

Dungeon 451

Chapter 451 Beat Him Up as Usual

With such a sister, Qin Lunhai was both gratified and fearful.

However, in the past few years, Qin Lianqing's suitors lining up at the Qin family's house gate had never dwindled. They did not believe in heresy. They always thought that they were special and that they could subdue Qin Lianqing.

However, the result was tragic.

After a few years, Qin Lianqing had become more and more skilled.

!!

Even today, Qin Lunhai inexplicably believed that Lu Benwei would become a dog of the Qin family in the future!

At this time, Qin Lianqing walked up to Lu Benwei and asked aggressively, "You're the one who hit my little brother? Who gave you the right to have the guts to hit Qin Lunhai?"

Lu Benwei nodded and replied indifferently, "Teacher Qin, I've already made myself very clear. I merely took action to teach Qin Lunhai a lesson."

"Who gave you the authority?" Qin Lianqing smiled noncommittally.

"Even if Qin Lunhai had committed a grave mistake, he should be dealt with by the school and the patrol bureau."

Qin Lianqing's aura was so powerful that many people trembled.

The next second, she laughed coldly. "But I respect you as a man. You can admit your mistakes. You didn't run away from them. You've beaten Qin Lunhai so badly that you have to kneel and apologize to him. Otherwise, I can't guarantee what kind of punishment I'll give you. Don't think that just because you're an exchange student, I won't dare to deal with you. No matter how you are in your school or how much privilege you have, you have to submit at Yanjing Hunter University."

Qin Lianqing did not show any mercy and her words were full of threats.

When some of the onlookers heard this, they could not help but want to kneel. No one dared to doubt whether Qin Lianqing could do it or not. The Qin family was not to be offended easily.

At the same time, these onlookers were also gloating.

Lu Benwei had been in high spirits since he came to Yanjing Hunter University, but now he was going to fall into the hands of the Qin family's second miss.

"Teacher Qin, you said that you wanted me to kneel and admit my mistakes. Are you representing the school or the patrol bureau?"

Lu Benwei sneered in his heart, but his face was calm.

“If you’re representing the school or the patrol bureau, I can kneel and apologize. But before that, can you get your brother to kneel and apologize to me? If you’re not representing anything, then get lost immediately. I’ll personally settle this score with you tomorrow.”

As soon as this remark was made, everyone present gasped. Did they hear wrong?

Lu Benwei told Qin Lianqing to get lost and wanted to settle the score with her tomorrow?

“It’s over, it’s over, it’s completely over this time!”

They finally realized how arrogant Lu Benwei was!

Qin Lianqing was stunned. She realized that Lu Benwei was asking her to get out of here with Qin Lunhai.

“How ignorant!”

After sneering, Qin Lianqing silently put on a ring with a tiny array pattern on it.

Some people with sharp eyes could recognize that this was a ring with formation patterns engraved on it that could temporarily unlock the anti-magic array.

They all took a step back, afraid that Lu Benwei’s blood would splash on them.

“Lu Benwei, I know you want the school and the patrol bureau to give you an explanation. Then I’ll give you this chance.”

The temperature in the air was gradually dropping, and some ice crystals were forming in the air.

Someone exclaimed, “Teacher Qin Lianqing seems to have an ice attribute hidden class. Otherwise, she wouldn’t have been able to become the Vice Dean of the Magician Department at such a young age.”

Lu Benwei sneered. As a teacher, Qin Lianqing was full of benevolence, righteousness, and morality. However, she was an unreasonable and protective little girl.

The truth was on his side. Therefore, Lu Benwei was not afraid.

“Yanyan, step back, don’t get hurt!”

Chu Yan nodded and took a few steps back.

Everyone’s mouth was wide open.

“What? Lu Benwei is going against Teacher Qin?”

“Is he crazy? If Teacher Qin can remove the anti-magic array, what can Lu Benwei do? Smash it with his head?”

Seeing this, Qin Lianqing laughed mockingly. “Lu Benwei, I’ll give you another choice. Kneel and admit your mistake, and I’ll consider a lighter punishment.”

“There’s no point in saying more,” Lu Benwei said lightly.

The next second, a holy white light flashed, and Lu Benwei’s body became transparent like a god.

The Holy Key Sage's light flowed through Lu Benwei's body, removing the restriction of the anti-magic array.

At this time, everyone was unaware of it and only felt that Lu Benwei had a strong bloodline power.

Qin Lianqing sneered. "The power of the bloodline can temporarily strengthen your body. However, you can't use any skills. You'd better listen to me."

A layer of frost slowly formed on Lu Benwei's body.

This was Qin Lianqing's last warning. As long as she used her spiritual will, she could turn Lu Benwei into an ice sculpture.

Lu Benwei let out a breath and said, "Teacher Qin, I'll say the same thing again. You're not worthy to judge me!"

"Naive!"

In the next second, Qin Lianqing's spiritual will moved. The ice elements in the air instantly surged toward Lu Benwei.

The frost covering Lu Benwei's body immediately turned into a thick layer of ice as if it would not melt even after a thousand years.

Everyone laughed when they saw this.

Under Qin Lianqing's power, the arrogant Lu Benwei could not even make a move and turned into an ice sculpture.

Qin Lunhai clapped his hands in joy and strode forward.

"Haha, Lu Benwei, who told you to bully me? You'll be a statue in my house for the rest of your life!"

However, in the next second, there was a cracking sound and cracks appeared on the surface of the ice.

...

Qin Lunhai was so scared that he immediately hid behind Qin Lianqing.

"Don't worry, my ice seal won't be easily broken." Qin Lianqing comforted him.

As soon as she finished speaking, Lu Benwei broke the ice with a loud bang.

Everyone was shocked.

Lu Benwei reappeared in front of everyone.

The Holy Key Sage bloodline circulated, and Lu Benwei's body became transparent. The light bloodline flowed through his limbs and bones, providing him with a steady stream of power.

Everyone's eyes were wide open, and there was only one question in their minds: "How did Lu Benwei do it?"

Relying on a powerful body?

Impossible, absolutely impossible!

Qin Lianqing was above level 60. No matter how strong a person's body was, he could not rely on his physical strength to break free from the restraints of a level 60 hunter's skill.

Qin Lianqing and her brother were also very puzzled. They thought that it was impossible for ordinary people to do so!

...

"I know!"

Finally, someone in the crowd slapped his thigh as if he had just been enlightened.

"I've heard other people analyze Lu Benwei's strength. He has a bloodline power that can remove any negative skills!"

Chapter 452 30,000 Miles of Snow

Everyone was dumbfounded and tongue-tied.

In other words, Lu Benwei was not afraid of the suppression of the anti-magic array and could fight Qin Lianqing with his full strength!

On second thought, so what?

Lu Benwei was still a student, while Qin Lianqing was an elite teacher at Yanjing Hunter University. Even if Lu Benwei could break the restriction, he could not do anything.

Qin Lianqing's eyes were fierce and cold as she launched an aggressive attack on Lu Benwei!

"Ice Seal!"

The ice element in the air was violent, and Lu Benwei was caught in the center of the frost storm. He did not hide anymore. After letting out a roar, he activated Lucifer's Bloodline and burst out with a powerful force.

"Boom, boom, boom!"

The power of light and darkness intertwined, and Lu Benwei's body was filled with chaotic mist as if he had become one with the world.

After several punches, the ten-thousand-year-old ice broke and scattered all over.

The next second, Lu Benwei used Lightning Speed and his speed suddenly increased by a large margin.

"Whoosh!"

In the blink of an eye, Lu Benwei came behind Qin Lianqing and raised his giant fist to hit her.

"Thousand Miles of Ice!"

Qin Lianqing's long hair was disheveled, and her eyes emitted icy blue light.

The ice elements surged wildly, then condensed into a solid form and dispersed in the air.

Time seemed to have stopped in nearly half of the school's domain, and all the living beings were slowed down.

Lu Benwei activated the Holy Key Sage bloodline to offset this nearly 100 percent speed reduction effect.

A huge fist blasted out without any mercy.

"Whoosh!"

A slender ice blade blocked everything and collided with Lu Benwei's chaos fist, causing him to fly back.

