat to the loser group.

There are no chances to be in the loser group. What are you talking about turning over?

"Why? Look down on our Jinyu volley?" The old Sect Master couldn't help it.

This guy is too aggressive.

Can't see the situation clearly now?

In the future, who is the king and who is the minister, I am afraid that it is not you who can decide by Hu Yixiao!

"Why? Not willing?" Hu Yixiao watched everyone's face turn blue and continued to smile, but his eyes became more gloomy.

"Then my bargaining chips will be increased."

"Hand over Wiliam, I allow you to become Qijian Zhetian's subsidiary sect after failing to attack the nine sects."

"This is your last chance. I hope you will consider it carefully."
