

# Dragon Husband 1745 Part 1

## Chapter 1745 Taboo

Everyone at the scene looked at Bai Fengxue.

And Wiliam's face turned cold on the spot.

This damn Su Lanbo actually dared to provoke Bai Fengxue in public.

Bai Fengxue hid slightly behind Wiliam, apparently not wanting to pay attention to this kind of person.

"What? Are you really a sissy? Do you need another man to protect you? Are you a man, if you are, stand up!" Su Lanbo couldn't help sneering when he saw Feng Xue hiding.

"Su Lanbo, do it yourself! Don't think that you can act recklessly because of your talent." Su Yongcun also stood up and scolded Su Lanbo again.

But Su Lanbo seemed to be determined this time, and said, "Uncle, it's not right for you to say that. This is our main event, the two dragons fighting for the hero. According to the previous rules, if no one takes the fight, the one who clicks is the one. Now, it's all up to the point, using martial arts to boost the fun, what's there to be afraid of, why would I be so serious? Isn't it? Besides, if we miss, we are all sea gods, can't we cure this injury? "

Su Yongcun said in a cold voice, "This is not wrong with the previous rules, but we have always selected people within the Hanzhou people. How can we choose guests from afar? Wouldn't this be neglecting the guests?"

Su Lanbo seemed to have known that Su Yongcun would say this for a long time. He flipped through a small book and said with a smile: "Uncle, I have been concentrating on learning our so-called rules. This book In the taboo of the cold boaters, there is no mention of not being able to choose among people outside the inside, do you think it is?"

Su Yongcun's face froze.

I never thought that Su Lanbo would be like a lunatic who would not even give his own face!

Indeed, in the taboos of the cold boaters, there is no writing that says that one cannot choose an opponent from among the guests.

Even in this taboo of the cold boaters, the word "guest" is not reflected at all.

Because this book is very old, the cold boaters at that time were very closed, completely independent development, and had no contact with the outside world.

No mention of outsiders is normal.

But for thousands of years, it has always been a convention.

This kid dares to drill this taboo loophole!

“Su Lanbo! Do you have to cause trouble!” Su Yongcun could no longer find a reason to refute Su Lanbo, so he could only shout again.

But Su Lanbo smiled and said: “Why is this causing trouble? I follow the rules. If I violate the taboos, then I am willing to be punished. But if I do not violate the rules, I just want to serve the ten The New Year’s feast has added brilliance, uncle, you are so obstructive in every way, but you are violating the taboo.”

“You!” Su Yongcun’s face became very ugly!

William watched coldly from the side.

He had already sensed something was wrong.

Although this Su Lanbo is extremely arrogant, he is by no means a brainless person.

Otherwise, he wouldn’t be able to get where he is now.

There must be something, making him deliberately find fault.

Where is the problem?

“Okay, forever, no need to say any more, Lanbo also wants to be a little hotter. Besides, we have always entertained ourselves internally, in fact, I have seen enough, if there can be fresh blood to join this I would love to hear about this feast.” Su Changsheng said suddenly and lightly.

“Father!” Su Yongcun couldn’t help shouting.

He couldn’t bear to see his father treat Su Lanbo like his own grandson!

It’s all to blame for his unsatisfactory pair of sons and daughters!

"Elder Qingfeng, don't you think? It's too boring, our own internal battle." Su Changsheng also looked at Old Man Qingfeng with a kind expression on his face.

"Hoho, you immortal, you can see if it's a big deal. I don't have any opinion, but I am generally more democratic with my apprentices, and all decisions are on my apprentices. If they want to If you want to participate, then participate, if you don't participate, you don't have to force it." Old Man Qingfeng replied ambiguously.

He couldn't figure out what Wiliam wanted to do next, so it was inconvenient to make a decision for Wiliam.

So the old man Qingfeng hurriedly threw the pit to Wiliam and let Wiliam decide for himself.

"This is the best way, then let the children and grandchildren decide for themselves, and we, the immortals, will just watch the hot coax from the side, how good." Su Changsheng also laughed.

Su Yongcun shook his head helplessly and looked at Wiliam and Bai Fengxue with apologetic eyes.

Now he can't be the master.

"How is it? Sissy? Did you hear it? Dare to fight? If you don't dare, stand up and admit your counsel." Su Lanbo said to Bai Fengxue with a sneer.

A sissy, whoever listens to it will feel uncomfortable.

Bai Fengxue was so angry that she couldn't help but want to stand up.

But it was pressed down by Wiliam.

Wiliam whispered, "No hurry."

Then Wiliam looked at Su Lanbo and said with a smile, "What is the taboo book in your hand, can you lend me a look?"

Su Lanbo couldn't help sneering, he couldn't help but threw the small book in his hand to Wiliam, and he didn't forget to laugh, "What? Think I'm going to lie to you? Just this kind of heart? Just this kind of heart? Just this pattern? Cut. Take a good look at it."

He naturally thought that Wiliam was planning to study the rules and avoid this fight.

Wiliam flipped open the quaint little book, read it for a while, and then closed the book, "It seems that it is true, there are no rules for guests."

Then he threw the book to Su Lanbo.

"How is it? Are you satisfied now?" Su Lanbo asked proudly.

Wiliam looked at Feng Xue, "Do you want to fight?"

Feng Xue shook his head and whispered, "I don't want to, I'm not interested in this kind of person."

Wiliam nodded and said to Su Lanbo, "I'm sorry, my little junior brother has no martial arts skills. He is not your opponent. He admits defeat."

There was a burst of boos from the audience.

Su Lanbo laughed loudly, "You don't have the slightest martial arts? Who are you lying to? Who doesn't know that the apprentices of Old Man Qingfeng are very skilled. Well, it's fine if you don't fight. Since you sincerely admit your counsel, I'll give you a stage. Down the stairs, sissy, remember to see me later and walk around!"

After speaking, Su Lanbo walked down triumphantly.

The roar of laughter grew louder.

However, Wiliam stood up and said to Su Lanbo, "Don't be in a hurry, how about meeting you when I come?"

Su Lanbo's footsteps stagnated, and he looked at Wiliam in disbelief, "You come to meet me? Are you worthy?"

He didn't expect this young man to be so daring!

However, Wiliam smiled indifferently, with a bit of sharpness in his eyes.

"No, no, it's not a question of whether I'm worthy or not. It's that I'm going to fight for the next two dragons, and then the opponent I choose is you."

"Since there are no taboos for guests in the taboos of the cold boaters, the law can be done without taboos, then I can apply to challenge anyone, right?"

"Su Lanbo!"