"Ha!"

Qin Lianqing's swordsmanship was unparalleled, and she forced Lu Benwei to retreat.

Lu Benwei finally saw Qin Lianqing's class.

Ice Magician Warrior second class change! It was a very special class that could use swords and magic together.

Lu Benwei also did not hold back and flew into the sky, using the power of the stars to punch out.

The power of the stars descended from the sky in wisps, seemingly endless.

The fist rain that filled the sky condensed into one, turning into a giant fist that could break the sky. It contained the power of stars and was extremely bright.

"Boom!"

The huge starry fist broke the sky and smashed toward Qin Lianqing. She shouted and rode her flying sword. The sharp sword light tore a big hole in the star fist.

"Kill!"

Qin Lianqing did not show any mercy. After dissolving the star fist, she directly hit Lu Benwei's throat.

"Swish!"

Lu Benwei's blood splattered in the air and covered the frosted land.

Everyone was in disbelief. They were shocked by Qin Lianqing's viciousness.

Lu Benwei's crime did not warrant death, yet he had lost his life.

At this time, a mocking voice came from the ground.

"Teacher Qin, you're so cruel and merciless. Who would still dare to marry you?"

Everyone looked at the sound and saw Lu Benwei standing on the ground under Qin Lianqing's feet.

"Speaking of which, the view under Teacher Qin's skirt is pretty good. Next time, if you fight with someone, don't forget to wear tights."

Petrification!

Suffocating!

It was stiff!

Everyone was dumbfounded. Lu Benwei said such outrageous words!

The scenery under Qin Lianqing's skirt was visible.

Initially, Qin Lianqing regretted that she killed him. However, when he heard Lu Benwei's comments, her blood-red cheeks turned red.

"Why didn't you die?" Qin Lianqing suppressed her anger and asked. In fact, she was looking for Lu Benwei's next flaw.

"That's my skill!"

Lu Benwei shrugged.

"I wanted to avoid Teacher Qin's attack, but I didn't expect to have other gains. Now that I've seen it, why don't we let go of our hatred and get married immediately?"

Qin Lianqing was furious. She had always been the one humiliating the men. No man had ever dared to humiliate her. She was furious as she was being humiliated by a man younger than her in the middle of the day.

She blushed!

Shame!

She was furious!

...

Qin Lianqing's body trembled with anger, and the waves were surging.

"You're looking for death!" Qin Lianqing shouted and swung the ice sword!

"Ice and Snow Covering 30,000 Miles!"

A cold sun appeared on the sword ray, emitting a bone-chilling cold light.

Wherever the cold light shone, all living things were crushed and even the space was frozen. Lu Benwei could not use Dark Moon Shadow Strike like he did just now to widen the gap between them.

Even if the proficiency of Dark Moon Shadow Strike had been raised to the best level, and he could leave an identical clone on the spot, he could not break through this eternally frozen space!

Everyone trembled under the cold light, and their teeth and bones creaked.

No one knew what kind of effect this move would have, but for Lu Benwei, there was only one outcome – death!

Qin Lianqing waved her sword and shot out a cold light, which spread out for tens of thousands of miles.

Lu Benwei could not avoid it, so he spread his arms and blocked it with his body!

Everyone was shocked that Lu Benwei dared to take this move head-on!

...

“Boom!”

Lu Benwei was hit, and every hair and cell was covered with a layer of frost! Then, he fell heavily to the ground and turned into dust, not even his bones were left.

Everyone’s scalps went numb as they sighed.

Some people sighed inwardly. A peerless heaven’s pride expert of a generation had fallen just like that.

Lu Benwei was reaping what he sowed.

The person he had offended was the second princess of the Qin family, Qin Lianqing. Originally, if he gave in, it would be over after enduring for a while.

However, Lu Benwei challenged Qin Lianqing’s bottom line time and time again, and he ended up like this.

As for Qin Lianqing, she would probably be locked up in the patrol station for a few days. She would be released after the “investigation” was done.

The surrounding temperature gradually increased, but it was still affected by Qin Lianqing’s ice element. The air was so cold that it made people shiver.

Qin Lianqing descended from the sky. Her eyes were still like a pool of ice spring, which was daunting.

Looking at the ice crystal powder that Lu Benwei had turned into, Qin Lianqing suddenly felt a sense of loss. It was a wonderful feeling.

Ever since she was young, Qin Lianqing had been treated like a moon surrounded by a group of people. She had always acted high and mighty even when facing people of the same age.

This was the first time someone like Lu Benwei had been so rude to her.

Very quickly, Qin Lianqing dispelled this thought. “It’s really strange, why would I have such a thought?”

A man’s long sigh rang in her ears as he said, “Teacher Qin is really ruthless. A life has died in your hands.”

Qin Lianqing subconsciously answered and sneered. “He’s just a maggot. If he’s dead, he’s dead. He’s not worthy of sympathy.”

As soon as he finished speaking, Qin Lianqing suddenly realized that something was wrong.

“Lu Benwei? You didn’t die?”

Qin Lianqing turned her head and was so scared that her soul almost split apart!

Lu Benwei said coldly, “How can I die before I’m done teaching you and your brother a lesson?”

“You’re looking for death!”

Qin Lianqing's cold face turned red with anger. She wanted to pull away from Lu Benwei but found that her hands had been clasped by Lu Benwei and she could not get away.

Chapter 453 Do Not Stop!

"Let me go!"

Qin Lianqing kept struggling. Her cold face was filled with shame and anger.

At this moment, Lu Benwei was standing behind her and his big hand was like a pair of pliers, clamping Qin Lianqing's wrist.

"Let go of me, or you'll suffer!" Qin Lianqing said sternly.

!!

Lu Benwei sneered and saw through Qin Lianqing's lack of confidence.

"If I let you go like this, will you and the Qin family behind you let me go?"

Qin Lianqing was stunned for a moment and then snorted coldly.

"It's good that you know!"

At this moment, Qin Lianqing broke free from Lu Benwei's restraint with unprecedented strength. Then, she quickly turned around and slapped Lu Benwei!

Her speed was so fast that ordinary people might not be able to react in time.

However, Lu Benwei's reaction was faster. The moment Qin Lianqing broke free from his restraint, he had already expected Qin Lianqing to slap him. So he raised his hand and grabbed her wrist.

Steady! Accurate! Ruthless!

Qin Lianqing's snow-white wrist was pinched by Lu Benwei until it turned red.

In the next second, Qin Lianqing's second attack came. She aimed at Lu Benwei's crotch and kicked him.

Qin Lianqing stepped on her red-soled high heels. The slender heels were like a sharp awl. If she hit Lu Benwei's weak point, the consequences would be unimaginable.

Lu Benwei's eyes were cold.

From the moment he met Qin Lianqing, Lu Benwei had been following the principle of "a good man does not fight with a woman" and always gave in to Qin Lianqing.

He had never attacked a woman! However, what he got in return was Qin Lianqing's stubbornness.

Lu Benwei did not say a word and quickly attacked. With Lightning Speed, he slapped Qin Lianqing's delicate face when the high heels that were like awls kicked him.

"Slap!"

A crisp sound woke up the dumbfounded onlookers.

Shocking!

Suffocating!

It was unbelievable!

Lu Benwei slapped Qin Lianqing!

Qin Lianqing covered his face and staggered backward.

“You... You dare to slap me?”

A red handprint appeared on Qin Lianqing’s fair and smooth face. The look in her beautiful eyes was very subtle, making people not know whether she was angry or frightened.

“Do you know who I am?” Qin Lianqing once again used her identity to threaten Lu Benwei.

“I’m going to catch you and put you in the same cell as the rapist, so that you...”

Before she finished, Lu Benwei slapped her again!

“Slap!”

At this moment, everyone around them was dumbfounded. Lu Benwei did not just slap Qin Lianqing once, but twice!

“I’m sick of hearing that!” Lu Benwei spat out a mouthful of foul air and said lightly.

“As a teacher, you keep saying that you’re convincing people with reason, but in reality, you’re sanctimonious and unreasonable. You rely on your family to bully the weak. People like you are a disgrace to Yanjing Hunter University. Today, I’ll teach you a lesson.”

