Chapter 681 Silver-masked Woman

At the same time, all the believers completed their demonization. Their combat strength soared!

“Crocodile!” Lu Benwei roared.

A light flashed between his eyebrows, and the Six-tailed Crocodile revealed his true form. His entire body seemed to be made of gold, and he had an unparalleled aura.

The three humans and one monster unleashed their offensive techniques, each of them dominating the world!

“Judgment!” Lu Benwei shouted.

The power of judgment transformed into various divine weapons and slashed at the throats of various half-monsters.

“Clang! Clang! Clang!”

All kinds of divine weapons slashed out peerless attacks. The saber lights and sword shadows were soul-stirring!

“Attack!”

“Capture them alive and find out the whereabouts of the Monster Child!” The half-monster leader bared his fangs and brandished his claws as he gave the order.

They were not afraid of death. They faced the divine weapons and swords formed by the power of judgment and attacked.

“Big Brother, let me give you a hand! Demonic Light Destroys Rivers and Mountains!”

The Six-tailed Crocodile roared and spat out a world-destroying demonic light! He was a monster and could absorb the essence of the sun and moon and transform it into energy.

At this moment, the demonic energy gathered and turned into a terrifying demonic light that shot out. It was terrifying beyond compare and pierced through the heavens and earth. One after another, it was endless.

The sky was dazzling, and the earth was trembling!

The half-human monsters opened their mouths and spat out demonic light to clash with the crocodile’s demonic light!

“Boom!”

The earth-shattering collision, the raging wind, and the deafening explosion resounded throughout the world.

At this moment, the power of judgment transformed into various divine weapons and slashed at the throats of these half-monsters!

...

All kinds of divine weapons were swung thousands of times, and the heads of many half-human monsters fell to the ground like rain.

At this moment, a roar came from the sky, and the flames of anger burned fiercely!

“Lu Benwei, the crime of humiliating a god is unforgivable!”

With a loud bang, the sky seemed to be about to split open.

A powerful aura was revealed, and the other party unleashed extraordinary combat strength. This was a half-human monster that had fused with the Flaming Earth Dragon Monster. Its upper body was the body of a Flaming Earth Dragon Monster, covered with sharp crimson scales. However, his lower body was human, making others feel nauseated.

“Dragon Flame Explosion!”

The Flaming Earth Dragon Monster Man’s entire body turned into flames as it struck down like a meteor.

Hu Wu’s expression was cold, and his eyes flickered with golden light.

The earth and rocks gathered and formed a yellow dragon that was dozens of feet long. It was lifelike, and the scales opened and closed with each breath. Every breath revealed a dignified aura.

The Flaming Earth Dragon Monster Man collided with the hidden dragon. The earth rumbled, flames churned, and soil and rocks shattered!

“Die!”

Seeing this, Lu Benwei’s eyes burst out with cold light and attacked. The punch was indestructible and destroyed everything.

“Boom!”

Lu Benwei’s fists emitted immortal chaotic divine light. His powerful qi was unparalleled. His fists waved as if he wanted to smash the sky down!

“Boom! Boom! Boom!”

...

He endured the flames and punched down one after another.

Every punch was bursting with unstoppable power and caused the Flaming Earth Dragon Monster Man’s skin to split open and its scales to fall off.

On the other side, Chu Yan was isolated from the world, and another battlefield was created!

“Fire Magic: Phoenix Moves the Nine Heavens!”

The fire phoenix let out a cry, and the flames erupted, spewing out tongues of fire that tore everything apart!

“Boom!”

The flames swept in all directions and pressed down. This was an extremely terrifying scene. The fire phoenix tore the half-human monsters apart one after another and turned them into ashes. It was extremely destructive.

The Flaming Earth Dragon Monster Man was covered in blood, and his eyes were fiery red. “Lu Benwei, Hu Wu, you’ve humiliated the gods and will die without a burial place.”

Lu Benwei did not want to waste his breath on him and was prepared to give him the final blow.

Right at this moment, a crack appeared in the sky, and a white blade attacked. Lu Benwei dodged, but the white blade brushed past him and cut off a corner of his clothes.

The Flaming Earth Dragon Monster Man took advantage of the situation to pull away from Lu Benwei, avoiding the disaster.

“Who is it?” Lu Benwei looked at the entrance and asked coldly.

An old woman wearing a silver mask appeared from the gap in the sky. She carried six battle flags on her back and looked insufferably arrogant.

“Let me give you a piece of advice. Stop opposing the God Welcoming Association and leave this place,” the old woman said as she looked down coldly.

The white blade flew across the sky and returned to the old woman’s hand.

“Who are you?” Chu Yan and Lu Benwei stood side by side, looking at the old woman coldly.

As soon as he finished speaking, another black shadow crawled out of the crack. It was a huge creature, covered in long black hair, and its white eyes shot out strands of fierce light.

“Silver mask, old woman carrying a battle flag...”

Hu Wu pondered for a moment and frowned.

“What does the silver mask represent in the welcoming session?” Lu Benwei asked in a low voice.

“Is it what I think? Are they believers that the God Welcoming Association has planted in the government?”

Hu Wu nodded. “You’re right. The person under the silver mask is a powerful figure in the Dragon Kingdom, right?”

Lu Benwei sneered and looked up. “Aren’t you afraid of being discovered?”

“Those are all ignorant people!” Suddenly, a trace of malice flashed across her eyes as she shouted coldly. The old woman sneered and looked at Lu Benwei arrogantly.

“However, it won’t be long before they believe and understand us!”

“As long as I’m here, don’t even think about it!” Lu Benwei shouted and punched.

The old woman was very powerful, and her level was probably above level 80.

She and Lu Benwei launched a world-shaking collision that made ghosts and gods cry. The sword light and sword shadow were soul-stirring.

Lu Benwei went all out, circulating his dual-origin bloodlines and releasing the undying Chaos Divine Light.

At this moment, his body was like glass as if a divine weapon had descended from the heavens! With the four buffing skills strengthening his body, each of Lu Benwei's punches weighed billions of tons.

The old woman's strength was also very powerful. The flags danced and were rooted in the ground, providing her with a large amount of amplification.

The two sides fought fiercely.

The starlight and the blade radiance intertwined, and the world was covered in white. The two sides fought to create a vacuum. After a short exchange, the two sides pulled apart.

"How is it? Can you tell who it is?" Lu Benwei asked.

Hu Wu frowned. "No, she's too old. I've never seen this person in my dealings with the officials!"

"Hu Wu, you'd better obediently forget about the people on the list." The old woman sneered.

"Our numbers are not as many as you see!"

The old woman admitted to it and revealed this information, shocking Lu Benwei and the other two.

Chapter 682 Terrifying Formation

A great battle was about to break out. Lu Benwei and the old woman began an unprecedented battle. At the same time, the creature with long black hair also made its move.

Its combat power was on par with the old woman's. With the old woman's cooperation, it had the upper hand!

Lu Benwei was accidentally struck by a claw. Blood splattered from his right shoulder blade and chest, and four deep cracks appeared.

"Divine Sword of Destruction!"

The destructive sword light gathered, and the Ancient Sword of Clarity hummed. The world changed color instantly.

"Boom!"

The destructive sword light blotted out the sky and covered the earth. It was like a surging river, annihilating everything within it.

"Big Brother, I'm here to help you!"

The crocodile also made its move. After the destructive sword light, it followed up with a world-destroying demonic light.

"Demonic Light Destroys Rivers and Mountains!"

The power of the dark purple demonic light was unparalleled. It created a vacuum zone and almost tore the night sky apart.

The old woman's eyes shone with a terrifying light, and four war flags fluttered in the air. They flew into the sky and combined into a large formation that had the effect of devouring all energy!

The destructive sword light and demonic light were all devoured. It was like a black hole passing through, leaving nothing behind.

The Six-tailed Crocodile was dumbfounded. "F*ck! Isn't this a little too heaven-defying? You didn't dare to do anything and just swallowed our attacks?"

The old woman snorted coldly and drew a circle with her sword. Under the blade, destructive power and demonic power were converging.

"Boom!"

Suddenly, the old woman struck out. Demonic and destructive powers erupted at the same time, covering the sky and earth as they pressed down on Lu Benwei and the crocodile.

