

Dungeon 501

Chapter 501 Mutation

The Three-tailed Crocodile shuddered.

“Brother Dog, are you joking? My blood is too dirty. How can I tarnish your seal?”

The crocodile smiled apologetically while showing off the fat on its belly.

The Three-headed Dog sneered and pouted at the Hell’s Well.

“Kill yourself, save yourself the pain.”

“Then, Brother Dog, I’m really going!” The Three-tailed Crocodile cried and begged.

As he spoke, he patted the Three-headed Dog’s shoulder.

Suddenly, the Three-tailed Crocodile’s eyes turned vicious. A huge force erupted from his body. All the strength in his body was used to throw the Three-headed Dog on its back! “Rumble!”

The Three-headed Dog was embedded in the ground, and spiderweb-like cracks spread throughout the entire mountain.

“Brother Dog, I don’t want to hit you either! But if you want me to die, then there’s nothing I can do!”

The Three-tailed Crocodile swung his tail, erupting with unprecedented power.

“Pa!”

The three tails merged into one and struck the Three-headed Dog.

“Rumble!”

Countless sand and stones flew in all directions, and the sound of huge rocks shattering resounded throughout the world.

“Damn it, I still have to take action at this critical moment!”

The Three-tailed Crocodile looked at the deep pit on the ground and blew his nose. It stood up and said proudly with its hands on its waist.

However, a voice came from underground, causing the Three-tailed Crocodile’s expression to instantly darken.

“You have guts!”

A black shadow crawled out from the deep pit, and lightning and fire appeared beside the Three-headed Dog!

“Hell’s Punishment...”

The Three-headed Dog began to chant its incomparably powerful skill to vent the anger in its heart.

The crocodile was trembling, but in the end, he gritted its teeth and charged forward.

“Demonic Light Destroys Rivers and Mountains!”

The demonic light surged between the mountains and rivers, trying to stop the punishment thunder from falling.

However, there was a figure who was faster than him. He punched out, and divine light burst out!

Lu Benwei!

The Nine Tribulations Regeneration Technique allowed him to defy the heavens and change his fate, allowing him to stand in the world unscathed!

Lu Benwei grabbed the middle head of the Three-headed Dog tightly. He burst out with unprecedented strength and lifted it to face the destructive demonic light.

“Boom!”

“Ahhhh!”

The Three-headed Dog screamed in pain. All the hair on his body evaporated, and he became a bald dog!

“I’ll kill you, I’ll kill you! If I, Three-headed Dog, don’t kill you, I swear I’m not a dog!” The Three-headed Dog was furious!

“Ptui!” The crocodile mocked.

“Three-headed Dog? I think it’s a Three-headed Bald Dog!”

The Three-headed Dog was furious and charged forward to fight the crocodile.

The crocodile’s hand-to-hand combat skills were extremely poor. Although his skin was rough and his flesh was thick, it was soon beaten black and blue by the Three-headed Dog, and his teeth fell out.

Seeing this, Lu Benwei went forward to help the Three-tailed Crocodile.

With every punch, the Three-headed Dog would scream and spit out a mouthful of teeth.

However, the Three-tailed Crocodile’s “Three-headed Bald Dog” really angered him.

He only had eyes for the giant crocodile.

Their teeth kept falling out until there was nothing left in their mouths.

“Big brother, how did you revive?”

Taking advantage of this gap, the Three-tailed Crocodile asked the question in its heart.

“I clearly saw you being beaten into powder by that bald dog.”

“Resurrection? Isn’t it just the Nine Tribulations Regeneration Technique?” The Three-headed Dog sneered.

“If I’m not wrong, you should have cultivated to the sixth tribulation. Even if you turn into dust, as long as your soul is still there, you can reach immortality!”

The Three-tailed Crocodile's jaw dropped as he listened.

"As long as your soul is still there, no one can hurt you? Big brother, isn't this too heaven-defying?"

"I don't know." The Three-headed Dog shook his head and sneered. "But do you think that at my level, I don't have any means of attacking the soul?"

"Hell's Punishment: Death Flames!"

Endless black flames spewed out of Three-headed Dog's mouth, and the sound of ghosts roaring could be heard.

Lu Benwei's expression was cold, and a cold light flashed between his brows.

A dazzling ice crystal lotus emerged from between his eyebrows, blocking in front of Lu Benwei.

...

"Ice Lotus!"

Lu Benwei obtained a divine item during the National Class Tournament. He had wanted to help Lu Ziling suppress the Divine Fire, but he had been summoned here.

Lu Benwei put away his surprised expression and drew a circle with one hand, triggering the Ice Lotus to catalyze the hellish flames!

The hellish flames turned into ordinary flames under the frost lotus. The giant crocodile waved his tail and extinguished them. The Three-headed Dog was shocked. It did not expect Lu Benwei to have such a skill. "Let's see how many lotus flowers you can make!"

"Boom!"

Black flames covered the sky, and every time a ball of fire fell, it was a world-destroying fire. Lu Benwei held the sky with both hands and triggered the laws of heaven and earth.

The Ice Lotus hung high above his head, and wisps of Ice Divine Power descended.

"Mountain Sea Seal!"

"Rumble!"

Lu Benwei did not summon an ocean. Instead, he summoned ice mountains that broke through everything and formed a frozen mountain range.

The hellish flames rained down as if they could burn everything. In the end, they collided with the frozen mountain range.

...

"Rumble!"

The icebound mountain range continued to move forward in an unstoppable manner! It was like an iron horse that could crush everything!

“Swoosh!”

The mountain range was turned into seawater by the flames. Lu Benwei summoned a tsunami and crushed the Three-headed Dog.

Lu Benwei’s attacks did not stop as he chanted the Ten Thousand Lightning Killing Formation!

“Rumble!”

The world turned into a sea of lightning. The destructive power raged within the range of the formation, burning all living beings. The Three-headed Dog cried out in fear and begged, “I know I was wrong. Let me live.”

Lu Benwei did not show any mercy, allowing the lightning to surge within the formation. However, the Three-headed Dog was also thick-skinned. After the thunderclouds dispersed, he sat on the ground. The three dogs stuck out their tongues and kept exhaling.

“I was wrong. Please spare my life!” The Three-headed Dog whimpered continuously. Lu Benwei pressed his sword against his chest and stepped on him.

“What’s sealed in the Hell’s Well? Why can it devour the lives of living beings?”

At this moment, Lu Benwei suddenly heard the old beggar’s voice.

“No, you can’t! You can’t do that!” Everyone looked in the direction of the voice.

On the top of First Mountain, the old beggar dragged his scarred body and chased after Qi Xin!

On Qi Xin’s back was Er Hu, who had been knocked unconscious by Lu Benwei.

At this moment, she was frantically running toward Hell’s Well!

“Not good!” Lu Benwei shouted uneasily. Meanwhile, the Three-headed Dog was on the verge of madness. “Yes, that’s it. Sacrifice living beings into the well!”

Lu Benwei cursed in his heart and then crazily ran toward Qi Xin.

“Don’t even think about it!” The Three-headed Dog regained some of his spirits and exploded with explosive power.

“F*ck, are you treating me like I don’t exist?” the giant crocodile shouted and raised its tail to slap the dog.

Chapter 502 Danger

Lu Benwei activated Lightning Speed and ran toward Hell’s Well.

He did not know what was inside the well, but he knew that the thing must never be released. The old beggar also chased Qi Xin with a limp. “You wild girl, you’re being sold and you’re counting money for others! The first layer of the seal is to let you awaken the most perfect bloodline power. But this is also that bald-skinned dog’s source of power!” the old beggar spoke bitterly about the seal of Hell’s Well.

“He’ll eat you, and then no one here will be able to stop him! We’ll have to follow you and be buried with you!”

Finally, as Qi Xin ran to the side of Hell’s Well, she stopped in her tracks.

“Are you telling the truth?” Qi Xin’s face was full of tears.

The old beggar took a long breath. “Of course, it’s true. I’m an old man, why lie to you?”

Lu Benwei also arrived at this time, feeling relieved after seeing Qi Xin no longer running toward Hell’s Well.

On the other hand, the giant crocodile dragged the Three-headed Dog to his death. The crocodile’s body became incomparably huge, and heavily pressed the dog underneath his body.

