

# Dragon Husband 1631 part 1

Chapter 1631

Recognize your ancestors!

The sonorous and powerful words scared everyone present!

Not only the spectators onlookers, but even the lonely lion people were dumbfounded.

Bye bye!

Now I have to recognize my ancestors!

Recognize this hairy boy as the ancestor!

Besides, the ancestor of the Dugu Hongshi, wasn't he in front of them, did he show his spirit just now!

Why did the ancestor suddenly become Wiliam again?

Everyone was taken aback by this scene!

However, the overlord elder had a firm face, full of excitement.

Perhaps many people who belong to the lonely lion no longer know the origin of their own veins.

Only know that Dugu Hongshi is their ancestor.

However, in the secret history of the sect, it is clearly recorded that the Dugu Hongshi is the descendant of the four great beasts of ancient times, the sky green unicorn.

As for the description of the azure unicorn, the secret history is also drawn with vivid pictures.

It was not the mysterious totem tattoo on Wiliam's forehead that he saw just now.

Can make the Dugu Hongshi statue wake up, and bow down!

Even if Wiliam is not the reincarnation of the Azure Kylin, he is also the inheritor of the Azure Kylin!

Isn't this the true ancestor of Dugu Hongshi!

Worshipping Wiliam as the ancestor is justified!

Bai Jianxing was about to ask the Supreme Elder what was going on, but he was immediately stared back.

"If you have something, go back and talk about it." The Supreme Elder whispered.

Bai Jianxing had no choice but to give up.

The elder Taishang looked at Wiliam again, with a serious expression: "Lu Zu, please allow us to recognize the ancestor and return to the clan!"

Wiliam said lightly: "Get up all, you don't need to recognize your ancestors and return to your ancestry. As long as you do more good deeds in the future, I will naturally take care of you a lot."

After Wiliam finished speaking, he glanced at Bai Jianxing.

At this glance, the Supreme Elder suddenly understood what was going on.

This is saying that Bai Jianxing is not doing good deeds!

"Bai Jianxing, what the hell is going on? Have you done anything against the laws of heaven! Otherwise, why is Lu Zu so angry!" The Supreme Elder asked Bai Jianxing for the first time.

Bai Jianxing shrank and his face suddenly became ugly.

By now, he had no confidence.

The elders all stood on Wiliam's side.

Oh no, they all worship Wiliam as their ancestors.

So what can he say as a suzerain?

"Wait a moment, I'm going to ask you Dugu Hongshi, Wiliam just bet with you, who wins and who loses?" Song Hanyu stood up and said bluntly.

She was afraid that Dugu Hongshi's people would be ridiculing, so she could easily expose the victory or defeat.

With this breath, she was still stuck in her heart.

Shameless Dugu Hongshi actually dispatched a case to deal with the scarred Wiliam.

Had it not been for a series of mysteries and miracles, Wiliam would have died under their despicableness.

Even now, the whole family of the Dugu Hongshi, up to the Hongshi statue and the Supreme Elder, and down to every disciple, all kneel in front of Wiliam, but the accumulating breath is not so easy to subside.

The elder Taishang immediately approached Bai Jianxing to ask about the situation.

When I heard Bai Jianxing said that he first dispatched the five elders to deal with Wiliam, and after not dealing with Cheng, he dispatched the forces of the whole family to encircle and kill Wiliam.

Hearing this, the elder Taishang looked pale and almost vomited blood!

“Do you still need a face! You really want to make me mad! If it weren’t for Lu Zu’s power, and replaced by an ordinary person, I am afraid that he would have died under your hands! You’ve lost it all!” The elder too had no scruples about the presence of so many people on the scene, and directly cursed at Bai Jianxing.

Bai Jianxing’s face was pale, his mouth opened, he wanted to say something, but he abruptly held back it.

There seems to be something unspeakable.

Then the elder Taishang heard his subordinates say that before, Bai Jianxing and Wiliam bet that if Dugu Hongshi loses, he will withdraw from the nine sects.

The elder Taishang couldn’t help it anymore. He directly stretched out his hand and slapped Bai Jianxing’s face with a slap. He knocked Bai Jianxing’s body upside down and flew out, hitting the wall severely before stopping.

“Rebel! Rebel! Are you going to smash all our Dugu Hongshi signs to let it go!” The elder Tai Shang was shaking with anger.

And Bai Jianxing was holding his face that was already red and swollen, and he didn’t dare to say a word.

After the elder Taishang finished teaching Bai Jianxing, he turned around and bowed to Wiliam again: “Lu Zu! It was our Dugu Hongshi who offended you! Delusion to compete with you! What you taught! And, since it is. Bai Jianxing bet with you, and now naturally you have won. Bai Jianxing, as the overlord of this generation of Dugu Hongshi, he said that he will do it naturally! Now on behalf of

Dugu Hongshi, I declare to the people present that Dugu Hongshi admit defeat and withdraw. Nine cases this year!"

"Also, the previous decision of Bai Jianxing does not represent the behavior of our Dugu Hongshi. If it caused misunderstandings to everyone at the scene, please forgive me and believe in our Dugu Hongshi as always! I believe that under the leadership and teachings of Lu Zu , Our Dugu Hongshi will definitely change our past and become a courteous sect!"

As the elder Taishang said, he bowed deeply to the people at the scene, apologizing to everyone present for Bai Jianxing's wrong approach just now.

Seeing an invisible elder so disregarded and apologizing in public, everyone at the scene slowly breathed a sigh of relief and responded with warm applause.

In this way, it is the lonely and upright lion in everyone's mind.

Rather than making mistakes in black and white like Bai Jianxing just now.

"Lu Zu, are you satisfied with this? Do you have any other instructions?" the elder Supreme asked Xiang Wiliam.

Wiliam nodded, and said, "Knowing mistakes can be corrected, and there is nothing good. I really admire such a lonely lion."

"Xie Lu Zu is absurd! After a while, I will invite Lu Zu to visit our sect in person, and we have to apologize to you again." The elder Taishang extended an invitation to Wiliam.

Seeing Wiliam nodding, the Supreme Elder smiled.

Things have finally been explained.

He looked at the scene and said loudly: "Since we lost the previous bet, Dugu Hongshi and Qijian Zhetian withdrew from the Nine Sects, then we will do what we say, we and Qijian Zhetian..."

"The old immortal, just relying on you, also want to cover the sky on behalf of our strange sword?" A cold voice directly interrupted the words of the Supreme Elder.

Everyone looked at it, but it was the Sect Master of Qijian covering the sky, Hu Yixiao.

Hu Yixiao stood up and looked at the elder Taishang without a smile, "It's not up to you to point out the sky with our strange swords. Besides, the final verdict of this competition is not your lonely lion!"

As he spoke, he looked at the three people on the scene and showed a happy smile.

“Right?”