The crocodile was dumbfounded. The other party's four battle flags were not heaven-defying, but too heaven-defying. They were a little too terrifying.

"Don't be in a daze. Resist this attack!" Lu Benwei said.

The crocodile nodded. Then, his body emitted an eternal golden light. His six tails merged into one and swept across the sky.

Lu Benwei held his Holy Light Shield and blocked the attack.

"Boom!"

The destructive sword light and demonic energy combined into a destructive demonic light that exploded with unstoppable power!

The Holy Light Shield shattered at the first moment, and white fragments flew everywhere.

The crocodile's six tails joined forces and swept across the sky, but it was directly torn apart by the destructive demonic light, not even leaving behind its bones.

"Ah!"

The giant crocodile coughed up blood and screamed, temporarily retreating from the battlefield.

"Annoying fellow, let me help you!"

Chu Yan was anxious and wanted to go forward to help Lu Benwei.

"No need!"

Lu Benwei stopped Chu Yan's thoughts.

She was currently only at the peak of level 50. Although she was a prodigy, she could challenge level 60 figures. However, the old woman's battle prowess was above level 80.

The long-haired black creature was also above level 80. Lu Benwei did not want Chu Yan to take this risk.

“Big Brother, I’m sorry for dragging you down.” The giant crocodile was healing himself, and his face was full of apologies.

Lu Benwei nodded slightly. “Hurry up and heal your injuries. We must leave soon.”

“Big Brother, are you unable to defeat them?” the Six-tailed Crocodile panicked, thinking that this should not be the case as Lu Benwei could fight a level-90 king.

Lu Benwei rolled his eyes. Then, he transformed into a divine rainbow and attacked the old woman!

They were in the suburbs. At first, the battle did not produce any strong fluctuations, but now it was different.

The battle between him and the old woman had changed the world. The people in the city had probably noticed the situation here.

Lu Benwei did not dare to guess how many of them had the same status as the old woman and were believers of the God Welcoming Association.

“Haha! Lu Benwei, you’re hesitating. You’re afraid!” The old woman laughed mockingly.

Then, her eyes widened, and her laughter gradually became crazy, like a silver bell ringing.

“Lu Benwei, God will eventually descend. No one can stop it! Why don’t you submit to us? Let’s witness the descent of the gods together! With your talent, you’ll become God’s right-hand man!”

Lu Benwei replied with a cold smile, “If I agree? The people who died in Li City, the people who died in Blue Dragon City, the souls who died under the claws of the monsters, and those who fought against the monsters for their entire lives, will never agree! They won’t let me go after I reach the underworld! I won’t let you off!”

“Those are all ignorant people. They died a worthy death and tried to go against God!” The old woman sneered.

Lu Benwei’s eyes were red with anger. He did not waste any more time talking to the old woman and punched her.

“Boom! Boom! Boom!”

....

Lu Benwei’s physical body was comparable to godly metal, and he engaged in a great battle with the old woman and the black-haired creature.

With each punch, the mountains and rivers lost their color, and the sun and moon lost their light. It was so terrifying!

“Lu Benwei, you can’t defeat me with just your physical body!” The old woman sneered.

The flags waved, revealing an extraordinary aura. They could form formations that could attack and defend.

Lu Benwei was afraid of this and could not use his skill. He could only cut off his own stroke.

“Lu Benwei, ask one last time. Will you submit?”

The old woman roared angrily.

“If you want me to be a god, I can consider it.” Lu Benwei sneered.

“Impudent! I’ll kill you in the name of insulting the gods!”

The old woman’s eyes were red as she pointed at Lu Benwei.

“Flags!”

The battle flags rose from the ground and turned into four divine rainbows. They formed a formation from the four corners of the north, south, east, and west to surround Lu Benwei.

“Buzz!”

The flag fluttered and formed a magic formation. The creature spat out four mouthfuls of blood onto the four flags. Instantly, the formation was filled with a murderous aura.

“Sou!”

A blood-colored sword blade came over and almost pierced through Lu Benwei’s body.

However, it was not just one. There was a second, a third...fifth, sixth, and seventh mouthful! Every single blood blade was sharp and unstoppable!

Lu Benwei shouted. He wanted to use the power of judgment. He slashed out 108,000 divine weapons and swords to resist the strangulation of the formation!

A terrifying thing happened. The formation could restrict Lu Benwei from using his skills!

“Lu Benwei, I know that you have the power of the origin class light bloodline and can break through all restrictions.

This formation is only to break your connection with the outside world. In other words, this formation was specially created for you!”

“Old woman, you’re really killing me!” Lu Benwei sneered.

As the old woman had said, he could still use his bloodline and his own power.

Moreover, with the Nine Tribulations Regeneration Technique on his body, Lu Benwei’s life was temporarily not in danger.

However, this old woman’s understanding of formations was too terrifying. Lu Benwei was still worried that she had other trump cards.

“Sou!”

A blood blade came over and directly cut off one of Lu Benwei's arms. The Nine Tribulations Regeneration Technique was activated, and as if time was reversed, Lu Benwei's body was reconstructed.

"Old witch, let me see if your magic formation is stronger or my recovery ability is stronger!"

Chapter 683 The Imperial Baby Reveals Its Might

Lu Benwei was reborn like a phoenix.

Hu Wu was stunned. His jaw dropped to the ground.

"Kid, your recovery speed is so amazing?"

The old woman was also stunned. In just a short moment, Lu Benwei stood in front of her again.

"Humph!" She snorted coldly and waved her hand to speed up the operation of the formation.

"Sou! Sou! Sou!"

...

Blood blades flew everywhere like locusts, covering the sky and earth as they slashed at Lu Benwei.

Lu Benwei used the Heavenly Light Shield as a shield and the Nine Tribulations Regeneration Technique as a means of striking after the enemy.

A terrifying scene happened. Lu Benwei was constantly reborn in the formation. His body was constantly reforming. Although his body was covered in blood, his vitality was endless.

The old woman shouted in disbelief, "Impossible, this is impossible! How can you have the power of a god?"

Lu Benwei sneered. "Old witch, I have said before that your strength isn't worthy of being one in front of me!"

"Use whatever other methods you have! Kill!" The old woman was furious. "Kill! Kill!" she shouted crazily, "If you resurrect thousands of times, I'll slash you thousands of times!"

The formation was glowing brightly, and blood qi was spreading out, wanting to annihilate Lu Benwei.

"Nine Tribulations Regeneration Technique!" Lu Benwei roared.

"Rumble!"

The tribulation lightning descended as the tribulation lightning of the Nine Tribulations Regeneration Technique arrived. This was the result of operating the Nine Tribulations Regeneration Technique too many times. Relying on it to avoid death too many times was unacceptable.

"Haha!"

The old woman burst into laughter, looking extremely deranged!

"Looks like you haven't grasped the power of the gods yet. You're being punished by the heavens!"

Lu Benwei's body was charred black by the lightning tribulation, and even his bones were exposed. At the same time, he still had to deal with the blood blades that were blasted out by the formation.

"Sou! Sou! Sou!"

...

The blood blades flew everywhere, and they were extremely sharp. When they slashed at Lu Benwei's body, they made a sonorous sound. His bones were even harder than a divine weapon.

"Rumble!"

Another bolt of tribulation lightning arrived. It was boundless and extremely terrifying. Every bolt of lightning was as thick as a bucket and incomparably powerful. It was likely that everything would be turned into ashes under this bolt of lightning.

"Ah!"

Lu Benwei let out a strange cry, and his eyes shone with divine light! At the same time, the two origin bloodlines circulated and fused into one, releasing an undying chaotic divine light!

"Rumble!"

Endless tribulation lightning descended, and Lu Benwei's bones were charred. The situation was extremely critical.

What was terrifying was that another layer of blood blades was about to arrive. They were densely packed like locusts!

"Hmph!" The old woman sneered. "The heavens will punish you for stealing the divine arts!"

"Annoying fellow!" Chu Yan's heart was burning with anxiety, like an ant on a hot pan.

She wanted to save Lu Benwei but was stopped by Hu Wu.

"What are you doing? Are you crazy? You'll only be sending yourself to death if you go!" Hu Wu persuaded.

The Six-tailed Crocodile immediately cried. "Big Brother, you can't die! What will happen to me if you die?!"