The Three-headed Dog was furious and ate half of the giant crocodile’s stomach, all into the flesh.

“Eat, eat. Wait for my big brother to come over. Then, I’ll let you spit it out the way you ate it,” the giant crocodile coughed out blood and said weakly.

At this moment, the old beggar kept persuading Qi Xin.

“Child, listen to my advice. We’re your compatriots. We definitely won’t harm you.”

Qi Xin nodded and wiped the tears from the corners of her eyes.

Lu Benwei heaved a sigh of relief and turned around to support the Three-tailed Crocodile. At this moment, he heard Qi Xin behind him say, “If I get eaten, can I take revenge for my brother?”

Instantly, the old beggar and Lu Benwei’s eyes widened. They resolutely threw the unconscious Er Hu into Hell’s Well.

At this moment, the entire world fell silent. It was as silent as death.

“Plop!”

Er Hu’s miserable cry was heard immediately after. Blood qi spewed out from Hell’s Well, instantly dyeing the sky red.

The miserable howls of ghosts came from underground and reached everyone’s ears.

Even Lu Benwei could not help but feel his hair stand on end, and a chill ran down his spine. “Brother Dog, have you eaten enough?” The Three-tailed Crocodile’s eyelids twitched. “Why don’t you eat some more?”

At this moment, a blood pellet spurted out from the well, and the Three Headed-Dog shouted, “Eat him!”

Without another word, Qi Xin swallowed the blood pill. Her body erupted with unparalleled power. At the same time, the phenomenon of the Purgatory of Thunder and Fire evolved above Qi Xin’s head.

“Old man, what’s this?” Lu Benwei’s eyelids twitched wildly, and he felt anxious and uneasy.

“I’m not too sure either!” the old beggar shouted, “The Three-headed Dog controls three types of hell energy. The first two are the Lightning of Punishment and the Fire of Hell. The last one is the most powerful and is the source of all hell.

“The ancestor of the Qi family and the bald dog controlled these three powers together. However, he realized that the power of hell was too terrifying, so he sealed this power before he died. That bald dog is also sealed here!”

Lu Benwei seemed to have thought of something, and his eyes were filled with fear. “Then the third power is...”

“Yes, it’s exactly what you think!” the old beggar replied, “Undead power!”

Countless ghosts crawled out of the well. They were all the dead souls that the Three-headed Dog had sacrificed for nearly a thousand years.

Qi Xin’s expression was ferocious at this moment, and her eyes became like an abyss.

“Grandson, Qi Xin is only gaining a form of power now. Kill her, and everything can be saved!” the old beggar shouted. Lu Benwei immediately took action and activated the Divine Sword of Destruction to kill Qi Xin immediately.

Countless spirits and vengeful souls pounced forward, forming a physical shield. Qi Xin’s voice became extremely distorted. “Chu Lu, you killed my brother. As long as I can kill you, I’m willing to bury the entire world with you!”

The old beggar’s expression changed drastically as he shouted, “Not good. She’s going to let that bald dog eat her. The bald dog is beyond our knowledge. It has lived for more than a thousand years and has obtained complete power. I’m afraid the entire Tianjin and Dragon City will fall!”

Lu Benwei knew that things were not good. He chanted a myriad of lightning spells and prepared to sacrifice all the living beings in this area.

On the other side, the Three-tailed Crocodile knew about the situation above the first mountain and slapped his belly!

“Damn it, I can’t let you destroy this place. I’m still waiting to find the little female crocodile!” As he spoke, he dragged his heavy body and shook it.

Under the endless sea of lightning, tens of thousands of undead turned into ashes. However, this was almost a drop in the ocean for the entire undead army. Countless undead pounced on Lu Benwei and bit his body.

“Break!” Lu Benwei shouted and broke free from the undead on his body. Then, he swung his fists and struck out one galaxy after another.

The old beggar was not idle either. He dragged his body and limped as he chased after Qi Xin.

Everyone was risking their lives, including Qi Xin.

At this moment, her eyes were completely blinded by hatred as she walked down the mountain.

The Three-headed Dog finally gnawed a huge hole in the giant crocodile's stomach and crawled out. It was covered in blood and looked very terrifying.

The Three-headed Dog was overjoyed when it saw that Qi Xin was running toward him, and he started running toward Qi Xin. "Brother, I'll be able to avenge you soon. I want that Chu Lu to die without a burial place!"

Countless grudges surged in Qi Xin's heart. However, the moment she met the Three-headed Dog, Qi Xin immediately regretted it. The thing in front of her was too terrifying.

His body was covered in blood, and his skin was dry and bald without any fur. Blood had coagulated and stained his skin. His crafty eyes were filled with joy, both ugly and terrifying.

"You... Get lost!"

Qi Xin became extremely terrified. Only then did she realize how ridiculous she had been. However, it was too late. The Three-headed Dog opened his mouth and swallowed Qi Xin!

In the end, Lu Benwei was a step too late. He watched as the Three-headed Dog fur slowly grew, and his body erupted with unprecedented strength.

A thousand years ago, he had already followed a king tier at the limits of Saint Qi. His peak combat strength was immeasurable! The moment the Three-headed Dog awakened, the world turned pale as if it had come alive.

Everyone was in grief.

Cracks appeared in the First Mountain Secret Realm and spread to the entire Three Mountains Secret Realm. It was the power of laws collapsing.

All the living beings in the secret realm trembled and fled in all directions. The Three-headed Dog opened his mouth and spat out a mouthful of turbid air that spread for thousands of miles.

All the creatures that were running wildly were instantly taken away and turned into undead.

...

Chapter 503 Go All Out

A scene of hell played out in the secret realm. The black hellish flames destroyed everything, and bolts of lightning split the sky. Countless spirits of the dead were in pain and grief as they continuously rushed out of the secret realm.

In Jinmen City, a cold wind blew, and dark clouds filled the sky.

Nearly 90 percent of the citizens in Jinmen City had caught a cold for no reason, and their bodies were cold from head to toe. Even some of the powerful hunters were sneezing crazily. Some people who were sick could not even stand up.

The hospital was overcrowded, and the ambulances were almost overloaded as they shuttled through the streets.

The situation in Jinmen City quickly attracted the attention of the higher-ups.

City Hall.

The commander of the army stationed in Jinmen City, the president of the Hunter Association, and the director of the Law Enforcement Bureau were all gathered, waiting for the arrival of the mayor of Jinmen City.

"Everyone, cough cough... Hello, everyone!" Wu Xian, the mayor of Jinmen City, pushed the door open and entered. A doctor in a white coat came with him.

The old man's name was Li Xueyuan. He was highly respected in the medical field of Jinmen City and the Dragon Kingdom. He was knowledgeable and respected.

Seeing Li Xueyuan's arrival, everyone stood up in unison. "Old Li!"

"Cough cough!" Li Xueyuan coughed a few times and waved his hand to signal for everyone to sit down.

"I have bad news for everyone. The cause of the disease that has swept the entire city is something that cannot be explained. Cough cough..."

As soon as he finished speaking, everyone began to discuss in low voices.

"What unclear thing?"

"Isn't it a virus?"

Li Xueyuan waved his hand again to silence everyone.

"Cough cough... Everyone, I also hope that this crisis is caused by the virus. It's a pity that we used the most advanced equipment, but we couldn't extract the virus or bacteria from the patient's body fluid."

After a pause, Li Xueyuan coughed loudly.

"I'm sorry, I've been infected too. But don't worry, this disease isn't contagious."

"Old Li, don't keep us in suspense. What's up with this?" someone asked.

"Negative qi has entered my body!" Li Xueyuan straightened his expression and said.

"What is it? What is negative qi entering the body?"

"This kind of thing only exists in novels, right?"

"Did Elder Li run out of ideas and deliberately make up a mysterious thing to scare us?"

Li Xueyuan's expression gradually became solemn when he saw the reactions of the people below him.

"Everyone, I'm not joking! Right now, the negative qi is still spreading outward. At that time, not only will Dragon City suffer, but the entire Dragon Kingdom will also suffer. The reason why I gathered all of you together is because I want to rely on everyone's strength to find the source of the negative qi."

Seeing Li Xueyuan's serious expression, the crowd finally believed him.

"Since it's a mysterious thing, the first place to investigate must be the Three Mountains Secret Realm."

“Is there anything going on in the Three Mountains Secret Realm?”

