Chapter 131: Why did you collect waste like you!

-Stand up and die!

The voice was biting, and everyone was terrified.

No matter what their expressions or thoughts were, Ye Fan stomped his feet, all the floor tiles in the lobby were cracked and exploded.

Puff puff.

The stone chips flew, and Guan Qing was scarred in an instant.

"what!"

Guan Qing screamed and fell to the ground, shouting in fear: "Ye Fan, it's not me, it's the Yuan family, don't kill me!"

"Who!"

Ye Fan swept the audience.

The cold eyes made Yuan's family shiver, Yuan Feifei and Yuan Yang were sweating like rain, and they didn't dare to breathe.

At this time, Yuan Changlong couldn't help it.

The Yuan family is now the first family of Changning. He is the head of the Yuan family. He is a high-ranking man. He was found to be presumptuous by a yellow-haired boy.

"Ye Fan, I'm going to run wild in my Yuan's house."

Yuan Changlong glared and shouted.

"Su Muyu murdered my father and offended Master Hua Yun. This is a fact and deserves punishment!"

Su Muyu worried that Ye Fan would be impulsive and cause catastrophe, and whispered: "Xiao Fan, don't mess around, calm down. Isn't I okay? You just need to heal Mr. Yuan, this will end Xiao Fan, you are you sure?"

"a piece of cake."

Ye Fan's self-confidence made Su Muyu feel at ease.

However, an untimely sneer came: "What a big tone!"

Hua Yun looked at Ye Fan arrogantly, and sarcastically said: "You are Ye Fan, very good. Su Muyu uttered a wild word, saying that your medical skills are not inferior to me. Now you are saying that the old man's illness is nothing but a trivial matter. Don't make any false claims."

"Where did the insects come from? Noisy in my ears!" Ye Fan didn't even look at it, and directly ranted.

The atmosphere is quiet.

Hua Yun was furious.

He treats the saintly disciple, wherever he goes, he is not treated with courtesy, even if he is a great official in frontiers, he will give some face.

Here, it is totally unreasonable to be scolded and humiliated by an unknown kid!

"Come on!"

Hua Yun stopped drinking.

His status is honorable, how can there be no group of guards around him, besides, his Hua family is also a big family in the capital, although it is not first-class, but it is also the mainstay of the second line.

The guards that the family equips him are all first-class masters.

However.

There was no movement at all.

"Come to \*\*\*\* you!"

Hua Yun shouted again.

I saw a few dark shadows flying in and falling at Hua Yun's feet. It was the second one of his guards, who was already unconscious.

"Guardian? Watch too much TV series, treat yourself as the emperor!" Jiang Long walked from the outside with a sneer on his face.

"No need to shout, all your guards are asleep."

Hua Yun was shocked.

Eighteen masters were solved quietly. What a strong one is this!

Jiang Long came to the lobby and stood behind Ye Fan.

Everyone suddenly realized.

It turned out that he was Ye Fan's younger brother.

"Damn it!"

Hua Yun was furious, but he did not dare to act rashly. Without a guard, if Ye Fan went crazy, his safety would not be guaranteed.

Thinking of his distinguished status and falling into this situation, Hua Yun was extremely aggrieved, and at the same time he was full of resentment.

"Rumble."

However, the Yuan family's guards rushed in and surrounded the three of Ye Fan.

"Master Hua, you are frightened. Don't worry, in my Yuan family, I will guarantee your safety."

Yuan Changlong then looked at Ye Fan and said coldly:

"Last time because of you, my Yuan family was humiliated; this time, you dared to call your door to make trouble. Ye Fan, really thought that my Yuan family was a soft persimmon."

Seeing so many guards here, Yuan Feifei's fear gradually dissipated. She sneered and said: "Ye Fan, you are dead. Offended Master Hua Yun, you have no way to survive."

"It's better to let my Yuan family serve Master Hua." Yuan Yang said, and exchanged glances with Yuan Changlong.