"Kacha kacha!"

Lu Benwei's bones began to crack, and his flesh and bones began to separate. He was in danger.

Seeing this, the old woman smiled even more proudly.

"Lu Benwei, one last time! Surrender or not?"

"Old witch, you can ask me the same question ten thousand times, but I still only have one answer. Not only that, I want you to meet the Gods and be annihilated in the long river of history."

The old woman was furious. She waved her hand and sent power into the array!

“Die!”

The blood blades came out in full force, wanting to give Lu Benwei the final blow.

At this critical moment, Lu Benwei’s glabella flashed.

The Imperial Baby appeared. He rubbed his sleepy eyes and said, “It’s so noisy. What are you guys doing?”

Suddenly, he had a bad feeling. He opened his eyes and immediately looked at the blood blades in all directions.

“Are you the ones who woke me up from my beautiful dream?”

With a wave of his fist, many blood blades shattered.

“So, it’s this small formation.”

He saw a part of the formation and revealed a disdainful gaze. Then, with a wave of his hand, the four flags all fell into his hands.

“Pa!”

The Imperial Baby raised his calf and broke all four battle flags.

The formation had also stopped.

The old woman’s mouth was wide open as she looked at the Imperial Baby in disbelief.

“You, who are you?”

The Imperial Baby was only the size of a ten-month-old baby. Its body, arms, and legs were like worms.

However, she never expected that such a baby would destroy the formation that the God Welcoming Association had carefully created. This was beyond common sense. If she had not seen it with her own eyes, she would never have believed it!

At this moment, Lu Benwei had lost the restriction of the formation and charged at the old woman with boundless lightning.

“Brat, you dare!”

The old woman immediately panicked. She could not even fight him head-on!

Lu Benwei’s expression was cold as he charged forward.

“Flying Snake’s Divine Might!”

Tiny snake scales grew out of his forehead and temples, and the black round pupils in his eyes shrank into a vertical line.

“Buzz!”

A golden light beam shot out from the snake’s eyes, causing ripples in the space.

“Ah!”

The old woman screamed, her head about to explode. The black-haired creature beside her hurriedly tore through the void and carried her away.

Lu Benwei wanted to continue chasing, but another layer of immeasurable lightning arrived, so he had no choice but to resist.

On the other side, the Imperial Baby had his hands behind his back as he looked at Chu Yan arrogantly.

“If it wasn’t for me, Big Brother Lu would’ve been sliced into a bloody pulp. And you, crocodile, learn from me in the future. Even this small formation can make you helpless. Speaking of which, why are you so far away from me? Aren’t you going to welcome your savior?”

As soon as he finished speaking, a layer of tribulation lightning struck his body, charring the Imperial Baby.

Giant Crocodile stuck out his tongue and laughed lewdly. “Ah, right, right, right. You’re our savior!”

Without the old woman’s disturbance, Lu Benwei successfully passed the tribulation lightning. The backlash of the Nine Tribulations Regeneration Technique had finally ended.

“Annoying fellow!”

Chu Yan immediately pounced forward and buried her head in Lu Benwei’s arms.

“I almost thought you were going to die.”

Lu Benwei’s face turned red.

“Silly, how can I die so easily?”

“Big Brother, it’s great that you’re fine!” The crocodile’s eyes were filled with tears as they dripped down. “Without you, I’d be homeless.”

“It’s good that you survived!”

Hu Wu sighed.

“It was really thrilling just now!”

The Imperial Baby was extremely depressed as he shook off the charred ashes on his body. “Hey, did no one notice me? I’m a great hero!”

Chapter 684 Prelude to the Dark Clouds

After removing the meeting point in Green Spirit City, the three people, one monster, and one baby returned to the hotel in the Laocheng District.

The Imperial Baby was very curious about the objects in this small room.

“Wow, why does this thing light up when you press it? How can the little person in this little black box move? Can they talk? Also, why did those metal boxes move this morning?”

He was from the ancient Dragon Kingdom and was curious about everything in modern society.

Hu Wu blinked, his expression dull. He felt like he was in a dream.

“Who’s this child?”

“It’s a long story,” Lu Benwei sighed. “It might be someone from Fang Xiaoxiao’s ancestors.””

“What?” Hu Wu’s jaw dropped in shock. He felt that all of this was extremely unrealistic.

At the same time, the existence of the crocodile made him feel like he was dreaming.

“What’s going on?”

At this moment, the Six-tailed Crocodile opened a bottle of beer in Hu Wu’s room.

Seeing Hu Wu looking at him in confusion, he said, “What are you looking at? Do you want me to take you as a pet?”

Hu Wu curled his lips and said to Lu Benwei, “Are you also a member of the God Welcoming Association?”

“If he was, would you still be alive?” Lu Benwei rolled his eyes and almost wanted to slap Hu Wu to death.

It had to be said that he was a little tired after experiencing the tribulation lightning. He did not even have the heart to joke with Hu Wu.

“What should we do next?” Chu Yan asked at this time. Her tone was also a little tired.

“Since they know about Fang Xiaoxiao’s existence, why haven’t they made a move yet?” Lu Benwei asked, “Old Hu, are you hiding something from us?”

“Pa!”

The crocodile put down the bottle of wine and made a loud noise on the table.

“Tell me quickly, or I’ll take you in as my pet.”

Obviously, he had poured a glass of wine.

The air was so quiet that it was terrifying. There was only the sound of cartoons on the television. The Imperial Baby was watching attentively.

At this moment, moans came from the couple next door, causing everyone to look at each other. Three seconds later, the moaning stopped.

“Alright, I admit it!” Hu Wu curled his lips and opened his mouth.

“They’re in the midst of a great war. Wait for the reinforcements to arrive!” Hu Wu said solemnly.

“What reinforcements? Are they humans or monsters?” Lu Benwei continued to ask.

“Monsters!”

Lu Benwei was furious. "Why didn't you say something so important earlier?"

"I don't dare," Hu Wu's eyes avoided his gaze as he spoke.

"Are you afraid that we're also members of the God Welcoming Association?" Lu Benwei was a little angry and wanted to slap him.

He had been tricked by Hu Wu for so many days. In the end, he still did not trust the old man!

"If I don't f*ck you, I'll do whatever I want! I'll report you to the police when I get out!"

"Don't, don't!" Hu Wu laughed and massaged Lu Benwei's shoulders as an apology.

"It's like this. Those who died were sacrificed to a terrifying thing." Hu Wu revealed his information.

"Monster King?"

"No, but it's still a very terrifying thing."

"What do they want to do?" Chu Yan asked.

"According to my guess, they want to capture Fang Xiaoxiao and use her to deduce the whereabouts of the Divine Child."

"Then we'll take action and retrieve the Divine Child."

Lu Benwei thought for a while and vaguely felt that this was making a mountain out of a molehill. Moreover, the risk was very high. However, there was nothing that could explain why they had not moved out for so long.

"I know you're in a hurry to return, but the lives of the people of Green Spirit City are more important. Lu Benwei, you're also from Green Spirit City, aren't you?"

This was true. Protecting the safety of Green Spirit City was the most important.

"But here comes the problem. For us, it's now a werewolf kill. No one knows if the other party is a follower of the God Welcoming Association hiding in the government," Hu Wu said with a face full of dust.

"Let me take a look at the name list," Lu Benwei said.

Hu Wu pursed his lips and took out the name list again. Lu Benwei took another glance and sighed helplessly. A portion of the army stationed in Green Spirit City had also fallen.

Lu Benwei rubbed his temples. His head hurt a little. The number of people involved was simply unimaginable.

Lu Benwei was even a little worried that Lu Dayong and Jiang Xiuqin had fallen too. After all, the two elders were also civil servants who worked for the government.

Hu Wu patted his head and suddenly said, "Right, add a few more people."

After saying that, he took out a pen and wrote on the paper.

Lu Benwei thought of something and asked, "Do you have any impression of that old woman today? Who is she?"

Hu Wu shrugged. "I know all the level-80 hunters in Hai Province. I also know their abilities. However, I really haven't seen that old woman before."

Lu Benwei pursed his lips and did not say anything else. He raised her hand to look at his phone and realized that it was already midnight.

"It's getting late. Let's go back first. We'll talk about the next step tomorrow," Lu Benwei said indifferently.