The commander of the Tianjin garrison shook his head. “I don’t know.”

However, he immediately made a call.

“Beep...”

“Get me Three Mountains Secret Realm!”

About half a minute later, a hurried voice came from the other end of the phone. “Commander, we can’t contact the troops stationed at Three Mountains Secret Realm!”

Three Mountains Secret Realm!

The hellfire burned everything, and the lightning of punishment fell.

Lu Benwei was covered in blood. His dual-origin bloodline had been circulated to the limit!

The four great enhancement skills had already strengthened his ability to the height of nearly level 70. Even so, he was still unable to do anything against the Three-headed Dog.

“Star Shattering Fist!”

Lu Benwei unleashed a full-powered attack, and a curved galaxy appeared in the sky. The Three-headed Dog stood up and waved his hand gently, dispersing all the galaxies.

“How many times have I told you? Only that lousy lightning array of yours is useful to me!”

Lu Benwei spat and activated the Ten Thousand Lightning Killing Formation! The lightning struck down, mixed with the power of destruction. The world was covered in a vast expanse of white, and all the undead that approached were turned into ashes. The endless lightning was like a huge wave washing away sand as it met the Three-headed Dog. His body was charred, and his bloody bones were exposed.

Lu Benwei’s expression was cold, his naked skin revealing his strong muscles. The Three-headed Dog had the same heaven-defying recovery skill as the Nine Tribulations Regeneration Technique. If it could not hit the soul directly, it would not be able to hurt him effectively. Moreover, the Three-headed Dog had never used its full strength since it recovered. It seemed to be using Lu Benwei to exercise its muscles.

‘Which move can I rely on now?’ Lu Benwei thought to himself and then raised his fist to attack. The Three-headed Dog’s wounds healed rapidly, and he swung his claws to meet the attack!

“Boom!”

Half of Lu Benwei’s body was crushed, and red blood splattered into the sky.

The Nine Tribulation Regeneration Technique was quickly restored.

At this moment, the Three-headed Dog let out a long sigh of relief and stretched his body.

“Boring! I wasted so much time in front of you!”

The Three-headed Dog waved his hand.

“Puff!”

Lu Benwei turned into a bloody mist on the spot, leaving only his head hanging in the air.

“Hiss~”

Lu Benwei gasped.

...

Although he had expected that he would be beaten up by the Three-headed Dog, he did not expect that he would not even have the chance to retaliate.

With a wave of his sleeve, it was as if he was casually swatting an insect to death.

“Eh? I almost forgot that you have the Nine Tribulation Regeneration Technique. You’ve cultivated it to the sixth tribulation and your body has reached the point of indestructibility. To be able to learn such a supreme divine technique at such a young age, it’s really amazing. It’s a pity that you don’t know how to adapt to the times. If you can recognize me in time and beg to be my pet, I can consider letting you live.”

Lu Benwei felt disgusted.

The Three-headed Dog commented on him casually as if it was commenting on a delicious meal.

“Pah!”

“I swear to make you into a dog meat hotpot today!” The Three-headed Dog laughed instead of getting angry. “Puny human, I find you cute even if you get angry! I want to tame you even and treat you as my pet.”

“In your dreams!” Lu Benwei spat and rushed more forward with his Furious Dragon Battle Armor.

[Mad Demon. Furious Dragon Battle Armor +10]

[Equipment Effect: Power of the Mad Demon Raging Dragon]

...

[If his strength was above 50 percent, his four attributes would be increased by 300 percent. If one’s strength was below 50 percent, and above 20 percent, the four-dimensional attributes would receive a 500 percent bonus.]

[Your strength has dropped below 20 percent. Your four-dimensional attributes have increased tenfold!]

The power of the Mad Demon Raging Dragon had given Lu Benwei unparalleled strength! However, this was not enough! He needed more power!

“Clear Heart Slash Technique!”

Chapter 504 Full of Fighting Intent

Lu Benwei was not sure. How powerful was the Three-headed Dog? However, he knew that he had to go all out!

“Clear Heart Slash Technique! Fifty times increase in combat strength!”

Lu Benwei sacrificed 50 percent of his strength!

The power of the Mad Demon Raging Dragon was activated! A fivefold increase in combat strength!

With the Ancient Sword of Clarity in hand, his combat strength would increase by three times! Dual-origin bloodline circulation, four great amplification skills to strengthen his body, and a tenfold increase in combat strength! Sixty-eight times increase in combat strength! Lu Benwei could only fight with a king! “Boom!”

Lu Benwei blasted out and started a bloody battle with the Three-headed Dog!

In an instant, the mountain collapsed, the mountains and rivers shattered, and the sun and moon lost their luster at this moment.

The universe returned to silence, and only the sound of Lu Benwei and the Three-headed Dog’s fists hitting flesh could be heard.

The Three-headed Dog lost his confidence. How did this kid suddenly become so powerful? It was simply unheard of!

Under the starry sky, two figures were fighting. The chaotic divine light was fighting against the black figure. Their bodies were like steel. Every time they collided, brilliant sparks would be produced, and the crisp clanging sound would prove it.

Furthermore, they were as fast as lightning. The two of them first started fighting on the peak of a mountain. Then, in the blink of an eye, they teleported from one place to another and flew into the vast sky. It was as if they were crossing the void, colliding with wisps of divine light. The powerful aura was terrifying.

Lu Benwei battled against a king and was not at a disadvantage. He used Lightning Speed to travel in the void.

His expression was extremely cold, and his muscles were strong. His dual-origin bloodline fused in his body, making him transparent like glass. He emitted a chaotic light with divinity as he engaged in a world-shaking battle with the Three-headed Dog.

This was a collision of pure divine power. Every punch was accompanied by rumbling thunder!

The two of them had a powerful aura. The chaotic divine light emitted a bright light. The power of hell made the stars and moon dim, and the powerful fluctuations interweaved like a vast ocean!

“Clang!”

The sword hummed as Lu Benwei swung his sword horizontally. The sword surged with dark light. At this moment, the world seemed to tremble. The dark light flickered and rippled!

“Clang! Clang! Clang!”

The Three-headed Dog used his head to block the attack. It was as tough as a mountain, and sparks flew everywhere when it collided, making the sky extremely bright.

On the surface, he seemed to be able to deal with it easily, but in his heart, he was already extremely shocked.

Just now, Lu Benwei was like a maggot in his eyes that could be easily crushed to death. Now, he erupted with unprecedented battle strength and clashed with him head-on. He even suppressed him to the point where he could not breathe.

“How did you do it?” the Three-headed Dog finally could not hold it in anymore and asked in shock.

Lu Benwei ignored him and threw a punch.

Like a falling galaxy, a vast expanse of stars and meteorites swept across the nine heavens and ten lands, shocking the world.

“Rumble!”

Half of the Three-headed Dog’s body was smashed into pieces, and it kept retreating! Lu Benwei did not give him a chance to catch his breath. He raised his sword and swung it!

“Buzz!”

The sound of metal colliding exploded in his ears. The Three-headed Dog’s copper head and iron brain let out a series of metal-piercing sounds. Flames, lightning, and black gas came out of the cracks, resisting Lu Benwei’s cold sword light attack.

Lu Benwei ignored the thunder fire and black and swung his sword 365 times in gas succession. The sharp sword light of the sword spat out a dazzling light and surrounded a circle of terrifying sword qi fluctuations!

“Boom!”

“Boom!”

“Boom!”

The three heads of the Three-headed Dog exploded, and his body trembled!

However, very quickly, the Three-headed Dog’s heads recovered, and a supreme healing divine technique was circulating!

“I’ve really had enough!”

He no longer had the mentality of toying with Lu Benwei. His crafty eyes were burning with anger.

The three pairs of eyes suddenly lit up like magic lamps, shooting out six purple death rays that pierced through the void, aiming at Lu Benwei’s vital points!

Lu Benwei immediately felt the power of the death ray. His soul was telling him to dodge.

‘A ray that can destroy souls!’ Lu Benwei thought so and hurriedly dodged!

Only when the Nine Tribulations Regeneration Technique was cultivated to the seventh level could one’s soul be repaired. For a hunter, a damaged soul could be said to have taken half of his life.

The sharp death ray was unparalleled. Wherever it went, everything was destroyed. Even the First Mountain Secret Realm began to shatter. This secret realm formed by incomplete nomological power could not withstand such an attack at all.