Lu Benwei’s eyes were cold and he did not have the slightest pity for her!

“Slap!”

“Slap!”

Lu Benwei slapped her again! The red palm print on Qin Lianqing’s pretty face became even deeper.

“How dare you...?”

At this moment, Qin Lianqing was so angry that she was incoherent, and the waves were rising and falling violently.

“You hit my brother and knocked out all his teeth. As the dean at Yanjing Hunter University and his sister, am I wrong to teach you a lesson?”

However, Lu Benwei ignored her and approached Qin Lianqing step by step.

“Then why don’t you ask me why I hit your brother?”

“Slap!”

Lu benwei slapped her again.

“This slap is to teach you a lesson for not teaching your brother well!”

At this time, more and more onlookers had gathered around. Some of them even took out their mobile phones and recorded this magnificent moment.

Lu Benwei, an exchange student at Zhejiang Hunter University, bullied our school’s beautiful teacher, Qin Lianqing!

Moreover, he could sense that some teachers were already approaching! He had to resolve this matter as soon as possible!

“Slap!”

Lu Benwei slapped her again.

Qin Lianqing looked at him in disbelief. “Why did you hit me again?”

“Speak clearly. Do you know what you did wrong?” Lu Benwei coldly replied, “Otherwise...”

...

“Otherwise... Otherwise, what are you going to do?”

Qin Lianqing’s voice was trembling. The original cold light in her eyes had long disappeared and was replaced by a glimmer of light.

Lu Benwei frowned. He could clearly feel Qin Lianqing’s fear. However, he could also sense a little hope in her tone.

Lu Benwei did not think too much and slapped her again!

“This slap is to teach you a lesson for trying to catch people without distinguishing right from wrong!”

“Yes...”

Unexpectedly, after Lu Benwei slapped Qin Lianqing again, she gasped charmingly. Lu Benwei was confused. She enjoyed being beaten up?

For a moment, Lu Benwei thought he had heard wrong.

“Do you know what you did wrong?” he asked after clearing his throat.

Qin Lianqing raised his head with tears in his eyes.

“I know, I...”

...

Before she could finish, Lu Benwei thought that Qin Lianqing knew her mistake and was ready to leave.

However, in the next second, Qin Lianqing suddenly said fiercely, “Lu Benwei, remember what you did today!”

“What?”

Lu Benwei saw that Qin Lianqing still did not repent and even pretended to admit her mistake to provoke him.

“You really need to be taught a lesson!”

“Slap!”

“Slap!”

After two backhanded slaps, Qin Lianqing’s cheeks turned from red to purple. If he continued to slap, her cheeks would be ruined.

Lu Benwei did not have any deep hatred for her. He just wanted to teach her a lesson, and he had already taught her brother a lesson. It would not look good if Qin Lianqing’s face was damaged.

Lu Benwei let out a sigh of relief after realizing this.

“The cause of this matter is all your brother’s fault! Your brother flirted with a girl on the street and tried to pull her into his car. Do you think he should be taught a lesson?”

He had thought that Qin Lianqing would realize her mistake after she was persuaded by emotion and reason.

Unexpectedly, Qin Lianqing was still unrepentant. She said fiercely, “Even so, you’re still a b*stard who hits women! I’ll make you pay a hundred times for what you did today!”

Lu Benwei was stunned for a moment. He did not expect Qin Lianqing to act like this.

She still needed to be taught a lesson! Now that he could not hit her face, he would turn around and hit other meaty places!

“Slap!”

“Slap!”

...

Qin Lianqing scolded Lu Benwei while she was being beaten up.

Chapter 454 This B*stard Must Be Killed

Lu Benwei was speechless.

Qin Lianqing’s sudden request made Lu Benwei confused.

“Don’t stop?”

Qin Lianqing cried and begged Lu Benwei not to stop beating her.

!!

Qin Lianqing had been the pearl of the Qin family since she was young. At home, she had the elders pamper her. She also had countless suitors who were fond of her. She had never been beaten by anyone since he was young.

Lu Benwei had just slapped her for the first time in her life. Apart from the burning pain, Qin Lianqing felt a different feeling. It was a wonderful feeling, and her heart could not help but beat faster and her breath became heavier.

Even when Lu Benwei stopped slapping her, she felt a little reluctant. She subconsciously wanted to provoke Lu Benwei.

After angering Lu Benwei, she was beaten in a different position and completely opened up a wonderful world.

“All of you, move!”

“Quick, move to the side!”

A few figures pushed through the dumbfounded crowd.

These people were the elite students of the magician department. They had rushed over immediately after knowing that Qin Lianqing had been beaten up.

When they came closer and saw this scene, their eyes almost popped out.

“B*stard, you dared to beat Teacher Qin up like this?!”

“Quickly release Teacher Qin!”

“Otherwise, don’t blame us for being impolite!”

One of them was about to save Qin Lianqing.

Another person pulled him back. “Don’t move. Teacher Qin is in this b*stard’s hands. Be careful of him doing something out of line.”

That person immediately suppressed his impulse.

However, when he saw Qin Lianqing in Lu Benwei’s arms, he suddenly wanted to kill Lu Benwei.

“You guys are here to fight?” Lu Benwei asked.

“Nonsense, quickly release Teacher Qin!” one of them said in a loud voice.

“What if I don’t?” Lu Benwei said and slapped Qin Lianqing again.

“B*stard, can you be gentler?”

Qin Lianqing’s tone was coy and charming. The next second, she noticed that something was wrong and said sternly, “Wang Hua, come and save me!”

A strange look flashed across everyone’s faces.

Wang Hua, the leader of the group, said excitedly, “B*stard, how dare you treat Teacher Qin like this? I’ll kill you!”

It was as if he was going to rush up and beat Lu Benwei up.

They held Wang Hua down, afraid that he would do something extreme and hurt Qin Lianqing.

“Why did you catch Teacher Qin?” another person asked.

Lu Benwei’s tone was calm. “Qin Lianqing is rude and unreasonable. She’s deliberately protecting her brother, Qin Lunhai. She doesn’t act like a teacher. I’m just teaching her a lesson.”

When they heard this, their expressions were very complicated. They all knew that Lu Benwei was probably telling the truth.

“You’re done teaching her a lesson. Why don’t you let her go first?” Wang Hwa, the leader of the group, took a deep breath.

Lu Benwei had just noticed Qin Lianqing’s strange behavior. It seemed that the physical pain could not make Qin Lianqing remember. Thinking of this, Lu Benwei let go of Qin Lianqing.

Wang Hua and the others immediately surrounded Lu Benwei.

“You want to fight?”

Lu Benwei sneered, he had already expected this result.

“No matter what mistakes Teacher Qin has made, you can’t teach her a lesson as a student!” Wang Hwa and the others said in a serious tone.

“Hehe, according to what you’re saying, you can’t teach me a lesson.”

Lu Benwei’s retorted words made the others furious.

Wang Hua’s heart ached when he thought of Qin Lianqing and Lu Benwei sticking together.

“Boom!”

Wang Hua pounced at Lu Benwei, and the others saw this and rushed forward to surround Lu Benwei.

“Stop!”

This was a cold voice that came over, causing everyone to be greatly shocked.

To their surprise, the owner of the voice was Qin Lianqing, who had just been slapped by Lu Benwei.

Everyone was stunned and kept their fangs.

“Teacher Qin, Lu Benwei bullied you like that! Not killing him isn’t enough to vent my anger!” Wang Hua and the others said in a low voice.

“Nonsense! When did I get bullied?”

He did not expect Qin Lianqing to deny this fact.

Seeing more and more onlookers gathering here, Wang Hua and the others also understood why Qin Lianqing did this.

It was extremely embarrassing for a teacher to be beaten up by a student like a child.

After taking a deep breath, Wang Hua glared at Lu Benwei, “Just you wait!”

Then, they greeted Qin Lianqing and left.

...

Seeing more and more people gathering here, Lu Benwei could only let out a long sigh of relief and leave.

...

That night, the Vice Presidents and deans at Yanjing Hunter University gathered in a meeting regarding the exchange students.

