

## Dragon Husband Chapter Chapter 1909

Chapter 1909 Lu He Ye

Seeing the pleasure and wicked smile on Su Hongxiu's face after revenge, Wiliam only felt speechless for a while.

"Is there anything else to say?" Wiliam was ready to order the eviction.

"Hey, I said you, you really don't recognize people if you lift your pants, Feng Xue, you take care of your man!" Su Hongxiu gave Wiliam a white look, then turned to look at Bai Fengxue.

Bai Fengxue's face was a little crimson.

This Su Hongxiu is really sturdy enough to speak!

Dare to say anything outside.

"I can't control him." Bai Fengxue said weakly.

"Hmph, adulterer, prostitute." Su Hongxiu whispered, then lifted her skirt and walked outside angrily.

Inside the house, only Wiliam and Feng Xue were left.

At this moment, Wiliam was lying on the bed and slowly closed his eyes.

He was thinking and digesting the information Su Hongxiu said.

It seems that in order to help the two big men reshape their bodies, they must go through the imperial demon.

The first of the five methods, tsk tsk tsk!

It's definitely going to be head-on.

My own path is really difficult.

Bai Fengxue did not speak, and silently accompanied Wiliam by the side.

At night, Wiliam's body was much better.

When he was able to walk on his own, he said to Feng Xue, "Feng Xue, I'm going to find grandpa. You go back to your room and wait for me. I'll give you a surprise at night."

Bai Fengxue's eyes turned, "What surprise?"

William showed a smug smile, "You'll know it at night, I'll let you feel it well then!"

I don't know if there is any ambiguity in what William said, Bai Fengxue's face suddenly turned red into an apple, and she glared at William angrily.

William didn't know where he went wrong at all.

Confused, he left his room and went to find his grandfather.

Grandpa said that he would tell William about his parents tonight. Although William felt indifferent about it, he wanted to know earlier.

When he got to Lu Lingfeng's room, he was already waiting there.

Pour a cup of tea for William, and Lu Lingfeng stopped checking William's body.

Because he also knows that his grandson is completely different now.

After William took a sip of hot tea, Lu Lingfeng spoke slowly.

"It's finally time. After I tell you, I will no longer care about you, and I will no longer help you in the future. You have grown up, and you have to walk the next path by yourself." Lu Lingfeng said.

William nodded and said he knew.

Grandpa has worked so hard all his life.

For the sake of his children and grandchildren, he has been calculating for most of his life, even risking his life.

He needs to rest.

And William couldn't bear to let the old man continue to painstakingly help him.

Lu Lingfeng also took a sip of tea and said, "Your father, Lu Xiulan, and your mother, Ye Qiuchan, are hard-working people."

"My son Xiulan, in the Beiluolu family has always been the favored son of heaven, and even his talent is better than yours in my opinion, he has always been the focus of the Beiluolu family's training, and even the family regards him as a To be the future head of the family to cultivate. Everything is fine, but then Xiu Lan met your mother, Qiu Chan." Lu Lingfeng said this, his eyes were miserable.

William didn't interrupt his grandfather.

But he was asking silently in his heart, why did it become a tragedy when his parents met?

"Your mother doesn't belong to the same world as us. We were in the Cang Mang Continent at the time, and Qiu Chan belonged to the land of the common people, and even her status is higher than you think! Do you dare to imagine? You My mother, the Void Changming from the head of the Three Heavens." Lu Lingfeng said this, stopped and looked at William's expression.

Sure enough, there was a hint of astonishment on William's face.

own mother!

Identity is so terrifying!

From Sandingtian, it is still the first of the three!

Eternal Void...

With such a noble identity, why did he come to the Cang Python Continent, and why did he meet his father again!

William's doubts deepened.

"Hoho, let me tell you again, your mother is not only from Void Everbright, but also the little princess of Void Everbright! The talent is so strong that the entire land of the common people, even the most core of the ancient land of Ascension, is shocked! But it is such a person A peerless beauty whose entire territory is astounding, but she is deviant! She ran away from home when she was 20 years old." Lu Lingfeng let out a wry smile.

William's heart skipped a beat.

This is your own mother, uninhibited indulgence and love of freedom?

"As you must have guessed, your mother is a person who yearns for freedom. She can't stand being watched and disciplined all the time, so she used a secret method to come to the Cang Python Continent, and got to know you by accident. Father Lu Xiulan. Next, it is the bridge of the joy of the enemy. It is your mother who likes Xiu Lan first, and then chase the other to escape. At first, your father did not like this tricky woman. Later, your father refused to be stunned once Once, and the fight is more ruthless..." Lu Lingfeng's face became a little embarrassed.

William was also speechless.

He even had a sense of the picture.

His father was chased by a peerless beauty like a dog.

I was beaten once in the mouth...

Kind of miserable!

The mouth must have been slapped soft afterward...

Sure enough, Lu Lingfeng said, "Later, your father was beaten out of his mind, so he gave in. That night, your father was with your mother, hey..."

The veins on Wiliam's forehead throbbed.

My own mother, be resolute!

"But later in the process of getting along, your father was gradually attracted by Qiu Chan's straightforward personality, and the two really became true love, and later, there was you. Wiliam Wiliam, it is the crystallization of Lu Xiulan and Ye Qiuchan. what....."

"And then, the bloody thing happened, and your mother's hometown, Void Changming, naturally brought people to look for it. They are so big, they used the life of the entire Beiluolu family to blackmail your mother to go back with them. Your mother I had no choice but to agree."

"After your mother was taken away, your father was like crazy. After cultivating frantically for two years, he set foot on the road to find your mother in the land of the common people."

When Lu Lingfeng said this, he stopped.

Wiliam's heart seemed to be cut by a knife.

Rao is blood, still hurting people!

"Tell me, where are my father and mother now! Have they met again?" Wiliam asked.

In fact, his heart was inexplicably uneasy.

Because if the parents meet again, grandpa won't hide it from him for so long!

The next story should be the focus of my grandfather's story.

really!

There was a trace of anger and sadness on Lu Lingfeng's face!

His voice was shaking.

"Your father is now in the void! And your mother..."

Speaking of this, Lu Lingfeng slowly closed his eyes, and only two words came out of his mouth.

"Death..."