Lu Benwei's eyes flashed with light as he activated the last level of his Lightning Speed. His speed reached its limit as he took a step forward. He was like a comet that streaked across the sky, incomparably dazzling. Six death rays shot into the distant mountains, turning the mountains into flat ground. "How terrifying. Fortunately, I wasn't hit!" Lu Benwei heaved a sigh of relief. At this moment, the Three-headed Dog sneered and continued to launch various strange attacks!

A black hellfire descended from the sky! This was the true hellfire. Every inch it descended, many undead would turn into a bloody mist, sacrificing their lives to the hellfire in the sky. Boundless, unavoidable!

Lu Benwei's powerful aura was restrained, and his pores absorbed the power of darkness and light between heaven and earth. His entire body bloomed with light, and a domineering blood qi filled the air. He wanted to survive this calamity.

"Boom!"

In the boundless hellfire, ghosts and gods wailed. The souls of all living beings and undead that were affected were burned and then annihilated in the human world. Large mountains were affected by the flames and turned into dust in just a few seconds!

"Hahaha!"

The Three-headed Dog laughed maniacally.

"Human, you're too arrogant! This is a flame that can burn one's soul. Even if you have the Nine Tribulation Regeneration Technique, it will be useless... Hmm?" The Three-headed Dog's smile suddenly froze on his face.

The flames dissipated, revealing white bones in the wild. It was a scene of suffering. However, there was a bronze hall that stood in the wilderness. It was as majestic as a mountain. "Where did this come from?" The Three-headed Dog searched its memories carefully, but it did not remember that there was such a huge creature in the secret realm. Suddenly, the bronze hall moved and attacked him heavily! "Rumble!"

With a loud rumble, the world shook. Countless mountains were cut off and turned into dust that fell into the sky.

Regardless of whether it was the incomplete rules of the First Mountain Secret Realm or the Three Mountains Secret Realm, cracks appeared in the sky. The nomological laws fell off, and they were almost destroyed by this attack.

The Three-headed Dog had already been sent flying. His internal organs had been hit, and his three mouths kept coughing up blood. Moreover, his soul had suffered a shock, and he stood rooted to the ground as if he had lost his soul.

...

Chapter 505 Destroy the Heavens and Earth

“Boom!”

Lu Benwei activated the Bronze Temple and it exploded with unparalleled power, attacking the Three-headed Dog!

The powerful Three-headed Dog could only run away with his tail between his legs under the might of the Bronze Temple.

“Buzz!”

The outer wall was engraved with strange mountains and rivers. The inscriptions of birds and beasts emitted divine light.

‘The Bronze Temple is indeed extraordinary! I’m afraid even an orange-grade weapon would pale in comparison to it.’ Lu Benwei thought to himself as he once again directed the Bronze Temple to attack.

“Rumble!”

The Bronze Temple shook like thunder and divine light shone brightly. It was like a star smashing down on the Three-headed Dog.

The Three-headed Dog roared and summoned countless bolts of lightning to attack the Bronze Temple.

“Rumble!”

Countless bolts of lightning struck the bronze walls of the Bronze Temple with boundless power. The lightning bolts were shining brilliantly, and the birds and monsters on them seemed to have come to life. The immortal phoenix and divine tiger galloped between the mountains and rivers.

“Boom!”

It was unstoppable!

The Three-headed Dog’s offense and defense were shattered, and he was hit by the Bronze Temple!

“Waah!”

The Three-headed Dog coughed up a large mouthful of blood, and all the bones in his body turned into powder.

At the level of a king, unless the soul was injured, all physical injuries could be healed. Moreover, the Three-headed Dog had a supreme healing technique, and his body quickly recovered.

However, he was afraid!

The Bronze Temple had transcended the laws of this world. Any attack was useless against it. It was incomparably awe-inspiring and domineering!

The Three-headed Dog’s eyes were filled with fear. “Kid, listen to me. If the two of us join forces, we’ll be able to dominate the entire world. I’m willing to share it with you!”

“Haha!”

Lu Benwei sneered. "Split it equally with me? Touch your heart and tell me, are you willing?"

The Three-headed Dog had been dormant for another thousand years, so it also had some trump cards!

"Brat, don't force me! You're not the only one who has a trump card!"

After saying that, the Three-headed Dog let out a strange howl.

The wind and clouds suddenly changed, thunder rolled, and lead clouds fell to the ground. The spirits of the dead began to wail and wail. Their cries were so mournful that they made one's hair stand on end.

"Are you trying to gather all the power of the undead?" Lu Benwei asked.

Returning to reality, Lu Benwei activated the Bronze Temple and smashed it at the Three-headed Dog!

"Rumble!"

The Three-headed Dog coughed out large mouthfuls of blood, and its soul also trembled.

However, Lu Benwei was wrong. The power of the undead was not activated by the Three-headed Dog, but by the undead! The Three-headed Dog was only acting as a commander.

All the undead began to gather. They were densely packed and constantly let out terrifying mournful cries, just like the zombie world of the end of the world.

A mountain-like undead was formed. Its bones were dense, and its eyes were burning with ghost fire.

"Boom!"

The huge undead raised its white bone fist and smashed it down like a meteorite.

Lu Benwei activated the Bronze Temple to block it. Like a divine weapon, the Bronze Temple could block everything.

"Rumble!"

The sound of the mountain collapsing could be and heard. Countless boulders rolled down, dust continued to rise into the sky, enveloping the earth layer by layer.

Lu Benwei looked back, and the huge undead smashed into the first mountain.

"This..."

Before Lu Benwei could react, his second punch landed on the first mountain.

"Rumble!"

The entire mountain emitted a dazzling light.

The power of laws turned into fragments and stabbed into the white bones of the huge undead.

"Boom!"

The nomological fragments exploded like a galaxy shaking, emitting soul-shaking fluctuations.

The arm of the huge undead was blasted apart and fell off its shoulder. It was as if a mountain had collapsed, and smoke and dust surged in all directions.

This was the First Mountain Secret Realm's counterattack, using the incomplete power of laws to resist the huge undead.

However, Lu Benwei did not understand what was on the first mountain that made the Three-headed Dog do this.

Lu Benwei saw the old beggar on the first mountain. He was not dead yet! He kept waving his arms at Lu Benwei and shouting something!

At this moment, the huge undead moved again, wanting to ram its head into the first mountain!

Lu Benwei finally heard the old beggar's voice.

"Stop him!"

Lu Benwei did not say anything else and directed the Bronze Temple to smash toward the huge undead.

...

"Boom!"

With a loud rumble, the world shook, and the sun, moon, mountains, and rivers lost their light. This was Lu Benwei's full-strength attack, and almost no one could block it!

The Three-headed Dog's eyes were fiery red. It let out a strange howl and charged forward. The hellfire, lightning of punishment, and all kinds of artifacts blocked Lu Benwei's path. The Sacred Bronze Temple was incomparably powerful. All kinds of divine art were like paper in front of him, shattering into pieces!

"No!" The Three-headed Dog screamed! "Human brat, you forced me to do this."

After saying that, the Three-headed Dog charged at the old beggar at lightning speed.

Like the Three-tailed Crocodile, the Three-headed Dog grew up in the world, and no morals could restrain it. From the time he was sealed until now, who knew how many people had died under his claws?

Lu Benwei and the old beggar were stunned.

"F*ck!"

The two of them cursed at the same time.

The old beggar turned around and ran, while Lu Benwei put away the Bronze Temple to save the old beggar!

"Haha, this is the effect I wanted!" While the Three-headed Dog was laughing crazily, the giant undead bumped its head on the mountain.

...

"Boom!"

After a loud bang, the world returned to silence.

Lu Benwei felt a chill down his spine as he stared at the Hell's Well on the mountain peak. The sound of seawater pouring in was like the water of hell surging up!

Seeing the black well water gushing out, the chill in Lu Benwei's heart became even more intense. An inhuman murmur sounded in his ears as if a ghost was chanting in his ears. "What exactly is coming out?"

Lu Benwei's heart was beating violently.

At this moment, a bright light flashed between Lu Benwei's eyebrows, and an incomplete stigma appeared.

"Buzz!"

The stigma buzzed, and the world returned to silence! After waiting for a long time, an earth-shattering sound came from the well.