Of course, this was just a gimmick. Everyone gathered to discuss Lu Benwei.

“This is too lawless! What do you think our school is?” one of the deans said fiercely.

The other deans also nodded in agreement.

The moment he entered the school, he caused a ruckus in the dining hall and threw a type of student into a swill bucket.

The next day, he ruthlessly beat up the same student again, using a supreme skill that caused the entire arena to collapse.

In the evening, he had just beaten up a dean in the field.

In just two days, Lu Benwei seemed to have stepped on the face of Yanjing Hunter University and rubbed it hard.

The key was that Lu Benwei had a reason for doing this. Yanjing Hunter University could not do anything to him!

...

“What happened to Qin Lianqing?”

“She can’t even subdue a student?”

“Don’t we have a ring that can remove the restriction of the anti-magic array?”

A bald vice principal vented his dissatisfaction.

“Lu Benwei has a unique bloodline power that can permanently remove all negative effects,” another person replied, “The anti-magic effect naturally won’t be of much use.”

The moment he said that, there was an uproar.

The bald vice principal slammed the table and stood up. He said to Chu Bowen, “Principal Chu, in my opinion, we’d cancel Lu Benwei’s qualification for the exchange study!”

“Otherwise, our school won’t be able to raise its head in front of Zhejiang Hunter University.”

Then, someone immediately stood up and echoed, “Yes, principal.”

“Now, nearly two-thirds of our students have formed an alliance to kill Lu Benwei! But Lu Benwei can break the anti-magic array. I guess our students...”

Some people supported it, while others opposed it.

“No, Lu Benwei’s qualification will be revoked. He’ll inevitably be laughed at by the other schools. Can’t they even stop Lu Benwei?”

Chapter 455 Outside Trial

The meeting room was in full swing.

One side thought that Lu Benwei had to leave Yanjing Hunter University, or they would lose face. The other side thought that Lu Benwei could not leave, otherwise, they would lose face too.

The two sides quarreled for a full five minutes over the embarrassment!

“Enough! Don’t quarrel!” Chu Bowen finally could not stand it anymore.

“Principal Chu, do you have any brilliant ideas?” Someone was very dissatisfied.

Chu Bowen let out a breath and said, “The reason why Lu Benwei is the focus is because our students keep provoking him. There’s nothing much to say about this matter.”

“But Lu Benwei never did anything, but when he made a move, he attracted wave after wave of people. Our students are eager to protect the school and win back face for the school.”

“There’s nothing to say. With Lu Benwei here, our students can be encouraged.”

“But they’re all afraid of conflicts erupting, irreconcilable differences, and brewing a big disaster. I also know this...”

“In that case, why don’t you let Lu Benwei go out alone?”

Hearing this, everyone nodded thoughtfully.

If he let Lu Benwei go out alone, the students at Yanjing Hunter University would naturally not be able to find trouble with him.

They did not need to stay here in fear.

...

The next morning.

Chu Bowen found Lu Benwei.

“Lu Benwei, are you used to the life at Yanjing Hunter University?”

Lu Benwei thought for a while and replied, “I’m alright, but I don’t get along well with my classmates.”

Chu Bowen’s mouth twitched, but he smiled again. “Is that so?”

“If my students offend you, I hope you can forgive them.”

“Sure!”

Lu Benwei readily agreed.

Chu Bowen’s office was huge. Apart from the wall at the door, the remaining three walls had bookshelves made of mahogany.

The entire office was filled with the smell of ink. In the corner of the south wall, there was a glass door that led to the sunroom.

It was early spring, and the morning glory vines on the vine rack in the sunroom had grown tender green new shoots.

The sun was shining, and the room was warm.

On Chu Bowen’s desk, the coffee pot was bubbling with steam.

Chu Bowen laughed heartily when he saw Lu Benwei looking around.

“Drink some?” As he spoke, Chu Bowen removed the coffee pot. He took out a filter, and the brown-black liquid flowed down the glass pen.

“Do you want more milk?” Chu Bowen asked.

Lu Benwei nodded. Chu Bowen took out a new ceramic cup and poured some fresh milk into it. He mixed it with the dark brown liquid, creating a new color.

“Here, be careful. It’s hot.”

Chu Bowen handed it to Lu Benwei and even added a sugar cube.

Lu Benwei took a sip.

This was his first time drinking coffee, and the bitter and sour taste made him frown. Fortunately, the rich fragrance of the milk neutralized the sour and bitter taste in his mouth, and he resisted the urge to vomit.

“How is it? Is it good?” Chu Bowen asked.

Lu Benwei savored the taste. “It’s okay. The taste is amazing. Although I think it’s bad, I still want to drink a second mouthful.”

“Not bad,” Chu Bowen laughed heartily. “It seems like you’ve understood the true meaning of life.”

Lu Benwei looked at him in confusion.

Chu Bowen stroked his white beard. “Life is hard, but you have to finish it. But after walking to the end, is it still bitter or sweet?”

Lu Benwei was slightly stunned. Was Chu Bowen’s life hard? He did not know.

However, compared to Chen Yuan, Chu Bowen was much happier.

There was a large office with a mahogany bookcase and desk that were low-key and luxurious.

There was also a large sunroom. On a winter afternoon, he would lie on the sofa with a small blanket over him. It was very comfortable.

As for Chen Yuan, his office was as messy as a warehouse, and there was not even a place to sleep.

Lu Benwei was more and more confused. What did Chu Bowen want with him? Was he just going to discuss the true meaning of life with him?

“Lu Benwei, do you want to go out alone? Can you help me find the answer to life?” Chu Bowen suddenly asked.

Lu Benwei was stunned for a moment and thought, ‘I’m afraid this isn’t good?’

According to the rules, exchange students were not allowed to leave the city of the exchange school.

Then, Chu Bowen said indifferently, “That’s fine. I’m the principal of a school. I still have this bit of power.”

Lu Benwei heard this and let out a breath.

“Principal Chu, please let me think about it.”

Chu Bowen hesitated for a moment before sighing. “Then hurry up. I might change my mind by then.”

“Alright!” Lu Benwei answered, put down the cup, and left the office.

...

...

“You want to go out and gain experience?”

Chu Yan was making a fuss in her seat.

It was lunchtime, so Lu Benwei, Chu Yan, and Gan Yan gathered.

With a mouthful of rice in his mouth, Gan Yan mumbled, “In my opinion, since Principal Chu has spoken, you don’t need to be afraid of the rules. Two months is enough for you to destroy the Dragon Kingdom.”

Lu Benwei sighed. “It’s an experience trip, not a national tour.”

Chu Yan was a little dissatisfied. “Why did you go out for training?” she asked.

Lu Benwei shook his head. “I don’t know. At first, he asked me if I’m used to staying here. Then he told me that life is like coffee, and then he asked me to go out and gain experience.”

Chu Yan was confused, and her eyes were seeing stars.

“That old man is really mysterious.”

It was also at this moment that Gan Yan burst into laughter, unable to even straighten his back.

...

“What’s wrong?” Chu Yan rolled her eyes and said in an annoyed tone, “Is it funny that we don’t understand what you’re saying?”

“No, no!” Gan Yan said, waving his hand.

“What’s that? Tell me!” Chu Yan urged.

“I just want to say that Principal Chu has really put in a lot of effort to prevent the reputation of Yanjing Hunter University from being damaged.”

“What does this have to do with Yanjing Hunter University’s reputation?”

Gan Yan pursed his lips, wiped the oil from his mouth, and said, “Of course, it’s the students of Yanjing Hunter University. They formed an alliance to teach Lu Benwei a lesson. But apart from the arena, where can a student beat Lu Benwei? I’m afraid they can’t beat him even if they work together. So many of us are fighting one person and we still can’t beat him. How can Yanjing Hunter University not lose face?”

After a pause, Gan Yan continued, “I can’t beat him, so I can only ask Lu Benwei to leave Yanjing Hunter University.”

Lu Benwei finally understood.

“So, you’re saying that your previous coffee life was just a lie?” Chu Yan also understood.

Chapter 456 An Invitation

“I see.”