With permission, he blatantly ordered.

"Everyone, give me up! Take down Ye Fan!"

"Wait!"

Knotty eyes, Hua Yun spoke.

Everyone cast their gazes at the same time, only hearing Hua Yun's cold and arrogant expression, he said in a deep voice, "It's meaningless to fight hard. Why don't you dare to fight against us?"

Ye Fan smiled.

This Hua Yun was arrogant and wanted to regain face in medical skills.

Su Muyu's heart and liver all mentioned her throat, but now Hua Yun proposed a medical duel, she quickly agreed: "Chinese doctors should use medical skills to fight against each other, that is not what the doctor should do. Xiaofan, I am right. what."

"Yes! Sister, listen to you."

Ye Fan said dozingly.

Su Muyu gave a white glance, then looked at Yuan Changlong with apologetic expression on his face; "Patriarch Yuan, I hope you will not get angry, let us not be sloppy about things that can be resolved peacefully, and spreading it out will not have a good impact on the Yuan family. Say yes."

Hua Yun spoke, Yuan Changlong could only agree.

The guards retreated.

The old man was carried to the center of Datang.

Hua Yun held his hand and said proudly; "The old man's illness is very serious, even if it is my master's doctor Sheng Huatuo, I dare not say that it is a minor illness. Since you are so confident, it is better for you to act first and let everyone see."

"It's better for you first." Ye Fan waved his hand, calmly speaking, "I'll come first, you don't even have the chance to make a move."

"You are so arrogant."

Hua Yun's expression sank again, and then jokingly said: "If I rescued the old man, what would you do if you scumbag?"

"This worry is unnecessary, because you can't save it at all."

"You!" Hua Yun understood.

This Ye Fan is a master of leverage, and he can't talk nonsense with him at all.

In full view, he started. He was taught by Saint Huatuo, he was confident enough, and the others present were also confident.

Su Muyu said anxiously: "Xiao Fan, is it really okay to be so generous? He is a disciple of the Medical Sage."

"What's wrong with the medical sage disciple? Isn't it amazing?" Ye Fan curled his lips.

Jiang Long snickered on the side.

Hua Yun is a disciple of the medical sage Hua Tuo, as everyone knows, that Hua Tuo is Ye Fan's disciple.

After all, Hua Yun should be called Ye Fan-"Master."

The disciple shows off his medical skills in front of his master?

Wouldn't it be a big knife before closing the door?

What a clown!

In a flash, ten minutes passed.

Father Yuan didn't wake up, everyone began to whisper, and Hua Yun's forehead was also sweaty.

"Something's wrong."

"Why haven't you woken up yet, what's the problem?"

A trace of anxiety emerged in Hua Yun's heart.

Ten minutes passed.

Everyone began to doubt, especially the Yuan family, who had a weird complexion, and wondered in secret: Is this Hua Yun really a medical sage disciple?

"Damn it! What's wrong!"

Hua Yun was roaring in his heart.

"enough!"

Yuan Changlong's face was black, and finally angrily said: "Master Hua, you are too much!"

Hua Yun roared: "I am a medical saint disciple, you don't believe what I say, are you looking for death? Hit me immediately and wake up the old immortal."

Just when the Yuan family was in a dilemma.

Ye Fan shook his head faintly, and sighed: "No way, no way, what kind of face do you have! That old boy Hua Tuo, why have you taken you such a trash disciple!"

Chapter 132: Disciple, see the teacher!

"What did you say! Say it again!" Hua Yun roared with red eyes and a pale face.

"I said you are trash, I said that the old man Hua Tuo is blind, do you hear clearly now? Am I clear enough?"

Ye Fan calmly repeated each word.

Ahhhhh.

Hua Yun was roaring in his heart, but he suppressed it and did not show it, because he was already embarrassed enough to be looked down upon.

"Ye Fan!"

