

Dragon Husband Chapter Chapter 1910

Chapter 1910 Xanadu

“What!” Lu Lingfeng’s words were like a bolt from the blue, hitting Wiliam hard!

Wiliam stood up straight from the chair with a look of horror!

Mother, dead!

Although Wiliam had basically forgotten what his mother looked like.

But it is not difficult to see from Grandpa’s words that the mother is a sincere woman.

In pursuit of freedom, she can give up all glory and wealth.

In pursuit of true love, she can reverse worldly etiquette and pursue her father!

In order to protect the Beiluo Lu family and Wiliam, she could endure the pain and be imprisoned!

Such a loving mother has been deeply engraved in Wiliam’s heart in just a few words from Grandpa!

Moreover, just relying on the word mother is enough for Wiliam to give everything to pursue it.

Now, how can Wiliam accept the sudden death of his mother!

“What the hell is going on here! Grandpa!” Wiliam’s eyes slowly turned red, and he asked Lu Lingfeng anxiously.

And Lu Lingfeng shook his head ashamedly and said, “Your grandfather is useless, I can only inquire about this information, how did your mother die, where did she die, when did she die? I can’t find any information...”

Wiliam looked at his grandfather’s ashamed look, and his heart was stabbed hard.

How can you blame grandpa for this?

Grandpa is also alone and came to the land of the common people.

Here he can be considered to have experienced nine deaths.

It is necessary to calculate everything to help Wiliam pave the way, and at the same time to inquire about the information of his son and daughter-in-law.

You must know that at that time, Lu Lingfeng's strength could only barely walk among the nine sects.

It is a miracle that he can cross nine sects or even six methods and find out the information belonging to Sandingtian.

How can you be demanding that Grandpa does not do enough, and hope that Grandpa can do more!

"So Wiliam, don't worry, don't be impatient, and don't mess with your senses. Your mother's affairs are extremely mysterious, so you can only find clues slowly. But the top priority is to find your father first. I don't want you to find your father, because your father explained when he was about to leave, let us not go to him, and he made a solemn oath that he would never take the initiative if he didn't bring back your mother. When he came to you and me, he felt ashamed to meet our grandfather and grandson. Hey, your father is such a stubborn person. But now that you are grown up, I leave the choice to you. I think your father should know about your mother ." Lu Lingfeng said slowly.

Wiliam gradually calmed down, and his breathing gradually calmed down.

"Looking for my father, but if I go to find it now..." Wiliam pondered for a while.

He still doesn't know an answer.

Since the Void Everbright where the mother is located is disgusting, why is the father still staying in the Void Everbright.

Lu Lingfeng obviously knew what Wiliam was thinking, and said kindly: "I don't know why your father is still in Void Changming. Besides, it's not suitable for you to go to Void Changming to find your father right now. So you And do it in a roundabout way."

"What kind of detour?" Wiliam asked.

"First go to the Land of Five Laws. There is a method in the Land of Five Laws called Emperor Yao Lingxu. This method has a great relationship with Void Changming! I heard that the suzerain of Emperor Yao Lingxu left from Void Changming. , only when Emperor Yao Lingxu became the suzerain. And this person is your mother's brother! It was him who took the lead in arresting your mother back then. He must know more about your parents." Lu Ling Feng said.

Wiliam's eyes gradually turned cold.

Emperor Yao Ling Xu.

It's actually the emperor demon Ling Xu again!

Originally, from Su Hongxiu's mouth, Wiliam calculated that he must go to Emperor Yao Lingxu.

Now, it seems that it is impossible not to go.

My mother's brother is also my uncle!

It was my uncle who brought my mother back!

"Okay, I know what to do." Wiliam said to his grandfather.

"Well, that's all I know. Go ahead on your own. I'll be here, waiting for you to come back, or even to bring Xiu Lan back with you!" Lu Lingfeng's face Showing a hint of fatigue.

Years of exhaustive thinking, just for the present.

Now, Lu Lingfeng can finally unload all the burdens.

Rest in peace and enjoy the year.

After Wiliam left his grandfather's room, he went to find Bai Fengxue.

Bai Fengxue was still waiting in the room at the moment, and when she saw Wiliam back, she happily greeted him.

Feng Xue hadn't spoken yet, but was hugged tightly by Wiliam.

Wiliam seemed to have found an outlet for his emotions, and hugged Feng Xue quietly but powerfully.

As if hugging, is his long-term care and nostalgia.

Bai Fengxue originally had a lot of things to ask Wiliam, but from this hard hug, she suddenly felt an aura of sadness and sadness pervading Wiliam.

Her hand slowly lifted and hugged Wiliam slowly.

No words, no words, but more than a thousand words.

In this world, no one understands Wiliam's scheming.

But in this world, only Bai Fengxue knew Wiliam's feelings.

After half an hour, Wiliam slowly let go of Feng Xue, and his voice was a little low, "I'm sorry Feng Xue, did I hug you?"

Feng Xue shook his head vigorously, put his head in Wiliam's arms, and whispered, "It doesn't hurt at all, I even want you to work harder, so that we can get closer."

Feng Xue's body doesn't hurt, but her heart hurts.

"I got some information about my parents from my grandpa." Wiliam opened his mouth and said to Feng Xue.

If it was a snowstorm, Wiliam wouldn't have the slightest concealment or reservation.

The information he got from his grandfather told Feng Xue one by one.

After listening to Feng Xue, tears flowed down her face.

"Mother Qiuchan, she..." Feng Xue asked in a choked voice.

"So, we have to continue on this road. I really wanted to ignore it and find a paradise for you to hide in..." Wiliam said to Feng Xue with an apologetic expression.

The idea is true.

Wiliam was already tired of this kind of disputes and calculations.

Moreover, he owed Feng Xue too much.

Since Wiliam embarked on the road of martial arts, their husband and wife have been together less and more apart, and there are many unnecessary interruptions.

Not being able to accompany your wife well is the most primitive debt.

Only now, the situation is forcing Wiliam to keep moving forward.

He couldn't give up his parents' whereabouts and ignore Feng Xue.

Seeing Wiliam's apologetic look, Bai Fengxue suddenly laughed.

She smiled with tears, like a green lotus emerging from water, with water light, with the most beautiful brilliance in the world.

"What nonsense are you talking about, do you want to hear my truth?"

Feng Xue suddenly grabbed Wiliam's hand with one hand and pressed Wiliam's hand to her heart.

“Listen well. What a paradise on earth, as long as you let me face it with you, whether it’s a mountain of swords, a sea of fire or a sea of thorns and mud, I’ll be happy. Because for me, you William himself...”

“It’s my paradise!”
