

Dragon Husband 1649 part 1

Chapter 1649 Does your second brother know what you do?

Hearing this familiar voice, Wiliam suddenly woke up more than half of his alcoholism.

This is so special!

Is there such a coincidence?

He didn't have time to say anything, he just felt that the roof under his feet collapsed directly.

He fell all over the house.

Then, looking up, he saw a familiar face.

Well, Su Emei.

This innocent woman with a bit of coquettishness was looking at Wiliam curiously.

Wiliam didn't dare to look at Su Emei anymore.

How could it be so coincidental, how did you come to the sect of the imperial family?

Somewhere in the sky, God has its own arrangement?

Facing Su Emei's previous question, Wiliam couldn't answer a word.

"Yo, I also drank, and I drank a lot. What's the matter, come to my boudoir to take a look? You are really amazing, you even know which room I live in. If you do this, your second brother knows Is it?" Su Emei said to Wiliam jokingly.

Wiliam quickly shook his head and said, "If I say this is all a coincidence, would you believe it?"

Su Emei put away the weird smile on his face and said, "Okay, I'm just kidding you. I know you are a decent gentleman. You probably don't look down on a woman like me."

Wiliam replied solemnly: "Don't look down on yourself so much, you are the only woman who has beaten me."

Su Emei's face suddenly collapsed.

Which pot is not open to mention which pot!

This kid is really annoying.

"If you don't play dumb with you, I'm mad at me." Su Emei said depressedly, "Since you came to our sect by such a coincidence, why don't I take you to see the people from our sect? It just so happened that you didn't want to go back to Cang. Why is Mang Continent picking up that little white animal from your family, let's just say it directly."

William nodded quickly, "It's not too late!"

Well, what a cute little white animal.

Su Emei rolled his eyes at him.

When it comes to Bai Fengxue, it's like having chicken blood. Can you take care of the feeling of being a woman in front of you?

Su Emei was not hypocritical, and immediately walked out of the room.

William took a step forward, hesitated for a while and then stopped.

Su Emei turned around and asked, "What's the matter? Still reluctant to leave my boudoir? Visit again? Or do you need me to show you how you feel?"

William sweated and asked dejectedly, "Is there a banquet for you guys?"

William already had a shadow over wine in his heart.

Well, there's a lingering shadow the size of a vat.

"You think beautifully! Come and ask us to do something and we have to give you wine." Su Emei rolled her eyes at William again.

Facing this aggressive scolding, William smiled instead of anger, "So good, so good! Oh, we are still open-minded people who control the world, and we don't need to be in the wine when we have something to say. ."

Saying that, he calmly followed Su Emei out.

The two came to a large living room one after the other. Su Emei asked William to rest on a chair for a while, and she went to call someone.

After a while, she came back, followed by a large wave of people.

Wiliam stood up and looked at the group of people politely.

Dragon Husband 1649 part 2

Su Emei introduced each other to everyone.

Everyone looked at Wiliam curiously, but there was a bit of arrogance in this curiosity.

Well, it's not ashamed to be defeated by Su Emei.

The suzerain of the imperial family did not appear.

According to Su Emei, um, the sect master is sleeping.

It is quite unusual for people to be able to sleep like this when they are old.

The disciples of the Yu Shizhi people have always been the existence of both good and evil, and now in Wiliam's view, they are just one by one with distinct personalities.

Behavior or something is pretty good.

Hearing that Wiliam was going to borrow their sect's treasures to return to Cang Mang Continent, all the people on the scene had no doubts.

Obviously, the Sect Master had explained it before.

However, they gave Wiliam a big surprise.

A deputy sect master said: "Wiliam, you have such a good relationship with Lin Jiang, and you deliberately lost to Su Emei once, making us a face of Yushizhi, how can we say that we owe Yushizhiren? You are alone."

With these words, Su Emei was moved to tears.

It finally makes sense.

Knowing that Wiliam lost on purpose.

"So, on behalf of the sect, I decided to lend you our best treasure. This treasure can only be used once in ten years. You have to be careful and make good use of it." The deputy sect master said.

As soon as these words came out, everyone on the scene was shocked.

"Lao Liu, what do you mean, you want to wake up Lingyu Jinni-ang?" Someone asked quickly.

Ling Yu Jin Niang?

Wiliam heard this unfamiliar name.

The deputy sect master named Lao Liu nodded and said, "Well, I have asked the old sect master for instructions. Her old man also agreed."

Wiliam felt very arrogant when he heard the name.

"Let's go, I'm ready. Since Wiliam is here, let's wake up Lingyu Jinni-ang." Saying that, Lao Liu took the lead and walked out.

A group of people quickly followed.

What a joke.

It takes ten years to wake up.

How many times can you see each other in your lifetime?

Wiliam also followed curiously.

After a while, everyone came to the door of a cellar.

Lao Liu took out a piece of sapphire that looked sparkling, opened the door of the cellar, and threw it in.

"Wait." Lao Liu said.

Wiliam couldn't help but asked Su Emei in a low voice, "Who is Lingyu Jinni-ang? Why is she imprisoned here?"

Su Emei also said with infinite curiosity: "I haven't seen it before, but I know that this Lingyu Jinni-ang is the pinnacle of the old Sect Master's work."

work?

Wiliam reacted immediately, "Isn't he also a rootless spirit?"

Su Emei glanced at Wiliam, "You know a lot, you know that we have rootless spirits."

"Well, Lingyu Jinni-ang is a rootless spirit person, and she is definitely the most powerful rootless spirit person in the history of Yu Shizhi. As for herself, she can be regarded as a person or an extraordinary magic weapon, capable of leading

people through space. However, because it is too powerful, the restrictions are also very large." Su Emei said.

"What restrictions?" Wiliam asked knowingly.

"Uh, I'm too greedy, I sleep after eating, and I sleep for several years. I'm lazy and greedy. I heard that, don't tell me." Su Emei said in a low voice, a little embarrassed.

Wiliam Yihan, what is this all about!

The people who control the world are too strong, and the rootless spirits created are so individual.

Said Wiliam was a little curious.

After a while, a snoring sound came from the cellar.

The snoring became smaller and smaller, until there was only one murmur left.

"Go back, Lingyu Jinniag is about to wake up." Lao Liu suddenly said.

The people on the scene were very experienced, and they ran directly behind for more than ten meters.

Wiliam Yihan, as for hiding so far?

Just as he was thinking, the ground under his feet suddenly shook.

"F*ck!" Wiliam didn't have time to react, the ground shattered, and his whole body was directly lifted into the sky.

A giant with a height of more than fifty meters suddenly jumped out of the ground!