"Buzz!"

At the same time, there was a powerful fluctuation.

Other than the first mountain, the second and third mountains exploded!

The undead was turned into powder, and there were no ashes left.

The sun, moon, and stars began to tremble under this huge fluctuation. The entire Three Mountains Secret Realm began to collapse. Cracks appeared in the sky as the void devoured everything.

The earth rumbled as mountains collapsed and rivers broke. An incomparably powerful aura shattered the world.

The Three Mountains Secret Realm was almost ten thousand kilometers in radius, and everything was razed to the ground after the sound.

Chapter 506 Perfect Stigmata (1)

Perfect Stigmata Lu Benwei gasped.

The water from Hell's Well was still pouring out. The interior rumbled as if something was about to come out.

The old beggar crawled out of the rubble and kept winking at Lu Benwei.

Lu Benwei had already noticed him.

It was not easy to survive this destructive fluctuation. He looked around and realized that the Three-headed Dog had disappeared. He immediately flew in front of the old beggar.

At this moment, the old beggar's body was dripping with blood. He must have been affected by the fluctuation just now.

After Lu Benwei landed, the old beggar said, "Grandchild, when that thing comes out later, you must take it down at all costs. You mustn't let it be snatched away by that bald dog. I'll help you when necessary!"

With that, the old beggar fainted.

Lu Benwei still had a few questions. 'Who are you? Why do you know so much about this place?' What was that Three-headed Dog? It was even more terrifying than the monsters he had seen! Also, what exactly was in the well?

The rumbling grew louder and louder as if the earth was trembling.

Buzz!

The incomplete stigma suddenly flew over and weakened its aura in front of Hell's Well as if it was kneeling!

"Are there stigmata in there?"

Lu Benwei guessed. However, when he thought about it, it did not seem to be a stigma. Even the most precious six-striped stigmata could not have the power to destroy the world.

"Boom!"

A surging power erupted at this moment, and a black crescent moon slowly rose from the well, emitting an unparalleled power. This was a hybrid of contradictions.

Lu Benwei's eyelids twitched wildly. He was shocked by the terrifying aura of the black crescent moon. However, this power was very pure, like a newborn baby. He could not help but want to touch it.

Lu Benwei remembered the old beggar's words and rushed forward.

The Three-headed Dog had been lying in ambush. After waiting for a long time, a black figure descended from the sky.

Lu Benwei activated the Bronze Temple, the Ice Lotus, the incomplete stigma, and all the other treasures to stop the Three-headed Dog!

The incomplete stigma buzzed and activated Soul Impact!

The Three-headed Dog was shocked. "How dare you!"

"Buzz!"

The incomplete stigma resonated with the black crescent moon. They shook together, and a tsunami-like fluctuation appeared.

Lu Benwei and the Three-headed Dog were both shattered into pieces. Even their souls were injured!

At this moment, Lu Benwei finally understood that he had guessed wrongly. This black crescent moon was a stigma! It was only because it was missing its other half that Lu Benwei thought it was a black moon!

With half of it missing, it could still cause such a destructive scene. If it was a flawless stigma, what kind of terrifying power would it contain?!

Lu Benwei activated the Nine Tribulations Regeneration Technique and healed his body.

'This is too terrifying. I can't let the dog get it,' Lu Benwei thought to himself.

At the same time, the Three-headed Dog was resurrected.

Immediately, he shouted, "Kid, you have a divine tool too. How about you give me the stigma?"

Lu Benwei sneered. "Do you think that's possible?"

The Three-headed Dog's eyes were cold as he smiled coldly. "Then we can try and see who dies first!"

With that, he activated the half-missing stigma. Terrifying fluctuations swept through the world.

Both of them turned into dust at the same time, and their souls were injured again. After a long time, the two of them returned to normal.

"Are you competing with me to see who's tougher?" Lu Benwei's lips curled into a cold smile, and his gaze was serious and firm. The Three-headed Dog sneered and said, "Kid, it's true that you have the Nine Tribulations Regeneration Technique. Your physical recovery speed has even surpassed mine! But you haven't cultivated to the seventh tribulation, so your soul can't be repaired. As for me, I know a little about it. Do you think your life is stronger than mine?"

Lu Benwei replied with a sneer, "Are you so sure that I haven't cultivated to the seventh tribulation?"

The Three-headed Dog's smile froze. He was unsure.

Lu Benwei was just bluffing. If he wanted to cultivate the Nine Tribulations Regeneration Technique to the seventh tribulation, he needed the help of natural treasures. Lu Benwei's current progress was still zero. "Looks like after this calamity ends, I have to put cultivating the seventh tribulation on the agenda."

At this moment, the Three-headed Dog's expression was doubtful. He did not dare to bet with Lu Benwei.

Seeing this, Lu Benwei directly attacked. He raised his fist that contained chaotic divine power, wanting to smash the Three-headed Dog into a bloody pulp!

The Three-headed Dog roared and brandished his claws to attack.

"Boom!"

The earth-shattering collision sent Lu Benwei flying backward.

The Three-headed Dog was not in a good state either. It coughed out large mouthfuls of blood and was severely injured.

However, Lu Benwei's situation was worse than the Three-headed Dog's. Blood kept seeping out of the corner of his mouth.

“Haha!”

Upon seeing this, the Three-headed Dog laughed wildly.

“So, you’re bluffing me! You scared me. You haven’t mastered the seventh tribulation!” The Three-headed Dog let out a long sigh of relief and slowly walked up to Lu Benwei. “I’ll give you a choice. Submit to me or die!”

Lu Benwei raised his head and sneered. “Do you think that’s possible?”

“Alright, I’ll send you to your death!” The Three-headed Dog placed his sharp claws on Lu Benwei’s shoulder and was about to disembowel him in the next second. At the same time, a flame that could burn one’s soul was held in the corner of his mouth, preparing to destroy Lu Benwei’s corpse. The Three-headed Dog suddenly laughed wildly and retracted his sharp claws.

“It’s too easy to let you die. After I absorb the Death Stigma, the entire world will be mine. At that time, I’ll slowly torture you. The Three-headed Dog hooked his finger and slowly walked toward the so-called Death Stigma. “This is the Death Stigma?” Lu Benwei repeated slowly.

“Don’t you know?” The Three-headed Dog had a playful look on his face. “Above the six-striped stigma, this is a perfect stigma! It’s a pity that this perfect stigma isn’t that perfect!”

The Three-headed Dog stood up and stretched out his hand, wanting to touch this perfect piece of art.

...

“With it, I’ll be invincible.”

The Three-headed Dog’s voice suddenly fell silent. Then, he spewed out anger, and all the hair on its body stood on end.

“The Qi family! Saint Qi! The first thing I’ll do when I go out is to settle scores with you!” Lu Benwei roared, “Old b*stard, what are you waiting for!”

As soon as he finished speaking, the old beggar jumped up from behind the Three-headed Dog. His figure was strong, and his white hair fluttered. “Vajra Zen Finger!”

The old beggar stretched out his right hand and pointed at the Three-headed Dog’s forehead. “An ancient martial arts master?” Lu Benwei shouted in surprise.

Chapter 507 Mutation

Jinmen City respected martial arts, and the atmosphere of the martial world was dense.

Even ordinary people who did not have any combat strength could rely on the “martial arts” passed down in the ancient Dragon Kingdom to strengthen their bodies and erupt with the strength of a level-10 hunter.

There was also such a legend...

Some ancient martial arts masters could shatter huge rocks with one finger. It was called the Vajra Zen Finger!

Even for a hunter, it was impossible to shatter a huge rock with a single finger.

It was the same for ordinary people.

Lu Benwei knew a little of the secret. It was the position of the blow and the way to exert force. One had to use the most delicate force to hit the weakest spot. Ancient martial arts masters called that spot “eye.” The boulder had the eye, and the human body also had the eye.

The ancient martial arts master poured his strength into the eye like flowing water, turning it into a strange force that spread to every corner and even instantly turned into powder!

Of course, this was only a whimsical thought that Lu Benwei had seen in the novel.

As for whether there was such a martial art, no one knew.

Now, the old beggar had displayed this ancient martial art known as the Vajra Zen Finger in front of Lu Benwei!

The old beggar led the qi with his will. His qi and strength combined. With the help of his qi, when he attacked, he was like a flood dragon coming out of its cave. He was incomparably powerful.

