At this moment, Wiliam's heart hates!

The fighting spirit is burning!

There is nothing that is more pathetic than the fall of one's relatives in front of one's eyes!

How can this tragedy continue!

On Wiliam's body were the Tianqing Qilin and the soldier Chiyou.

According to the past, if he borrows strength, the first choice is naturally the senior Tianqing Qilin.

After all, this is his bloodline.

But today, Wiliam didn't borrow the power of Tianqing Qilin.

As a result, Tianqing Qilin had borrowed power from Wiliam once before and had not fully recovered.

Secondly, Tianqing Qilin is too kind.

And at this moment, Wiliam's heart is full of killing intent!

A blood-to-blood killing is not enough to pacify the evil thoughts in your heart!

So, Wiliam dared!

Leverage to the Soldier!

As for the price, he had already made up his mind!

The soldier in the body heard Wiliam's voice.

Naturally, he also felt the anger and killing intent in Wiliam's heart.

"Erke think about it?" Chi You's majestic voice sounded in Wiliam's head.

"With my strength, you are not this enemy! Of course, I am the master of the army!"

"An invincible and invincible soldier! With my strength, you can't escape unless you win, and you can't die unless you die!"

"My strength, my ambition, will last forever!"

Wiliam naturally understood what Chi You meant.

A generation of soldiers can only move forward, not backward.

With his strength, even if he can't defeat the opponent in front of him, he is destined to not choose to escape this cowardly path.

Only fight! war! war!

Fight to win, or fight to the death!

"Good! This is what I think at the moment!" Wiliam agreed immediately.

The moment he agreed, he felt like his whole body was on fire.

Chi You's fighting spirit was instantly injected into Wiliam's body!

In line with the will to enter Nirvana, Wiliam's fighting spirit is soaring!

He didn't realize that his body had changed, but he felt that his power was constantly rising.

When the people at the scene saw Wiliam's current appearance, their eyes widened, obviously frightened!

At this moment, Wiliam has changed from the cold or insipid before.

His face is full of blue veins!

On both sides of the head, a pair of black sharp horns grew!

The sharp corners got bigger and bigger, and finally reached a meter in length!

Sharp and majestic!

Everyone has no idea why Wiliam turned into such a ghost.

Even those closest to Wiliam have never seen Wiliam in this state.

A murderous intent swept the audience in an instant!

Everyone couldn't help but take a few steps back, and they broke out in a cold sweat because of the killing intent.

Such a strong murderous aura!

Is Wiliam a demon?

To save them, to save Li Chunfeng, become a demon?

"As expected! Hahaha! The remnant of the ancient soldier! Sure enough, it's on you!" Ye Qiongqi was stunned when he saw Wiliam's appearance.

It was not until he felt this strong killing intent that he could not dissolve, Ye Qiongqi reacted.

"Hahaha, the prayer seal of Jiangshan, and the broken silver needle just now, and now you have the bloodline of the ancestor of the ancient unicorn, and the remnant soul of the soldier, I guess it is not wrong, you really have four kinds of ancient things on your body!" Ye Qiongqi was still laughing wildly.

It was as if William had turned into a bunch of jealous treasures in his eyes.

"Kill!" With a face on William's face, he couldn't see his handsome appearance at all, and even his voice became hoarse.

He kicks!

Like a shell that leaves the chamber, it disappears in place in an instant!

next moment!

He had appeared in front of Ye Qiongqi, and he threw a punch!

Ye Qiongqi stretched out his hand and punched William!

moment!

A wave of energy swayed from the center of the two!

"puff!"

At this moment, everyone who was nearly a hundred meters away from them spurted out a mouthful of blood!

Was swept by the energy ripples!

"Go back!" Su Hongxiu glared at him and immediately shouted.

William's appearance obviously paid a great price, but he didn't know if he was still sane.

Strong man!

One punch, just the energy ripple on the edge, hurt everyone from a hundred meters away!

horrible!

If this is in the center, I am afraid that it will be directly smashed into slag!

And this punch shattered all the clothes on Wiliam's upper body, revealing a body of vigorous and powerful muscles!

However, the muscles of this body are densely covered with strange runes!

Kind of like a tattoo.

"Roar!" Wiliam screamed in the sky, and his fists were like lightning, madly blasting towards Ye Qiongqi!

The blood hole on his back, because of the force, instantly bleeds again!

Ye Qiongqi shouted loudly and attacked Wiliam!

Immediately, the surroundings were devastated!

For a time, the earth shook!

Even the Cang Python Sky Scraping was like a bomb being thrown into it, and the water columns rose into the sky one after another!

The place is terrifying!

What's even more terrifying is that Wiliam's eyes were completely red!

His eyes were red, and the whites of his eyes had disappeared!

The strange runes on his body, baptized with blood, seemed to be alive, spreading and circulating on Wiliam's body.

It kept flashing black light.

"Get out of here!" Ye Qiongqi suddenly roared, and a thick bucket of lightning appeared on his body, slamming towards Wiliam.

This lightning strike directly hit Wiliam's body.

William was repelled by the lightning, but the continuous flashes of black light on his body gradually offset the damage caused by the lightning.

It's just this one hand, everyone obviously sees it.

The current William is so strong!

Step into Nirvana!

There is also this bizarre appearance that looks like an orc warrior.

But it's not even the opponent of this monster!

This monster is seriously injured.

The more powerful William showed, the sadder everyone felt.

This monster is definitely not from their world.

After William's body was forced back, he almost didn't have a chance to breathe, so he rushed up again.

Soldier Lord!

The born king of the battlefield!

You can only go in, not go back!

Win or die!

William launched a new round of bombardment!

It seems that he only has this kind of attack method!

brutal!

rough!

But this is the way of fighting that belongs to the soldier!

By force!

A thousand will be down!

For the weak!

For the strong!

Compared with the powerhouse who is ten million times stronger than himself, it is still the same!

Ye Qiongqi was also completely annoyed, and his thunderbolt was displayed again!

William didn't dodge or dodge, this time he used his own body to hold Ye Qiongqi's thunder and lightning!

And Ye Qiongqi did it all!

In the midst of a brief void of strength and sanity!

This is the time!

William's mouth opened, his eyes were like a sea of blood!

"town!"

Whether Ye Qiongqi has ears or not!

No matter Ye Qiongqi can't hear it!

Can't help him!

this town!

William stepped into the Nirvana realm, and because of the relationship between the soldier's soul and the soul, he opened up his exclusive-

The soul of the soul!
