

Dragon Husband 1812

Chapter 1812 Unintentional cry of blood

The flames on Li Chunfeng suddenly swept the entire Eight Desolate Thunder Territory!

At the same time, from within the Thunder Territory, there was an incomparably clear chirping sound!

“boom!”

The Eight Desolate Thunder Territory shattered in an instant!

The lightning inside, like fireworks, rushed into the sky and exploded instantly.

And Ye Qiongqi wanted to escape almost instantly.

But it's too late.

A mass of raging flames, like gangrene attached to the bones, entangled Ye Qiongqi.

The clear chirping sound is endless.

It was as if the whole world was filled with the sound of cuckoos crying blood.

Under the shroud of this sound, Ye Qiongqi wanted to cover his ears for the first time.

However, finding this is also a futile effort.

This strange sound seems to be pervasive.

Even if Ye Qiongqi covered his ears, the sound would still seep in.

Hearing this voice, even Ye Qiongqi felt frightened in an instant.

Terrible, tragic!

This kind of sound can instantly make people feel a sense of decadence and powerlessness!

Hearing this voice, Ye Qiongqi couldn't help but feel the urge to collapse.

Weird!

At this time, Li Chunfeng had completely rushed out of the captivity of the Eight Desolate Thunder Territory.

But the people at the scene couldn't help but exclaimed when they saw Li Chunfeng!

There is still the shadow of Li Chunfeng at the scene!

What appeared in front of them was a huge cuckoo with flames all over its body!

This cuckoo has its wings spread out and is tens of meters long!

Standing under the cuckoo, I actually felt a sense of vastness that covered the sky.

Li Chunfeng turned into a cuckoo?

Rao is a person who is oblivious to Han Xing, and has never seen such a scene, so they all exclaimed.

Rhododendron has a heart.

But don't forget, Wang Di has no intentions.

A heart of his spring has long been mashed and drained.

The current Li Chunfeng is Emperor Wang, the cuckoo crying endlessly in front of him.

Every time the cuckoo's mouth opened, a fistful of blood would splatter out, which looked extremely terrifying.

And the screaming blood instantly turned into ripples and attacked Ye Qiongqi.

Sonic attack!

It was also Li Chunfeng who deliberately kept the sound waves of blood-screaming, and no other people on the scene were affected.

Otherwise, they would find out how terrible it would be for Li Chunfeng to cry blood into sound waves.

As strong as Ye Qiongqi, under the sneak attack of Li Chunfeng, he also said directly, and it was difficult to break free from Li Chunfeng's sound waves for a while.

"Ah!" Ye Qiongqi covered his ears with an angry look on his face.

He also roared loudly, trying to fight against the sound waves from Li Chunfeng.

But after roaring for a while, I found that it was in vain!

The sound waves emitted by this little girl are so strange!

If it was a normal sonic attack, it would definitely not be so powerful.

Without such a strong psychological and soul shock!

Ye Qiongqi suddenly confirmed one thing!

There is only one possibility for this kind of sound wave!

That is the exclusive heart of this little girl!

Only the power of the heart can give such a strange power to this sound wave.

This little girl is so thoughtful!

Ye Qiongqi really guessed right.

This sound wave is Li Chunfeng's heart.

It's called heartless crying!

Li Chunfeng thoroughly inherited the bloodline of Emperor Wang, and achieved the emperor through the ages.

Her usual strength can be maintained in the Nirvana realm.

And if she encounters a desperate situation, she will be able to achieve the state of mind by transforming herself into the emperor.

Of course, this does not mean that Wangdi's strength is only about building a state of mind.

But Li Chunfeng just inherited Wangdi's bloodline not long ago, and his foundation is unstable.

If Li Chunfeng was given a few years, her growth rate would be absolutely terrifying.

Even this speed can instantly kill Wiliam under normal cultivation.

It's a pity that God does not wish for it.

The current Li Chunfeng can be regarded as a forced incarnation, and this state will not last long.

So she can only use all her strength, hoping to use the strongest state to restrain this monster in the fastest time.

Fortunately, the immediate effect is good.

In the face of the sudden unintentional cry of blood, Ye Qiongqi couldn't think of a way to solve it for a while.

The heart domain should be said to be the most terrifying and magical power in the fairyland.

Everyone will open up a kind of heart power that is exclusive to them according to their own body or soul characteristics.

For a lifetime, for a lifetime.

This kind of heart power is completely different from other powers.

The powerful heart domain power can even restrain the enemy across several realms.

There is no doubt that this kind of heart of Li Chunfeng is also a strong type.

And it is a very rare sound killing power.

Heartless cry of blood will not cause substantial damage to a person's surface.

But it will cause a very large weakening and destructive effect on a person's soul, especially the mind.

This kind of heart can weaken a person's fighting spirit at an extremely fast speed.

In the end, it achieves the effect of defeating the enemy without fighting.

Now Ye Qiongqi is obviously also caught in this kind of sadness and despair.

I believe that in about five minutes, Ye Qiongqi's fighting spirit will be completely disintegrated.

At that time, Li Chunfeng will be able to easily defeat him.

hold onto!

Li Chunfeng, who turned into a cuckoo, was constantly hinting at himself while crying frantically.

persist in.

She is racing against time.

Look at this monster and yourself, who can't stand it first.

The spring breeze is crying blood, and it is also destroying his own body.

Every second that this state maintains is a trauma to her body.

In the end, the cuckoo was more than crying blood.

The huge cuckoo body also began to drip blood.

The blood was mixed with the flames, as if there was a rain of fire on the scene.

Du Zhaixing didn't know that Li Chunfeng was forcibly urging energy, hurting the enemy by 800 and losing 1000 on himself!

Li Chunfeng, is it really worth it?

Are you worth it?

With your obsession, you forcibly inherit the bloodline of Emperor Wang.

Inexplicably, you proposed to come here for some kind of team building.

Everything is there for a reason!

Du Zhexing looked at William, whose eyes became extremely complicated.

She knew that that man was the answer to all Li Chunfeng's actions.

It is also the reason why Li Chunfeng exchanged his life for his life.

Just, is it really worth it?

Time passed minute by minute.

The cuckoo, incarnated by Li Chunfeng, cried more and more blood, but the flapping of his wings became weaker and weaker.

By the end, the blood that fell from her body had completely dyed the ground beneath her red.

Everyone can clearly feel that Li Chunfeng's vitality is gradually passing away.

It is her will that is struggling to support her now.

That monster suddenly let out a thunderous roar!

The voice was not as violent as before.

However, with a terrifying determination!

"what!"

Everyone saw a terrifying scene!

That monster was actually two fingers deep inside the left and right hands at the same time!

He poked his ear fiercely!
