

Chapter 1: Sisters, I'm back! - My Poised and Elegant Seven Sisters

Changning City.

On a bus, Ye Fan looked out the window with a daze.

In thirteen years, he finally returned.

Ye Fan is an orphan and has lived in an orphanage since childhood. One night thirteen years ago, a fire broke out in the welfare home, and he fell into the flames when he was only eight years old.

He was not dead, he woke up in a strange place, accompanied by an old man.

Since then, Ye Fan and the old man have depended on each other, learning arts with the old man.

At the age of eighteen, the old man gave Ye Fan a coming-of-age ceremony and told him that he had been a teacher; then he left without saying goodbye, leaving only a letter.

Said that when Ye Fanjun came to the world, he would be able to meet again.

In order to see the old man again, Ye Fan has traveled around the world in the past three years, swept through all the powers of the countries with a single ability, and the world trembles for him.

He is the invincible god!

Not only that, Ye Fan also established his own huge power-Tianzun Temple.

This organization with tentacles spread all over the world has suppressed the major forces of the world. The slogan "Once the **** of heaven comes out, all laws are empty" circulated in the upper strata of the world.

Ye Fan waited for the old man in the Tianzun Hall for three months, but did not wait for him; Ye Fan regretfully left and returned to Changning...

"Old man, you fool me, I don't know when I can see you again; but don't belch anywhere, no one will give you the end."

Ye Fan curled his lips.

The old man is his master.

As the saying goes: one day as a teacher and as a father for life.

In Ye Fan's heart, he also treated the old man as a grandfather.

Withdraw his gaze.

Ye Fan took out an old yellowed photo from his arms, with eight innocent smiling faces on it, touching the photo, the corners of his mouth raised.

When he was a child in the orphanage, he was often bullied because of his weakness. At this time, the seven girls in the orphanage would stand in front of him, protect him, and accompany him.

He later recognized seven girls as sisters.

Ye Fan secretly vowed that when he grows up, he must protect and take care of his sisters.

Now he came back to honor his vow.

"Ah-!"

Suddenly, a weird cry came into Ye Fan's ear, interrupting his thoughts.

Look for the sound.

I saw a little girl sandwiched between two sullen youths, and a wretched man behind was wiping oil.

With such blatant harassment, Ye Fan made a fire in his heart.

Even more angrily, the passengers in the car pretended not to see them and didn't care about hanging up high, and no one came out to help the little girl.

"Comfortable?"

Ye Fan took a step and came to the wretched man.

"Comfortable, hissing, so comfortable...huh?" The wretched man was startled, and he felt like the sky was spinning when he turned his head, and he was thrown away by Ye Fan.

"Big Brother."

The two younger brothers rushed over.

The wretched man got up in pain, furiously, and pointed at Ye Fan and cursed: "Boy, be nosy, get bored!"

"The three big masters harass a little girl, you are also worthy of being men."

"Joke, which one of your eyes saw me harassing her."

"Also quibble!"

"You have to speak with evidence. Ask the passengers in the car, did I harass her." The wretched man glanced viciously.

The passengers in the car were very jealous and opened their mouths one after another.

"Sorry, I didn't see it just now."

"I did not notice."

"Me too, maybe it's a misunderstanding."

"..."

Upon seeing this, the wretched man sneered, "Boy, have you heard? Everyone can prove my innocence. On the contrary, you deliberately hurt people and paid me three thousand yuan, otherwise we will see you in the game."

Ye Fan's face was cold, burning with anger.

He turned around and asked, "Girl, tell me something."

"Huh? Me, I..."

The girl lowered her head and was speechless.

The wretched man was even more arrogant, with his head held high, his attitude was arrogant, "Pay three thousand yuan, this matter is over. Otherwise, go to the bureau, you will not only lose money but also have to be detained."

"Tsk tsk, it's kind of interesting."

"What are you going to do!"

Seeing Ye Fan approaching, the wretched man felt his back hairy inexplicably, and sternly shouted: "I tell you not to mess around, a society under the rule of law..."

"You also know that it is a society ruled by law!"

When the bus arrived at the stop, the door was opened.

Ye Fan kicked them out neatly, and the three of them rolled and wailed on the ground, clutching their crotch.

The driver's master is also a smart person, and quickly closes the door and starts the car.

The wretched man wanted to chase, but couldn't stand up, so he could only shout angrily.

"My boss is Brother Xiong, and this area is where Brother Xiong belongs...oh...you wait! You can't run away! Find you, I want to blow up your basket...Ouch!"

Ye Fan sneered at the threat of the wretched man.

The master of the hall of dignity, the giants who shook the world bowed their heads, and a little **** was also worthy to trouble him!

Ding dong.

After a short while, I arrived at the station.

Ye Fan got out of the car.