Hua Yun cracked his teeth and popped out two words, and said gloomily: "Okay, keep going crazy, I'll see you, what's the matter with you!"

"If you can't save the old thing and break your arm, dare you?"

"It's interesting." Ye Fan was playful, and Su Muyu beside him persuaded: "Xiao Fan, there is no need to place this bet."

"Sister, trust me."

Ye Fan's eyes were firm, making Su Muyu's heartstrings tremble.

Jiang Long smiled and said, "Second sister, Brother Fan is amazing."

"Talk about it." Ye Fan raised his chin to Hua Yun, "If you succeed in savior, what shall you do?"

"me....."

Hua Yun didn't know how to decide for a while.

"It's also a self-breaking arm, how?" Ye Fan gave a suggestion, which made Hua Yun tremble; but Ye Fan did not wait for Hua Yun to agree, and said to Su Muyu: "Sister, you go."

"Uh, what?"

"Go and heal the old man."

"I can't."

"I said you can do it, I teach you, just do what I said." Ye Fan's words shocked everyone's jaws.

Hua Yun even spit out a mouthful of blood.

humiliation!

The ultimate humiliation.

"Ye Fan, you are deceiving too much..."

"The loser, shut up." Jiang Long's eyes were deep, so that Hua Yun couldn't say anything behind him.

The Yuan family was very upset.

Yuan Changlong said: "Ye Fan, are you sure? If something happens to my father, you won't be able to take this responsibility."

Ye Fan ignored him and said, "Sister, even if you take the shot, I have everything."

"good."

Su Muyu took a deep breath, calmed down, and began to administer the needle.

Same as before, first the old man's heart and brain were sealed, and then the acupuncture point was applied at the Juke acupoint...

"No!" Yuan Changlong yelled, "Su Muyu was just using this stitch, which caused my father to twitch and bleed his nose and mouth. It's a nonsense to come now."

"Do you still believe that quack doctor's words? Is it nonsense? You will know immediately." Ye Fan glanced coldly.

As Hua Yun listened, he spouted blood again.

His eyes were cracked, and seeing the old man convulsing and bleeding again, he couldn't help laughing:  
"Hahaha, you're done, you're done!"

"Sister, go on."

Ye Fan is beyond doubt.

Su Muyu sank to Dantian and continued to give the needle intently.

Under Ye Fan's guidance from time to time, the old man's condition stabilized. During the period, he vomited a few mouthfuls of black blood and the stench was unpleasant.

Those are all toxins accumulated in the body.

The old man's face began to return to normal, even a layman, he could also see that his condition was getting better.

A quarter of an hour later.

"Ahem."

Father Yuan gasped for a few times, then opened his eyes, his face blank.

"Where am I?"

"Father!"

"grandfather!"

The Yuan family gathered around.

Su Muyu wiped his sweat, backed out, and said excitedly; "Xiao Fan, I succeeded."

"Sister, your success is inevitable. Your injection was right at the beginning, but a certain quack doctor interrupted your treatment."

Everyone knows who Ye Fan is talking about.

"Bastard!"

Yuan Yang suddenly grabbed Guan Qing and gave a few punches.

"Where did your \*\*\*\* quack doctor come from, you almost delayed Master Su from treating my grandfather. I'm looking for death!"

Guan Qing was surrounded by a group of young people from the Yuan family.

Yuan Feifei is also smart. At this time, she should please Ye Fan and Su Muyu. She stamped her foot and said angrily: "Guan Qing, is this Huayun really a disciple of the medical saint? I think you brought it from the street."

Others are also echoing.

"That is, how could the medical saint disciple be so useless!"

"Shameful!"

"Guan Qing wants to defraud the Yuan family's money, he is really bold!"

Guan Qing is hard to argue with.

He was beaten with a blue nose and swollen face, and he cried and said, "Hua Yun is really a disciple of the medical saint Huatuo, I promise. Brother Yun, you have something to say."