The Three-headed Dog was also shocked! It happened too suddenly and there was no time to dodge! At this moment, his mood could be said to have fallen from the sky to the ground. He was completely disheartened.

“Bang!”

The old beggar tapped the forehead of the Three-headed Dog in the middle, causing it to immediately fall to the ground and scream repeatedly.

After a while, the Three-headed Dog stood up and looked at him in surprise.

“Eh?”

The old beggar was dumbfounded and slapped his head. “I forgot. I’ve suffered internal injuries and lost my inner energy.”

“Old b*stard, are you kidding me?” Lu Benwei’s eyes widened. He had never expected such an outcome.

The Three-headed Dog laughed wildly when he saw this. He swung his palm and sent the old beggar flying dozens of meters away. He coughed out large mouthfuls of blood and all the bones in his body fell apart.

“God help me!”

The Three-headed Dog licked his fingers in ecstasy and slowly placed his hand on the Death Stigma.

“It’s finally mine!”

His voice was almost crazy as he kept rubbing the Death Stigma as if he was playing with a woman’s beautiful legs.

Lu Benwei's soul was damaged, and every step he took caused him to cough out large mouthfuls of blood. He tried his best to activate the Bronze Temple to attack the Three-headed Dog.

However, the Bronze Temple remained unmoved. The strange mountains and rivers engraved on it did not move. The birds and monsters seemed to have died.

"Blood Monster, Bronze Buddha Monsters!"

Lu Benwei wanted to summon four monsters to help him. As soon as he finished speaking, he spat out a mouthful of blood that splattered into the sky.

The Bronze Temple was unmoved. Lu Benwei's call was too weak to move them.

"Old b*stard, what should we do now?" Lu Benwei said weakly.

All the bones in the old beggar's body fell apart. He said in a hoarse voice, "I don't have any more moves..."

Lu Benwei was speechless.

"Do we have to leave it to fate? No, there are still moves!"

Hope rekindled in Lu Benwei's heart, and he placed his hopes on his last trump card.

[Clear Heart Slash Technique!]

100 percent life sacrifice!

With him, Lu Benwei could obtain a 100-fold increase in strength for three minutes and fight the Three-headed Dog to death.

Lu Benwei stood up with difficulty. With trembling hands, he picked up the Ancient Sword of Clarity and pressed it against his throat.

"Brat, what are you doing?" the old beggar panicked and shouted in surprise.

Upon hearing this, Lu Benwei loosened his grip on the ancient sword. "Senior, can I trust you?"

The two of them became serious.

The old beggar was no longer disrespectful. He laughed and called Lu Benwei his eldest grandson. Lu Benwei called him senior sincerely.

"Just say it. I'll agree to anything within my abilities!" The old beggar pursed his lips.

"Can you take care of my parents?"

"Alright, as long as I have a breath left, I won't let you down!"

"Go to hell!" Lu Benwei scolded jokingly. "You're still taking advantage of me at this time!"

"One more thing..."

"Tell me!"

“Can you say this to a girl on my behalf...” Lu Benwei could not bear to continue speaking. His lips were tightly pressed together, and there was a glimmer in his eyes.

Lu Benwei recalled the day he went down. The girl invited him into the setting sun. The afterglow shone on her warm body. Every line was youthful and smooth, and every inch of her skin was as warm as jade.

He saw the morning sun in the morning, the cool breeze in the afternoon, and the multicolored light that filled the world at night.

The old beggar said, “It’s better if you say it yourself. If you have time...”

Lu Benwei thought about it and nodded slightly. “That’s true. I hope I still have some time.”

It was better to say those personally. For example, goodnight. For example, the moon was so beautiful tonight.

...

Lu Benwei’s heart skipped a beat and he said, “There’s one more thing. I have an elder sister...”

However, at this moment, a heart-wrenching sound was heard. The Three-headed Dog’s entire body was burning!

“Night! After so many years, you’re still scheming against me!” The Three-headed Dog’s roar was heart-wrenching, and his soul let out a painful cry! His body was burning rapidly, and even his soul was turning into dust bit by bit.

Lu Benwei and the old beggar were stunned at the same time!

What was going on?! How did the Three-headed Dog suddenly burst into flames?! What was the night he was talking about?

“Buzz!”

At this moment, the incomplete stigma moved, and the power of the laws contained in it activated the Death Stigma. [Ding! One-click Stigma Talent activated!]

[Congratulations to the host for obtaining half of the perfect stigma – Death Stigma!]

The system’s voice sounded in Lu Benwei’s mind.

The old beggar opened his mouth wide and watched as the Death Stigma drilled into Lu Benwei’s forehead.

“How did you do it, kid?”

...

As soon as he finished speaking, a rumbling sound came from the distant horizon.

“Is the secret realm about to collapse?” Lu Benwei asked in shock.

“No, the power of the Three Mountains Secret Realm is no longer suppressed by the Death Stigma!” The old beggar pointed into the distance.

A new sun was rising in the east. The originally desolate land of the Three Mountains Secret Realm was sinking, and new soil was emerging.

The sun and moon rotated, and starlight shone. The Three Mountains Secret Realm began to have life, and the scene of all living beings competing was still before his eyes. The environment of the Three Mountains Secret Realm was constantly being replaced. The ground was collapsing, and the mountains were shattering. "Old man, let's get out of here!"

Lu Benwei and the old beggar were on the same mountain, and the ground under their feet was gradually separating.

However, the speed of the collapse was too fast. Lu Benwei and the other two were seriously injured and could not exert enough strength.

Chapter 508 Return

"Rumble!"

The mountain began to collapse. The ground cracked like a spiderweb, and boulders tumbled into the magma. Streams of flames shot out as if they wanted to burn everything in the past.

Lu Benwei and the old beggar's faces darkened as they helped each other escape.

"Brother, I'm here to save you!"

At this critical moment, the Three-tailed Crocodile appeared out of nowhere.

"Aren't you dead?"

Lu Benwei was very surprised to see that the Three-tailed Crocodile was intact.

The Three-tailed Crocodile scratched his head and shouted, "The water in Hell's Well contains the purification of life. I absorbed a portion of it and obtained a huge opportunity."

As he spoke, the Three-tailed Crocodile wagged his tail.

Lu Benwei found it very strange. The Three-tailed Crocodile's three thick tails had already become six. At the same time, there were golden stripes on his mercury-like body. He carefully sensed the immortal power.

After Lu Benwei and the old beggar congratulated the crocodile, they sat on the back of the crocodile. The crocodile carried the two of them and began to escape.

"Rumble!"

Boulders rolled into the magma, and black smoke covered the sky. At the same time, the new land began to grow, and strange green plants began to show wonders.

Destruction and rebirth were happening at the same time. It was a spectacular sight.

Lu Benwei saw a strange lotus flower at the place where a mountain collapsed. There were three layers of petals, each with nine petals. The petals were as white as jade and emitted extremely holy energy.

The old beggar looked at the lotus flower eagerly and his Adam's apple bobbed.

"Old b*stard, is that the spirit herb you mentioned?" Lu Benwei asked curiously.

The old beggar sighed helplessly and waved his hand. "Forget it, our lives are more important. We can come back when we have time."

Soon, the three of them arrived at the exit of the secret realm.

The crocodile said, "Brother, you humans must go out from the Three Mountains Secret Realm now. I can only send you here."

He looked at Lu Benwei eagerly, his eyes filled with hope.

Lu Benwei smiled faintly and said, "Why? You don't want to go to the human world with me?"

"Of course, I do, but I'll bring you a lot of trouble if I go."

Lu Benwei patted his head. "Stupid. Since you call me big brother, why would I despise you for being troublesome?"

Lu Benwei could tell that he was not a bad person. Otherwise, he would not have risked his life to save him and the old beggar. "Really, brother? You're willing to take me to the human world!"

Lu Benwei pondered for a while and said, "Of course, but you have to enter the Bronze Temple first."

The crocodile patted his belly happily. He was already a little impatient.

"By the way, you have to get along well with the people inside."

Lu Benwei took out the Bronze Temple and reminded.

The crocodile was very puzzled. At the same time, he wondered if this small room could hold him. Other than that, there was someone else in this dilapidated house?

Before he could ask, Lu Benwei had already caught the crocodile.

