

## Dragon Husband Chapter Chapter 1897

Chapter 1897 Coexistence

Seeing Wiliam and Xiao Wangqing changing there, Xu Rushuang felt depressed.

What are you doing!

Fortunately, Wiliam also knew that this was not the time to perform magic tricks. After Xiao Wangqing changed back to her body, Wiliam immediately stopped her from continuing to change.

“Xiao Wangqing, don’t change, let’s ask you a few questions.” Wiliam said to Xiao Wangqing.

Xiao Wangqing nodded, “Okay, then I’ll play with Xiao Hanhan later.”

“What is the relationship between you and Xiaohanhan now? Can they coexist in Long Live Red Flower?” Wiliam asked.

He was afraid of something he didn’t know.

Xiao Wangqing nodded seriously at this moment, “Well, I feel it, I and Xiao Hanhan are actually one. Can coexist.”

Wiliam thought for a while, and continued to ask, “Can Xiaohanhan change his appearance?”

Xiao Wangqing shook his head again, and said with a pity: “I guess not yet, Xiao Hanhan is still too young. It is estimated that after a while, if he becomes stronger, he will be able to change.”

When Wiliam heard this, his heart gradually became happy.

Children are well, better than anything else.

“Then how powerful are you now?” Wiliam asked curiously.

This time Xiao Wangqing was at a loss, “Baby doesn’t know how powerful he is, but he feels that he has endless energy.”

All right.....

Wiliam also stopped and continued to ask.

Can’t seem to ask anything.

In the end, he said a little apologetically: "Xiao Wangqing, now you have become the artifact of Long Live Red Flower, will you be unhappy?"

Xiao Wangqing seemed to have no concept of Item Spirit at all, but just asked: "Can the baby follow Dad every day?"

William nodded, "That's natural, I always carry the long live safflower with me."

Xiao Wangqing immediately danced, "Okay, okay! The baby doesn't want to be separated from the father. In the past, the father always left the baby at home alone, and the baby's meals were not delicious."

William sweated.

I believe you a ghost!

Open your mouth to talk nonsense.

"Well, we will always be together from now on." After William understood Xiao Wangqing's true thoughts, the guilt in his heart disappeared.

Now that everything here is almost done, William also plans to say goodbye to Su Emei and Xu Rushuang.

This time, William has gained a lot when he came to Yushi to make people.

At the Immortal Doctor's Truth Seeking Conference, he received the magic medicine of the treasure of the Zhenzong from the Immortal Prison.

After I go back, I will find a time to open the spiritual root.

And in the three stages, he successfully awakened Xiao Wangqing, made Xiao Hanhan recover, and even the two little brats were stronger than before.

There is also his soul-suppressing power, his fire, and because of the soul's fire, he has been greatly improved.

Everything is fine.

The only pity is that the idiot senior.

Hope disappearing between heaven and earth is a kind of relief for him.

In fact, William still had some doubts in his heart.

For example, when he got that little bit of Ice Jade Fragment, he risked his own death.

This time, I got all the rest, but it was surprisingly smooth. Is it just because of the power of the original unicorn of Tianqing Qilin predecessors?

Also, why did the remaining Bingyu Bingyu appear here, and who put it here?

William didn't believe that with the ability of a mortal idiot, he could control Bingyu.

So, there are seniors in there.

You know, Xi Lei Bingyu is something that even the seven-star ferryman thinks about.

William still remembers that a seven-star ferryman gave William a big favor and asked William to inquire about the battlefield of blood and tears. The purpose should be to quench tears and ice jade.

Now that I think about it, this favor at that time really seemed like a free gift.

Who is the seven-star ferryman, why did he sell this favor, and finally helped him destroy a Six Laws.

In short, there are still many, many mysteries, which William couldn't see clearly for a while.

However, William didn't bother about these things. There must be a way before the car reaches the mountain, and everything will be revealed in the future.

William thanked Xu Rushuang and Su Emei once again, and left Yu Shizhi with Xiao Wangqing.

In fact, William can put the long live safflower into his body, but Xiao Wangqing doesn't want it.

She likes to stick to William and let William hold it all the way.

If you have a chance, let's try how strong Xiao Wangqing is.

Thinking so, William left Yu Shizhi.

Back in the red and thin high-rise building, William saw his grandfather at the door.

Grandpa's body has recovered very well. He is lying on a rocking chair at the door at the moment, rocking the chair slowly and gently fanning with a palm fan.

A look of a peaceful old age.

"Grandpa." William stepped forward happily and greeted grandpa.

Seeing Wiliam coming back, Lu Lingfeng immediately showed a loving smile, "It seems that everything is going well."

Wiliam nodded, handed Xiao Wangqing to his grandfather, and said to Xiao Wangqing, "Call Grandpa Zeng."

Xiao Wangqing immediately put his arms around Grandpa's neck, kissed Grandpa's face, and shouted crisply, "Grandpa Zeng."

After shouting, he muttered again, "Grandpa Zeng's beard is so piercing."

This sentence made Lu Lingfeng laugh out loud. He fondly stroked Xiao Wangqing's hair, "Okay, okay, okay. Grandpa Zeng will shave his beard later."

The smile on Lu Lingfeng's face was unstoppable.

Everything is fine.

You can still wake up.

After waking up, I can still see my dearest grandson.

Now the grandson brought back a cute little girl called his great-grandpa.

I feel like my whole life is perfect.

"Grandpa Zeng, I want candy." Xiao Wangqing was not afraid of life at all, and shouted to Lu Lingfeng coquettishly.

"Hahaha, okay, let's go, Grandpa Zeng will take you to eat candy." Lu Lingfeng hugged Xiao Wangqing, turned and walked inside.

He actually threw Wiliam directly outside the door.

Wiliam was immediately messed up in the wind.

Does this mean that when you have a great-granddaughter, you forget your grandson?

Ruthless.

Wiliam quickly followed.

The three walked to the council hall, and Lu Lingfeng picked up the snacks on the table and gave them to Xiao Wangqing, not worried that she would break her teeth.

On the other hand, Xiao Wangqing ate it whole, looking like a starving ghost.

After eating and eating, Xiao Wangqing felt that the atmosphere was a bit wrong.

It was the first time that Lu Lingfeng saw such an edible little girl.

Just stunned.

He even thought to himself, what the hell is this?

gluttonous?

Lu Lingfeng's original bloodline was transformed into a gluttonous gluttonous gluttonous gluttonous gluttonous eater, which devoured all things.

Now that I see Xiao Wangqing, I feel that my gluttonous food is simply coaxing to play.

The real thing is here!

Xiao Wangqing rolled her dark eyes, and suddenly smiled at Lu Lingfeng, with a mouth full of candy, she said to Lu Lingfeng mysteriously: "Grandpa Zeng, thank you for giving the baby candy, there's nothing wrong with it. To repay you, baby, let's make magic for you!"
