

Dragon Husband 1748 Part

Chapter 1748 Unusual

Su Lanbo thought that he could rub Wiliam's spirit with this hand.

But I didn't think that, in a second, the situation suddenly changed!

With the green light coming from Wiliam, the green light in the square seal rushed towards Wiliam's hand frantically, as if being summoned by the master.

This scene really scared everyone stupid!

And Su Lanbo felt more like he was slapped in the face with a slap, and the whole person was stunned.

What's the matter!

Obviously it is Su Lanbo's seal, and the spiritual power in it should obey Su Lanbo's.

Why is this kid able to easily urge the Sifang Seals, or does he urge it from a distance?

This is simply incredible!

Su Lanbo came back to his senses after a brief stunned moment.

He doesn't believe in this evil.

I saw Su Lanbo gritted his teeth and his eyes were red.

However, the more he suppressed it, the more unwilling the spiritual power in the Sifang Seal seemed to be, and the more rapidly it surged!

In a short while, the spiritual power in the Sifang Seal showed a blowout trend!

Not only is it rushing towards Wiliam's hands, but also thinking that the scene is surging in all directions!

The city on site was enveloped by aura, and while enjoying the warmth of sunbathing, the people in it were even more shocked by this scene.

Su Lanbo saw that he had been completely unable to control the spiritual power of the four seals, and his heart was stunned!

He thought that the Sifang Seal must be out of control, there must be something strange about this kid.

Wouldn't staying away from this kid undo this runaway.

So, he pulled up his legs and ran frantically into the distance.

However, after a while, he gave up on his own.

It turned out that the overflow of spiritual energy had nothing to do with the distance from Wiliam.

No matter how far Su Lanbo ran, the aura still did not stop overflowing.

"Stop for me!" Su Lanbo roared with red eyes.

Wiliam's hands were spread out, as if he had nothing to do with him.

The people at the scene saw that Wiliam didn't make any small moves, but his spiritual energy was still out of control.

Has nothing to do with this kid?

There was a big question mark in everyone's heart.

Su Lanbo is going crazy!

In this short time, his Sifang Seal, the spiritual energy poured out wantonly, almost used up.

"Ah!" Su Lanbo let out a painful roar again.

It's not because of the pain this time!

But because of distress!

The Sifang Seal is an extremely rare treasure on the side of the cold boaters!

Because of his extraordinary talent, he was awarded such a seal.

He didn't even have time to rely on this seal to make a name for himself, and now the spiritual power in the seal is about to be squandered!

It hurts more than cutting him with a knife!

While thinking about it, the spiritual power in the Sifang Seal suddenly stopped overflowing.

Su Lanbo's face was overjoyed, but he immediately let out a more painful wailing!

This is not because the Sifang Seal stopped overflowing with spiritual power, it is because the spiritual power is directly exhausted!

The spiritual power in the sky also slowly dissipated.

Dragon Husband 1748 Part 2

Su Lanbo was like a waste, kneeling on the ground, unable to recover for a long time.

I can't accept this reality at all!

Even Su Lanbo was still thinking in his heart, if he hadn't been so embarrassed just now!

If you don't take out the seal of the four sides, maybe the ending will not be like this!

Thinking of this, he suddenly raised his head and glared at Wiliam fiercely!

It's all the fault of this kid!

"Boy! Take your life!" Su Lanbo was completely murderous at this moment!

He stood up from the ground and rushed towards Wiliam fiercely!

Although I don't know what the hell Wiliam has done, this tone must be vented on this kid!

Wiliam showed a contemptuous smile.

Mental retardation ah!

Well, the scar forgets the pain!

Don't know how you got hurt just now?

Indeed, the spiritual power in Su Lanbo's Sifang Seal was mobilized, which was done by Wiliam.

When he saw the Sifang Seal in Su Qingshan before, Wiliam had a certain feeling.

The metamorphosis on his body and the spiritual power in the Sifang Seal have a taste of the same ancestry.

But Wiliam's is more advanced, not relying on external things, but instinct.

Therefore, Wiliam is completely sure that he can manipulate the spiritual power in the seals of the four directions.

After all, something like spiritual power attracts each other.

Wiliam's is more advanced, and the spiritual power in the Sifang Seal instinctively goes to the higher spiritual power, which is an instinct of a hundred rivers meeting the sea.

And this is also a lesson Wiliam wants to teach Su Lanbo.

Don't be too embarrassed.

Seeing Su Lanbo rushing towards him again, Wiliam didn't dodge or dodge, he just took Su Lanbo's blow with his body!

This time, Su Lanbo has no strength.

He has been swept away by hatred, so how can he care about other things.

"boom!"

Just like before, Su Lanbo's body was directly thrown off.

And everyone clearly saw that Su Lanbo's right hand, with a bang, was directly broken!

"Ah!" The scream came out of Su Lanbo's mouth again.

"I'll kill you! I'm going to kill you!" At this moment, Su Lanbo was like a lunatic, getting up from the ground, baring his teeth, completely lacking the calmness and arrogance he had before.

He took out a pocket knife with his left hand, and actually took out an exquisite knife.

"Get up!" Su Lanbo roared, the small knife in his hand that looked like a toy grew in the wind, and instantly grew into a large tiger-backed knife about two meters long!

"I'll hack you to death!" Su Lanbo roared violently again, waving a big knife in his left hand, and streaks of energy visible to the naked eye attacked Wiliam directly.

However, Wiliam still didn't move.

At this time, a violent roar rose to the ground, "Stop!"

With the sound, a figure fell between Wiliam and Su Lanbo.

It is Su Yongcun impressively.

Su Yongcun waved one hand, and Su Lanbo's energy from the air was instantly beaten to pieces and went towards the sky.

Su Yongcun looked at the crazy Su Lanbo, and said coldly, "Stop it, Su Lanbo! Don't you think it's not enough to be ashamed?"

"Su Yongcun! Don't stop me! I have to kill this kid today!" Su Lanbo roared loudly and rushed over.

"Someone! Take him down!" Su Lanbo roared, and a few people rushed up immediately, pulling and pulling Su Lanbo down and holding him down.

"You kid! I won't let you go!" Su Lanbo roared frantically, and was taken down very unwillingly.

"I'm sorry, I made you laugh." Su Yongcun said to Wiliam with a calm expression.

Wiliam waved his hand, indicating that he didn't take it to heart.

But at this time, an old and kind voice sounded, "Little guy, tell me, how did you mobilize the spiritual power of the seal in Su Lanbo's hand just now? You are not ordinary."
