

Dragon Husband Chapter Chapter 1911

Chapter 1911 Emperor Yao Ling Xu

William's heart warmed and he looked at the wind and snow in front of him seriously.

In this life, what is there to regret when you have such a confidante?

"The road we have to walk next will be very hard, but no matter what I do, I hope you will support me!" William suddenly said firmly to Feng Xue.

Feng Xue returned a more determined look, "Well."

"Next, I'm going to do a big thing! Crazy big thing!" William said solemnly again.

"When?" Bai Fengxue just asked for a time.

"Tomorrow starts!" William's eyes looked out the window, the bright moonlight was just right, and the wind and the moon were boundless.

"Well, I'll accompany you!" Bai Fengxue nodded.

"Tomorrow, accompany me to say goodbye to some old friends, and by the way, borrow something from them." William said, taking Feng Xue into his arms again.

Early the next morning, William took Feng Xue to bid farewell to his old friend in Jiuzong.

This time, Emperor Yao Ling Xu, as crazy as he is, is as crazy as he is.

Here and there, life and death are unpredictable, this side may be the last side.

Dugu Hongshi, Han Xing Wangqing, Yu Shizhuan, Jinyu Lingkong, Cannjian Jiutian, Lanshan Zhige.

These are all old friends of William.

And William focused on visiting Yu Shizhi people and borrowed more things from them.

A day later, William took Feng Xue and the two embarked on the journey to Emperor Yao Lingxu.

The place where the emperor demon Lingxu is located is between a cloud and water.

When it came to Emperor Yao Lingxu, it was already a day later.

In the evening, the emperor demon Lingxu shone brightly in the setting sun, looking like a fairy mountain cave.

They were stopped by the man at the door.

“Hello, we are here to visit your Sect Master Ye Donglin!” Wiliam said to the person at the door.

“Who are you?” The man asked Wiliam.

“Let’s just say, Ye Qiuchan’s son, come to visit.” Wiliam didn’t intend to go around in circles, and said straight to the point.

“Ye Qiuchan?” The man was stunned, apparently not knowing Ye Qiuchan.

“Go in and report.” Wiliam said.

In his heart, he already had a crazy plan.

If you want to slowly gain a firm foothold like you did in the Nine Sects before, I don’t know what year and month it will take.

The whereabouts of his mother and the message of his father are a thorn in Wiliam’s heart.

Can’t wait to pull it out immediately.

Seeing Wiliam’s serious look, the man hurried in to report.

After a while, a figure flew in front of Wiliam.

This is a middle-aged man with black hair with a few strands of gray and a straight face, but it makes people look very uncomfortable.

His eyes were fixed on Wiliam, even ignoring Bai Fengxue.

“Like! It’s too similar!” The man looked at it for a while, and suddenly said lightly.

You don’t need to guess to know that this person is Ye Donglin, the sect master of Emperor Yao Lingxu.

“Master Yemen.” Wiliam greeted lightly.

He didn’t call the person in front of him his uncle.

“Come in.” Ye Donglin’s voice was also indifferent.

The group entered directly into the inner hall of Emperor Yao Lingxu, and Ye Donglin said straight to the point: "Do you have the guts to come see me?"
In Ye Donglin's opinion, what is William?

It's just that his sister was confused for a while and was born with a mortal person.

But a ridiculous mistake.

What does it mean now?

Come to visit relatives?

ho ho...

And William shook his head and said, "Why don't I dare to come to see you? I came to see you just to find out some information."

"What message?" Ye Donglin asked knowingly.

"My mother's message, where is she now? I want to see her." William said directly.

Bai Fengxue didn't dare to breathe.

Because from the moment the two men met, the atmosphere became very strange.

The swords are drawn, as if they can start to dry at any time.

Nephew and uncle, are they going to chug as soon as they meet?

"Hmph, wicked beast! What right do you have to call her a mother! You are just a wicked breed! Qiu Chan is such a noble identity, how could a lowly blood breed like you cling to it! Even if she gave birth to you, you are not worthy of it? It's his son! Do you want to die!" William's words instantly ignited Ye Donglin's anger.

In his heart, his sister will always be a poisonous thorn in his heart!

It is precisely because of my little sister who is deviant and does not understand the rules, that Ye Donglin was exiled from Tianmen!

Now, the big one is gone, and the small one jumped out of nowhere.

And as soon as he came out, he stabbed him in the sore spot!

How could Ye Donglin not be furious.

And William sneered after hearing this.

His last thought was finally shattered.

My nephew and uncle have no relationship.

Now here, only their own enemies!

The man in front of him had taken his mother away. This revenge was enough for Wiliam to take revenge with all his might.

“You want to kill me?” Wiliam asked Ye Donglin back.

Ye Donglin laughed instead, “What if I kill you? What? I still can’t kill you? To be honest, you are just like an ant in my eyes, even worse than an ant! I just came out, that is, Do you want to see which clown jumping on the beam dares to pretend to be an identity? I never thought that it is still true! It’s okay, I personally cut off my sister’s evil seed!”

It wasn’t that Ye Donglin looked down on Wiliam.

It was Ye Donglin who didn’t pay much attention to Wiliam at all.

O master of the head of the Six Laws!

What an honorable position.

When other schools see Ye Donglin, they should be respectful and respectful.

Not to mention that this kid doesn’t even know the Six Laws.

With Ye Donglin taking a high look?

Wiliam slowly stood up from the chair.

And Ye Donglin’s aura suddenly rose!

It turned out to be overwhelmingly rolling towards Wiliam!

Flying Cloud Realm!

It is two realms stronger than Wiliam!

The tables and chairs around Wiliam were instantly shattered into powder.

As for Wiliam, he protected Bai Fengxue for the first time, and his energy gushed out.

“Nirvana realm? You kid!” Ye Donglin saw Wiliam’s realm, but this time he was extremely surprised!

In his heart, Wiliam is nothing but an ant.

What realm can ants have?

It never occurred to me that the ants had reached Nirvana and looked very young.

You must know that even if it is Emperor Yao Lingxu, although there are dozens of warriors in Nirvana, they are all very old.

There has never been such a young Nirvana realm as Wiliam.

In this way, if this kid is allowed to develop, the future is unpredictable!

Thinking of this, Ye Donglin's murderous intention was even heavier, "Hmph, did you rely on my Ye family's blood to reach Nirvana? I will remove you, along with your blood, today!"

Saying that, Ye Donglin stretched out one hand, but a tiger claw instantly appeared in front of Wiliam and grabbed it towards Wiliam's Tianling cover!

As for Wiliam, the corners of his mouth curled up slowly.

Crazy, start here!
