

Dragon Husband 1624 part 1

Chapter 1624: Disqualification

With this thundering, not only the people in Jinyu Volley were stupid, but everyone on the scene was sluggish.

What did they hear?

Wiliam violated the rules of the competition and was deprived of the qualifications for the competition, and all the points before it were not counted!

What kind of fair ruling is this!

Anyone with a discerning eye can see that it was the Chi Zhan who was the first to assassinate, and he was more than guilty!

If Wiliam had died in Chi Zhan's hands at that time, would anyone still come out to reason!

This White Sword Star, would he still ask for justice for the dead Wiliam!

I'm afraid it's impossible.

Wiliam is dead, just dead in vain!

But now, Wiliam is just a legitimate defense!

Moreover, Chi Zhan was a scumbag at all, and he deserved to die a few years earlier.

What is wrong with Wiliam!

The noise at the scene is getting louder and louder.

The lungs of Jin Yu's volley are going to explode.

Song Hanyu stood up directly and said loudly, "Sect Master Bai, what a bullshit judgment is you! Are you open your eyes to tell a lie! So easy to judge justice and evil, you turned black and white! Don't let your eyes grow. Forget it! !"

She was also extremely angry, so there was no slightest respect in her words.

But what she said exactly represented the aspirations of everyone.

WTF!

The old Sect Master who Jin Yu Ling Kong couldn't sit still anymore.

The seat of the nine sects in hand just flew like this, and he couldn't stand his eyes when he died.

But his words are more conservative, "Sect Master Bai, whether your judgment is biased, please re-decide! We have tried our best for this nine qualifying competition, which is unfair to us."

Bai Jianxing said in a cold voice, "Rules are rules. If you still need to consider humanity and sophistication, what else do you have to do with rules? That's it!"

His words are categorical and cannot tolerate any changes.

The discussion at the scene suddenly became louder.

Dugu Hongshi, but the head of the nine sects!

They have always been representatives of justice!

But why is today's judgment so unfair?

Bai Jianxing was like taking the wrong medicine.

Bai Jianxing's words also caused dissatisfaction with other suzerains.

But they didn't have the first timetable to show their emotions, they just frowned, wanting to see how Bai Jianxing would clean up this mess next.

Xu Tongyin is a straightforward person. He shouted loudly, "Bai Jianxing, you son of a bitch! You don't know whether you are right or wrong. You are a bullshit lord! Leave the stage as soon as possible!"

"If you continue to insist on such a sentence, I will be the first to refuse in Can Jian Jiu Tian! Such nine cases are regarded as nonsense nine cases! Has the world's role models been eaten by dogs! If Wiliam is not the champion today, the competition will be cancelled instead. The rule is that Can Jian Jiutian directly withdraws from Jiu Sect! Such a Nine Sect, don't worry about it!"

Xu Tongyin's clamorous words made everyone on the scene take a breath!

This man is actually betting on his fate!

To give up the position of the nine sects lightly, but also to protect Wiliam!

Just do it!

Is Wiliam's relationship with Can Jian Jiutian so good?

does it worth?

Everyone looked at Xu Benliu, the suzerain of Can Jian Jiu Tian.

Xu Benliu's complexion didn't change, but a faint smile appeared.

Dragon Husband 1624 part 2

It seems to be saying that this is the Xu family man!

That's how you can be regarded as the man of the nine days of Can Jian!

If you have an emperor map, you should have the character of an overlord!

Say what you want to say, do what you want to do!

That's it for Can Jian Jiutian to be with me like this!

Xu Tongyin's words also caused Bai Jianxing's brows to frown.

He didn't think that Can Jian Jiutian was so passionate and impulsive.

If this continues, things will get worse.

It's not just about Wiliam alone.

Coaxing the entire nine qualifying matches into a joke, his white sword star will inevitably be nailed to the pillar of shame in history.

A hint of hesitation flashed across Bai Jianxing's face.

But in the next second, he seemed to have been summoned, and his expression suddenly changed.

He looked at Xu Tongyin and said, "Xu Tongyin! You can think about it! Every word you say now will be remembered by the old man, and the three referees present will also remember it. Don't think you have some strength. You can speak freely here, and if you are not welcome, you are not worthy! I don't need to take what you just said to my heart, I hope you don't mix this matter anymore."

A hint of anger flashed across Xu Tongyin's face, and when he was about to speak, he suddenly felt pulled by someone.

He looked back and found that the person who was pulling him was Su Hongxiu, Mrs. Food Color.

Su Hongxiu's face still has a slight smile, as if he is the most qualified onlooker.

She smiled and shook her head at Xu Tongyin, motioning him not to act rashly.

Where is Xu Tongyin willing to listen!

Even if the other party is the suzerain of the red and thin tall building.

However, Su Hongxiu's mouth slammed into one direction.

It's Wiliam.

Xu Tongyin looked at Wiliam.

When Wiliam told Bai Jianxing that he would disqualify him from the competition and disqualify him from all points, Wiliam's face was put on a playful smile.

It seemed that everything was still under his control.

Xu Tongyin suddenly became dumb.

No way?

Did Wiliam also think of this?

But even if you think about it, so what?

If no one can help him, all his efforts will be in vain.

Su Hongxiu shook his head at Xu Tongyin again.

Su Hongxiu was actually a little unhappy at first.

This white sword star is a bit too abnormal, unlike his usual.

But when she wanted to come out to speak, she also noticed Wiliam's expression.

The curiosity in his heart immediately overwhelmed the anger.

Since Wiliam appeared, he has always brought Su Hongxiu surprises one after another.

Now that there is such a big change, this kid still looks calm and composed, which makes Su Hongxiu very curious, how will this kid break this game next?

The appearance of Xu Tongyin somewhat disrupted Su Hongxiu's rhythm.

Su Hongxiu was afraid of Xu Tong's arrogance, and instead would disturb all Wiliam's plans.

So she had to come forward and personally tell Xu Tongyin not to act rashly.

Xu Tongyin swallowed this breath fiercely after receiving hints from Su Hongxiu again and again.

At this time, Wiliam finally spoke.

But what I said made people very bewildered.

“Oh? So, okay, then I’ll ask a question, okay, how would you rule on Qijian Zhetian?”

The questions Wiliam asked left everyone speechless.

This kid, who doesn’t care about his vital interests at such an important moment, will pass away.

Just recognize it?

Instead, care about the strange sword covering the sky?

What kind of medicine is sold in this gourd?

As if hit by something, Bai Jianxing frowned, and said: “As one of the nine sects, Qi Jian Zhetian has been making outstanding contributions to the protection of the Anaconda Continent. , But I will consider carefully and explore whether they break the rules and keep the nine seats.”
