

Dragon Husband Chapter Chapter 1912

Chapter 1912 The ants turn the sky!

Before Wiliam came to this emperor demon Ling Xu, he was fully prepared.

To fight with the emperor demon Ling Xu head-on.

And this claw of Ye Donglin is announcing that the battle has officially started!

Wiliam adjusted his state to the strongest in almost an instant!

All over his body, the unicorn armor appeared instantly!

Wiliam slammed Ye Donglin's fist with his fist with a unicorn armor!

A sneer appeared at the corner of Ye Donglin's mouth.

just you!

Even if you are a practitioner of Nirvana, so what!

Lao Tzu is in the realm of flying clouds!

To die!

The two fists slammed together fiercely.

The inner hall where they were located was almost instantly turned into dust!

What surprised Ye Donglin even more was that!

Under this punch, Wiliam was actually intact!

Only the body was forced back two steps!

Ye Donglin's smile froze instantly.

According to his vision, one punch is enough to solve the problem!

Although this punch, he did not use all his strength.

But it also used more than half of its strength.

Unexpectedly, William actually endured it completely.

On the contrary, under the fist, Emperor Yao Lingxu's house was implicated.

Looking at the house that turned into dust, Ye Donglin's heart really grew angry.

For a long time.

For a long time, no one dared to be so presumptuous in the emperor Yao Lingxu.

William, the first one!

The fight here also instantly attracted the attention of Emperor Yao Lingxu's disciples.

"Whoosh whoosh!"

The sound of breaking wind rang out in William's ears.

After a while, on the opposite side of William and behind Ye Donglin, a dozen masters stood.

"Sect Master, what's going on! Who is this kid?" Someone immediately asked Ye Donglin.

Ye Donglin sneered, "It's just an ant, I didn't expect to disturb you all."

"An ant? Can't you just squeeze it to death?" Someone said immediately.

Ye Donglin sneered and said, "This ant has something to do with me. I'm going to crush him to death myself, so I'm happy!"

With that said, Ye Donglin's body disappeared in situ.

And Wiliam's "The Classic of Medicine of Impermanence" has long been prepared.

The moment his body disappeared, Wiliam slammed a punch behind him.

The fist burst into the air, "Bang!"

Ye Donglin obviously didn't think that Wiliam would predict his body, and was directly smashed out by this punch.

"What!" The eyes of everyone at the scene were rounded.

This is their sect master!

It was smashed by a boy with a punch.

Rare anecdote!

It is also a great shame!

Ye Donglin jumped up from the ground in disbelief, and the resentment in his eyes became even worse.

Wiliam's punch contained some unicorn power.

Ye Donglin was more careless, and it was only because of this change that he caused such a shocking end to everyone.

"I'm going to smash you into pieces!" Ye Donglin roared in a low voice, a faint blue light coming from his body.

This blue light, like the nether flame in hell, looks really scary.

The blue light wrapped his body in an instant.

Ye Donglin swung out a fist, and the blue light rushed towards Wiliam with all kinds of ghosts and wolf howls!

William was not afraid at all.

At this moment, he came directly at Ye Donglin.

This is the first time that William has taken the initiative!

He waved it out!

A red light with the baby's laughter pierced through Ye Donglin's blue light in an instant.

This red light rushed directly to Ye Donglin.

Ye Donglin obviously didn't think that his housekeeping skills would be cracked by William in an instant, and he even threatened to take advantage of the situation!

He immediately mobilized his strength and prepared to smash the red light in front of him.

However, the red light suddenly disappeared under his eyes.

When he reappeared, he was already behind him!

"Sect Master be careful!" Many people shouted out almost instantly.

However, Ye Donglin was too late.

The red light pierced into Ye Donglin's body in an instant!

Although it was just a stab, it was stopped by Ye Donglin.

But in this way, Ye Donglin also instantly felt that a destructive force appeared in his body, as if to tear him apart!

"Pfft!" Ye Donglin spat out a mouthful of blood.

Everyone, dumbfounded!

This is their door owner, injured for the first time in decades!

Who is this young man!

And Ye Donglin is going crazy!

It doesn't matter if you get hurt!

What he felt was a burning humiliation and ridicule!

He disappeared in place before and appeared behind Wiliam, which was expected by Wiliam.

And now, Wiliam is doing him the same thing!

I didn't expect it myself.

As if this little spicy chicken was mocking himself!

Damn!

Ye Donglin is the person who loves face the most.

After this, the whole person was shaking.

"Give it to me! Give it to me..." His voice was also trembling, but it was immediately interrupted by Wiliam.

"Come on with me?" Wiliam took his words.

This sentence once again gave Ye Donglin a knowing blow.

The head of the dignified Five Laws is going to besiege a young man who is not even the Five Laws.

If this gets out, ho ho...

However, Ye Donglin was really dizzy at the moment.

What kind of humiliation is more unforgettable than being injured by a young man in front of everyone's eyes!

"I'll kill him all on a horse! I'm going to tear him up today!" Ye Donglin roared angrily.

A stinky brat, he actually acted recklessly in the Emperor Yao Lingxu.

If this kind of thing is passed back to Void Changming, this face of my own!

I will never go back in my life!

Those who stood behind Ye Donglin were originally noble people in Emperor Yao Lingxu.

Not the elders, but the hall master.

Hearing Ye Donglin's words at this moment, Qi Qi was stunned, but he was also very obedient.

For a time, everyone was full of energy.

Ye Donglin took the lead and charged at Wiliam again.

A red light flashed in front of Wiliam, and the Long Live Demon Lotus had appeared in front of him.

Even directly transformed into the appearance of Xiao Wangqing.

"Bully my dad, taste the baby's fist!" Xiao Wangqing waved his fist in a rage, and headed towards Ye Donglin.

Wiliam was very relieved about this.

On the other hand, looking at Xiao Wangqing's angry appearance, he didn't know how much grievance Wiliam suffered.

The reality is that Ye Donglin was humiliated to death by Wiliam!

The elders behind Ye Donglin also attacked Wiliam in a rustling direction.

But right now!

These people suddenly shuddered out of thin air!

As if the gate of hell was closing in front of you, one by one, the brakes were temporarily stopped.

In front of them, a woman appeared.

This woman is alluring, with blue hair and blue eyes.

There was endless coldness and indifference in his eyes.

In her hand, she was casually holding a peach blossom branch that seemed to be covered with frost.

She swayed the peach blossom frost branch so gently, and said slowly...

"Your opponent is me."