"Old b*stard, let's go back!" Lu Benwei said after making arrangements for the crocodile. He suddenly raised his head and realized that there was no one around.

"Could this old fellow have gone to pick that lotus flower?" Lu Benwei muttered.

At this moment, the new students in the Three Mountains Secret Realm had yet to arrive. Could it be that a huge mountain had collapsed, and the riverbed had broken?

This was the old beggar's choice alone. Lu Benwei could not do anything to him.

After Lu Benwei entered the teleportation array, a flash of light appeared in front of him, and he finally returned to Jinmen City.

The indescribable plague also ended because of the Three-headed Dog's death.

However, the moment Lu Benwei appeared, thousands of black and cold gun barrels were aimed at his head.

“Don’t move!”

Lu Benwei silently raised his hand and looked at the army in front of him with a dumbfounded expression.

Other than guns, some hunters stepped forward and asked Lu Benwei, “Who are you?”

“Human...”

This situation was within Lu Benwei’s expectations.

With such a huge change in the Three Mountains Secret Realm, the outside world must have been affected. However, he did not expect the commotion to be so huge that even the army was mobilized.

The army stationed in Jinmen City was in disbelief when he saw Lu Benwei. “What’s wrong with you? Other people are either missing an arm or a leg, or their life essence has been absorbed and they’ve aged a few years. Why are you completely fine?”

Lu Benwei thought for a while and answered, “I just slept for a while. When I saw that the Three Mountains Secret Realm had changed drastically, I came out.”

“Where did you sleep at that time?” someone asked.

Lu Benwei casually made up a lie to cover it up, and the army let him go.

After returning to the hotel, Lu Benwei found out that the second head of the Qi family, Qi Wu, had yet to leave Jinmen City. He had some guesses. The first was that the Qi family’s assets in Jinmen City had not been successfully retrieved. Secondly, the whereabouts of the Qi siblings were unknown.

Little did they know that the two of them had already died in the Three Mountains Secret Realm.

When Qi Tianci learned that Lu Benwei, who had disappeared, had reappeared, he was very happy and immediately came to look for him.

“Brother Lu, it’s great that you’re safe and sound. You don’t know what happened in the past two days!”

As soon as Qi Tianci saw Lu Benwei, he began to complain. From his words, Lu Benwei learned that he had entered the secret realm. In the past few days, there had been a huge plague in Jinmen City. However, it only lasted for two days before the plague broke out.

Now, almost everyone in the city knew that the source of this plague came from the Three Mountains Secret Realm. “Brother Lu, we’re all smart people. When the Qi family saw that they couldn’t reclaim their assets in Jinmen City, they gradually wanted to give up. But the Qi siblings haven’t come out of the Three Mountains Secret Realm for a long time, and such a big thing has happened there. Everyone knows that, but they won’t shed tears until they see their coffin. So, for the next few days, I’ll think of a way to send you away so that nothing happens to you.”

...

Lu Benwei nodded, thanked Qi Tianci, and went to rest.

The Three Mountains Secret Realm changed drastically and affected the outside world.

However, the officials were unaware of this and were determined to investigate.

Lu Benwei, who had come out of the Three Mountains Secret Realm, was naturally the focus of attention. He could not leave Jinmen City for the time being. Moreover, his identity would definitely be exposed to the Qi family in Dragon City. If that happened, the Qi family in Jinmen City could not escape responsibility.

Lu Benwei sighed sadly and turned over to sleep.

That night, the Jinmen City Law Enforcement Bureau came to his door and brought Lu Benwei to an interrogation room.

“Name?!”

“Lu Benwei!”

“Profession?!”

“Student!”

...

“Which school?” Two night watchmen questioned Lu Benwei.

Chapter 509 Questioning

Lu Benwei pondered for a moment and replied, “Jiangzhe Hunter University, Lu Benwei! I’m currently an exchange student at Yanjing Hunter University.”

For the Law Enforcement Bureau, figuring out a person’s true information was a piece of cake. Therefore, Lu Benwei did not intend to hide it.

A night watchman who was recording with a heard Lu Benwei’s identity and the tip of the pen broke with a crack.

pen “You’re Lu Benwei?”

The night watchman sat up from his seat with a whoosh.

The other night watchman looked as if he had seen a ghost. He asked curiously, “What’s wrong? Why are you making a fuss?”

That person glanced at the mirror behind Lu Benwei and bent down to whisper a few words to that person.

After learning about Lu Benwei’s background, he could no longer remain calm.

“Lu Benwei, we might have to ask our superiors for instructions now.”

Lu Benwei nodded.

The interrogation room returned to silence. The dim yellow incandescent light flickered, making the environment look especially strange.

Lu Benwei sighed softly and looked at the mirror. If nothing went wrong, there was already a huge commotion behind the mirror.

It was a one-way mirror. To Lu Benwei, this was a mirror. To the person behind the mirror, it was a big piece of glass.

The director of the Law Enforcement Bureau, the commander of the Jinmen City Army, the head of Jinmen City, Wu Xian, the medical big shot, Li Xueyuan, and the second head of the Qi family, Qi Wu, were all behind this mirror.

The Qi siblings had gone missing in the Three Mountains Secret Realm. Their fate was unknown.

Lu Benwei could come out of the secret realm unscathed. Even if they did not know his true identity, he would be questioned. Now that his identity had been exposed, Qi Wu was naturally furious.

“Damn, that brat Qi Tianci is too audacious! And this Lu Benwei is even more of a b*stard. He appeared under our Qi family’s nose!” Almost no one present dared to make a sound. After all, no one dared to offend the Qi family. The big shot of the medical world, Li Xueyuan, said, “Family head Qi, don’t be anxious. The Qi siblings might not be in trouble yet. Furthermore, Lu Benwei might not have been the one who did it.”

Qi Wu flew into a rage and flipped a table to the ground.

“Old b*stard, are you tired of living? Only a few people entered the Three Mountains Secret Realm. When they came out, they were either injured or old. Only Lu Benwei was unharmed. He has a grudge against our eight great families. Who else could it be but him?”

As a big shot in the medical world, how could Li Xueyuan stand such humiliation? He stretched his neck and said, “Family head Qi, you have to tell the truth and show evidence! Are you so sure that your nephew and niece were killed by Lu Benwei? Furthermore, the reason why we bring him here is to investigate what happened in the Three Mountains Secret Realm.”

Qi Wu sat up from his chair and kicked him to the ground.

The failure of reclaiming the Qi family assets in Jinmen City had already made him angry. The fact that the Qi siblings were missing only served to fuel the anger in his heart.

Suddenly, he laughed coldly. “If you want to investigate, investigate. The Qi family does things the way we do things. Farewell!”

With that, Qi Wu walked out of the door.

After taking a few steps, he suddenly stopped. “If everyone here wants to protect Lu Benwei, you can give it a try!”

This was a blatant threat, stepping on the laws of the Dragon Kingdom! Almost none of the powerful figures in Jinmen City dared to make a sound!

Li Xueyuan sighed sadly. “Do any of you want to come with me for questioning?”

He looked around, but no one dared to take a step forward.

Li Xueyuan shook his head and turned to leave the surveillance room.

“Elder Li, I’ll go with you.”

Wu Xian, the mayor of Jinmen City, suddenly spoke and followed Li Xueyuan.

Li Xueyuan nodded. “Okay.”

In the interrogation room, Lu Benwei felt a little bored. Since he was not restrained, he simply sat in the position of the staff opposite him.

“Lu Benwei, let me ask you. Tell me honestly what you were doing!”

Facing the air, Lu Benwei slammed the table angrily. The next second, he changed his position.

He chuckled. “Student Lu Benwei, what we care about is honesty. If you resist, we’ll be strict. As long as you tell us the truth, we’ll be able to fight for your leniency.” Subsequently, Lu Benwei returned to his original position. His eyes became cunning as he forced a gloomy expression and said, “I’ve already said that I don’t know.”

“Hehe, fun!”

Lu Benwei imitated the dialogues in police dramas and acted out alone. He pretended to be angry.

“Lu Benwei, don’t be so shameless! We’re doing this for your own good!” The next second, someone pretended to be angry. “Lu Benwei, as long as you tell us who the boss behind you is, we can do our best to fight for your leniency. This is also good for your family.”

“I already told you...”

