

Dragon Husband 1652 part 1

Chapter 1652 Medicine Knife Crisis

When the members of the Medicine Knife Family heard this, their expressions all changed.

These scumbags!

He also claims to be the guardian of humanitarian order!

God is blind!

Entrust this group of people to preside over the order of this continent!

Dao Xiaofeng's cane slammed on the ground with a pestle!

She knew that things had gone in the worst direction.

It's not something that can be solved by language at all!

I just don't know why these people came to the Medicine Knife Family?

However, Dao Xiaofeng has a strong personality that is comparable to that of a man in this life.

She doesn't think about it, and doesn't want to think about it.

As the crutches slammed on the ground, a wave of air swept out from between the two sides!

"I'd rather be Jade Broken! Not Waquan!" Eight words were spat out from Dao Xiaofeng's mouth.

And Feng Xue and the others behind her also had a resolute look on their faces, and they could not see the slightest fear.

There is only endless disgust and hatred!

This inexplicable battle, come if you want!

The Medicine Knife Family has never been afraid of any treacherous evil!

"Hoho, it's really a bunch of people who don't know how to live or die. Just you martial artists who want to resist our group of innate secret realm warriors? A joke!" Huang Lingqing laughed playfully.

He waved his hand casually, and the wave of air that attacked him seemed to be strangled by his throat, and disappeared in an instant.

“It’s very strange to think about you. There are so many sects in this world, why did we find your Medicine Knife family?” Huang Lingqing looked at the people of the Medicine Knife family mockingly.

They didn’t answer, and what they left to Huang Lingqing was endless indifference.

But Huang Lingqing was asking and answering himself, “If you want to blame, you can blame Liu Lang and Wiliam.”

Hearing these two names, the expressions of the members of the Medicine Knife Family moved in unison.

Liu Lang and Wiliam!

Did they provoke someone they shouldn’t provoke in the other world?

However, Bai Fengxue and Sister Tian Tian stood up together.

They looked at each other, and Sister Tian Tian motioned for Bai Fengxue to speak.

Bai Fengxue said indifferently: “Liu Lang and Wiliam are righteous and kind in their bones, they offended you? I’m afraid that you have done something shameful, and our family Liu Lang and Wiliam will do it for the sky, right? !”

Bai Fengxue’s words are strong enough!

Obviously the current situation is extremely unfavorable for the Medicine Knife Family, but she has not flinched at all.

Bai Fengxue’s words made the opposite Huang Lingqing’s face stiff!

It seems to be touched by some weakness!

Indeed!

Bai Fengxue was right.

Just after the nine sect qualifying matches ended yesterday, Huang Lingqing received a personal instruction from the sect master!

Today, at all costs, the families of Wiliam and Liu Lang will be executed!

To vent your anger!

Hu Yixiao was severely humiliated by Wiliam and Liu Lang in the Nine Sects Qualifying Tournament, how could he swallow it!

However, they cannot directly take revenge on the two of them.

So Hu Yixiao thought that everyone in this chain just came to the land of the common people this year.

Their home is Cang Python Continent.

And Cang Mang Continent, isn't it the world that Hu Yixiao belongs to!

Liu Lang and Wiliam are amazing, but what about their families!

Dragon Husband 1652 part 2

Therefore, taking advantage of the fact that Qijian Zhetian has not been deprived of his status as the guardian of the humane order, he wants to vent his anger as soon as possible!

So today they are here.

And the unexpected surprise came when he found out that this family of medicine knives has collected so many beauties!

He had actually seen these women before.

That was when Wiliam and his grandfather were dueling.

But at that time, Huang Lingqing's mind was not on these women.

The situation was too dire.

Looking at it this way today, he was astonished.

These women, if you just take out one of them, can make this side of the world overshadowed.

If only these women could be taken away.

The second half of my life, oh no, and the lower body is just so much fun.

After all, these women can drive every man crazy.

And the members of the Medicine Knife Family didn't feel any nervousness because of Bai Fengxue's words going up against the current.

Instead, they nodded in unison and stood on Bai Fengxue's side.

They already knew the conduct of Wiliam and Liu Lang.

On the contrary, these self-proclaimed righteous guardians of the humanitarian order are engaged in despicable and indecent deeds.

Do we still need to distinguish between right and wrong?

What Dao Xiaofeng said was right.

Rather than jade broken!

Not for Watts!

There are only magnanimous people who die standing up in the Medicine Knife Family!

There is no humble dog born on its knees!

"Come here! Kill me! Keep the beautiful woman for Lao Tzu! How dare you talk to Lao Tzu! The woman who spoke just now, Lao Tzu will keep you today, and ruthlessly spoil you in front of so many people! Let you Cry and call me dad!" Huang Lingqing's face turned ruthless, and he waved his hand!

The Medicine Knife Family has long been prepared.

Sister Tian Tian, Sister Qing, and several other people with the highest realm rushed out and stood in front of everyone.

And the people behind them fell into the sect of the Medicine Knife Family for the first time!

Then the next second!

A corrugated barrier visible to the naked eye appeared above the sect of the Medicine Knife Family!

This is the Shouzong Great Formation of the Medicine Knife Family!

The Shouzong Great Array of the Medicine Knife Family is also famous in this world!

But everyone now knows in their hearts that facing the people who have the strange sword covering the sky on this side, they have no advantage at all.

It's only a matter of time before it's broken.

Sister Qing and the others stood at the front, only a barrier away from the enemy.

They watched each other frantically attack the barrier, and their hearts were also very uneasy.

Could it be that today is really the end of the Medicine Knife family?

They are not afraid of death.

They were just unhappy.

If it weren't for Liu Lang, Lin Jiang and Wiliam not here!

How dare they be so arrogant!

I hope the family can take advantage of this short opportunity to transfer out smoothly.

"Boom!" While they were still thinking, they suddenly felt a suffocating shock!

They looked forward and suddenly became nervous.

I saw Huang Lingqing shot!

He raised his hand!

An incomparably gigantic palm phantom slammed onto their Shouzong Great Array!

A fine crack appeared in the Shouzong Great Array!

And behind Huang Lingqing, many people also made this move!

Immediately, this piece of heaven and earth seemed to be raining palms!

Countless huge palms slammed on the barrier of the Shouzong Great Array!

This is the famous stunt of the sword that covers the sky, the palm of the sky!

There are more and more cracks on the Shouzong Great Array.

Sister Tian Tian and the others frowned.

I never imagined that the destructive power of this group of people was so strong.

In their hands, Shouzong's great formation could last less than a minute!

In this way, the people from the sect will not be able to run far if they are transferred.

For a time, Sister Tian Tian's heart was filled with a desire to die.

They were the only ones who could delay the time.

In the blink of an eye, a dull cracking sound resounded through the world!

Shouzong's great formation collapsed suddenly!
