

Dragon Husband 1637 part 1

Chapter 1637

After the announcement by Wiliam, Jin Yu Lingkong clapped hands and celebrated with each other.

Their faces were filled with excitement.

Only Song Hanyu had a faint smile on his face.

Smiling while smiling, tears fell.

She didn't know why, at this historic moment, she would shed tears.

And not particularly excited and happy tears.

At this time, a warm arm gently held Song Hanyu.

She raised her head to see that it was her lover Liu Yuntian.

Liu Yuntian, a fat man, is not so fat anymore at this moment.

His eyes were tender.

He hugged Song Hanyu in this way, and said softly: "It's a grievance, a pity, or both..."

Song Hanyu's body trembled slightly, as if something had been touched.

Are you wronged?

I'm wronged!

Song Hanyu was cured by Wiliam, and his realm was not only fully returned, but also more powerful than before.

She is full of thoughts that she can shine in this nine qualifying competition.

But in the end, it just kept giving way to others.

Although she had no complaints, she was really wronged in her heart.

Why didn't others make way for her...

However, as long as the result is good, she can accept it.

And regret it?

Of course regret...

The strength has not been fully demonstrated.

Even the most anticipated battle with Xu Tongyin, one of the two arrogances, did not happen.

She just felt a little congested in her heart, she didn't know why?

But after being clicked by Liu Yuntian, she understood it all at once.

Song Hanyu burst into tears instantly.

At this moment, she is a wronged little woman.

And her tears were mixed with happiness.

When I was the most helpless and confused, the men around me always accompany me and knew me best...

This arm is really warm.

"Yeah." Song Hanyu cried and cried, suddenly showing a faint smile.

Liu Yuntian allowed Song Hanyu to vent his emotions. After a while, he said: "There will be a chance in the future. I, Liu Yuntian, swear by this pair of heavens that Song Hanyu's name will be heard from one side, and Song Hanyu will have his own in the future. Gorgeous stage!"

"Yeah." Song Hanyu responded with a smile.

"Thank you Wiliam, he gave us all of this." Liu Yuntian looked at Wiliam on the stage, as if for a moment.

When I first saw him, I thought it was a young man with a background.

At that time, Wiliam was selling some of his things at Yuntian Auction House, and Liu Yuntian took care of him.

Thinking of being able to easily take out these things, there must be something behind it.

But I didn't expect that the relationship between Wiliam would be directly related to the Six Laws.

And it's not just a simple relationship.

His own strength is also suffocating.

Looking back at the beginning and looking at the present, it was only a few months' time.

Meeting Wiliam was the most correct and powerful decision he had ever made in his life.

He embraced Song Hanyu and bowed slightly in the direction of Wiliam.

All the gratitude will end in this bow.

For future rewards, we will spend our lives...

"The eighth sect is also a fresh blood. Lanshan Zhige!" Wiliam said slowly at this time.

Lanshan Zhige!

Many people at the scene felt a little unfamiliar with this name.

Then after thinking about it carefully, I thought of this sect.

However, after thinking about it, many people's faces showed doubts.

Why is Lanshan Zhige.

Lanshan Zhige's performance in this game can only be considered middle and upper.

There are also a few sects that are comparable in strength to this sect.

Ok.

Especially the several sects who performed similarly to Lanshan Zhige in this game, asked why Lanshan Zhige was not them?

At this time, a crisp footstep sounded.

Everyone followed the prestige.

I saw a young man wearing silver heavy armor slowly walking towards Wiliam.

This young man has a burly figure, but his face is very delicate.

However, in this delicate beauty, there is another deep scar.

The scar is under his left eye, even a little bit higher, the left eye will be full.

“Hey, isn’t this Qin Shengzhong, the young master of Lanshan Zhige? He performed well this time.”

“I recognized him at a glance, he is very handsome, but it’s a pity that he is broken.”

“What do you know! He has a disfigured left eye, do you know why? He was injured in the battle with the ancient beast.”

Speaking of the battle with the ancient beast, the scene suddenly fell silent, as if something had been thought of.

Suddenly there was a little more respect in everyone’s eyes.

In this silence, Qin Shengzhong’s armor clinked and walked to Wiliam.

“I want to ask, why is it our Lanshan Zhige? Not other sects?” Qin Sheng asked the question again to make the people at the scene dumbfounded.

Shouldn’t others ask Wiliam?

Why did you ask from his mouth?

Is this because I don’t want to go to nine cases or something?

Wiliam gives you face so much. Are you polite when you ask others so much?

“Why do you ask?” Wiliam looked at Qin Shengzhong with a smile.

He didn’t know Qin Shengzhong, but he was a little impressed after watching his previous games.

“I asked our sect’s performance to be tied with the other three sects, but why is it that they didn’t get it?” Qin Sheng’s face was clear and beautiful, but his eyes were like a wild beast, staring directly at Wiliam.

“Oh? You don’t want this position of nine sects?” Wiliam asked rhetorically.

Qin Sheng replied indifferently: "If it's unfair, don't worry. I stand upright in Lanshan, full of blood, and never suffer from this food! If there is a well-known reason, please forgive someone Qin for rejecting it."

The people at the scene were dumbfounded.

Is this girl kicked in the head by a donkey?

I really don't know if he is too strong and straightforward, or just a dumbfounded person.

That's right, it seems that the people in this sect are all second stunners.

Otherwise, Qin Shengzhong wouldn't have almost lost his eyes.

"Do you want a reason? Okay, I'll give you a reason." Wiliam said with a smile, not at all irritated by Qin Sheng's rudeness.

Qin Sheng nodded in focus.

Wiliam looked around and waited for the surroundings to calm down before saying: "There is such a and only sect in the common people's territory. They have guarded the wild and ancient realm for generations and protected the peace of one side. They have never sought wealth or reputation, and even participated in this nine sect platoon. The position match is also because there is really no way."

"There are no people willing to join their sect because they are too bitter, too tired, and dangerous. Their sect has reached the time when the crowd is dying. So they think that in this nine-sect qualifying match, there are no people willing to join them, and there is no complaint. No regrets guarding the wilds."

The eyes of the people at the scene gradually changed.

As Wiliam's words turned, he looked at Qin Shenghe, and his tone gradually became heavier.

"And in this sect, there is such a young man!"