Lu Benwei finally understood. He did not expect this old man to be so good at deceiving people.

“Then what do you think?”

Chu Yan supported her chin with her hands and looked at Lu Benwei calmly.

“Me? I don’t think it matters. Let’s wait and see. It’s not a bad idea to go out alone to train if he really can’t get along with the students at Yanjing Hunter University.”

Lu Benwei had just finished speaking when Chu Yan’s phone on the table vibrated. It was very ear-piercing.

Lu Benwei glanced at the screen. It was an unfamiliar number from Dragon City.

Chu Yan pouted and hung up without even looking at the caller.

“Aren’t you going to take it?” Lu Benwei asked casually.

“I don’t have to pick it up, it’s obvious that it’s Wang Qiaochu,” Chu Yan said unhappily, “I really regret giving him my number.”

“Why is he looking for you?” Lu Benwei wiped his mouth and said, “If he’s harassing you, I can teach him another lesson.”

“Isn’t it because of yesterday’s incident?” Chu Yan pouted. “He’s always wanted to invite me to a meal. He wants to apologize. How can I forgive this kind of person?”

Lu Benwei understood. At about this time yesterday, after they were done packing, the two of them bumped into Wang Qiaochu by chance.

Wang Qiaochu had said that he wanted to set up a table at Dragon City Hotel to apologize to Chu Yan. At first, Lu Benwei thought that he was just joking. He did not expect Wang Qiaochu to be serious.

“What kind of good intentions could a person like him have?” Chu Yan said in dissatisfaction.

At this moment, the unknown number called again, and the entire table creaked as if nails were scratching a blackboard.

Chu Yan could not take it anymore. She picked up the phone and started cursing.

“Wang Qiaochu, don’t call me anymore. I’m not going!”

After saying that, she hung up and blacklisted the one-stop call, then placed her phone on the table.

The world was finally quiet.

“Do you believe that he’ll call you again after a while?” Lu Benwei joked.

Hearing this, Chu Yan was so angry that she ground her little canine teeth. “If that’s the case, then I’ll give him a good beating!”

“You don’t have to be so violent, right?” Lu Benwei’s mouth twitched. “We’ll just talk it out with him face to face,”

Chu Yan ignored him and picked up her phone to dial a number. The other party was one of Chu Yan’s underlings.

He was well-informed, and he knew almost everything about the internal affairs of Zhejiang Hunter University. Chu Yan had ordered him to find Wang Qiaochu’s whereabouts within ten minutes.

As expected!

Ten minutes later, Chu Yan received Wang Qiaochu’s whereabouts. He was in another restaurant called Yan Yuan.

Chu Yan did not say anything and ran over.

Lu Benwei looked at the menacing Chu Yan and exchanged glances with Gan Yan.

“Lu Benwei, what do we do now?” Gan Yan swallowed his saliva.

“What else can we do? Let’s just kill our way over.”

Yan Yuan restaurant.

It was a rare occasion for Wang Qiaochu to come to the restaurant for a meal.

As one of the four young masters at Yanjing Hunter University, Wang Qiaochu's appearance attracted a lot of attention.

"Look, look, it's Young Master Wang!"

"It really is him! I'm going to ask him for his phone number!"

A group of girls gathered and chattered, their eyes sparkling.

When the boys saw this, they snorted in disdain.

"Why would a person like Young Master Wang eat with commoners like us?"

"I've heard from other students that he always had his housekeeper drive his meals over. Why did he suddenly appear at Yan Yuan today? Don't tell me that you've taken a fancy to some auntie who brings you food?"

"Maybe he wants to improve the taste."

Listening to the whispers from time to time, Wang Qiaochu laughed coldly in his heart.

"You commoners, how can I let you know what I'm thinking?"

Looking up at the Rolex, Wang Qiaochu continued, "Why isn't he here yet? Could it be that there was a mistake in my plan?"

As soon as he finished speaking, a fair-skinned, beautiful girl with big waves and a great figure walked up to Wang Qiaochu.

The girl pointed at the empty seat in front of Wang Qiaochu.

At this moment, the seats around Wang Qiaochu were either occupied or left behind by someone who had swept away everything in their path.

Wang Qiaochu's table was indeed cleaner.

"Handsome, is there anyone here? If not, can I sit here?"

The girl with big wavy hair smiled without revealing her teeth, and her charming eyes rippled.

Wang Qiaochu glanced at the girl with big wavy hair and gave her an eight in his heart. One of them was for the fishnet stockings that the girl wore.

"You don't have to use so many tricks. Just scan my QR code."

Wang Qiaochu immediately saw through the girl's little trick.

The girl was slightly stunned, and then her face lit up. As expected, a girl who loved to smile would have good luck.

...

"I didn't expect Young Master Wang to be such an emotional person."

The girl sat down excitedly, her chest heaving up and down.

“By the way, Young Master Wang, I’m Tingting. Please save my name.”

“Yes, I know,” Wang Qiaochu replied indifferently.

Tingting’s eyes flashed with a hint of joy as she glanced proudly at the other girls who were eager to make a move.

Phone numbers are not the most important thing. The most important thing was to let people remember her name.

Although Tingting did not expect to succeed in one go. However, as long as Wang Qiaochu remembered her name, it would be considered half a success.

What if one day Wang Qiaochu was feeling lonely and wanted to find someone to sleep with? After opening the address book and seeing a bunch of unsaved names, was he too embarrassed to say it? Therefore, only by leaving her name would Young Master Wang remember her.

At that moment, Wang Qiaochu approved Tingting’s application and wrote “fishnet stocking girl with big waves, 165, 36D” in the remarks column.

Seeing that she had been added to Wang Qiaochu’s friend list, the girl’s eyes flashed with a hint of glee.

At this moment, a loud bang was heard. An aggressive girl barged into the door not far away, followed by two boys.

...

Tingting did not even have time to see the three people’s faces.

Wang Qiaochu took a deep breath, stood up, and slowly walked toward the three unfriendly people.

Tingting frowned. Could he be here to snatch her away?

“Wang Qiaochu, you’re here!” Chu Yan barged in.

Tingting immediately understood. She thought to herself that this girl might have been cheated of her feelings by Wang Qiaochu and had brought people here to question her.

Thinking of this, Tingting’s lips could not help but curve up and she looked at Chu Yan with ridicule. How could a rich young master’s view of love be so complicated? They only needed to feel good.

How could he possibly have a complicated relationship with you?

“Looking at the little girl’s bad temper, it’s no wonder that Young Master Wang would dump you.”

However, at that moment, Wang Qiaochu fell to his knees with a thud.

Chapter 457 Sincerity

“Yanyan, save me!”

Everyone was dumbfounded by his words!

Tingting was so shocked that she covered her mouth.

Chu Yan took three steps back, her expression full of surprise.

Lu Benwei and Gan Yan's faces were filled with question marks.

'Is this guy performing a performance art here?'

"Young Master Wang, what are you doing?" Tingting was confused and asked with her head lowered.

Wang Qiaochu ignored her. Instead, he blinked and squeezed out two drops of tears.

"Yanyan, save me. If you don't promise me, I might be kicked out of my family!"

Chu Yan came back to her senses and immediately understood that Wang Qiaochu was trying to use morality to kidnap her.

"Wang Qiaochu, I don't buy this!"

Lu Benwei and Gan Yan also reacted at this time.

He thought to himself, 'Isn't it just a meal? Is there a need to do this?'

At this moment, more and more people gathered here, becoming onlookers.

"What the hell is this?"

"The young master of the Wang family knelt to a girl!"

"Don't tell me that this is a mission from some master?"

Many of them saw Chu Yan and remembered her identity.

"So, it's Chu Yan, the other exchange student at Zhejiang Hunter University."

"D*mn, she's only been here for a few days, and she's already conquered a young master of our Yanjing Hunter University. She's not simple!"

"Wang Qiaochu knelt in front of Chu Yan in public. I wonder how many girls' hearts were broken."

At this moment, Tingting was in disbelief.

Wang Qiaochu knelt in front of Chu Yan from Zhejiang Hunter University.

