

Eight Uncles 104

Chapter 104 The MacNeil Family's Surprise Turned Into a Fright

Everyone was surprised that the Crawford family's beloved little princess was the daughter of God of Battle.

Jerome and Giuliana were in a daze. Two days ago, Anthony brought Lilly to the MacNeil family to find her biological father, and now Blake acknowledged Lilly was his daughter.

It turned out that it was not Leo MacNeil but Blake MacNeil!

They suddenly had a bad feeling.

Blake injured Kevin severely and seemed ruthless. They might have offended him.

Jerome's voice trembled. "Be calm! We didn't know anything. We're innocent! We're also his close relatives..."

Giuliana stuttered. "Yes... yes! You're right!"

They barely remained calm.

The tall Blake hugged Lilly with his back straight. He was in black, which could show his strong arms, while Lilly looked cute in a white dress. They were so eye-catching.

Blake pinched Lilly's chin and suddenly smiled. "Lilly, I'm Daddy! Did I look handsome just now?"

Anthony was expressionless on the side. He looked very eager to get to know Lilly.

Lilly did not answer but stared at Blake. Daddy doesn't look clever. But Mommy said when others want my praise, don't be stingy to praise them because my words may change their life.

So Lilly gave Blake a thumbs up. "Handsome, very handsome, super handsome!"

Blake was stunned for a moment, then chuckled. He liked Lilly a lot, especially her cuteness.

"Tell me, how did they bully you just now?" Blake glanced at the MacNeil family lightly.

Although he had hit Kevin, he had not dealt with Jerome and Giuliana.

her expressions. Lilly started to explain, "That granny is celebrating her birthday. She
