

Dragon Husband 1726 Part 1

Chapter 1726 Feeding!

"Qin Shengzhong! Are you crazy!" Qin Nuoshi called out directly, grabbing Qin Shengzhong's collar, his face full of anger!

Others were in a hurry to break through the fence and go in to rescue Qin Zhanxiong.

However, in front of them, a person has appeared.

Standing in front of the group of people, Wiliam said with a smile, "What's the hurry? Why don't you look at the situation first?"

Qin Shengzhong also had a cold face, looked at his elder brother, and said lightly: "Since I choose to trust Wiliam, then this decision is right or wrong, and I will bear the cost! If my father suffers misfortune, I will kill myself. Light all the sea wolves here, and then go with my father!"

In a word, it is to take all the merits and demerits on your own!

Everyone looked at each other in dismay, not knowing for a while whether they should call Qin Shengzhong stupid!

This price is too high.

Qin Nuoshi's face also became complicated for a while.

In his head, a scene instantly appeared.

That is, his father really died accidentally, and then Qin Shengzhong would follow him, so wouldn't the whole Lanshan Zhige fall into his arms?

Based on this thought of not daring to speak to others, Qin Nuoshi didn't refute Qin Shengzhong's statement just now.

At this time, someone suddenly shouted: "Everyone, look! The sea wolf is heading towards the sect master!"

Everyone's eyes turned to the fence.

I saw the sea wolves whose eyes were gradually turning red before, and now they are slowly gathering.

The sea wolf should be an ancient gregarious beast.

For a time, more than a dozen sea wolves, who were not very powerful, slowly took their steps towards Qin Zhanxiong.

The distance between the two sides is only about forty or fifty meters.

And Qin Zhanxiong is still like a vegetative person, unable to move at all.

Seeing that the Sect Master who was in front of him might fall into the sea wolf's stomach for a while, everyone's hearts were clenched.

"What should I do? What should I do!" Some people turned around in a hurry.

William, on the other hand, looked calm and relaxed, turned his attention to the old sect master, and said with a smile, "Can't you get up?"

Can't you get up?

Did you say this to the old master?

He can only hear the hell!

Everyone thought that Wiliam was also going crazy.

Su Qingshan on the side couldn't help but sneer and said, "Aren't you going to save your suzerain? Are you still going to believe in this so-called benefactor? I think he has no good intentions at all, and plans to give you Lanshan Zhige's pool of water completely. messed up."

In the face of Su Qingshan's ridicule, some people couldn't hold back.

It's a pity that after Qin Nuoshi stopped blocking Qin Shengzhong, Qin Shengzhong had enough strength to stop them in front of them.

Wiliam's words continued, "Really not getting up? At least open your eyes and take a look."

At this moment, Sea Wolf was only twenty or thirty meters away from Qin Zhanxiong.

Moreover, with the tentative steps in the early stage, after finding that there is no threat, the sea wolf's footsteps became faster and faster.

However, Wiliam's speech rate was still unhurried.

"If you don't get up again, you will be swallowed by these small and humble ancient beasts in front of you. Are you really willing?"

"Have all five senses been sealed? Open your eyes and see where this is? Open your sense of smell, do you feel familiar with the smell here?"

Between the words, the sea wolf has quickly approached.

A sea wolf that looked a little bigger had already jumped one step and came to Qin Zhanxiong.

It didn't dare to attack, but just used its front paws to scratch the stretcher quickly, and then quickly retracted its paws, retreating slightly, showing a posture of escaping immediately in case of danger.

Unfortunately, where is the danger?

The stretcher broke immediately under his scratch.

Qin Zhanxiong's body, Gululu fell to the ground and rolled twice.

"Ah!" Everyone exclaimed, and their eyes turned red.

Apparently what's coming next?

The group of sea wolves had already surrounded Qin Zhanxiong who had fallen to the ground.

The larger sea wolf seemed to be their leader, and all the sea wolves were waiting for his instructions.

The larger sea wolf slowly walked towards Qin Zhanxiong.

In the blink of an eye, he was already standing beside Qin Zhanxiong, looking down at Qin Zhanxiong.

As for Wiliam's words, he still said unhurriedly: "Did you smell it? Your favorite smell, this is where you started the battle. Everything is just to start over and clean up the old rivers and mountains."

"Isn't it what you were looking forward to most? What's there to give up on yourself?"

Self-defeating?

Everyone's eyes widened, and they couldn't understand what Wiliam was saying.

At this time, the sea wolf moved.

His claws stretched out towards Qin Zhanxiong's arm and scratched lightly.

The blood donation flowed out of Qin Zhanxiong's arm immediately.

His sleeve was torn directly, and several deep bloodstains appeared on it.

"No!" Everyone shouted in unison.

But Qin Shengzhong was still stopping everyone, and his eyes became firmer.

He is the person in the audience who doesn't want his father to be hurt the most!

At this moment, he is doing something like a pervert!

His heart was like being stabbed by a needle, and the pain was incomparable.

But, how can it be!

Now that you believe in Wiliam, you can only go on without hesitation!

I hope Wiliam can give himself and even the entire Lanshan Zhige a satisfactory answer!

Even if it's bloody, don't hesitate!

Seeing that the people on the ground were still motionless, the sea wolf seemed to feel very different.

It looked up beyond the fence.

There are obviously people there, why don't you come in and save this person?

strangeness.....

The IQ of the big waves is actually not high.

In addition to being so stimulated by the smell of Qin Zhanxiong donating blood, he didn't care about anything!

It opened its mouth, revealing sharp teeth!

"Ow!" It roared at the sky, and then bit Qin Zhanxiong's arm!

A piece of flesh with blood was directly ripped off by the sea wolf!

The eyes of the people at the scene were split!

Everyone looked at Wiliam, and their eyes were full of endless anger!

Even if Wiliam wanted to kill Qin Zhanxiong, as long as he was upright, they would recognize him!

However, you can't let your suzerain be so humiliated in this way!

This is the lowest level sea wolf!

The big waves got the sweetness, and now they set their sights on Qin Zhanxiong's neck!

It seems that he intends to bite off his neck!

It roared suddenly and bit towards Qin Zhanxiong's neck!

Life and death, in an instant!

And Wiliam's eyes suddenly became extremely fierce at this moment!

With the action of the sea wolf, Wiliam suddenly shouted!

In the words, there seems to be some kind of soul-soothing power!

“rise!”

At the scene, there seemed to be a sudden gust of wind, which made everyone close their eyes!

And when everyone opened their eyes in the next second, it was an unforgettable scene!

Appeared!
