

Dragon Husband Chapter Chapter 1876

Chapter 1876 Blackmailing the King of Hell

I forgot about the four goods in Immortal Prison!

I was so excited just now that I forgot about such an important thing!

They completely forgot what a terrifying existence this young man was in front of him!

Ever since William started killing the Quartet at the Immortal Medicine Seeking Truth Conference, people who read Immortal Prison subconsciously regarded William as a healer.

And what kind of thing is a doctor, isn't it a little weak chicken?

But William is different.

Before he showed the fierceness of a healer, he was still a martial artist!

At the beginning, the legend that he leveled one sect with one foot is still circulating among the nine sects!

In fact, compared to the Immortal Prison with a single thought, it is nothing.

If William had another kick, wouldn't it be easy to catch him!

Doudou-sized cold sweat came out along Xinglin Bodhisattva's forehead.

What did they do just now?

How dare you threaten such a living King of Hell!

Simply tired of living!

According to William's current state, it is really possible to destroy Yi Nian Immortal Prison in one anger!

It's true that William's performance in the medical way just now was too unforgettable...

This is so neat...

"Don't, don't... Lu Shen, think twice, we are wrong, we will kowtow to you and admit our mistake." Elder Li, worthy of being able to bend and stretch, kowtowed to William on the spot.

Xinglin Bodhisattva also slowly bent down and bowed to William.

At this moment, Xinglin Bodhisattva did not have the slightest pride in being the Big Dipper of Mount Tai.

In front of William, this pride is nothing.

“Oh? Now I know I made a mistake by kowtowing? Why were you so arrogant just now?” William looked at Young Master Miaoshou.

Young Master Miaoshou was extremely embarrassed at the moment, he was covered in blood, and he was unable to speak.

At this time, Xinglin Bodhisattva showed the experience of the old rivers and lakes.

Seeing that William was looking at Young Master Miaoshou, Xinglin Bodhisattva kicked Master Miaoshou away with one foot, and cursed, “It’s all your bastard! Dare to provoke anyone! God Lu is something you can provoke. ?! Get me out of the Immortal Prison!”

Young Master Miaoshou is simply beeping a dog in his heart!

Everything he did was under the acquiescence of Xinglin Bodhisattva.

Okay now, the situation is not right, cross the river and demolish the bridge?

He really wanted to fight back, but the little bit of reason he had left told him, don’t move!

If you move, you might actually die.

William didn’t kill him, but it was very likely that he would kill him in order to make William calm down!

dog!

“Shen Lu, we were all wrong in the past. Now we are fully enlightened, and we will never dare to do it again in the future. Please forgive us, okay?” Xinglin Bodhisattva kicked the Master Master, and shivered on the ground again.

On the other hand, Su Emei was so shocked that his jaw dropped.

what the hell.

These four people, a minute ago, their tails were about to be raised to the sky.

Now that William threatened with a word, he became worse than a dog.

Her heart is full of flavors!

Is this absolute suppression from strength?

It seems that William is very famous among the nine sects!

At the same time, she felt a lot of joy in her heart.

The problem that was a huge headache for the entire Yu Shizhi people was easily resolved in just a few words from William.

It seems that that kick made the entire nine sects tremble and leave a shadow.

“So, what are you going to do about this?” William asked again.

“As soon as we read the Immortal Prison, we swear to the heavens that we will never reveal the secrets of Yu Shizhi to the public! If we said it, you could have flattened us with one foot! And we will go out immediately and talk to the people outside. I apologize, what we did just now was indecent, we accept it completely! Work hard to correct it!” Xinglin Bodhisattva said very single.

William looked at the one-handed ghost, his eyes seemed to ask, are you satisfied with this result?

The one-handed ghost suddenly showed grateful eyes and nodded to Williamkuang.

“Go away, don’t let me see you again.” William said casually.

What I said just now is to threaten and threaten this group of bullies.

The impact of that step was too great, even William had to think twice.

“Thank you Lu Shen for not killing him, thank you! Let’s get out now!” Xinglin Bodhisattva kowtowed a few times, then got up and stumbled directly outside.

The two elders also supported each other and quickly left.

They were so frightened by William’s momentum that their legs were softened, and now they can’t recover.

Only the young master who was beaten inhumanly was extremely pitiful at the moment, and there was no one to help. He tried to stand up on the ground, but he couldn’t.

Su Emei became angry when she saw him, walked in front of him, and said viciously, “My mother will give you a ride!”

As she said that, she flew directly and kicked a certain part of Young Master Miaoshou.

Young Master Miaoshou let out a roar like a pig, and his body had already flown out of the room.

Seeing this kick, William got goosebumps all over his body, and felt a dull pain somewhere.

These girls are so cruel!

If you beat chickens and eggs with one foot, it is estimated that this life will be useless.

Don't mess with this woman.

At the same time, William whispered to Lin Jiang silently in his heart, second brother, take care of yourself, take care of yourself, look away, what does this woman want, you just follow...

"I sent someone out to supervise them, but I'm still worried about them." Su Emei said, and walked outside.

Then came back quickly.

She stood in front of William, her eyes full of girls' stars, "William, you are really good!"

William has a black line, it's really good, what a tiger's word.

can't stand it can't stand...

"William, this time you have helped us a lot, and we owe you more than one favor." The first-hand living ghost was also in a good mood at the moment, and said to William.

William waved his hand and said, "Small things, don't talk about it. What are you going to do next?"

The one-handed ghost pondered for a while, and said boldly: "Although I believe that the people who read the Immortal Prison have no longer dared to tell our secret, but I think, after all, this is our Yushizhiren's mistake. If you make a mistake, you must admit the punishment! I still plan to suggest to the sect, let us admit our mistakes to this world in person. If we don't take this step, then we will always be stabbed in the back, and there will be no peace!"

William looked at the living ghost and smiled, "You're all set."

But the evaluation of Yu Shizhi people in his heart has also improved a lot.

Yes, I have no intention of continuing to hide it.

You know, in order to tell one lie, the consequence is to tell a hundred other lies.

Only with a clear conscience can we stand tall!

At this time, an old and kind laughter suddenly sounded in the small room, "Hohohoho, not bad, not bad, he is a wonderful person!"
