

# Dragon Husband 1641 part 1

## Chapter 1641 The First Case

Under Wiliam's guidance, the atmosphere on the scene gradually dissipated the sad emotions.

Everyone looked at Wiliam again.

Wiliam said, "The fifth place among the nine sects is the red and thin tall building."

The announcement was calm on the scene, and it was in stark contrast to the uproar that everyone had made when the Jin Yu volley was announced before.

Jinyu's volley is unexpected.

The red and thin tall buildings are expected.

The performance of the red and thin tall buildings is quite satisfactory.

And everyone knows that the biggest boss of the red and thin tall building is Su Hongxiu.

She can hold one case alone.

Ranked fifth, and almost the same as the previous one, it is within the acceptable range of everyone's mind.

Su Hongxiu pursed his lips, arched his hands towards Wiliam, and said with a clever smile: "Okay, thank you brother. I will invite our sect to be a guest later, and our little sisters can hope that you will look forward to it. And you have promised before, you can't play tricks."

The expressions of the people at the scene were strange.

This Su Hongxiu's Meng Lang style has always been heard by everyone.

But now that I see it with my own eyes, how can I say it.

I feel very ashamed and itchy.

What a devilish woman.

Everyone was worried for Wiliam, afraid that he would fall into the devil's claws.

But I am so envious, what is going on?

The cold sweat on Wiliam's forehead came out.

He took a peek at Big Brother Liu Lang next to him.

Liu Lang was looking at Wiliam with wretched eyes.

Wiliam's mood was even worse.

My eldest brother is by nature romantic, and he must be thinking about messy things between men and women.

Wiliam quickly said with a serious face: "I'll talk about it later, I'll be busy with business."

Wiliam's appearance made Su Hongsiu chuckled even more.

She looked at Wiliam's eyes as if they were shining, and she became more and more interested in Wiliam.

Wiliam didn't dare to look at her anymore, but looked forward and said, "Now I declare the fourth of the Nine Sects, they are..."

Having said this, Wiliam's eyes swept across the scene and stopped in one direction.

The people there, the heart beat fiercely.

And the people at the scene, also blessed to their hearts, looked over.

Wiliam's voice happened to be heard.

"They are the lonely lion."

All the people of Dugu Hongshi stood up at once!

All kinds of complexities are written on his face.

When announcing the front a moment ago, they were already in fear.

After all, they were sent in by Wiliambao.

And Wiliam's look at Jin Yu's volley was also imprinted in their hearts.

They had originally wondered if they would rank after Jin Yu volley.

But red and thin tall buildings appeared.

Now, Wiliam declares that they are fourth.

They don't know whether to be happy or sad.

Fortunately, they are not only disqualified, but also ranked first in the three cases.

The sad thing is that they have never had such a low ranking.

But Bai Jianxing's heart was filled with gratitude.

He rushed to the landing Ye Gong and said, "Thank you brother Wiliam! Your kindness, we will remember it forever!"

The head of the three sects, just in line with Bai Jianxing's expectations.

If the Dugu Hongshi ranks low, Bai Jianxing still has no face to see the children of the sect.

If it is too high, it will be criticized.

Wiliam's decision was wonderful.

Neither the upper three cases nor the lower three cases.

And ranked first in the three cases.

Not only is the Dugu Hongshi small punishment and great admonishment, but also has the management ability to bury the Dugu Hongshi.

Is this really something a young man can think about?

Still so comprehensive?

Bai Jianxing respected Wiliam even more in his heart.

This young man has an incomparable identity and blood, and his strength is unfathomable.

Now, he has even figured it out so well.

Every arrangement is beyond criticism.

Even if Bai Jianxing hosted the ranking himself, he couldn't be sure that he could be as convincing as Wiliam.

With the ranking of the six sects, the situation on the scene has become much clearer.

Only Han Xing Wangqing, Yushizhiren, and Can Jian were left.

These three sects are all three.

Wiliam first looked at Yushizhiren and said, "Yushizhiren ranks third."

There was thunderous applause from Yushizhiren's side.

Only their overlord old woman was still dozing off in her seat, which formed a strong contrast with the emotionally charged disciples of the imperial family.

But everyone is also numb and doesn't care about it anymore.

Who knows if the old woman sitting here dozing off is the real person, or the rootless soul she created.

I dare not think about this kind of thing, the more I think about it, the more terrible it becomes.

Among them, Su Emei was almost held up to celebrate his success.

Yushizhi was able to be in the third place this time, and the biggest credit was Su Emei.

Su Emei could actually make a fierce like Wiliam admit defeat.

And it was the only one that Wiliam has lost so far.

Just put this result out, everyone is not convinced?

Among them, Su Emei's face turned red. She wanted to pinch Wiliam. Whoever made this kid confess to lose gave her so much trouble.

But I felt that I should be grateful to Wiliam.

The mood is also very tangled.

She had thought about this problem before, and now it's all right.

What are you afraid of?

From now on, it will be spread that Su Emei, the imperial ruler, is the only woman who makes Wiliam kneel. How should I meet people...

Forget it, forget it, don't want it anymore.

What do you love?

Go back and give Lin Jiang a lesson.

Wu Shi'er and this kid had a gaping cooperation.

Isn't peace of mind good?

"Okay, now I declare the second place." Wiliam said loudly again.

The joyous atmosphere on the scene gradually subsided.

Everyone is looking forward to it.

It is said that the second place is announced, but in fact, the first place has already been announced together.

There are only two sects, Han Xing Wangqing and Can Jian Jiutian.

Can Jian was the third sect in the middle nine days ago, this time because of Xu Tongyin's strong return, he was a blockbuster.

And Han Xing Wangqing, as the veteran Shang Sanzong, has been firmly in the second place.

Now that Dugu Hongshi is no longer in the first place, can Han Xing Wangqing be on top?

It depends on how Wiliam measured it.

Wiliam cleared his throat and looked at Can Jian Jiutian.

This look scared the people of Can Jian Jiutian.

They look at me, I look at you, their faces are covered with complicated words.

They were meditating one by one, don't look at me, don't look at me.

At this time, you should watch Han Xing forget feelings!

Will you turn your handsome and handsome person over?

We are courageous and can't bear your sharp and masculine eyes.

However, Wiliam didn't even turn his face. He stared at Xu Tongyin, his eyes were deep, and he said in a flat tone: "The second place is..."

Speaking of this, Wiliam's voice suddenly stopped.
