Chapter 1666 Mysterious yellow peach blossoms, see the world

William was sorting out the logic just now.

Petite Rou is transformed into a moat, and her soul is imprisoned here.

The Jiangshan Prayer Seal she proposed could replace her soul.

And there is a premise for this, that is, there is still a person of extreme blood here to replace the soul.

So there are some problems here.

If Petite Rou's soul is replaced, where will her body come from?

If after the soul comes out, the body is restored, will it disappear in the sky?

Then, will the prohibition between the Cangsheng Territory and the Cang Mang Continent be completely broken from now on, and humanity is truly in chaos!

William fell into deep thought.

And after William finished speaking, Petite Rou couldn't help but give him a big white eye.

How did this guy do the most absurd thing in the most serious tone?

How can anyone in this world pass this blood and marrow from one to another?

Afraid it's not a neuropathy?

However, when she wanted to scold William, her throat seemed to be blocked by something.

this kid...

Although this idea is absurd, but if you think about it carefully, it is really a matter of time!

The blood marrow inheritance had the most deadly future, and one of them would die.

But the petite Rou's body is extremely strong and can't die for a while.

So Wiliam's idea has this premise.

It's absurd to think about the two people passing around.

How does this kid have such a long head, and why does he have so many bizarre ideas?

"I don't know about this either." Petite Rou could only say weakly in the end.

At this time, Wiliam smiled lightly and said, "It's nothing, I already know."

Just now, Wiliam was all thinking about the pros and cons, and he didn't have any extra thoughts to think about other things.

So he would think that if there is really no way to fulfill the promise, then this life must be returned to Petite Rou.

Petite Rou can't be made to pay such a price, and finally she is separated from her lover.

Therefore, Wiliam would think about giving his blood marrow back to Petite Rou, or donate his blood marrow to her.

But with Petite Rou silent, Wiliam also thought about other aspects.

From this perspective, Wiliam suddenly became enlightened and understood what was going on.

"What do you know?" Petite Rou looked at Wiliam in surprise.

She didn't even understand it herself, how could Wiliam know?

Wiliam said slowly: "What I mean by knowing doesn't mean knowing the answer to my question just now. Rather, I know something else."

"That means I will definitely save you." Wiliam said, staring at Petite Rou.

Petite and softly smiled, "That's it? Just kidding me. Who can tell what will happen in the future?"

"No, there is one person who can tell. And he has already said it." Wiliam shook his head and said to Petite Rou.

Petite Rou was about to give Wiliam a word or two in return, but suddenly, she was speechless.

Really, someone can tell...

Xuan Huang Peach Blossom!

See the world!

If there is only one person in this world who can see the future clearly, it is the Xuanhuang Peach Blossom.

"What do you mean! What does this have to do with Xiao Taohua? Did she tell you what she saw?" Petite Rou became anxious.

It's about Xiao Taohua, can Petite Rou not be in a hurry?

She suspected that Wiliam had concealed what she said just now.

However, Wiliam said lightly: "I have already told you everything that happened between Lady Peach Blossom and me. Just now, it was you who reminded me of one thing that made me think of Lady Peach Blossom's meaning."

"What are you talking about? Don't go around in circles." Petite Rou's body is thousands of miles away, but her brain capacity is obviously very stretched, and she doesn't want to think about it soon.

"Peach Blossom Lady just told me before that I need to look for the Jiangshan Prayer Seal. But you told me that in addition to the Jiangshan Prayer Seal, I also need to find a person of extreme blood. Now that I think about it, the mystery is here. Don't tell me such an important condition for saving you, think about it?" Wiliam was guiding Petite Rou.

"I don't think about it, just say it directly." Obviously, Wiliam's guidance failed from the beginning.

"Because Peach Blossom saw it. When she saw it, I would definitely bring a person of extreme blood to find you, so there is no need to emphasize this point to me."

"It's up to now, isn't it? The first condition you mentioned just now is to let me find someone with the ultimate bloodline, and this is also one of your second conditions."

"So there is only one possibility. When the Peach Blossom sees that I will bring my wife to you and ask you for help, you will also put forward corresponding conditions, and I will agree."

"Based on this, she doesn't have to go to the extreme blood again."

Petite Rou's eyes widened when she heard it!

This is so bulls\*it!

Little Peach Blossom just didn't tell him a condition, this kid can actually see such a thing from it!

This kid is too awesome!

"What do you mean, Xiao Taohua has seen today's scene and knows that we will make an agreement to find the ultimate bloodline, so she won't repeat it?" Petite Rou couldn't help confirming what Wiliam said just now. the meaning of the words.

Wiliam nodded and said, "Yes, we might even think about it a little more deeply. What she saw was not only this scene, but more to come."

"Why did she choose me to save you? Does it mean that she has seen the picture of me being able to save you in the future? So she chose me without hesitation." Wiliam continued.

Petite Rou has already started to rub her head.

The brain is not enough to hurt!

This kid said one thing after another, and it was very reasonable.

Can't find any faults at all.

As if all this is what Xiao Taohua saw...

Believable, very believable.

Petite Rou doesn't believe in Wiliam, but in Xiao Taohua.

At the beginning, when Xiao Taohua stopped Petite Rou, she said that it was a conspiracy of the human race, and Petite Rou would regret it.

Isn't that the case now?

"You seem to have some truth in what you said, so I'll believe you for now."  
Petite Rou finally forced herself to go down a step and said lightly.

"Well, so, since it's what Xuanhuang Taohua saw, I choose to comply with her. I agree to your conditions." Wiliam finally said.

He knelt on one knee on the ground and said to Petite Rou, "Frost Cang Python, Xiao Rou, I beg you to save Feng Xue, and you sleep for half a year. Within half a year, I will definitely save you out!"

Petite Rou looked at Wiliam who was kneeling on the ground, opened her mouth, and finally nodded her head, "For my crazy thoughts, and for you... Remember the promise you made today."

Petite Rou has always been a resolute person.

Since all this is seen by Xiao Taohua, there is nothing to hesitate.

After she finished speaking, she walked away arguing for Feng Xue.

And Wiliam looked at Petite Rou's back and showed a bitter smile.

Lady Peach Blossom, what did you see!

Wiliam had something to say, but he didn't finish talking to Xiao Xiaorou.

Lady Peach Blossom didn't tell Wiliam to look for the extreme bloodline.

Wiliam was terrified!
