

Dragon Husband Chapter Chapter 1886

Chapter 1886 Organic Trust

Faithful old dog, Wiliam almost burst out laughing when he heard this.

Since ancient times, there have been little milk dogs and little wolf dogs, and Wiliam has never heard of old licking dogs.

However, what this old licking dog described, how to say it, was a three-pointer.

Wiliam's eyes unconsciously lingered on Elder Dongfeng's body, only to see the old guy's smile so deep, so complicated, and a small expression contains thousands of human emotions.

Wiliam complimented Su Emei's ability to grasp the characteristics in his heart, and in three words, Elder Dongfeng's current coquettishness was written.

However, when Wiliam's attention returned to the first half of the sentence, the veins on his forehead jumped wildly again.

Lao Tzu fought to death inside, and risked his life to conquer the fire of his soul. You bunch of idlers are actually betting on when I will come out outside?

Are you imperialists human?

And this old licking dog, actually betting that he can come out in a minute?

This is so special, there is no such thing as blind trust in me, right?

What gave Elder Dongfeng a strong delusion to me?

Moreover, the crotch of the losing trousers is almost gone, obviously it must be very bitter in my heart.

He should have wanted to scold me for a while.

But still bragging about me with this gambler's losing mentality.

How confusing is this.

How profound is this thought to be praised.

Wiliam was unable to complain for a while.

And Elder Dongfeng was called an old dog by Su Emei, and there was a round of applause in approval.

This makes Elder Dongfeng feel that he has lost and lost.

His face flushed with blush, and he scolded Su Emei angrily: "What do you know, you little baby! Are you polite! How do you talk, no big or small, I am a dignified and powerful elder, how could it be you? This little brat can criticize himself!"

Su Emei resisted the urge to roll his eyes, and answered frantically in his heart, no no no no!

I'm not polite, I'm not big or small!

Doesn't your old baby have no integrity, or has integrity gone?

Have a face to tell me?

William was still more daring, and at this time, he looked at Elder Dongfeng, took the initiative to claim the mistake, and came to rescue Su Emei.

He said: "I'm sorry, Elder Dongfeng, I'm not as good as others, I only came out in ten minutes, and I caused you trouble, I'm really sorry."

When Elder Dongfeng heard this, he waved his hand and said with a smile: "Hahaha, where's the case, isn't this out of the way? Who are we going to be with? Besides, although I lost, I am really happy in my heart. Ahahahaha!"

He smiled and smiled, but found that his voice was a little dry, and quickly shut up and stopped laughing.

So embarrassing.

"Hoho, who won this time?" William saw that Elder Dongfeng felt like his heart was bleeding, as if his words were like a knife.

But as soon as these words came out, the happy and smiling atmosphere of the scene suddenly disappeared.

The happiness on everyone's faces quickly faded, and they all wore polite smiles that were more than saddened.

Hmm, awkward but polite.

William was suddenly stunned. In this picture, he felt that his words had turned into several knives, and he had stabbed them several times.

How is this going?

There will always be winners in the opening market, but you can't all be like Stud and then lose all of them.

Seeing this, Su Emei quickly stood up and said with a sad face: "William, stop provoking them. These people, before you came out, either didn't believe in your ability at all..."

Saying that, he glanced at the eight people...

The eight people were hit several times, and their hearts were cut like a knife.

"Or, it's just blind worship of you..."

Saying that, Su Emei glanced at the old licking dog.

The old licking dog also covered his heart, and there was a big question mark on the old man's head.

"Who worships blindly! I have organic trust." Elder Dongfeng forcibly argued.

Organic Trust...

The people at the scene all wanted to die, and they all jumped out to make excuses.

"So they all lost." Su Emei finally concluded.

William shrugged helplessly, and was convinced by their divine manipulation.

And Su Emei leaned into William's ear with a guilty conscience, and whispered to William, "The only winner, our Sect Master, is old and arrogant."

William followed Su Emei's words and happened to look at Xu Rushuang.

Four eyes facing each other.

Xu Rushuang's face was as usual, but her eyes were a little dodgy.

As if she won the game, but lost the dignity of the strong.

William wanted to ask a question here.

love me, are you afraid?

"Hey everyone, you seem to have forgotten something." Su Emei suddenly thought of something and couldn't help but reminded loudly.

“What’s the matter?” Everyone looked at Su Emei.

At this time, Su Emei pointed to William and said, “You seem to have forgotten that you are here to admire the miracle, and William is the first person in our history to pass the second pass of Cang Yan and Soul Breaking Pass. Acting so coldly?”

When Su Emei said this, several people at the scene supported their foreheads one after another!

Oh ho!

Damn old licking dog!

One pass brought and brought, causing everyone’s attention to be scattered to irrelevant areas such as shamelessness, handicap, loss of light and so on.

Forgot the original intention of coming here.

William!

The first person ever to pass a pun on the world!

This in itself is a shocking thing!

Still in ten minutes!

With Su Emei’s words, the atmosphere at the scene gradually became normal.

The eyes of the eight elders suddenly became hot.

For a time, there was actually a kind of dog licking...

Pooh!

There is actually a kind of easterly tendency.

“William, how did you do this time? Can you tell me a little bit and give me face.” Elder Dongfeng’s curiosity was overflowing, and he wrote it on every wrinkle.

Everyone’s eyes were equally hot.

When William looked at it, it seemed that if he didn’t say anything, he couldn’t feed these old men who were not ashamed.

So he could only embarrassedly say from the beginning: "As soon as I entered, Senior Human Idiot announced some rules for the second stage, and asked me to stay on the Cangyan Terrace for half an hour."

"Then, I added a sentence, telling me not to destroy Cang Yantai."

"Oh ho!" As soon as everyone heard this sentence, they suddenly shouted in unison.

"Hahaha, this last sentence is completely inconsistent with the arrogant character of the mortal idiot. This sentence is outside the rules and should be added temporarily."

"Little friend Wiliam, how much psychological shadow did you leave an idiot senior in the first level? It made me laugh to death. The idiot also has today."

And Elder Dongfeng suddenly sneered, completely assuming the role of Wiliam.

With his hands on his back, he couldn't help but look up at the sky, as if he was looking at a human idiot.

At this moment, Dongfeng is Wiliam, and Wiliam is Dongfeng.

With a tone of contempt for the human world, Elder Dongfeng said lightly, "Idiot in the human world, you lost."

"From the moment you say this, you lose."

"You're not in that state anymore."

Elder Dongfeng, the skill of the hindsight is advancing by leaps and bounds!
