

Dragon Husband 1642 part 1

Chapter 1642 a group of licking dogs

The people at the scene, especially the people of Can Jian Jiu Tian, were so scared that they were breathing quickly.

This handsome dog can speak without panting!

Actually!

Even Xu Tongyin's face was unnatural.

He also wanted to choke Wiliam to death.

Wiliam finally spoke again, "The second place is Han Xing Wangqing."

Han Xing forgets feelings!

After a brief astonishment, the people at the scene suddenly burst out loud shouts!

On the contrary, it was the people of Nine Heavens of Remnant Sword, all of them were just like fools, dumbfounded, and they didn't even react to what was going on!

Han Xing forgotten love, look at me, I look at you, complexion.

However, they are also very calm.

After all, they are too accustomed to these two-year-olds.

Suddenly let them sit on the throne of the head of the nine sects, but they are a little uncomfortable.

On the contrary, the people on Canjian Jiutian's side, after reacting, suddenly boiled!

The first of the nine sects!

Can Jian Jiutian actually took the position of the head of the nine sects!

For thousands of years, has there ever been such a miracle!

Everything is due to Xu Tongyin!

Xu Tongyin returned from the dead and returned in glory, bringing Can Jian Jiutian unprecedented opportunity and honor!

And behind Xu Tongyin is Zhan Luye!

If there is no Wiliam, then there is no Xu Tongyin, and there is no today's Can Sword Nine Heavens!

Xu Benliu trembled all over.

As the Sovereign, Rao thought in his heart again and again to be calm and calm, just small scenes.

But the body has betrayed him deeply.

He bowed deeply to Wiliam.

Had it not been for too many people at the scene, he would have wanted to kneel down for Wiliam.

The chance Wiliam brought to Can Jian Jiutian was so great that he couldn't be overstated.

Others followed Xu Benliu and bowed deeply to Wiliam.

Wiliam hurriedly returned a gift, and then asked the people in the Quartet, "So nine cases, such nine cases, do you have any objections? You can raise them on the spot. If it is reasonable, I will definitely adopt it."

The people present are still immersed in the atmosphere of the nine rulings.

Moreover, what other opinion can they have?

Every time I felt that this was unscientific, but after thinking about it carefully, there was no more scientific ruling than Wiliam's ruling.

The suzerains of several sects expressed that they had no opinions.

Seeing that none of the parties have any opinions, the audience at the scene will not have any opinions.

"Well, since everyone doesn't have any opinions, let's make it so. The next thing is left to Can Jian Jiutian, the newly appointed head of the nine sects." Wiliam put the rest of the burden very neatly. Throw it to Can Jian for nine days.

What are you polite?

Not at all.

Xu Benliu's enthusiasm came up all at once, and he promised, his mouth was about to crack behind his ears.

And Wiliam winked with his elder brother, and the two quietly came to a corner.

Liu Lang handed out a cigarette to Wiliam.

Wiliam was very skilled and refused.

"Brother, why are you here this time?" Wiliam asked.

Liu Lang took a deep breath and said: "There is no way, this kind of hard work, of course, must be handed over to my newcomer.

Dragon Husband 1642 part 2

Of course this is a joke.

Wiliam knew that Liu Lang would definitely have a certain position within the sect if he could be sent as a referee.

This is not surprising, just like the pinnacle of one's own blood, enough to make the entire lonely lion kneel and bow down.

What's more, the eldest brother is of the supreme golden dragon bloodline, and he may also be an ancestor-level existence among the Cloud Piercing Dragon.

It's just that the eldest brother is too lazy to mention it.

"Why is the match ahead of schedule?" Wiliam asked again.

"Well, something happened on the Six Methods. We need to rush back to have a meeting, but they are all minor problems. It doesn't matter whether you know it or not." Liu Lang said in a clouded manner.

Wiliam nodded.

It was also expected by him.

Of course he doesn't need to ask further.

If it is important, Liu Lang will naturally speak out.

The brothers reunited, and the two chatted a lot.

As the elder brother, Liu Lang felt incredible about Wiliam's martial arts.

But Wiliam was not complacent.

He didn't want to compare with his elder brother in the first place.

This big brother is the biggest bug.

Wiliam was shocked by the hand of the dragon scales on the stage just now.

Now Wiliam has no confidence in his elder brother.

What Wiliam really compares to is Lin Jiang, the second brother.

Lin Jiang didn't come to the competition this time, but it put a lot of pressure on Wiliam.

He didn't come to participate in such a big game, but chose to retreat. There was only one reason.

That is his retreat this time, which is more important than the game.

The importance is greater than the glory of the entire Yushizhi people in the next twenty years.

The sect chose this way, but Lin Jiang lived up to the sect.

So Lin Jiang left behind and asked Su Emei to find Wiliam.

In any case, as long as Lin Jiang leaves the customs, he will definitely threaten Wiliam's current strength.

I had a chat with my elder brother, because if he was there, Liu Lang would say goodbye to Wiliam and return to the Six Methods.

As soon as Wiliam returned to the scene, he saw a pair of wolf-like eyes looking at him.

There are mainly such a few waves of people.

The first is his enemy, the hero of the Canglang, the strange sword to cover the sky, and the person who fragrant flowers and blood.

They couldn't wait to smash Wiliam into pieces, but they didn't dare to one by one.

Then there was a wave of people who Wiliam had been kind to.

For example, the golden jade volley, the lonely lion, and the nine days of the remnant sword.

The eyes of the last wave of people were especially strange.

Belongs to red and thin tall buildings.

One by one, they were looking at Wiliam with soft eyes, and they all looked at him hairy.

Seeing Wiliam coming out, the last two bands rushed up together.

“Senior Lu, come to our sect as a guest. We have to thank you very much for your great kindness!” Xu Benliu of Can Jian Jiutian, relying on his loud voice, no one came, the voice was thrown over first.

Senior Lu, this name is now handy for him, as if he was going to make a mistake like this, it would be wrong.

Others were not to be outdone, Bai Jianxing immediately shouted: “Lu Zu, come to our sect! You must come to our sect to sit down! Some of us and the elders should thank you very much!”

The people at the scene were at a loss.

What a special thing!

Senior Lu, a young man of other people, is already very shameless.

Now comes a shameless one.

The ancestors shouted out.

Is this decent?

This is the nine ethics?

Is this a master style?

Isn't this a bunch of licking dogs?

Xu Benliu's hand was about to grab Wiliam, and at this time a fragrant wind swept across.

Everyone, especially those overlords, didn't react.

Wiliam had disappeared in place.

In the midair, there was a coquettish smile.

“Don’t worry about it, Xiao Lulu just promised that they would go to other people’s sect to sit for a while, are they all gone...”

“We are going to treat Xiao Lu Lu well, goodbye.”
