Chapter 1756 Show off

There was an unbelievable cry at the scene!

Everyone's eyes widened, and they watched in horror at the blue and green energy in the sky!

Some people even couldn't help but start counting!

"One! Two! Three..."

"There are twelve paths!"

"Also, this is just the beginning! This kid, as soon as he made a move, shocked everyone! Those auras that were very disobedient before, under his drive, are so quiet! I've seen a ghost!"

Twelve green qi, driven by Su Lanbo, were really obedient.

However, it is not the kind of obedient who immediately rushes to the seals of the four directions!

Instead, various shapes are constantly changing in the sky!

Although everyone understands it completely!

This is Su Lanbo deliberately showing off!

He is showing off his complete control over the green energy!

You know, before, everyone used the aura of the Great Desolation to extradite these green auras.

But it can only start a protracted tug of war!

But Su Lanbo waved his hand casually, and he was able to control the green energy as he wanted.

This is in stark contrast to what everyone has done before!

The most talented person in the history of the younger generation of Hanzhouzhe is indeed worthy of the name!

Even Su Changsheng once again showed a full smile.

Obviously, he was satisfied.

Ten years ago, Su Lanbo also participated in the Color Embroidery Erlang Festival.

But at that time, Su Lanbo tried his best, but he could only extradite ten green energy.

At that time, he was enough to amaze everyone, but it was a pity that he lost in the end.

Ten years later, Su Lanbo's progress can be seen with the naked eye!

Twelve at the beginning, what's next!

Twenty? Thirty?

Even breaking a hundred!

It's entirely possible!

Su Changsheng couldn't help laughing loudly, shouting: "Good! Good! Good! Su Lanbo, great!"

The words were full of admiration for Su Lanbo.

Su Lanbo also smiled and was very satisfied with his hand.

He still had enough energy to look at the expressions of everyone at the scene.

Seeing everyone marvel, admire and even grit their teeth, it made him feel a heart-warming feeling.

This is the result that Su Lanbo wants!

However, when his eyes glanced at Wiliam, he saw that Wiliam was still indifferent, as if the matter had nothing to do with him, and he didn't care about his ability at all.

Hoho, just pretend.

I see how long can you pretend?

Su Lanbo thought in his heart, make a move!

The changing appearance of the blue-green aura in the sky suddenly fell obediently on the Sifang Seal in front of him.

One-tenth of the Sifang Seal was instantly filled.

Even these turquoise auras reflected a crystal clear light green on this square seal.

This hand has already overwhelmed the audience!

It is already the first place in this year's Caixiu Erlang Festival!

You can even imagine that Su Hongxiu at this moment is already in Su Lanbo's bag.

And tonight, is the wonderful time of Sulan Bo Jinbang's title and bridal candles.

## Dragon Husband 1756 Part 2

Some people are so angry that their teeth are crushed.

However, in the face of absolute talent and strength, what can you say?

I can only blame myself for being inferior to others.

After Su Lanbo extradited the twelve green-green auras, he lightly touched his forehead.

He was only sweating lightly, but he still had enough energy.

He doesn't plan to hide anymore.

Although it's already number one.

But this is far from enough.

What Su Lanbo wants to do is to use this colorful embroidery Erlang Festival to completely fall below everyone's glasses!

Elevate yourself to an unprecedented height!

So, Su Lanbo shouted again and danced his hands together!

Another dozen or twenty green auras floated up from the Jiangshan Prayer Seal.

This time, Su Lanbo didn't pretend to show himself again.

He quickly returned the green energy to its place.

At this time, some beads of sweat had appeared on his body, slightly dampening his clothes.

"A total of thirty!" Su Yongcun's face was helpless, but he could only announce the real-time progress according to the rules of the game.

He was so depressed.

Although I had long thought that Su Lanbo would win the first place.

But he never thought that Su Lanbo would be so diligent.

Originally, he thought that if Su Lanbo barely won, maybe he could find some excuses to prevaricate the marriage.

Never thought that Su Lanbo would not give anyone the slightest chance.

Seeing his father's face wrinkled with laughter, Su Yongcun knew that the marriage seemed to be a sure thing.

Daughter, daughter!

You are outside just outside!

What are you doing back at this juncture!

You are pushing yourself into a fire pit!

At this moment, for the first time in his life, Su Yongcun hoped that his daughter would never come back, that would be great.

Su Lanbo was obviously dissatisfied when he heard the thirty green energy.

He waved his hands again and shouted: "Come again!"

This time, only ten green energy appeared.

Compared with the previous grand occasion, it is slightly lower.

This proves that Su Lanbo has passed his peak.

But so what?

Forty, already the strongest in the past fifty years!

Everyone at the scene is going to be numb!

Is this Su Lanbo still human?

Can still be extradited!

It won't break 100, will it?

Thinking about this possible fact, the people at the scene felt their throats dry and didn't know what to say.

Su Lanbo's hands were shaking slightly.

Apparently he was aware of the state of his body.

He no longer hesitated, and while he still had a little strength, he frantically extradited the green energy.

“Forty! Fifty! Sixty!”

The more people at the scene count, the louder the voice.

Because the scene is getting more and more shocking!

Until Su Lanbo was trembling so much that he could barely stand, ninety green auras had been extradited into the Sifang seal in front of him.

And the last ten, have floated out of the country’s prayer seal.

“Break 100! Break 100! Break 100!”

The people at the scene also completely obscured Su Lanbo’s disgusting character for a while, and they are constantly cheering for the glory of the ethnic group.

It’s a pity that the last ten turquoise auras are no longer the same as before, and they can be manipulated by Su Lanbo.

They were struggling frantically in the sky.

In the end, Su Lanbo’s legs softened, his energy was released, and he sat on the ground with his buttocks.

The ten green qi also quickly returned to the prayer seal of Jiangshan.

“what!”

There was a sound of regret from the people at the scene.

such a pity!

Not a hundred!

The miracle that everyone expected, did not appear!

However, Ninety Dao is already the strongest in nearly a hundred years!

Su Lanbo, became famous in one battle!

Su Lanbo was lying on the ground, his body still shaking.

However, the arrogant voice spread all over the place.

**"I'll ask! Who else! Still! Yes! Who!"**