“Cough, cough!”

A light cough interrupted Lu Benwei’s performance.

“Student Lu Benwei, you’re so talented!” Li Xueyuan had a faint smile on his face.

Lu Benwei sat in his seat reluctantly and asked, “Are you here for questioning?”

“You could say that.” Wu Xian mused. The two of them did not intend to expose their identities and asked, “Can you tell me what happened in the secret realm in detail?” Lu Benwei pinched his fingers, his gaze was deep and cunning. He asked, “Can you tell if the second master of the Qi family who was behind us just now?”

“Well...”

Wu Xian and Li Xueyuan looked at each other.

They did not expect Lu Benwei to be so straightforward.

“Looking at your reactions, it means that he was there! Where is he now?”

Lu Benwei’s lips curled into a playful smile. “Let’s go,” Li Xueyuan said directly. “It’s a pity to leave,” Lu Benwei said regretfully.

Wu Xian and Li Xueyuan broke out in cold sweats.

The reason why they dared to stand out was because they were determined to protect Lu Benwei.

As for the remaining people, they were either afraid of the Qi family's strength or stood with them. At this moment, their conversation had been transmitted to the surveillance room next door. "Cough cough, Lu Benwei, let's talk about what happened in the secret realm."

...

As Li Xueyuan spoke, he winked at Lu Benwei crazily.

Lu Benwei spread his hands and said, "There's nothing to say. Young Master Qi wanted to kill me, but I cut off his head. Miss Qi wanted to avenge him and sacrificed her life to a powerful existence on a mountain. In the end, I calmed her down."

As soon as these words were spoken, the two of them were stunned and panted heavily. "Lu Benwei, you really know how to joke. you say that you only slept in the secret Didn't realm?"

Chapter 510 Escape

Li Xueyuan gave Lu Benwei a crazy look, indicating that he should stop talking.

Wu Xian's face was ashen, and his chest hurt. He was here to protect Lu Benwei, not to be a fool.

"Lu Benwei, I advise you to tell the truth! You have to think carefully about the consequences!"

Wu Xian seemed to be scolding Lu Benwei coldly, but he was using his last bit of strength to protect Lu Benwei.

Lu Benwei cupped his hands and thanked them. "Thank you for coming out, but I, Lu Benwei, don't want to drag anyone down! I'll take responsibility for my own actions! I, Lu Benwei, killed Qi Ming to protect myself. To avenge her brother, Qi Xin sacrificed her life. Everything I said is true. As for how the Qi family judges it, it's their business!"

Wu Xian was so angry that he could not speak. He turned his head away.

Li Xueyuan pursed his lips tightly, not knowing what to say.

Lu Benwei picked up the clothes on the backrest and walked out of the door. When he reached the door, he stopped again.

"Thank you, both of you. I'll remember this favor at heart."

With that, he walked out of the law enforcement bureau.

Late that night, news spread to Dragon City. The entire Qi family was furious!

"Bullsh*t!"

The Qi family head, Qi Wen, was furious, and the veins on his body bulged.

"For self-defense? Sacrifice?! It was Lu Benwei who slaughtered my son and daughter! If I, Qi Wen, can let Lu Benwei go, I'll take his surname from now on!"

The members of the Qi family gathered, their hearts burning with endless anger.

Among them, someone was afraid of the Bronze Temple in Lu Benwei's hands and advised, "Lu Benwei, there's no need to say that, right? Perhaps he's deliberately baiting us! Moreover, there has long been a rumor that after entering the Three Mountains Secret Realm, someone will hear a sound of guidance from the monsters!"

"Nonsense!"

Qi Wen had lost his son and daughter, so he naturally would not listen to any persuasion. "The Three Mountains Secret Realm is the Qi family's treasure land for training. It's the place where the bloodline is awakened. What monsters are inside?"

Those who objected did not say anything else.

Qi Wen immediately ordered, "All experts above level 80 of the Qi family, follow me to Jinmen City. Also, inform Commander Ren Bin of the Jinmen Army. Our Qi family has raised him for so many years. It's time for him to repay us."

On the other side, after Lu Benwei left the Law Enforcement Bureau, he rushed to the Qi family in Jinmen City.

Qi Tianci also heard the news and brought his men to pack up overnight.

"Brother Qi, I'm sorry to have implicated you!"

Brother Lu, I can't thank you enough," Qi Tianci said politely.

Lu Benwei continued to ask, "Brother Qi, what are your plans next?"

"I want to go south."

your efforts "Ah, doesn't that mean that all your over the past few days have been in vain?" Lu Benwei was slightly shocked.

Qi Tianci chuckled and said, "My father gave me a piece of advice when he was alive. Saving the land and losing the people, the people and the land will all perish! As long as I'm still around, the Qi family will still be around!" Lu Benwei recited, "If you save the land and lose the person, the person and the land will die! Uncle Qi is indeed wise. It's a pity that I can't meet him." Qi Tianci sighed. "It's just that these children are pitiful. However, many citizens promised me that they would take good care of them."

With that, he and Lu Benwei looked at the sleeping children. Many children began to snore softly. They wondered what would happen when they woke up and did not see Qi Tianci.

"Brother Lu, where are you going?"

Lu Benwei pondered for a moment. "I'm going to Ha City. I've been delayed here for a few days. Just in time for the train."

Qi Tianci glanced at his watch and revealed a difficult expression. "Then Brother Lu, you have to hurry. The Qi family should be on their way. Moreover, the army stationed in Jinmen City has been funded by the Qi family of Dragon City for many years. I think it will be difficult to leave if we're any later."

Lu Benwei nodded and cupped his hands in farewell. "Then, Brother Qi, we'll meet again if fate allows!!!

"Brother Lu, we'll meet again if fate allows it!"

After the two of them bade farewell, they parted ways.

Qi Tianci took a private car and headed south from the highway.

Lu Benwei rushed to the train station.

If Lu Benwei was at his peak, he would not be afraid of the Qi family at all. Unfortunately, Lu Benwei's soul was damaged, and his strength was less than one-tenth of his original strength. He could only head to Ha City to make further plans.

At the same time, the Jinmen City Army began to move. Teleportation centers, airports, and high-speed rails were quickly blocked!

Moreover, the main group rushed to the highway and train station.

The Qi family also arrived at Jinmen City not long after.

After leaving the teleportation array, Ren Bin, the commander of the Jinmen City Army, immediately came to welcome him. His face was filled with flattery. "Welcome, family head Qi!"

The family head, Qi Wen, walked quickly and did not look at him for a second. "Where's Lu Benwei now?"

"Heading to the train station! My men are already moving in!"

Qi Wen immediately ordered, "Qi family, go to the train station immediately."

"Rumble!"

A storm was brewing. Lightning flashed and thunder rumbled in the sky above Jinmen City.

The experts of the Qi family and the soldiers of the Jinmen City Army arrived at the train station.

"Lu Benwei, come out and accept your death!"

The people at the train station were shocked.

They looked up and saw a large group of people coming from all directions.

There was a total of five level-90 kings! There were more than 20 experts above level 80 and below level 90. an inescapable net and surrounded the train station in Jinmen City from all directions.

They formed "How many trains are leaving at this hour?" Qi Wen asked Ren Bin.

"Master, there are a total of three lines. Heading south, west, and north."

...

“Tell the station chief at the train station to stop all these trains!” Qi Wen ordered. Ren Bin’s expression was a little awkward. “Family head, this isn’t too good. The train is run by the government. I’m afraid it’s not easy to do things without their orders.”

“If I tell you to go, just go. Why are you spouting nonsense?” Qi Wen was furious. The murderer who killed his son and daughter was right in front of him. How could he care so much? Ren Bin had no choice but to lower the brim of his hat and rushed into the train station. Soon, Ren Bin arrived in front of Qi Wen with the short and fat train station manager. “Family head, I’ve brought you the station master of Jinmen City Railway Station.” Qi Wen looked at the short and fat train station chief. He was trembling with fear and was about to pee his pants.

“Do you know who I am?” Qi Wen asked coldly.

The head of the train station said fearfully, “I know, I know, the head of the Qi family.”

“Since you know my identity, why don’t you act quickly?” Qi Wen’s voice subconsciously raised.

“Family head Qi Wen, I’m afraid this won’t do. There’s a madam who requested that I set off on time.”