Hu Wu was also a little sleepy. "Alright, we'll deal with them as they come. If it really doesn't work, we'll demolish another stronghold tomorrow night!"

...

At the same time, somewhere in Hai Province.

In a church made of bluestone, candles danced in the wind.

The believers of the God Welcoming Association sat around the bench, and the atmosphere was so quiet that one could hear a pin drop.

"I failed."

On the divine altar, Gan Yan put down his crossed legs.

"What, you didn't kill Lu Benwei? Isn't that the formation that Lord Five Fingers developed? Lu Benwei broke free of it?"

Suddenly, dark clouds gathered among the believers as they discussed animatedly.

On the side, the people wearing silver masks were also terrified.

"Where's Hu Wu? Has Hu Wu been killed?"

"No." Gan Yan shook his head.

Instantly, the faces of the silver-masked men turned pale. They were all influential figures in the government. For some reason, they chose to become believers of the God Welcoming Association.

"Ten Fingers, how do you do things? In my opinion, we should just attack Lu Benwei's house and capture their parents!" someone in the silver mask said indignantly.

"Lu Benwei has offended the gods many times. We'll punish him on behalf of the gods! Moreover, we must speed up the plan and kill Hu Wu. Our identities cannot be exposed!"

Gan Yan was not part of the management of the God Welcoming Association.

However, ever since the plan to revive the Divine Child in Canglong City failed, Ten Fingers was killed by Lu Benwei and Gan Yan replaced Ten Fingers.

Looking at the noisy crowd below the stage, Gan Yan raised a hand.

“Lord Seagull, you’re familiar with Lu Benwei.”

Everyone looked at a person in the corner of the church. He slowly took off his mask and revealed his true appearance. It was the provincial governor of Hai Province, Yang Wudi!

Chapter 685 A Beautiful Day

2:30 AM.

Lu Benwei and Chu Yan returned home.

He turned on his phone and realized that he had received a lot of messages.

“Hongyi, are you asleep?”

“Sleeping so early? Isn’t your life too old?”

“Tomorrow, our classmates are going to the beach to swim.”

Lu Benwei heaved a long sigh of relief and forwarded these messages to Chu Yan.

Soon, he received a message from Chu Yan.

“I haven’t been to the beach with you yet.”

“You mean you’re going?”

“Of course, but I don’t have a swimsuit yet. You can accompany me to buy a swimsuit tomorrow.”

“Alright, I’ll go to bed first. Good night.”

Lu Benwei put down his phone and said, “Swimwear.”

At the same time, the image of Chu Yan in a swimsuit appeared in his mind.

“Tsk tsk tsk.” Lu Benwei smacked his lips and the corners of his mouth curled up slightly.

Then, he entered dreamland with a smile on his face.

...

The next day, Lu Benwei woke up early. When he realized that Chu Yan was still sleeping in, he staggered to the kitchen.

“Mom, what are you cooking?”

The kitchen was filled with fragrance. All kinds of fragrances are mixed to stimulate Lu Benwei’s appetite.

Seeing that the pork ribs were stewing in the pot, Lu Benwei did not think twice and reached out to pick up a piece and put it in his mouth.

The ribs had already been stewed until they were tender. When he bit into them, the fragrance of the meat filled his mouth.

“It’s not good to eat these so early in the morning, right?”

As soon as he finished speaking, Lu Benwei was scolded by Madam Jiang Xiuqin.

“Wash your hands when eating! Forget it, it’s not enough to shut your mouth.”

Lu Benwei chuckled and slipped back into the living room.

Lu Dayong brought the newspaper to the living room.

“Little Lu, where have you been wandering around with Yanyan these past few days? You always leave early and return late as if you’re going to school.”

Lu Benwei grinned. “The school needs us to do a project. We’re busy.”

At this moment, Jiang Xiuqin shouted from the kitchen, “Little Lu, go and take out the chicken feet from the fridge and put them on the dining table.”

Lu Benwei did not think too much about it until he saw the lemon chicken feet in the refrigerator that looked like a washbasin. He realized that something was wrong.

“Mom, who are you bringing so many chicken feet for?” Lu Benwei asked casually.

“My fellow believers!” Jiang Xiuqin’s voice came from the kitchen.

“Clang!”

Lu Benwei’s head exploded.

“Believers? When did you become religious? What religion?”

“Not yet!”

Lu Dayong chuckled and walked over from the living room.

“Recently, there has been a wave of membership in society. It’s the latest trend. Your mom just joined one too. She’s going to bring some gifts to the members today.”

Lu Benwei asked incoherently, “What kind of meeting is that?”

He wanted to know the name of this meeting. Yesterday’s guess had become a prophecy. Jiang Xiuqin and Lu Dayong were indeed affected by the God Welcoming Association.

“A meeting that can make your mother ten years younger!” Jiang Xiuqin walked out of the kitchen and teased Lu Benwei.

Lu Benwei’s heart skipped a beat. Youth was somewhat similar to the “new life” in the teachings of the God Welcoming Association.

Chu Yan walked out of the room and rubbed her sleepy eyes. “Auntie, what kind of meeting is it that can make people ten years younger?”

She had just overheard the conversation between Lu Benwei’s family members.

“It’s nothing. It’s just that a few of us aunties are organizing a group to play.”

Chu Yan's eyes narrowed into two crescent moons. "Then can I join?"

"Of course, you can," Jiang Xiuqin said with certainty.

"But I haven't become a member yet. Will the other aunties accept me?" Chu Yan asked again.

"You're so beautiful. We're all happy to see you." Jiang Xiuqin was already grinning from ear to ear.

"Alright, we're going to the beach today. You can come with us."

"Alright."

After saying that, Chu Yan winked at Lu Benwei.

Jiang Xiuqin also turned around and ordered Lu Benwei, "Go, pack up the chicken feet."

Lu Dayong chimed in. "Be quick. You're going with them today. Take good care of your mother and Yanyan."

"Don't just stand there. Send us to our destination."

Lu Dayong's smile stopped abruptly, and he pouted. "I haven't eaten yet, I haven't eaten yet."

Jiang Xiuqin slapped her head. "I almost forgot. Let's eat first."

Chu Yan stuck out her tongue.

After entering the bathroom, Chu Yan's voice came out again after a while. "Lu Benwei, come in."

After entering the bathroom, Lu Benwei saw Chu Yan frown. "What should we do? Did Auntie join the God Welcoming Association?"

"The God Welcoming Association is hated by everyone now. Even if it is, it should've changed its name. No matter what, we should get to the bottom of it."

Lu Benwei nodded and prepared to leave.

However, Chu Yan suddenly grabbed Lu Benwei's hand and said, "What should we do if it's really the God Welcoming Association with a different name?"

Lu Benwei was stunned. At first, he could not think of a good solution. After thinking for a while, Lu Benwei slowly spat out a word, "Destroy! Destroy this organization before Mom falls too deep into it."

Chu Yan nodded. This was almost the perfect solution. The only possible consequence would be a scolding from Madam Jiang Xiuqin.

...

They arrived at the agreed location.

Lu Benwei and Chu Yan looked at each other. They might have made a mistake.

Jiang Xiuqin had joined a group of middle-aged and elderly women.

Lu Benwei and Chu Yan mistakenly thought that this was the “meeting” of the God Welcoming Association.

After making such a joke, Lu Benwei and Chu Yan did not know whether to laugh or cry. After figuring out the truth, Lu Benwei and Chu Yan came to the beach.

“I was right, Wang Shuai was scolding Liu Jingjing.” Lu Benwei laughed.

The sunset shone into the sea, and young boys and girls played by the sea.

Liu Jingjing took the volleyball and threw it at Wang Shuai crazily.

Wang Shuai dodged while mocking Liu Jingjing, “You’re a tomboy. No one will be willing to marry you in the future.”

“Wang Shuai, you’re destined to be a bachelor in the future!”

Lu Benwei and Chu Yan had warm smiles on their faces as they watched the two of them play.

“Chu Yan?”

Suddenly, Lu Benwei called her softly.

“What’s wrong?”

Chu Yan looked back. The reflection of the multicolored light in her eyes was extremely dreamy. She was wearing a plain swimsuit, and the setting sun shone in from the side.