What was going on? What kind of tricks did Chu Yan use to make Wang Qiaochu fall head over heels for her?

"Young Master Wang, what's going on?"

Many girls came over and looked at Wang Qiaochu with heartache.

"Yanyan, I know I did something out of line at the National Class Tournament. But I didn't do it on purpose!"

Wang Qiaochu's nose was filled with snot.

“Yesterday, my grandfather called me and told me to get you to come out. Otherwise, I’ll be expelled from the Wang family!”

The moment he said that, there was an uproar. The National Class Tournament? Expelled from the Wang family? The amount of information was too much for many people’s brains to process.

Finally, someone slapped his forehead and said, “I know.”

“Young Master Wang accidentally injured someone in the National Class Tournament. In other words, that person is Chu Yan?”

The entire venue stirred up a storm of public opinion.

Many girls frowned and thought, ‘I see.’

“Swords have no eyes. It’s reasonable to be injured!”

“Besides, isn’t Chu Yan fine? Why do you still not forgive Young Master Wang?”

Many people, especially the girls, looked at Chu Yan with jealousy and hatred.

Chu Yan took a deep breath and resisted the urge to slap Wang Qiaochu.

“Wang Qiaochu, let me ask you, do you really have to invite me? Can’t we change the way you apologize?”

Lu Benwei also frowned. He felt that there was something fishy about this. It was not that he could not apologize. However, Wang Qiaochu kept saying that it was his family’s request, which did not seem very sincere.

In addition, to invite Chu Yan out, Wang Qiaochu had to put down his pride and make a big move.

Strange! It was very strange!

Wang Qiaochu nodded profusely and said, “Not only me, but all the elders in my family will attend and apologize to you!”

The moment he said that, there was an uproar. All the elders of the Wang family had to apologize to a junior!

“This... Isn’t this too sincere?”

After all, the Wang family was one of the most powerful families in the Dragon Kingdom!

“Damn, just because they accidentally injured someone, the entire family came out to apologize. Is this the tradition of the great families?”

“No wonder the Wang family could survive for a hundred years. It turns out that they have such a good family culture!”

“If Chu Yan still doesn’t agree, then it would be a bit unreasonable.”

Chu Yan was in a difficult situation. Even though she had her father’s support, the Wang family was still an aristocratic family.

The elders of the Wang family were all out. If they did not go, it would really be a little unreasonable.

After a long sigh, Chu Yan said helplessly, "I'll reluctantly agree to it. But I'll say this first, the banquet can't be too long."

The girls around them heard this and looked at him in disdain.

"You're still pretending to be virtuous at this time!"

...

Many people dreamed of getting close to the Wang family but could not. Now that such a good opportunity was placed in front of her, she was still putting on airs.

"I understand, I understand!" Wang Qiaochu chuckled. "It definitely won't be too late!"

At this time, he saw Lu Benwei and his face slightly changed.

"By the way, Yanyan, you're the only one who can attend the banquet tonight."

"I know!" Chu Yan replied impatiently.

...

In the evening.

A Rolls-Royce stopped in front of Chu Yan's dormitory.

Wang Qiaochu welcomed Chu Yan into the car with a flattering smile.

After entering the car, Chu Yan got out from another door. She quickly arrived in front of Lu Benwei.

"You're really not going?"

...

"No choice, the Wang family only invited you." Lu Benwei shrugged. "I can't go even if I want to."

Wang Qiaochu chuckled as he walked over. "Yanyan, Lu Benwei, I'm really sorry."

"Of course, I want to treat Lu Benwei to a meal, but I can't go against my family's orders!"

"Hmph!" Chu Yan huffed coldly.

She rolled his eyes at Wang Qiaochu and Lu Benwei.

After the Rolls-Royce left Lu Benwei's sight, he took out his phone and ordered, "Gan Yan, are you done?"

"It's done, I'll go pick you up now!"

About ten minutes later, an electric motorcycle stopped in front of Lu Benwei. The only sound it made was its horn.

"Quick, get on this!" Gan Yan threw down a helmet.

“Are you sure this thing can take us there?” Lu Benwei frowned.

“Don’t talk nonsense, if it’s any later, we won’t be able to reach there!” Gan Yan urged.

Lu Benwei had no choice but to put on his helmet and sit in the back seat.

As a result, Gan Yan carried Lu Benwei and rode the electric motorcycle, which only sounded when it did not honk, toward the Rolls-Royce’s route.

“Lu Benwei, what do you think the Wang family means?” Gan Yan asked.

“In order to apologize to Chu Yan, you’re making such a big fuss?”

Lu Benwei faced the wind and replied loudly, “I don’t know, but it’s definitely not that simple!”

“Do you guys think he has any improper thoughts about Chu Yan?” Gan Yan loudly asked.

“He won’t! Chu Yan’s identity makes them absolutely not dare to act rashly!”

“Huh? Chu Yan’s background is that powerful?” Gan Yan’s mouth fell open in surprise.

Lu Benwei subconsciously opened his mouth and wanted to answer. In the blink of an eye, he shut his mouth again.

Gan Yan did not mind and continued, “Then what should we do?”

“We’ll act according to the situation!”

Chapter 458 Dragon City Hotel

Lu Benwei and Gan Yan’s thoughts were too simple.

He did not expect that the Wang family would book the entire Dragon City Hotel as an apology to Chu Yan.

“I’m sorry, the entire place is reserved. You can’t enter without an invitation!”

Dragon City Hotel employees looked at Gan Yan with ridicule, their eyes full of contempt.

“If you’d like some leftovers, you can come back at midnight.”

Gan Yan was truly too shabby. He was riding a small electric motorcycle that only sounded its horn. It was out of place in this luxurious hotel.

In the parking lot in front of the gate, the cheapest car was a BMW 5 Series.

“You’re the one who wants leftovers! Your whole family needs leftovers!”

When Gan Yan heard the doorman ridiculing him for asking for leftovers, he was so angry that he began to curse.

“I’m sorry, Sir,” the doormen said with a fake smile, “If you want to enter the hotel, please show me your invitation. Otherwise, please leave!”

“Hey, I’ve told you 800 times. The female lead of the banquet is my classmate. I’ve forgotten the invitation at home,” Gan Yan said indignantly.

“I’m sorry, we only accept invitations,” the doorman continued to repeat his words.

Gan Yan rolled up his sleeves and was about to force his way in.

The doorman was immediately enraged. He whistled, and a group of big men holding black batons came out. Each of them had the back of a tiger and the waist of a bear. They looked like they were not to be provoked.

Gan Yan looked at the thick baton and gulped in fear.

“Brothers, the weather’s pretty good today. Have you guys eaten?” he chuckled.

The head of the security team said with a gloomy face, “Get lost!”

Gan Yan shuddered and quickly left the Dragon City Hotel.

“F*ck! If you have the guts, come to the arena and let’s fight! Not to mention a security team, even if it’s a whole regiment, I can still wipe them out!”

After Gan Yan came out, he propped himself up and panted for a long time before cursing.

“How is it? Is there anything strange?” Lu Benwei suddenly appeared out of nowhere and asked.

“They don’t allow entry other than an invitation,” Gan Yan shook his head. “In short, it’s very difficult to enter.”

Lu Benwei frowned and patted his head.

“As expected, things are not as simple as we thought.”

“What’s the Wang family up to? Also, which family is the other one?”

“Another family?” Gan Yan’s jaw dropped.

Lu Benwei nodded with a serious expression. “It’s not just that.”

“How did you know?”

“I looked around just now. Other than the parking lot inside the hotel, all the parking lots and streets around the hotel are filled with luxury cars. Look!”

Lu Benwei pointed in a direction.

A Rexus LX570 was parked on the side of the street. A man with a big belly got down from the driver’s seat and entered the Dragon City Hotel with his mistress.

“This is obviously not someone from the Wang family!”

Gan Yan sensed that something was wrong.

“By the way, there are too many cars. Other than the ones inside the Dragon City Hotel, there are more than a hundred cars parked outside. According to the rule that each person can drive a car, there shouldn't be this many people in the Wang family, right?”

Lu Benwei's face became more and more solemn. “And they all need an invitation to enter. Is there a need to make such a big fuss over a banquet of apology?”

