"What is it! What is it!" Ye Qiongqi couldn't hold back his breath.

His body flew up, overlooking the entire Cang Python moat, and roared sharply.

What, what else could it be?

Cang Python Moat, instantly alive!

Everyone was shocked!

This scene is deeply engraved in everyone's heart!

I saw that moat, slowly wriggling.

Finally, it was slowly vacated!

The water of the Cang Python Squash, like a waterfall, poured down.

And below, is the bottomless dark abyss!

A peach tree blooms.

On the unconscious Bai Fengxue, a small and tender peach tree slowly grew.

The peach tree grew at a speed visible to the naked eye, and soon, a peach bud grew.

Just such a small peach blossom, but the whole world is filled with a faint and elegant fragrance.

And the fragrance of flowers stimulated Cang Python even more.

The Cang Python Moat, the speed of squirming has also become faster.

This scene, this moment!

The entire Cangsheng Territory, and even the entire Cang Python Continent, were horrified!

Everyone in the heaven and earth raised their heads one after another and looked at the endless moat in the sky!

The moat hangs in the air!

This is something that has never happened in thousands of years!

There was a panic in everyone's heart.

This scene is too like the end of the world!

And some great people are also shrouded in anxiety at this moment!

In the far sky, a five-clawed golden dragon is constantly flying through the clouds at a terrifying speed!

This person is naturally William's eldest brother Liu Lang.

From the time of William's hatred in his heart, the moment he stepped into the Wonderland, his fighting spirit rushed into the sky, and Liu Lang had already sensed William's breath.

He knew in his heart that something big happened on William's side!

The fighting intent that soared into the sky was full of endless anger and resentment!

I have never seen William like this!

So Liu Lang put down what he was doing at the first time, did his best, and rushed to the place where the fighting spirit was soaring into the sky.

However, Liu Lang was too far away from William.

And now, the Cang Python is screaming!

The moat hangs in the air!

All these signs indicate that the situation on William's side is very bad!

Therefore, Liu Lang almost did what he could in his life, not hesitate to incarnate as a golden dragon, and hurried to William's direction!

William!

hold onto!

Be sure to hold on!

I am coming!

And in the other direction!

A crimson light is also flying like lightning!

During the flight, you could faintly hear the roaring of the phoenix.

Feng Mingsheng also revealed the restlessness of the master!

"It's messed up! The world is really messed up! The three disasters of humanity, the three disasters of humanity!" An old man could only mutter to himself while watching the visions.

There was a hint of bitterness in his expression.

This person is the old man Qingfeng who left before.

The old man Qingfeng was going to welcome Lin Jiang out of the customs.

He knew what Lin Jiang's retreat and exit meant this time.

But the man was still halfway there, but he was horrified to see a terrifying aura piercing the sky.

Then, another breath seemed to be drawn, and burst out of the air!

This breath belongs to Lin Jiang!

Lin Jiang actually left the customs ahead of schedule!

At that time, the old man Qingfeng had a very ominous premonition in his heart.

There is something bigger than Lin Jiang's retreat this time.

As soon as Lin Jiang exited the customs, he transformed into a phoenix and flew directly into the sky!

Until the moat was in the air, the unease in the heart of the old man Qingfeng magnified to the extreme in an instant.

He seemed to understand something, and his face was full of bitterness.

Is the prophecy coming true?

Three plagues...

In the other direction, there was suddenly a powerful roar.

People around, saw a terrifying dragon turtle suddenly appear!

This gigantic dragon turtle is dozens of meters long.

It seems bulky and slow, but it quickly jumps into the sky!

This made the people at the scene feel that they had just seen an illusion!

Is there such a big turtle in the world?

This big tortoise has a very large jade plate on its back.

On the jade plate, some inexplicable patterns are also engraved.

"Roar!"

The big tortoise roared, and although its strength was not that strong, it still galloped away in one direction without hesitation.

As if being summoned in some way.

And in a Tianmen, a middle-aged man with a sturdy figure and a face like a knife, looked at the sky, showing an extremely angry look!

"Who dares!"

He let out a long whistle, and his body disappeared in place!

The whole world is in chaos because of this scene.

Ye Qiongqi was completely at a loss.

He groaned badly in his heart.

Although I don't know who my opponent is, my anxiety is getting stronger and stronger!

He even gave up William, and at this moment, chose to escape!

escape!

Wish I could escape!

The vision of heaven and earth is still changing.

Slowly, a strange murmur filled the world.

Like a child who just woke up, and like a beautiful woman with a coquettish smile.

what sound is this...

Gradually, these voices became clearer.

It was as if the voices of heaven and earth gradually converged into one place.

A sound that resounded through the heavens and the earth was formed.

"Your promise has been fulfilled."

"I would like to do one thing for you."

Everyone was sluggish for a few seconds when they heard this voice.

What promise?

What the hell are you talking about?

The peach blossoms on Bai Fengxue's body have fully bloomed.

Peach blossoms grow on her body, she is like peach blossoms, and peach blossoms are like people.

It's a pity that Bai Fengxue did not wake up from beginning to end.

At this moment, Wiliam's heart was filled with hatred.

What a promise!

Bloody promise!

Cannibal Promise!

kill!

kill!

kill!

As if feeling the killing intent in Wiliam's heart, the voice in the world rang again.

"as you wish....."

The voice fell!

In the sky, the dangling Cang Python moved!

Like a dragon, it twisted up and threw it out!

For a while!

The river is pouring!

Upheaval!

And all this, there is only one purpose!

Cang Python Tianmo's body slammed into Ye Qiongqi fiercely!

escape?

Funny.

This world, could it be the land of moat!

Where to escape!

Like a scorching sun, it slammed into a speck of dust.

Cang Python Tianmo was almost still close to Ye Qiongqi's body, Ye Qiongqi's eyes suddenly turned white, and he fell straight down.

A generation of heroes, a character who is enough to call the wind and call the rain on this side.

Under the deterrence of an ancient divine creature like the Frost Cang Python, he was frightened to death.

The river is still pouring!

The world is still in turmoil!

No one knows that this scene is really the end!

The Cang Python Moat is really too big, and if you move it a little, the world will be damaged.

Not to mention an angry blow.

life!

Charcoal!