The girl’s body was enveloped in a warm glow. Her fluffy bangs were like sea fog, and a smile rippled on her delicate face.

“Will we always be like this?” Lu Benwei asked lightly, wanting to carve this moment into time forever.

Chapter 686 Prelude to the Crisis

A new week had begun. Lu Benwei and Chu Yan continued to carry out the secret mission of protecting Fang Xiaoxiao.

It was supposed to be a peaceful day, but on Monday night, a piece of news blew up the entire Green Spirit City.

The serial killer had been arrested! According to the police, the murderer was frustrated in love and wanted to take revenge on society.

Suddenly, the murderer attracted a scolding from the Green Spirit City residents!

“He’s indeed a pervert. He’s taking revenge on society when he’s frustrated in love!”

“This kind of person should be sentenced to death!”

“The death penalty is certain, but I don’t think this matter is as simple as it seems.”

Many people did not choose to believe the piece of news, which caused a heated discussion at night.

On the other side, Chu Yan asked Lu Benwei, “What do you think?”

"I'm not too sure." Lu Benwei shook his head.

"Right now, we're like headless flies, buzzing around."

He felt rather helpless. Hu Wu had completely become the official's wanted criminal, and they had cut off the way to obtain information. He could only quietly wait for the God Welcoming Association to come to him.

At this moment, Hu Wu suddenly called and told Lu Benwei to come to the hotel as soon as possible.

Lu Benwei and Chu Yan arrived at Hu Wu's hotel without any explanation.

The first thing Hu Wu said to Lu Benwei was, "Another murder case."

"What?" Lu Benwei's eyes widened.

"Didn't the police say that the murderer was caught?" Chu Yan frowned.

"It's a gang crime. What's the big deal if you catch a murderer?" Hu Wu curled his lips.

Lu Benwei and Chu Yan nodded. There was more than one person in the God Welcoming Association.

"Also, guess what I found?" Hu Wu asked meaningfully.

"If it's something important, tell me as soon as possible. Don't keep me in suspense!" Lu Benwei said fiercely.

Hu Wu pursed his lips in dissatisfaction and took a map from the bed.

"The map of the Laocheng District and Yangguan District. You can even get such a thing?" Lu Benwei said in surprise.

Hu Wu faintly lit a cigarette and said, "Don't be anxious. Please watch my performance."

Hu Wu laid the two maps on the bed and pieced them together. Then, he took out a pen and drew a circle on a spot to mark it.

Lu Benwei could tell at a glance that it was their school, First Junior High School.

Then, Hu Wu started to draw circles around, with First Middle School as the center, marking the locations.

Lu Benwei's pupils gradually widened, and he said in disbelief, "This, this is the place where the victims were found! They're building a formation!"

Hu Wu slowly exhaled a mouthful of smoke and stared at the map. "It seems like so."

On the two maps, with First Middle School as the center, the locations of the victims formed a radius of three miles.

"Including the dead today, there are nineteen people who died." Hu Wu held the cigarette between his fingers. Green smoke swirled around his fingertips.

“What kind of formation is it that requires the flesh and blood of a human’s five internal organs?” Lu Benwei said in shock.

“I’m not sure. We don’t have time to figure out the formation now. The battle is about to begin,” Hu Wu said hurriedly, “Tomorrow, the God Welcoming Association will take action.”

At this moment, Lu Benwei suddenly thought of something and called the Imperial Baby out.

“You have quite a deep understanding of formations. Help me look at this map. What kind of formation needs to be activated by the flesh and blood of a human’s five internal organs?” Lu Benwei asked.

The Imperial Baby hurriedly glanced at the two maps and crossed his arms. “Tsk, can’t you see through this small formation?”

“Pa!”

Lu Benwei could not help but slap the Imperial Baby’s butt. “Tell me, who did you learn this bad habit of keeping me in suspense from?”

The Imperial Baby felt wronged, and his eyes were filled with tears.

“Sob, sob, sob. It’s just a simplified version of the Spirit Penetrating Formation! The person who set up the formation will transform into a spirit and squeeze out the target’s soul to occupy the target’s body.

“However, the person who sets up the formation is very weak. He needs the energy from the five internal organs and flesh in the formation pillar to maintain the spirit. Moreover, he can only attach himself to ordinary people.”

Lu Benwei’s pupils contracted sharply.

“It’s just an ordinary person. In your words, they don’t have a level!” the Imperial Baby said with a sobbing tone.

Instantly, the three people in the room frowned, their expressions extremely solemn.

Just as the Imperial Baby said, the ultimate goal of the formation was pointed at one person – Fang Xiaoxiao!

“They want to use this method to steal Fang Xiaoxiao’s ability to see through life and death?!”

Lu Benwei came to this conclusion.

After a pause, the Imperial Baby said, “The Spirit Penetrating Formation has another advantage. It can also form a barrier on its own. No one can enter or leave!”

He stared at the map and said, “But I don’t understand why the person who set up the formation set up such a large area. Generally, to increase the success rate of the Spirit Penetrating Formation, the range will be set to the smallest.”

At this moment, everyone’s hearts were heavy. “When will they activate the formation?”

Fang Xiaoxiao was still at home, some distance away from the formation.

“Don’t go home tonight. Take turns guarding here,” Lu Benwei said.

It was a fact that the war was about to begin. A battle could break out at any moment.

Moreover, Lu Benwei, Chu Yan, and Hu Wu were extremely passive. How many people did the other party have, and how strong were their experts? Moreover, the radius was three miles. Why was the area so wide?

At the same time, in the residential area one street away from the small hotel.

“How’s the situation?”

“Lu Benwei and Chu Yan are now with Hu Wu.”

“It’s not easy for us to do it!”

The three members of the God Welcoming Association said sneakily.

“I don’t understand why we don’t just snatch them over now and activate the formation,” one of them said unhappily.

“What do you know? Don’t you know Lu Benwei’s combat strength? With him around, the possibility of our plan succeeding is zero!”

One of them cursed and then laughed slyly. “Don’t worry, we’ll be able to capture the Divine Wizard.”

“Tomorrow Lord Ten Fingers will prepare everything! At that time, we’ll be able to welcome the Divine Child back.”

...

The next morning at six o’clock, the night was peaceful.

Lu Benwei did not relax even for a short while.

“The formation has already been completed. Why are they still not making a move?” Lu Benwei’s expression was solemn.

Hu Wu scratched his ears and cheeks, puzzled.

At this moment, Fang Xiaoxiao left the house with her bag. She was wearing a floral dress and had two pigtailed. She looked especially obedient.

Lu Benwei shook his hands and slowly exhaled. “Let’s go. We should go too.”

Chapter 687 Arrest

To be on the safe side, Lu Benwei first informed Lu Shuangquan that there might be an attack on the school today and asked Lu Shuangquan to think of a way to suspend classes for a day. Lu Shuangquan did not dare to hesitate when it came to matters of life and death.

At 6:30 pm, Lu Benwei and Chu Yan arrived at First Junior High School. At this moment, there were already many students in the classroom. It seemed that the notice had not been sent in time.

Wang Shuai was sitting in his seat, discussing last night's news with the people around him.

"I didn't expect the perverted murderer to be arrested so quickly."

"Yes, yes. It can be considered as an explanation to Vice Principal Yu."

The students sighed and thought of the amiable Vice Principal Yu Liang.

"I hope that the murderer will receive the punishment he deserves."

Wang Shuai sat on the chair and said indignantly, "In my opinion, he should be executed by a thousand cuts!"

"Do you believe that the murderer has been arrested?"

In the classroom, everyone looked at Liu Jingjing.

Liu Jingjing raised her chin and said, "Such a perverted killing method. His internal organs were all emptied. It must be very troublesome to deal with those organs. How did he plan to kill in such a short time?"

Her guess immediately made everyone around gasp.

"I've also marked the locations of all the victims' deaths. We seem to be in the center of it."

"Liu Jingjing, don't scare me in broad daylight!" Wang Shuai was dumbfounded.

Liu Jingjing rolled her eyes.

Suddenly, a student in the classroom stood up. "Really!"

Everyone looked at that person in unison. That person swallowed his saliva and continued, "I followed Liu Jingjing's instructions and marked the locations of all the victims. It's a circle. It's just missing a corner."

