### Chapter 604 - 604: Emperor Xia's Dimensional Descending Strike

He forcefully endured it and didn't show any of his emotions. However, his body couldn't help but tremble. Qing'er and Shuang'er had accompanied him for so many years and now that something had happened, he could only watch helplessly as he couldn't protect them. The feeling of helplessness was even more unbearable than killing him!

There was also Zheng Fugui, Chen Youcai, and the others. The strength that they had painstakingly nurtured was disintegrated. No one could understand, let alone know the anger hidden in his heart!

"Greetings, Imperial Father. May Imperial Father be in good health and live as long as heaven and earth."

"Come here," the Xia Emperor beckoned.

The Crown Prince stepped forward and stopped beside the dragon bed.

The Xia Emperor pointed to the side and gestured for them to sit down, separated by a table.

Wei Shang poured two cups of tea and placed them in front of them.

"Try it!"

"Yes, sir!"

The Crown Prince held the teacup and endured the pain in his body. He pinched the tea lid and pressed it down. The tea entered his stomach but he didn't feel anything.

"How is it?" asked the Xia Emperor.

“Calm!”

It would be strange if tea brewed from ordinary tea leaves could taste something else!

“There’s more?”

The Crown Prince muttered to himself. His thoughts spun rapidly as he pondered over his father’s deep meaning. After a while, he spoke out what he was thinking. No matter if it was right or wrong, he had to say it! He knew that his father hated people who pretended to be deaf and dumb or had no opinions. “Your son feels that life is like this cup of tea. Whether it is rich or ordinary, it is difficult to escape the fate of being reduced to tea.” The Xia Emperor took a sip of tea and continued to listen.

“Do your best to do your own thing.”

The Xia Emperor didn’t comment, neither did he say whether it was good or bad. Instead, he changed the topic and asked, “You can still hold on?” “Yes.” The Crown Prince nodded heavily.

“I thought it was a sequela from when I was young. I’ve been dealing with government affairs with high intensity recently and exhausted too much energy. I didn’t expect it to relapse again.” “Bring back two stalks of 5,000 -year-old spirit herbs later.”

“Thank you, Imperial Father, for your reward!”

The Crown Prince stood up from the dragon bed and bowed respectfully. “Your son will take his leave!”

As he left, the bedroom fell silent again.

The smile on the Xia Emperor’s face disappeared, and an immense emperor’s might erupted forth from him. He looked down on the world, and his words were extremely cold. “Investigate!”

yes, 511 ‘.

At this moment, a black shadow flashed and condensed in the air. It appeared silently in the palace, revealing a black-robed man. Only his eyes could be seen, and his face could not be seen. He quickly walked forward and stopped in front of Wei Shang. After saying a few words, he retreated.

Wei Shang's expression was solemn as he said, "The woman from the Phoenix Guard has sent an order from His Highness to banish Qing 'er and Shuang' er into the Education Bureau. The Empress is currently looking for candidates to replace Zheng Fugui and Chen Youcai!"

"Am I old?"

Wei Shang's heart skipped a beat. His Majesty was really angry!

"Shimin's side effects acted up, he entered the palace late at night, sent Qing 'er and Shuang' er into the Education Bureau, and let people take over Zheng Fugui and Chen Youcai's positions. These three things are closely related." "This old servant has already ordered people to investigate at all costs!"

The Xia Emperor shook his head, his eyes filled with wisdom, as if he could see through everything. "There are many things in this world that have no results. So what if we investigate? Don't know, or don't know! However, Shimin was already old enough to have his own people. Pass down the order to kill this Phoenix Guard woman and give her a warning. Zheng Fugui will be transferred to the Fifth Division of City Defense and promoted by one rank! Ren Shangxuan was transferred to Jinzhou as the governor, and Chen Youcai was promoted to take over his position."

Wei Shang's eyes lit up as he replied loudly, "Yes, sir!" "Send someone to the Fate Academy and invite the old teacher over."

"This old servant will pass down the instructions!"

After Wei Shang left, the Xia Emperor held his teacup and pressed the lid of the tea cup against the tea cup, causing ripples to appear on the surface of the tea.

When the tea had cooled down, he took a sip and glanced at the Tranquil Heart Palace. His gaze then shifted to the other palaces, and a disdainful smile appeared on his face!

Finally, it stopped in the direction outside the palace, as if it could see through countless distances. It landed on Zhang Ronghua's residence and muttered, "Don't disappoint me!"

In the Eastern Palace.

The woman from the Phoenix Guard who was ordered to deliver the message was called Ren Ning, Su Qitang's confidant. She was very capable and had a strong cultivation base. She led a team of Phoenix Guards and rushed over.

At the main entrance.

The leader Sima stopped them. Ren Ning's face was cold, and her official authority was very heavy. She shouted, "Move aside!"

Sima was just about to speak when he saw her take out the True Dragon Token. He quickly bowed and led his men into the Eastern Palace.

After arriving here, he saw Shuang 'er and Qing 'er standing guard outside the palace. His gaze was cold and sharp like a blade. With a wave of his hand, he directly ordered, "Take them down!"

Qing 'er and Shuang 'er were stunned. They looked at the Phoenix Guards with fear on their faces. They were even more puzzled. Did His Highness pay a huge price to enter the palace? Without waiting for the two of them to speak, Zheng Fugui and his men rushed over and stood in front of them. The surrounding Flood Dragon Guards also surrounded them with swords drawn and their swords pointed coldly at them. If they dared to move, they would take them away.

Without waiting for Zheng Fugui to speak, Ren Ning took out the True Dragon Token and said coldly, "Your Highness has ordered that Qing 'er and Shuang 'er will be sent to the Education Bureau immediately!"

Her cold gaze fell on him. Zheng Fugui did not know why, but when he met her gaze, he felt a sense of panic in his heart, as if something bad was about to happen. Before he could speak, Ren Ning's voice sounded again, "Pass on His Highness's orders! Zheng Fugui's ability was not good enough, so he was immediately transferred away. A new appointment was waiting to be arranged."

The surrounding Flood Dragon Guards were stunned and couldn't believe it. Many of them were Zhang Ronghua's trusted aides. Now that Zheng Fugui had been transferred away, they didn't know what to do..
