

Eight Uncles 92

Chapter 92 He Has a Daughter!

Lydia took Nicole and turned around. "No! I don't want to sit here! What bad luck to meet..."

Anthony ignored Lydia. He sat beside the children and crossed his legs.

He held the popcorn while stretching out one hand to hang on the back of the chair. He invisibly protected the children in his arms.

"Go away if you don't sit!" Anthony said coldly, "If I see you again, you won't be able to stay in this amusement park." He was overbearing and unreasonable.

Lydia did not dare to retort.

She snorted, then led Nicole away angrily and muttered, "Bah! Rude parents teach rude kids! The rich are all arrogant! People in big cities have no manners..."

Rebecca hurriedly apologized to Anthony. After settling the mess helplessly, she chased after Lydia while saying, "Enough, Aunt Lydia. Please talk less."

Lydia snorted while Nicole shouted, "I want juice!"

Rebecca answered, "I'll buy it later."

Nicole kept yelling, "I want it now!"

Lilly watched Rebecca queuing helplessly to buy juice, then suddenly sighed, "Oh, she's so unlucky!"

Master said that is a weakling spirit. I wonder if Aunty Rebecca will become as brave as Superman after I capture the ghost behind her. Then, will she reject what she doesn't like?

Anthony could not help but laugh when he saw Lilly frowning cutely and pondering like an adult.

"Eat the popcorn." He paused, then emphasized, "Don't tell your granny when going home."

Popcorn was sweet, especially the popcorn outside. Bettany thought it must have added chemical material. What she made at home was healthy, but no matter how good it was outside, it was junk food. That was Bettany's logic.

Lilly took the popcorn and put it in her mouth. She nodded while eating. "Hmm, I won't say it!"

Drake squinted at the bucket of popcorn and said flatly, "Daddy, you're teaching Lilly badly."

Anthony responded, "Shut up." What if I get scolded again when I go back? I can only ask Lilly to keep it a secret.

Lilly said, "Drake, don't worry! I won't go bad!"

Drake was speechless.

After the children finished eating the popcorn and drinking the juice, it was already 5.00 pm.
