

Dragon Husband 1720 Part 1

Chapter 1720 Qin Zhanxiong

Qin Shengzhong's face became even more ugly after being yelled at by his eldest brother.

He wanted to say something, but held back abruptly.

For the sake of his father's serious injury!

At this time, Qin Nuoshi introduced to the people around him: "Everyone, this is the sea god doctor whom I have worked so hard and paid a lot of money to invite. His name is Su Qingshan, and he is one of the best in the cold boat. A genius doctor, his status is also very honorable among Hanzhou practitioners. It is an honor for us to invite him here this time. I hope everyone can show some respect to the genius doctor!"

After such an introduction, everyone's eyes showed astonishment.

This Su Qingshan's identity is not low.

I just don't know what the identity of the Hanzhou people is?

Everyone bowed their hands respectfully to Su Qingshan.

On the other hand, Su Qingshan looked like he was ignoring the answer, and he didn't take these people seriously at all.

At this time, Qin Shengzhong also wanted to introduce Wiliam to everyone.

After all, Wiliam was Lanshan Zhige's biggest benefactor.

Speaking of which, his kindness to Lanshan Zhige is much greater than that of Su Qingshan for saving his father.

Su Qingshan can be respected by everyone, not to mention Wiliam.

"Everyone, the young man beside me is..." Qin Sheng introduced loudly, but was interrupted by Qin Nuoshi immediately.

"Isn't that a kid you brought from outside? And those people outside who planned to join our sect just now? This is naturally a good thing, but you have caught up with a good time. Although we were sparsely populated in Lanshan Zhige before, come here. No one refuses, but now our identities are very

different. We are ranked in the ninth sect. In the future, there will be as many people joining us as the sands of the Ganges. Just glanced at Wiliam and said lightly.

It seems that it is a great tolerance and gift to let them join Arashiyama Zhige.

Qin Shengzhong frowned quickly, "Brother, you don't know, he is!"

"Am I not clear enough? The most important thing right now is my father's injury! How long are you going to let the Sea God Doctor stand here empty? You're the first one who can't finish eating and go!" Qin Nuoshi said His expression also became unhappy.

It was Wiliam who took the initiative to pull Qin Sheng and said lightly, "It doesn't matter, your father's matter is important. Let's take a look at it first."

Wiliam took these fame and fortune very lightly, but he was very new to the identity of this sorcerer Su Qingshan, and wanted to see how he healed and saved people.

Qin Sheng sighed heavily and said in a low voice, "Wiliam, I've wronged you. I'll fight for your respect in a while! Let them know that a dog will see a low end!"

"I said you guys are finished! I asked you to call people out, why are you talking to me here?" Su Qingshan on the side was suddenly dissatisfied.

Qin Nuoshi immediately bowed and said, "I'm sorry, sea god doctor, we'll do it right away, but my father can't come out by himself, so we need to carry it out. You wait a moment, I'll arrange it right away."

Qin Nuo said that, and immediately gave an order to his cronies to go upstairs and carry his father out of the room.

Dragon Husband 1720 Part 2

Only then did Su Qingshan nodded in satisfaction and stopped talking.

Qin Sheng pulled Wiliam aside and said in a low voice, "Wiliam, I'm sorry. My eldest brother has always been at odds with me, and you have been wronged."

"Why not?" Wiliam asked casually when he was idle.

Qin Sheng sighed again, and said, "It's not just the sect. Where there is power, there is intrigue. My father gave birth to two sons, my eldest brother and me. Now he is seriously injured. when....."

"That's why my eldest brother targets me everywhere and wants to push me so that I can justifiably inherit Lanshan Zhige and become the new suzerain."

“Especially this time I heard that on behalf of the sect, Lanshan Zhige successfully entered the nine sects, and he became even more crazy. This is the first time in history that Lanshan Zhige has entered the nine sects, and he will definitely stay in the history books. How could my big brother give up such a great opportunity?”

“So, on the one hand, he is more eager to get the position of the suzerain. After all, the future of Lanshan Zhige has a bright future. It is not an exaggeration for him to say that he is calling for wind and rain within the sect. On the other hand, because I help Lanshan Zhige Ge got this rank, so my reputation is not bad. My eldest brother wants to suppress me even more, and wants to surpass my reputation. No, he paid a lot of money to hire a sea god doctor, just to win good in the sect reputation.”

As Qin Sheng spoke again, Wiliam knew some stories of this sect.

Wiliam smiled and joked: “Then you don’t want to be the suzerain?”

Qin Sheng shook his head and said, “I don’t want it to be a lie, after all, it can be famous in history. But, I am Tie Hanhan, and to be honest, I am not suitable to be the suzerain. What I prefer is to fight and kill the enemy. This is very similar to my father. Big brother is more suitable than me to be the suzerain.”

You still know you’re Tie Hanhan, I thought you didn’t know anything...

Wiliam complained in his heart, and asked again, “Your father also likes to fight and kill enemies?”

Qin Shengzhong seemed to recall the past, and smiled bitterly: “Yes, my father is a man who stands above the ground, eight feet tall and powerful. He has told me more than once that the battlefield is his home and his life. My destination. It is under his influence that I have the ambition I am today.”

“It’s a pity that after he was injured, he could no longer fight to kill the enemy.”

“Okay, I hope your father can get better.” Wiliam could only wish so at the end.

The Arashiyama Zhigo looks good so far.

A group of boys with blood in their hearts.

But there are also some strange things, such as this Qin Nuoshi, Wiliam doesn’t like it very much.

But small problems do not affect the overall situation.

Wiliam looked at Su Qingshan.

At this time, Su Qingshan also looked at Wiliam, his eyes full of arrogance.

As if all living beings are ants, only he looks down on the world.

Wiliam smiled politely at him, saying hello.

However, Su Qingshan sneered and looked away, not paying attention to Wiliam at all.

Wiliam didn't take it to heart, and continued to look at everything around him.

At this time, there was a sound of footsteps upstairs.

Four people carried a stretcher and came down slowly from upstairs.

The one on the stretcher is naturally the current suzerain of Lanshan Zhige, Qin Zhanxiong.

However, seeing this Sect Master, Wiliam was immediately stunned.

Is this the God of War, who is eight feet tall and mighty in Qin Sheng's mouth?