The two of them felt that something was amiss. All in all, Chu Yan had been tricked by Wang Qiaochu.

“What's this damned Wang Qiaochu thinking?” Gan Yan said through gritted teeth.

“Don't be rash. I've just done some investigation. The Dragon City Hotel has obviously strengthened its security! There are quite a few level-50 hunters!” Lu Benwei said calmly, “Let's sneak in first!”

“Alright!”

The two of them sneaked into the park.

There was still a long way to the hotel, and there were a few blind spots on the road.

However, this was not a problem for Lu Benwei. He activated the Eye of Insight and quickly avoided the surveillance area and came to the back door of the hotel.

“Tsk, it's really as easy as blowing off dust!”

Gan Yan was pleased with himself and was about to sneak into the hotel through the back door.

“Clack.”

The back door was locked.

Gan Yan's mood fell to the bottom of an ancient valley.

However, at this point, the security of the hotel seemed to be a little tight. A security team of ten people was slowly approaching.

“This way!”

Seeing that the situation was bad, Lu Benwei immediately called out to Gan Yan to escape in the opposite direction.

Just as they turned a corner, the two of them returned to their original spot.

After turning the corner, another security team was slowly approaching.

The two of them were currently trapped on the spot, and it was only a matter of time before they were discovered.

“Damn it, which old b*stard is so afraid of death that he's so strict?” Gan Yan was so angry that his nose was crooked.

...

What was worse was that the lock on the back door started to turn. Obviously, someone was coming out from inside!

“What do we do now?” Gan Yan asked anxiously.

Lu Benwei was quite calm and lowered his voice. “Move aside first. I’ll knock him out after the back door is opened. Support him according to the situation, in case he falls to the ground and makes a sound,”

“Are you sure it’s the same person?” Gan Yan’s expression was bitter.

“I can’t care so much, let’s do it first!”

As soon as he finished speaking, the back door was opened from the inside with a bang.

The two men were dressed in waiter’s uniforms, each holding a large trash can in one hand.

Lu Benwei did not say anything and immediately threw a punch. The man was wearing a hat and had his head lowered. After feeling the strong wind on his face, he hurriedly raised his head.

At this time, Lu Benwei saw the person’s face and was instantly stunned.

“Fan Peng?”

“Lu Benwei?”

...

“What are you doing here?” the two of them asked at the same time.

Gan Yan also took advantage of this opportunity to stop his movements.

“Why? Do you know each other?”

At this moment, the man who was with Fan Peng coldly rebuked, “Who are you people?”

As soon as he finished speaking, Fan Peng turned around and raised his fist to punch the man. The man screamed in pain and fainted.

The commotion immediately attracted the attention of the security guards around, and they quickly rushed over with heavy footsteps.

Fan Peng called out to Lu Benwei and Gan Yan to hide behind the back door.

Before the security guards arrived, Fan Peng stuffed the waiter into the trash can again.

“Who’s there?”

A security team arrived first. The leader of the security team had a stocky build and a resolute look in his eyes. One look and one could tell that he was a veteran who had fought on the battlefield for many years.

Another security team arrived. The head of the security team looked sloppy, and the words “I got in through connections” were written all over his face.

Chapter 459 Birthday Banquet

“Who are you? What are you doing sneaking around?” the captain of the security team, a veteran, asked coldly.

Cold sweat appeared on Fan Peng’s forehead, but he did not panic.

“Am I being sneaky?” he turned and asked forcefully.

The old soldier’s cold gaze turned dull, and he laughed at himself. “Alright, let’s go.”

!!

“Alright!”

Fan Peng was about to leave with the trash can, but the captain, who seemed to have connections, stopped him.

“Wait, I just heard someone scream. Was it you?”

Fan Peng’s eyes were very confused as if he did not understand why someone with connections would ask such a question.

“If it wasn’t me, who else could it have been?” he said, spreading his hands, “A ghost?”

A trace of maliciousness flashed through the captain’s eyes. “Then what’s your name?”

Fan Peng’s eyes inadvertently rolled around, and he said with an embarrassed expression, “This trash can is too heavy. I almost dropped it when I was going down the stairs.”

“Did you hit your foot?” The person sneered. “If that’s the case, then I’ll help you carry it.”

Fan Peng’s heart skipped a beat when he heard that. The waiter who was with him had been knocked unconscious and was now in the trash can. If he was discovered, Fan Peng would be finished!

Seeing the captain getting closer and closer, Fan Peng’s heart also started to beat faster. The captain arrived in front of Fan Peng.

Lu Benwei and Gan Yan, who were hiding in the corner, clenched their fists, ready to strike at any moment.

Fan Peng’s eyes gradually turned cold, and he was always on guard.

Suddenly, the captain pinched his nose. “Oh no, this is too stinky.”

In an instant, his expression was filled with disgust as he kept waving at Fan Peng, “Go away, go away! Why is this trash can so smelly?”

Fan Peng heaved a sigh of relief. He then took a deep breath and assumed a half-squatting posture.

After a muffled groan, Fan Peng picked up the big trash can with both hands.

The stains and oil on the outer wall scraped against his white uniform, causing the security guards around him to frown. They made way for him.

“Go back, all of you, go back!”

The captain waved his hands, and the two security teams returned to their original positions.

After a while, Fan Peng tidied up everything and turned back to the back door to meet Lu Benwei and Gan Yan.

“Fan Peng, what are you doing here?” Lu Benwei asked.

“You don’t need to know why I’m here. Why are you here?” Fan Peng asked in return, his face still filled with fear.

“It’s a good thing you ran into me just now. Otherwise, you two wouldn’t be able to leave this place in one piece today.”

“This Dragon City Hotel is so presumptuous. Is it worth such a big fuss?” Gan Yan smacked his lips in dissatisfaction.

“It’s not the Dragon City Hotel that’s being presumptuous, but the host of today’s birthday banquet!” Fan Peng explained to them.

“Birthday banquet?!” Lu Benwei and Gan Yan exclaimed at the same time.

As expected! The Wang family’s goal was not simple!

“Fan Peng, tell me, which family is hosting the birthday banquet?” Lu Benwei continued to ask.

“It’s the Zhu family of Dragon City. Today is Old Master Zhu’s 100th birthday! More than half of Dragon City’s influential people are here!”

“Damn, it’s the Zhu family from Dragon City,” Gan Yan exclaimed.

Lu Benwei was not interested in these families and asked, “How does the Zhu family of Dragon City compare to the Wang family?”

“Compared to the Wang family? Is the Wang family worthy of being compared to the Zhu family?”

“To put it simply, the Wang family is purely rich and has a bit of power.”

“But in this era, so what if you have power and influence?”

“The Zhu family still has power!”

Fan Peng and Gan Yan took turns explaining to Lu Benwei.

“The Zhu family is one of the most powerful families in the Dragon Kingdom. They have five or six level-90 kings!”

“I see.”

Lu Benwei had a basic understanding of the Zhu family.

“But what does this have to do with the Wang family?” he frowned.

“That’s right, what does it have to do with the Wang family?” Gan Yan was also confused.

“You don’t say,” Fan Peng said quietly, “With the Zhu family’s power, they won’t take the Wang family seriously at all. But I don’t know why, but recently the Wang family and the Zhu family have been very close. Speaking of which, why are you guys here?”

Lu Benwei’s expression became serious as he told Fan Peng everything.

Fan Peng’s face became more and more frightened. Lu Benwei also realized that Fan Peng’s expression was not right and asked in a deep voice, “Fan Peng, do you know something?”

“Lu Benwei, can you promise me one thing first?”

“Speak!”

“Don’t get too excited about what we’re going to hear later.”

“Alright,” he said.

Fan Peng swallowed his saliva when he heard this.

“I’ll put it this way first. I came here to work a week ago because I heard that this place is recruiting a lot of workers. First, they want people from other provinces, and second, they want students. Plus, the salary here is high, so I came. After staying here for three days, I learned that the Zhu family’s old master’s 100th birthday banquet will be held here, as well as some secret news.”

...

“What secret?” Lu Benwei asked, his right eye twitching.

