

# Dragon Husband 1638 part 1

William finally asked Qin Shengzhong.

Qin Shengzhong's face froze, and for a moment he didn't know how to answer William.

The people at the scene also fell into silence.

William said that it was Lanshan Zhige and Qin Shengzhong.

The sect of Lanshan Zhige is a sect in everyone's mind.

No one asked them to guard the wild and ancient realm, but they stupidly stood there for several generations.

There are even fewer people asking them to pay the price of blood and tears and work hard.

But everyone inside was just like Qin Shengzhong, stupid.

Usually in everyone's mouth, Lanshan Zhige is just a sect that makes people laugh.

But William's words evoked the deepest admiration in their hearts.

Usually jokes go to jokes.

This sect is still worthy of admiration.

Without them, the ancient beasts of the savage ancient realm can enter and leave at will, and no one can live in the surrounding area for at least five hundred miles.

The men in it are all clambering men.

Especially the jade face Shura Qin has a heavy voice.

It is even more straightforward.

"Qin Shengzhong, don't get me wrong, I say this, not to take care of you specially. I just personally appreciate your selfless dedication sect."

"I heard that your sect has reached the age of declining people, so consider it yourself. I will give you a chance to enter the Nine Sects. For the rest, you can figure out your own solution." Wiliam said to Qin Sheng again. .

Qin Sheng looked at Wiliam's eyes again, which was extremely complicated.

He understood what Wiliam meant.

Wiliam gave them a chance to step into the Nine Sects.

And as soon as he entered the Nine Sects, Lanshan Zhige's status rose by a big step.

At that time, no matter what the purpose is, there will definitely be many people joining Lanshan Zhige.

It can also alleviate the embarrassing situation of the withering of Zongmen to a certain extent.

As for how the personnel control, that is not what Wiliam wants to manage.

Qin Sheng fell into deep thought.

He knew that no matter what Wiliam said, he was taking care of Lanshan Zhige.

But he couldn't refuse this favor.

"Such a sect with awe-inspiring and selfless dedication, I think, is qualified to enter the Nine Sects, what do you think?" Wiliam asked everyone before Qin Sheng replied.

The people at the scene nodded almost without hesitation this time, and responded with warm applause.

Wiliam, this kid, really can.

From this perspective, Lanshan Zhige is indeed more worthy of respect than a sect with the same points.

There is also no problem with Lanshan Zhige joining the nine cases.

At this point, two fresh blood, Jinyu Lingkong and Lanshan Zhige, have joined the nine cases, which almost never appeared in the previous nine cases.

After all, once entering Nine Sects, everything will be richer than before. I don't know how many times.

The strength of the sect will also increase, and there will be almost no accidents.

But now nine cases have been cleared for eight cases, and only the last seat is left.

Everyone, look at me and I will look at you. I don't know who this last place will go to.

And Wiliam didn't sell Guanzi, and said: "The last place is the Dugu Hongshi."

"Boom!" Everyone on the scene screamed in surprise.

Even the people of the lonely lion are dumbfounded.

Everyone can't think of it, the last spot turned out to be Dugu Hongshi!

Didn't Dugu Hongshi lose the bet with Wiliam, and then voluntarily withdraw from the nine cases?

How come they are included!

Everyone stared at Wiliam closely.

The same is true of the people of Dugu Hongshi, their hearts are raised in their throats.

I was afraid that Wiliam made a slip of the tongue.

"Why?" Many people asked.

Wiliam seemed to have thought about it a long time ago, and said: "Dugu Hongshi has always had a good reputation in the past, and as the leader of the nine schools, he has been managing the affairs of the nine schools. Under their management, the nine schools are developing well. This time the Nine Sects Qualifying Tournament, Sect Master White Sword Star is also under the control of others, he is involuntary and understandable."

"Furthermore, for me, Bai Jianxing is betting with me, so I choose to forgive him. In this way, can the bet contract be voided? At this point, I just put forward my personal opinion, whether to let Dugu Hongshi return to Jiuzong. , Please consider it by those present."

Wiliam's remarks were extremely polite, and they gave enough face to the people at the scene.

In the previous eight cases, he made a direct ruling, but in the end, the lonely lion made a suggestion.

He gave the ruling power to the audience at the scene.

The audience at the scene fell into contemplation one by one.

Obviously what Wiliam said is reasonable.

The word-of-mouth of Dugu Hongshi is indeed very good these years, and today's things are just a difference in thought.

Moreover, the skinny camel is bigger than the horse, even if the lonely lion is not nine, but who dares to offend them?

"I agree." Someone raised his hand first.

It is Su Hongxiu.

After Su Hongxiu raised his hand to look at Wiliam, those eyes seemed to be discharging.

With Su Hongxiu's support, other sects also expressed their attitudes.

Almost all the sects agreed to let the Dugu Hongshi return to the nine sects.

At this moment, Bai Jianxing couldn't help crying!

He was originally the sinner of the lonely lion!

He even thought just now, after the game, maybe he would apologize!

But now, things are turning around!

Wiliam even ignored the predecessors and gave Dugu Hongshi a lot of face, and let Dugu Hongshi return to the nine sects!

It is equivalent to saving his life indirectly!

The eyes that Bai Jianxing looked at Wiliam were filled with incomparable gratitude.

The people at the scene showed an angry look of Qijian Zhetian and Xianghualixue Sect. Almost all of them supported Dugu Hongshi's return to Nine Sects.

William saw this scene and said with a smile: "Well, then it's so decided, Dugu Hongshi is among the nine."

Fragrant Hua Lixue and Qi Jian's angry William also saw it.

But will he care?

does not exist.

Hearing William's official announcement, the Dugu Hongshi people took the lead in the Taishang Elder and Bai Jianxing, and Qi Qi bowed deeply to William.

At this point, all nine quotas were born.

Moreover, these nine places basically met everyone's psychological expectations, and William was fair and just at this point.

At this time, William coughed and said, "The most important thing next is what everyone is most looking forward to. Let me decide the ranking of the nine cases."
