

Dragon Husband 1798

Chapter 1798 Death Game

For a time, everyone looked at the lightning cages in all directions!

Seeing this, everyone exclaimed!

I saw the thin line of lightning that was rock solid before, shrinking at a speed visible to the naked eye!

At this speed, within half an hour, the lightning thin line will shrink completely!

At that time, the fate that everyone faces will be!

Torn apart by lightning!

Thinking of this ending, everyone felt a sense of powerlessness in their hearts!

This kind of torment of waiting for death is really uncomfortable!

As Ninth Sect, how have you ever suffered such humiliation!

However, after the frenzied bombing just now, everyone knew one thing!

The monster in front of them is not something that one of their sects can defeat!

The reason why everyone has not been killed now is just because the other party suddenly has a mind and wants to play this game of death!

How to do!

Everyone's mood fell to the bottom, and the momentum also vented all of a sudden.

Su Hongxiu looked at Du Zhaixing and shouted, "Sect Master Du, what can you do?"

Du Zhaixing's face was flat, but he shook his head, "The strength of the other party is really terrifying. You can't beat the red and thin high-rise buildings, and we can't beat Han Xing Wangqing. I can even say that we are both besieged together. Can't beat this monster."

"Can't we just wait to die?" Su Hongxiu was always unwilling.

Du Zhaixing sighed and said, "We have and only one way."

"What can I do? Tell me now." Su Hongxiu became anxious.

This sect has a cold personality and does not speak in a hurry.

It's all about disaster, can't you just say it in one breath?

Anxious to death!

Du Zhaixing looked behind and said, "Only that person wakes up, maybe we still have a chance."

Du Zhaixing looked at Wiliam, who was unconscious.

Su Hongxiu also looked at Wiliam, feeling only bitter in her heart.

She naturally agreed with Du Zhaixing's words.

If Wiliam was still awake, he would definitely be the backbone of the scene.

Even Wiliam can't beat him, but this guy is resourceful and might be able to figure out a way to escape.

But the key now is that Wiliam is in a coma!

Du Zhaixing's words seem to be said but not at all.

"Those who are skilled in medicine, go see Wiliam. Others, follow me to block the danger that may occur at any time, and buy time!" In the end, Su Hongxiu could only say that.

She has no idea.

She knew how badly Wiliam was injured just now.

Now it is estimated that he is only hanging in one breath, and it is a miracle to wake up.

But as long as Wiliam doesn't die, it will still be a lifeline for everyone present!

"On the other side, what do you want? Say it, maybe we can give it to you." Du Zhaixing turned around and asked Xiang Yeqiongqi.

On the one hand, she naturally wants to delay time and reduce unnecessary casualties.

On the other hand, she really needs to know some details and needs of the other party, so that she can think of the next way to deal with it.

"Hoho, what do I need? What do I need from you? I'll take it myself." Ye Qiongqi saw through Du Zhaixing's thoughts at a glance, and said with a smile.

He was in no hurry.

After laying down this lightning cage, people inside can't get out, and people outside can't get in either.

This world belongs to him.

There is time to slowly torture this group of people.

interesting.

It's been a long time since there's been such a large-scale battle.

It has been a long time since I saw the grand occasion that people's hearts are slowly saddened in anticipation.

ho ho ho...

"Is it delaying time? Then it depends on your ability." Ye Qiongqi said, and the lightning appeared in the sky again.

On the top of their heads, another thunder light appeared, and it could fall at any time.

And this thunder light, everyone knows in their hearts, is not something they can resist at all.

The only way to go to death is to use a human wall as before!

In the blink of an eye, more than a dozen thunder lights came down!

A wailing sounded suddenly.

The people at the scene were anxious, but there was nothing they could do.

And Leiguang continued to fall at a ten-second rhythm.

In less than a minute, dozens of people were struck by lightning and lay on the ground charred black, with only one breath left.

Such a picture finally completely defeated the psychological defense of this group of girls.

Not afraid of death, but afraid of waiting to die.

Waiting for death in such a helpless way is the most tormenting.

A cry rang out.

Not like a boy after all.

With this cry taking the lead, a large amount of crying suddenly spread on the scene.

They are crying about their sisters, and they are also crying about their impending fate.

No one knows if the next lightning strike will strike him.

No one knows whether the sisters who were side by side with them one second will fall down the next second.

Sadness, fear, fear, all the negative emotions, like being ignited, exploded instantly.

Seeing this scene, Ye Qiangqi laughed even louder, "Hahaha, this is the human heart, what a beautiful cry, cry, cry, louder."

Lightning falling from the sky, more!

It seemed that Ye Qiongqi wanted to deliberately create such a grief-stricken catastrophe.

To him, the sound of crying was like a flutter of fairy music.

Han Xing Wangqing's people desperately resisted, but in the end they were powerless.

After a while, there were more than 200 people, and only a few dozen people remained.

Everyone looked at the brothers and sisters who fell to the ground, unable to even cry.

Death is finally coming.

No one is immune to...

"Wiliam, wake up! If you don't wake up, everyone will die!" Wang Qingmian cried loudly, shaking Wiliam's body like crazy.

In Wang Qingmian's heart, Wiliam is synonymous with miracles!

She has seen too many miracles belonging to Wiliam.

She doesn't know how powerful the enemy in front of her is, but only knows that no matter how powerful the opponent is, Wiliam will always have a way!

Wiliam didn't wake up, the two sects were destroyed together!

She was crying, and her voice suddenly stopped!

The whole person fell directly to the ground!

A thunder, as if deliberately, directly hit Wang Qingmian.

Qin Jiangyue's eyes were red when she saw this scene.

She looked crazy, and continued to cry to Wiliam: "Wiliam, wake up! Wake up! We need you!"

"Boom!" Qin Jiangyue also fell down.

This time, everyone can see clearly.

Whoever dares to call Wiliam, thunder and lightning will come!

As if the name Wiliam was a nightmare at the scene!

This monster is disgusting everyone in this way!

Obviously only Wiliam is everyone's last hope, but he can't be called!

Whoever dares to beg Wiliam will have to accept the baptism of thunder and lightning!

Seeing the people around him named Wiliam fall one by one, Su Hongxiu's tears fell directly.

She no longer ignored the thunder and lightning in the sky, turned and knelt in front of Wiliam.

He shouted loudly: "Wiliam! It's not a pity for Hongshou Tall Building and Han Xing Wangqing to die today! But do you have the heart to let her die too!"

Su Hongxiu said, pointing to Bai Fengxue beside Wiliam.

"Have you all been eaten by dogs that you promised for one life, one pair of people?"

"It's not clear to die like this, are you willing!"