“The big families of the Dragon Kingdom have an alliance” Fan Peng swallowed his saliva and continued, “The alliance has come up with a decision. Every ten years, they will open up a secret realm called the Holy Land for the disciples of the aristocratic families to train. Last year, the Holy Land’s secret realm opened.

“Not long ago, the Holy Land trial ended. A young master of the Zhu family stood out and became the number one among the descendants of the Dragon Kingdom’s aristocratic families. The Zhu family is very happy. They said that they would find him a beauty from the Dragon Kingdom! I heard about it the day before yesterday that they already selected a stunning beauty. The birthday and engagement party will be held at the same time!”

“Boom!”

A loud sound exploded in Lu Benwei’s ears like thunder. His face was gloomy and his bones were cracking.

Fan Peng’s face turned cold. “We have yet to reach a conclusion. Calm down. Besides, in modern society, I don’t think the Zhu family can force Chu Yan to get engaged to a stranger. Moreover, isn’t the Zhu family afraid of being crushed by the army led by Chu Yan’s father?”

Beside him, Gan Yan’s eyes lit up as if he had caught on to some information.

“Lu Benwei, calm down and try to call Chu Yan first.”

Lu Benwei's breathing gradually calmed down and he dialed Chu Yan's phone.

"Beeping..."

"Beeping..."

...

"Hey, you still know how to call me?"

"Chu Yan?"

Lu Benwei and the other two heaved a sigh of relief.

Chapter 460 Muddled Through

"Who else could it be if not me?" Chu Yan replied.

Lu Benwei heaved a sigh of relief and imagined Chu Yan's face when she said this, shaking her head, she gritted her little canine teeth and revealed a faint smile.

"Where are you now?" Lu Benwei asked again.

"In a room in the hotel," Chu Yan answered indifferently.

!!

The next second, she said, "Hey, annoying fellow, am I going to be snatched away? Are you coming to pick me up?"

Obviously, Chu Yan also knew about the Wang family's goal and the Zhu family's evil intentions.

There was a moment of silence.

"We will!"

"Pfft!" Chu Yan laughed out loud on the other end of the phone.

"Stop dreaming. I've already promised him."

"What did you just say?"

Lu Benwei's body was cold to the freezing point.

"I said I've already agreed to the Zhu family's request."

On the other end of the phone, Chu Yan gritted her little canine teeth and a faint smile appeared on her face.

"Why?"

"You tell me why?"

"Du du du..."

Lu Benwei asked repeatedly, but all he got was a mechanical toot sound.

Fan Peng's and Gan Yan's expressions were extremely ugly, their faces covered in dark clouds. "Lu Benwei, calm down!"

"Yes, don't be impulsive! There's a bunch of influential people and powerful people upstairs."

"If you rush in rashly now, it's very likely that you'll be surrounded and killed on the spot,"

"Hahahaha..."

Lu Benwei laughed hysterically, and the two were so scared that their faces turned pale.

The laughter only stopped after a long time.

Fan Peng and Gan Yan looked at Lu Benwei and muttered in their hearts, 'How is that possible?'

Lu Benwei moved and made a very soft sound, so the two could not hear him clearly.

"How could Chu Yan agree to the Zhu family's request? She just got in touch with the Zhu family not long ago... There must be something hidden from me."

When the two heard Lu Benwei's words, they were happy. It was good that Lu Benwei was not impulsive.

However, Fan Peng was still a little nervous. He asked, "Lu Benwei, what should we do now?"

"The debt with the Zhu family has to be settled," Lu Benwei said very calmly, "But before that, I have to figure out what happened to Chu Yan in the past few hours that made her agree to the Zhu family's request. Fan Peng, I need your help."

"Go ahead," Fan Peng said without hesitation.

"I need to find a way to meet Chu Yan, can you help me disguise myself?"

"That's not a problem,"

"Gan Yan, I need you to sneak out and meet us at the door," Lu Benwei said to Gan Yan.

"No problem!"

"Lu Benwei, you wait here first. I'll go get a set of server clothes."

After saying that, Fan Peng and Gan Yan began to split up.

Lu Benwei did not stay idle and dialed a phone number.

"Beeping..."

"Beeping..."

After a few beeps, the person picked up the phone.

"Hello, who's this?"

"Mr. Principal, it's me!"

...

At the same time, in the most luxurious suite of the Dragon City Hotel.

Chu Yan put down the phone.

“Annoying fellow...”

Hot tears rolled down from the corner of Chu Yan’s eyes and flowed down her perfect face. Her eyes were like water, rippling with blue waves.

If there was anyone else here, they would definitely curse. Who was it that had hurt this lovely person’s heart!

This was the second time Chu Yan had cried. However, this time, these were happy tears. Chu Yan wiped the tears from the corner of her eyes, took a deep breath, and walked out of the room.

“I want to see the Zhu family’s head,” Chu Yan said coldly to the guards outside the door.

On the other side, Fan Peng found the room where Chu Yan was and helped change Lu Benwei’s clothes.

“I’ll call a dining cart for you later. You can push it up to the 23rd floor. Chu Yan is in the room at the end of the corridor.”

Fan Peng helped Lu Benwei with his tie and helped him tidy up his waiter’s suit.

...

Lu Benwei spread out his hands and reluctantly let Fan Peng help.

“F*ck you! fan Peng cursed. “This old man’s birthday is so grand. Everyone in public must wear formal clothes.”

The two men were very close to each other, and their posture was quite ambiguous.

“The 23rd floor is for Presidential Suites, so the dining cart is to be delivered by special staff with formal clothes, but I can’t get you that outfit. Go to the 22nd floor first and then push the dining cart up.”

Fan Peng continued to urge.

Dragon City Hotel had strict management.

If Lu Benwei did not have a “proper” reason, he would not even be able to get into the elevator. Sending food to the 22nd floor was a “proper” reason.

Lu Benwei left the room first and went straight to the staff elevator.

Fan Peng hurried up to the second floor, then went downstairs, and went to the staff elevator from the other direction.

Ding! Ding!

The elevator door opened and Lu Benwei slowly pushed the dining cart in.

...

“Which floor?”

Even though it was a staff elevator, Dragon City Hotel had arranged for a staff member to help press the floor.

Many people were attending the banquet today, so it was inevitable that some dignitaries could not get into the elevator in time and ran to the staff elevator.

To reflect the meticulous and human nature of the Dragon City Hotel, a manager came up with this little idea.

“22nd floor,” Lu Benwei said lightly.

“Oh,” the person replied, “Do it yourself.”

Lu Benwei’s mouth twitched.

‘You were just asking me which floor it was!’

After pressing the floor button, the elevator door slowly closed. At this moment, a muscular figure ran over at high speed.

“Wait, don’t go yet.”

Lu Benwei helplessly pressed the open button again.

Fan Peng squeezed in.

The staff elevator was small to begin with, and there were dining carts.

Fan Peng “could only” squeeze toward another employee.

“Brother, I’m sorry!”

Fan Peng smiled apologetically.

The employee rolled his eyes and looked up. He could only see the top of the elevator and a face smiling like an idiot.

“Brother, how long have you been here?”

It’s been half a year, right?” the employee answered reluctantly, not wanting to have anything to do with this chatterbox.

“It’s been so long. Last week, I received 1,000 gold coins from six until midnight when I was looking for someone in the hotel!”

Fan Peng continued to jabber on and on, trying to distract the staff.

“Ding! We’ve reached the 22nd floor!” The mechanical sound of the elevator notification came.

Fan Peng smacked his head. “Oh, I was so engrossed in chatting with you. I forgot to press the elevator button. But it’s quite lucky that this brother is also going to the 22nd floor!”

Lu Benwei pretended not to know Fan Peng and gave a faint hum.

“You’re going to deliver your food, right? Let me help you!”

Then, he walked out of the elevator and helped Lu Benwei pull the dining cart.

“I say, isn’t the banquet starting soon? Why is someone still ordering?” Fan Peng continued to jabber on, pretending to be a chatterbox.

The staff in the elevator sighed and looked at Lu Benwei sympathetically before closing the elevator door.