Everyone instantly fell silent. Wang Shuai said in a trembling voice, "Is something going to happen in our school?"

Lu Benwei smiled bitterly. He did not expect that this group of children would figure it out blindly. However, they did not know that the missing corner had already been patched up.

Suddenly, an excited student barged in and shouted, "Oh yeah, big news, no class today, a day off, do you want to play Ranked with me at the Internet Cafe?"

At the same time, the class next to him exploded. They had all received the news that there was no class for a day. Even if it was just a day off, they were still excited to the point of insanity.

Everyone in the eighth grade's second class was stunned for a moment.

"No way, did we guess correctly?" Wang Shuai said in disbelief.

"Then what are we waiting for?" Li Yiran shouted.

Suddenly, Fang Xiaoxiao, who was in the corner, fell backward with a thud.

“Fang Xiaoxiao, what’s wrong?”

Chu Yan immediately went forward to ask about her condition.

Lu Benwei’s heart skipped a beat. “It can’t be over already, right?”

At this moment, Chu Yan squatted to check on Fang Xiaoxiao’s condition.

“You go!”

This was the sound that Fang Xiaoxiao made with difficulty.

Lu Benwei and everyone in the classroom were shocked.

At this moment, Fang Xiaoxiao’s facial features were almost twisted together, and she was in great pain.

“Time, time...”

Fang Xiaoxiao curled up into a ball and held her head with both hands. She bit her lips and said, “Time, time...”

“What time?” Chu Yan asked in a panic.

“Everyone’s time is passing by as quickly as the sand in their hands.”

Lu Benwei and Chu Yan’s pupils constricted sharply. “Did time accelerate?”

“Yes. Can you please protect them?” Fang Xiaoxiao asked with difficulty.

Lu Benwei and Chu Yan were filled with emotions. Even amid great pain, Fang Xiaoxiao was still worried about others.

“Hongyi, what happened to Fang Xiaoxiao?” Wang Shuai asked.

“It’s okay. You guys go home first. I’ll take her to the hospital as soon as possible,” Lu Benwei casually said.

At this moment, there was a commotion outside the door. A large number of patrol cars had broken into the campus.

“Damn, so many patrol cars. What happened?”

The students standing in the corridor kept discussing.

“It’s Chief Chen Guangming. He’s here too. He’s in the teaching building!” Li Yiran said in shock.

“That perverted murderer, is he in our school?” Liu Jingjing asked in a trembling voice.

Lu Benwei did not know what was happening. Since they knew that an attack was going to happen, they should evacuate the students first. Why did they come to the teaching building?

Suddenly, Lu Benwei realized that something was wrong and said to Chu Yan, “They might be here for Fang Xiaoxiao.”

“The Patrol Bureau has also fallen?” Chu Yan frowned.

"I remember a deputy director of the Patrol Bureau. He's on that list." Lu Benwei sneered.

"He might have given the order."

Soon, the police officers began to evacuate the students in the corridor.

Wang Shuai and the others wanted to call Lu Benwei, Chu Yan, and Fang Xiaoxiao to go with them, but they were pulled away by the patrol officer.

In just a few minutes, the students in the teaching building were cleared. Other than the patrol officers, only Lu Benwei, Chu Yan, and Fang Xiaoxiao were left.

Lu Benwei was surprised and then said, "I made a mistake. It turns out that they are targeting the three of us."

He looked at Chen Guangming and said, "Officer Chen, why did you arrest Fang Xiaoxiao? What mistake did she make?"

At this moment, Fang Xiaoxiao was nestled in Chu Yan's arms, her face pale and weak.

Chen Guangming slowly let out a breath of turbid air. "Lu Hongyi, Chu Jiayue, you have committed murder. According to the law of the Dragon Kingdom, we need to take you away."

"What?!"

Lu Benwei and Chu Yan widened their eyes at the same time.

"We kill people?"

On the other side, all the teachers and students in the school received the news. The new transfer students, Lu Hongyi and Chu Jiayue, turned out to be the real murderers of the perverted murder case!

"How could this be?" Wang Shuai's pupils were distorted and his legs trembling.

Liu Jingjing and the other students gasped. They had been with the murderers for more than a week?!

"Officer Chen, don't you think this is ridiculous?" Lu Benwei asked coldly.

Chen Guangming sighed, feeling awkward. "I know, but this is an order from above."

"If you catch me, some students will die."

At this moment, the patrol officer behind Chen Guangming sneered and said, "Will I die? You're a murderer. You're the one who are jeopardizing the students' safety!"

Among the many policemen, he was the only one who pointed his gun at Lu Benwei with his index finger on the trigger.

Lu Benwei looked at the inspector and recalled the name on the list.

"Zeng Zhen! Are you Patrol Chief Zeng Zhen?" Lu Benwei asked.

"Not bad!"

Lu Benwei sneered. "I was wondering why you pointed a gun at me. So, it's a thief crying 'stop thief!'"

Chapter 688 Spirit Penetrating Formation, Activate!

Lu Benwei shouted coldly, his eyes shooting out a cold light!

Zeng Zhen was so scared that he trembled. He almost lost his grip on his gun.

This action immediately made the high-strung police officers raise their guns and point their black muzzles at Lu Benwei.

Zeng Zhen was so scared that he made a fool of himself in front of his colleagues. He flew into a rage out of humiliation and said, "Impudent! Why aren't you raising your hands and surrendering?!"

Chen Guangming advised earnestly. "Lu Hongyi, come back to the station with me first. I'll investigate the truth."

At the same time, the students downstairs had yet to disperse. A few patrol cars blocked the entrance.

A few people realized that something was wrong and wanted to force their way out, but they were stopped.

In the classroom, Lu Benwei snorted coldly. "Officer Chen, I believe that you're a good police officer, but if I cannot go to the police station with you."

"Lu Hongyi, don't make things difficult for me."

After Chen Guangming said that, he went up to Lu Benwei and threw himself at him.

Lu Benwei's movements were very fast, dodging to the side. Then, he took Fang Xiaoxiao and Chu Yan into the sky.

The students on the field had their mouths wide open.

"Lu Hongyi and Chu Jiayue are hunters?"

"Not only is he a hunter, but he's also a f*cking level-40 hunter?"

Wang Shuai and the others were shocked. Only hunters who had reached level 40 could fly!

At the same time, a few divine rainbows soared into the sky and revealed their true faces. Without exception, they were all believers of the God Welcoming Association.

"Lu Benwei, put down the wizard and surrender obediently!" the leader shouted.

"Dream on!" Lu Benwei replied coldly and punched out.

He naturally did not have to pity the believers of the God Welcoming Association. He would go all out to kill them.

"Star Shattering Fist!"

Lu Benwei swung his fists, forming a curved galaxy in the sky. The power of the stars swept through the universe, and every punch contained surging power!

"Boom!"

Without any explanation, he struck out the galaxy, covering the sky and covering the earth with irresistible force!

However, the number of people who came to welcome God was much more than Lu Benwei had imagined. Just these soldiers and generals alone numbered 200. He fought with all his might. He was invincible. Nothing could stop him!

“Formation, activate!”

A loud shout rang out, and eighteen beams of light lit up around the school. The magic formation was activated, forming a cage.

“Eh, the aura isn’t right!”

In Lu Benwei’s spiritual world, the Imperial Baby had a worried expression.

“Other than the Spirit Penetrating Formation, I smell a killing force! He seems to want to kill everyone here and offer something?”

Lu Benwei was shocked and said angrily, “Welcome God, I dare you!”

The leader laughed. “Lu Benwei, the resurrection of the Gods is unstoppable. You should obediently surrender!”

Lu Benwei got angrier than before. He had neglected the bottom line of the God Welcoming Association which wanted innocent people to be sacrificed!

Hu Wu also joined in. “I’ve already figured it out. Other than the Spirit Penetrating Formation, there’s another formation!”

Lu Benwei smelled a familiar aura and said in surprise, “Absolute Monster Formation?”

Absolute Monster Formation!

Sacrificing the souls of living beings and reviving the great existences of monsters!

Lu Benwei had once witnessed the Absolute Monster Formation reviving the Flame Monster Clan’s patriarch in Northwind Mountains!

Hu Wu nodded. “This place has been sealed off. We can only fight on our own!”

