

Dragon Husband 1763

Chapter 1763 is bound to win

The people at the scene fell silent all of a sudden.

All the voices seemed to be suffocated by a giant hand.

Everyone's eyes fell on Bai Fengxue, and there was a kind of dizziness in their eyes.

Is this sissy?

Bai Fengxue wiped her face casually just now, and there was a slight ripple on her face, revealing her original appearance.

And she also put down her hair, the long black hair like a waterfall, like snakes, slammed into everyone's eyes.

Everyone couldn't help but swallow a mouthful of saliva.

Because in their eyes, they saw a dazzling sun that made people unable to open their eyes!

Bai Fengxue reveals her true face!

Advertisement

Her face is much stronger than Su Hongxiu!

Although he was still wearing a slightly ill-fitting sackcloth.

But that beautiful face, that alluring temperament.

Make the people present unable to extricate themselves!

These people, but they are all year round in the cold boat people.

Have you ever seen any beauty?

It was Su Hongxiu that made them feel like they were lingering in their dreams.

Not to mention Bai Fengxue, which is a bit more beautiful than Su Hongxiu.

This look is not the appearance of a fairy.

Fairies like men, isn't it normal?

Is there something wrong?

Justified!

It's a man's blessing!

At this moment, everyone felt that Bai Fengxue's beauty was impeccable, and Bai Fengxue's words were just as impeccable.

Everyone even looked at Wiliam secretly, with strong jealousy in their eyes.

Because I heard just now that this peerless beauty kissed Wiliam.

Damn it!

How can there be such a blessing to be favored by fairies.

And the sissy in front of her suddenly turned into a peerless beauty, and this impact on Su Lanbo was definitely the biggest in the audience.

Su Lanbo looked at the woman in front of him and was stunned.

Completely speechless.

He pointed at Bai Fengxue, his face extremely complicated.

Obviously, he, who looks like his life, is also completely immersed in the beauty of the wind and snow.

Under this shock, of course he was speechless.

Moreover, Bai Fengxue's gender change completely disrupted his rhythm and deployment.

"Oh, it's really beautiful, my sister likes it so much, and wants to kiss it." Su Hongxiu was deliberately disgusting everyone, and said to Bai Fengxue teasingly.

Bai Fengxue was calm at this time and looked at everyone at the scene, "I kiss Wiliam, is there a problem?"

Everyone was still speechless.

"This, this, this..." Su Lanbo said three words in a row, but couldn't say anything.

Instead, Su Yongcun laughed.

He has seen it all.

I also know why my daughter does this.

It turns out that his daughter is not that stupid, and has no intention of jumping into the fire pit.

This woman should be Wiliam's wife.

It's no wonder that Wiliam would only take a scoop of weak water for this woman.

At this time, Su Lanbo seemed to remember something, and suddenly said loudly: "This is not right! This is not right! Don't be deceived by them! Think about it, since this person is a woman, how could she become Su Hongxiu's husband? Son-in-law! She is lying to us! They are still acting!"

All the people in the audience suddenly realized, and one by one made a sound of oh.

Obviously, Su Lanbo's statement is very powerful.

But what's the use.

In the face of absolute beauty, what's the point of being right or wrong?

Isn't there an ancient saying?

Beauty is justice!

Everyone showed an expression that they were willing to be deceived by these two women.

Su Lanbo looked furious.

Those dogs!

Can't you move when you see a woman?

Su Lanbo still maintains his final sobriety!

Because no matter what, he had to get one of these two women, so he didn't waste his painstaking efforts to do such a thing.

"Patriarch! You have to say something! You are still needed to preside over justice at the scene!" Su Lanbo turned around and looked at Su Changsheng, who had been dozing all the time.

In Su Lanbo's view, Su Yongcun has completely stood on the opposite side of him.

There is no justice at all.

The only one who could speak for him was the patriarch Su Changsheng.

Su Changsheng finally narrowed his eyes, oh ho.

He looked around the audience slowly, and just said softly, "Well, what Lan Bo said also makes sense."

This sentence is like giving Su Lanbo an imperial decree, and Su Lanbo's spirit suddenly rises.

He jumped out and continued to say aloud: "Everyone heard nothing! Su Hongxiu chose a woman, which is not in line with our rules at all, so this match doesn't count!"

The people at the scene heard the words of the patriarch, and gradually some people began to support Su Lanbo.

"Yes, it doesn't count!"

"Then what? Oh, re-choose! Quickly re-choose!"

"Choose me! Choose me!"

Su Lanbo was about to be pissed off by this group of people!

are you crazy!

One forehead is to choose me choose me!

Do you look in the mirror without urinating a few pounds and a few taels?

The protagonist of the scene is clearly me!

Bai Fengxue winked at Su Hongxiu playfully, and whispered, "It seems that I can't help you much."

However, Su Hongxiu showed a meaningful smile and shook her head, indicating that it had nothing to do with it.

I don't choose you, just choose your livestock.

For Su Hongxiu, it was as natural as changing his left hand to his right.

William is always a normal man, he always conforms to your rules.

However, Su Lanbo obviously also thought of this.

He learned the lesson just now, and he no longer expects Su Hongxiu to choose him through normal rules.

Therefore, you must take the initiative in your own hands!

And how to take the initiative in your own hands, there is only one way!

That is to completely abolish Su Hongxiu's previous results, so that he is the logical first place.

Both fame and fortune can be earned!

Glory and beauty can also be obtained!

So Su Lan said loudly: "Patriarch! Just now, Su Hongxiu deceived everyone and tried to replace a man with another woman, which is already breaking the rules, so her achievements cannot be counted! This is the price and punishment for her deceiving the entire clan!"

As soon as these words came out, the audience was in an uproar!

And Su Yongcun was the first to object, "This is impossible! Su Hongxiu's achievements are here, and he is the most talented person in our family for a hundred years. How can we not count it!"

However, Su Changsheng said again: "The grades don't count? It seems to be the case. It is a big sin to deceive the whole family."

As the patriarch set the tone like this, Su Lanbo's face showed a smug smile again.

done!

Su Hongxiu's grades are not counted, and she can only be reduced to the life of a matchmaker again!

However, at this moment, Su Lanbo has a greater appetite.

Since there is a more beautiful woman than Su Hongxiu, he naturally has a better choice.

So, Su Lanbo said loudly: "Patriarch, Su Hongxiu was number one just now, you can choose the opposite s*x as your best friend, and I also want to apply for this kind of treatment."

As he said that, he looked at Bai Fengxue with successful eyes, his eyes filled with a certain pride.