“Also, there’s bad news. Most of the patrols below are people from the God Welcoming Association!”

At this moment, Zeng Zhen comforted the frightened children. “Everyone, don’t panic. We’ll arrest the villains!”

“This sanctimonious fellow!”

Lu Benwei gritted his teeth and wished he could kill Zeng Zhen!

“Boom!”

Just as they were relaxing, a beam of light shot over. Its power swept in all directions, and it was extremely terrifying.

Lu Benwei raised his hand. The Holy Light Shield was activated, blocking everything.

“Lu Benwei, Hu Wu, do you still remember me?”

Lu Benwei’s eyes shone as he looked at that person. “You, you’re Nine Fingers?”

“It’s you!” Hu Wu gritted his teeth.

Originally, it was Nine Fingers who planned the attack on Canglong City, and countless people lost their lives because of it.

“Lu Benwei, hand over the wizard and we can consider leniently punishing you.”

“Dream on!” Lu Benwei retorted.

At this moment, a scream sounded from the ground. The believers attacked the students.

“Nine Fingers, you deserve to die!” Lu Benwei’s eyes turned red as he said coldly, “You’re also a human. How can you attack a child?”

At this moment, the students on the ground finally realized who the real devil was. They panicked and fell into chaos.

Zeng Zhen laughed out loud. “It’s useless. There’s no way to seal the surrounding area. You’ll all become nourishment for God. Sacrifice your life for the resurrection of God!”

Those believers did not need to exert any effort at all to break the students’ necks. Their methods were very cruel.

The biggest threat to them was the real patrols who were with them. They stopped them at the first moment, but the difference between the two sides was huge. Soon, only a few patrols were left, taking the children to hide.

“Officer Chen, we don’t want to die!”

Wang Shuai, Liu Jingjing, Li He Ran, and some other students were saved by Chen Guangming and hid in the school’s supermarket.

“Don’t be afraid. Someone will come and save us.”

Chen Guangming was ambushed, and his body was severely injured. At this moment, he pretended to be calm and comforted the children.

“God Welcoming Association, you guys deserve to die!” Lu Benwei was furious and attacked.

Nine Fingers held his staff, drew a circle in the air, and disappeared into the void. Only his voice was left in the sky.

“The plan continues. Resurrect the gods!”

Many believers attacked, wanting to devour Lu Benwei.

“Hand over the God Welcoming Association to me. Hu Wu, Yanyan, go and stop the patrols,” Lu Benwei said in a deep voice.

At the same time, he placed Fang Xiaoxiao in the Bronze Temple and comforted her. "Wait here. Don't worry, they can't hurt you at all!"

In the next second, Lu Benwei faced the enemy with all his might. He circulated his dual-origin bloodline and the Chaos Divine Light bloomed. At this moment, his body was illuminated like glass as if a divine weapon had descended from the sky!

The four buffing skills strengthened his body. Lu Benwei raised his fist and punched out. Every punch was able to finish off an enemy. He was invincible!

In the Bronze Temple, the Imperial Baby surrounded Fang Xiaoxiao, who was curled up in a corner and looked left and right.

"Eh, the aura on her body is similar to my mother's!"

The Imperial Baby asked curiously, "Are you my mother's relative?"

Fang Xiaoxiao blinked in surprise. She was very curious about this baby who looked only ten months old but could speak.

"Can you see the future and see my mother?" The once-arrogant Imperial Baby was now begging Fang Xiaoxiao for help.

Chapter 689 Public Enemy

In reality, Lu Benwei's eyes were red from killing.

"Judgment!"

After a light shout, the power of judgment gathered and transformed into 108,000 divine weapons and swords that instantly filled the sky.

"Buzz!"

Those divine weapons and swords trembled slightly in the air, emitting a terrifying yet dazzling golden light.

"Slash!"

Lu Benwei raised his hands into the sky and waved them downward. 108,000 divine weapons and swords slashed down from above, their sharpness peerless and invincible. Countless believers were drowned by the power of judgment and turned into a pool of blood.

"Buzz!"

The light emitted by the formation became even more brilliant, illuminating the entire city. The passers-by outside stopped and looked over.

"What? There's a formation in the direction of First Junior High School. Did something happen there?"

Then, they realized that there was an invisible wall blocking their way to the school. They could not move forward.

Now, the area where First Junior High School was located had become an absolute standstill!

When Lu Benwei saw this, the corners of his mouth curled up into a cold smile. "Nine Fingers, Gan Yan, do you think I'll stop killing you just because of this?"

He was constantly killing the believers of the God Welcoming Association. At the same time, the blood that the believers sprinkled was also constantly providing energy for the Absolute Monster Formation, speeding up its operation.

"It doesn't matter if you summon a Monster King or a Supreme Monster."

He slowly let out a breath of anger, and his figure resounded throughout the nine heavens and ten lands.

"I'll kill until no one dares to show up at the God Welcoming Association!"

Lu Benwei was angry. At the same time, he hated himself. Half of the students who died were his fault.

"What big words. This day next year will be your death anniversary!"

A familiar voice came from underground. The silver-masked old woman appeared, accompanied by a black-haired creature.

"Mrs. Yu, why are you still wearing a mask?" Lu Benwei sneered and pointed out the old woman's identity. "Since you dare to do it, why don't you dare to show your true face to others?"

The old woman was startled and then laughed wildly.

"How did you find out?"

Lu Benwei's eyes were extremely cold. "I noticed it the first day I went to your house but I'm not sure. It wasn't until that night that I was certain of it! You're also the teacher of these children. How dare you do such a tragic thing?"

"Lu Benwei, you don't understand God's will!" Mrs. Yu snorted coldly.

"God will give us everything. For God, I'm willing to sacrifice my life!"

Lu Benwei roared, "God of mouth! I only see a person who loves to kill the innocent. It doesn't matter if you can achieve rebirth or not. You shouldn't step on other people's corpses."

"Boom!"

Lu Benwei punched out, and chaotic divine light flowed out of his palm and fingers. Like a true dragon, it crossed the sky and smashed down on Mrs. Yu.

Mrs. Yu's sword slashed out like a divine moon. Billions of green waves covered the area in front of her, causing the sky to collapse and the earth to crack!

"Rumble!"

The space shook violently, and both of their bodies shook violently. The fist of the chaotic divine light collided with the moon-like slash, interweaving hundreds of thousands of dazzling lights that blinded people.

“As expected of the most talented person in thousands of years. Level 60 can take on level 80!”

Some believers of the God Welcoming Association were shocked.

“It’s a pity that such a person is a stupid person. He can’t be loyal to the Lord God. It’s useless even if he surprises the world.”

“The plan has failed. We can’t get the Divine Wizard.”

“Even the Lord God can’t be revived. Lu Benwei, you deserve to die!”

“It’s fine. After this battle is over, we’ll make him desperate and make him the public enemy!”

In the sky, Lu Benwei and Mrs. Yu were engaged in an earth-shattering battle. It was a disastrous clash. The clouds in all directions shattered, the array collapsed, and the world cracked like jade.

Lu Benwei was overjoyed and heaved a sigh of relief. He finally saw a glimmer of hope, so he fought even more bravely. However, he did not dare to slack off. He had to end the battle as soon as possible to avoid spreading to a wider area.

“Boom!”

Lu Benwei’s bloodline power erupted, and it was like divine light scattering, illuminating this area with extreme brilliance.

Mrs. Yu was shocked. She could only vaguely see Lu Benwei’s silhouette.

“Boom!”

Lu Benwei punched out with a beam of light that was boundless and long. The power of the stars swept through the universe and swallowed mountains and rivers!

“Roar!”

The monster behind Mrs. Yu roared. Its long black fur was curled up as it charged forward. Its demonic eyes were terrifying.

“Boom!”

The Star Shattering Fist seemed to pierce through the nine heavens. The world began to crack, and a violent wind howled, making a sound like the cry of a ghost. The black-haired creature retreated thirty miles before exploding into a rain of blood!

Mrs. Yu let out a blood-curdling scream. Her eyes reddened as she charged forward.

Lu Benwei did not care about her feelings at all. He waved his fist and created a thousand aftershocks, directly destroying half of her body!

“Ah!”

Mrs. Yu fell out and landed on the field, creating a deep pit in the ground.

Lu Benwei landed in front of the deep pit.

Mrs. Yu's youth had already passed, and her battle prowess was not as good as before. The injuries on her body should have been light, but now they had become serious. She did not have much time left.

"Since you used to be Principal Chen Yuan's mentor's wife, I'll give you a dignified death," Lu Benwei kicked a white blade into the deep pit and said coldly.

"Uh..."

Mrs. Yu looked up at the sky, opened her mouth, and groaned weakly. She was so old that the wrinkles on her face were like the bark of a hundred-year-old tree.

"You, you don't understand us..." Mrs. Yu said weakly.

Lu Benwei almost laughed out loud. "In my eyes, you're just a cult that loves to kill the innocent. Shouldn't I kill you?"

"Lu Benwei, how could I not know?"

Mrs. Yu's shocking words caused Lu Benwei to clench his fists tightly.

"What's the difference between you and a monster? I've interacted with monster earlier than you!" Mrs. Yu looked at Lu Benwei with a teasing gaze.

"Are you forcing me to kill you? You're no different from a living dead in my eyes." Lu Benwei sneered.

"No, that's not it. Lu Benwei, I've persevered for my entire life, but I can't see any hope of peace. I'm too tired. When will the days of conquering monsters end? Tell me! It was God who told me the method and allowed me to regain hope. For this, I'm willing to slaughter the people I once protected."

Hearing Mrs. Yu's words, Lu Benwei was extremely shocked. Just as he was about to ask further, he realized that Mrs. Yu had already closed her eyes.

Lu Benwei sighed helplessly, then quickly realized that something was wrong.

Chapter 690 Big Movement

Such a violent battle.

In the past, the garrison would have thought of ways to break the formation.

The formation was broken by the aftermath of the battle between Lu Benwei and Mrs. Yu.

"Did the garrison suffer?"

Lu Benwei shuddered. Soon, he rejected this guess. Destroying a garrison would cause a world-shaking commotion.

At this moment, there was no other place with the aura of battle.

"Not good, not good!"

Hu Wu ran over in a panic, his body covered in blood.

“What’s wrong?”

“We, we’ve become targets,” Hu Wu said in a panic.

Lu Benwei frowned slightly. “This isn’t strange. After all, it’s the Patrol Bureau that came to cause trouble.”

Hu Wu swallowed his saliva and said, “It’s not the Patrol Bureau. It’s the garrison. To be more precise, we’ve become public enemies.”

At this moment, Lu Benwei received a message on his phone. It was a unified message sent nationwide.

“The Dragon Kingdom’s Monsters Confrontation Command Center has issued an emergency announcement. Lu Benwei, a native of Green Spirit City in Hai Province, and Hu Wu, the former director of the Hai Province Law Enforcement Bureau, colluded with the monsters and massacred the students of Green Spirit City’s First Junior High School. The two of them are now listed as wanted fugitives nationwide. The two of them are very powerful. Please report immediately if you see them!”

Lu Benwei and Hu Wu were both dumbfounded. Then, he immediately understood that this was a trap set up by the God Welcoming Association!

The moment the news was released, it first caused a huge uproar in Green Spirit City.

“God and men are furious. How dare you kill a student? This is simply unforgivable!”

“Ah! Lu Benwei and that Hu Wu, I’ll kill you!”

At the same time, at Lu Dayong and Jiang Xiuqin’s house, the police officers immediately arrested the two elders.

In Dragon City, which was thousands of miles away, Li Tiancheng said angrily, “Impossible, how could Lu Benwei kill students?”

“Regiment Commander Chu, this can’t be true!”

“Tiancheng, don’t panic.” Chu Tianxiong’s expression was grave.

“I’ve heard recently that the officials of Hai Province may be controlled by the evil sect, the God Welcoming Association. Let’s go there together.”

After saying that, Chu Tianxiong tore open the void and prepared to go to Hai Province.

At the same time, the entire Zhejiang Hunter University was in a mess.

“It must be fake. How could Lu Benwei do such a thing?” Liu Yi panicked and could not even speak properly.

“Principal, why don’t we make a trip to Green Spirit City?”

Chen Yuan silently held his forehead and slowly inhaled a breath of cold air.

“This is the child’s disaster. What we should do now is to find out the truth for him.”

“Then what should we do?”

“The national arrest warrant has been screened by the operations center. I think there might be some mistakes that led to this situation.”

“Come, follow me to Dragon City!”

...

Lu Benwei and Hu Wu gasped.

They had to admit one fact: The entire Hai Province government might have been infiltrated by the God Welcoming Association.

“I really want to find out the truth! But I don’t have the ability to go against the people of the entire province,” Lu Benwei said with a headache.

Hu Wu was so angry that his legs were cramping. “Damn it, I don’t have much time left, and you still don’t want me to have a good time.”

“When I got the monster’s egg, I really should’ve shaken its yolk!”

“It’s useless to say all this now. I can already feel the experts of the army coming our way,” Lu Benwei said solemnly.

At this moment, Chu Yan brought Chen Guangming and a few children to Lu Benwei and Hu Wu.

They also received the same message. However, they were all present and knew that Lu Benwei and Hu Wu were wronged.

“Brother, let’s not talk about anything else. The few of us can prove your innocence!” Chen Guangming said. Now that he knew Lu Benwei’s identity, he no longer treated Lu Benwei like a student.

Wang Shuai and Liu Jingjing looked at Lu Benwei timidly. They also knew Lu Benwei’s identity.

However, when they thought about how their classmate who had been in the same class as them for nearly a week was older than them and was also a strong hunter, they felt an indescribable strangeness in their hearts.

“Hong, Brother Lu, we’ll find a way to prove your innocence,” Wang Shuai said.

Lu Benwei shook his head and said, “Don’t do it. The officials of Hai Province may have been infiltrated by the God Welcoming Association. My innocence isn’t something you can prove. And they’ll probably find a way to control you who know the truth. Officer Chen, I have a favor to ask of you!”

“Tell me!” Chen Guangming immediately stood up.

“I hope you can protect them well!” Lu Benwei entrusted the safety of the children to Chen Guangming.

Following that, Lu Benwei summoned the Six-tailed Crocodile, Fang Xiaoxiao, and the Imperial Baby.

“Ah! Uncle Crocodile!”

“And that ghost!”

When the children saw the crocodile and the Imperial Baby, they were excited and afraid.

“Student Fang Xiaoxiao, I’ll leave her to you. Her identity is very important. Please protect her!”

“I understand.” Chen Guangming agreed immediately.

“Lu Benwei!”

At this moment, Lu Benwei’s uncle, Lu Shuangquan, also ran over in a hurry. He grabbed Lu Benwei’s hand and was about to walk out. “What are you waiting for? You won’t be able to escape when the people from the garrison arrive.”

“Uncle!” Lu Benwei sighed deeply. “When I’m not around, please take care of my parents.”

“Child, what nonsense are you talking about? The heavens are watching. Those people will get their retribution!”

Lu Benwei broke away from Lu Shuangquan’s hand and said, “It’s useless. With my current strength, I can’t defeat them. I still have to continue my training,” Lu Benwei said.

“Where do you want to go?” Chu Yan realized that they might have to part again.

“Foreign Lands!”

“I’ll go with you.” Chu Yan could not bear to part with Lu Benwei.

“Don’t. I’m a sinner now. How can Commander Chu continue to be with you? He’ll be targeted.”

Lu Benwei was extremely calm at this moment as he analyzed all kinds of possibilities.

“Old Hu, are you willing to go to the outer realm with me before you die?” Lu Benwei turned around and looked at Hu Wu, revealing a row of snow-white teeth.

“Haha, I’ve never seen what the outer realms look like in my life!”

Hu Wu first laughed, then sighed and said, “But I don’t have much time left. I might die in the outer realm. Kid, you must bring my ashes back!”

When Lu Benwei heard this, he said solemnly, “That’s for sure!”

Then he shouted, “Crocodile, let’s go!”

The crocodile transformed into a human and soared into the sky with Lu Benwei and Hu Wu!

At the same time, the garrison arrived. Thousands of soldiers and horses occupied the entire sky.

“Lu Benwei, I’m Shi Guang, the commander of the Green Spirit Army! You have committed an unforgivable crime.”