Huh!

Everyone's eyes fell on Hua Yun.

Hua Yun at the moment, his face is purple.

Can't wait to find a seam to drill in.

Yuan Yang was so angry that he slapped him up, hitting Hua Yun with gold stars in his eyes, and fell off the steps.

"You...you dare to hit me!"

"You almost killed my grandfather, what happened to you when you slapped you? I'm \*\*\*\* about to abolish you."

Yuan Yang looked fierce. In his opinion, Hua Yun was a fake.

For a time.

The young children of the Yuan family gave up Guan Qing and swooped towards Hua Yun.

Hua Yun hugged his head and ran away, and escaped.

"Yuan Family, and Ye Fan Su Muyu, you will remember to me, this young master will not let you go!"

"Pooh!"

Yuan Yang spat.

Turning his head, he immediately said with a smile; "Mr. Ye and Master Su, how offended we were before, it was Hua Yun's trash that deceived us, so don't take it to your heart."

Yuan Feifei said: "The \*\*\*\* thing is Guan Qing, and Huayun partnered to deceive."

"what!"

Guan Qing was about to escape. Yuan Feifei mentioned him again, and suddenly became a target. The Yuan family's children rushed forward and stunned.

At this moment.

Masters of Chinese medicine also came to praise Su Muyu.

Finally, Yuan Changlong smiled and said, "Mr. Ye, Master Su, I have prepared the banquet. Please move forward. Let me thank the Yuan family."

"Masters, let's go together."

"Thank you, Family Master Yuan."

Everyone talked and laughed, moving towards the restaurant area.

Su Muyu was so happy that she looked at the two boxes full of banknotes and jewels, shining brightly.

"Xiao Fan, we are rich."

"Sister is awesome!"

Ye Fan smiled.

Suddenly, my ears moved and I heard movement.

Turned his head and looked out the door.

I saw Hua Yun go and come back, shouting: "Stop for me!"

"You dare to come back!" Yuan Yang and other young people rushed out.

"Hmph, you mortal idiots with naked eyes, suspect that I am a medical saint disciple, now that my master is here, you can keep your eyes open for me."

Da da da.

Slow but heavy footsteps sounded, and in sight, a white-haired old man under the protection of a man in military uniform walked into the door of the house and into the courtyard.

Medical Saint Huatuo!

Although the people present hadn't seen it with their own eyes, Hua Tuo's portraits and photos were already familiar to heart, and they were all shocked at the moment and opened their mouths wide.

Even people who haven't seen Hua Tuo's photos can tell that the old man's identity is against the sky, because the man in uniform next to the old man carries a shining star on his shoulders.

One star warlord!

An old man who is worthy of the country's personal protection with a one-star warlord is definitely a national weapon, and no one can doubt the identity of the medical saint!

"See Hua Tuo Medical Sage."

The Yuan family and the masters of Chinese medicine all knelt down to see it.

Only Ye Fan three stood.

In fact, Su Muyu wanted to kneel, but was hugged by Ye Fan and prevented her from kneeling.

"Xiao Fan, don't be rude to the medical saint."

"Along, take my sister to the restaurant, I'll take care of it here."

Wearing gloves, Jiang Long pulled Su Muyu hurriedly out of the lobby, and said with a smile: "Second sister, you take a seat in the restaurant first, so don't worry about things outside."

Su Muyu is anxious and worried, but Jianglong is here, and she can't get out.

At the moment, the lobby.

"Seeing my teacher and doctor, why don't you kneel, you are so bold!" Hua Yun pointed at Ye Fan and yelled, Chunfeng proud.

The one-star warlord frowned and was very unhappy.

The majestic breath broke out and turned into a torrent to attack Ye Fan.

puff!

But this breath was dissipated by a hundred times stronger violent breath before it got close to Ye Fan.

The warlord's discoloration changed, and a hand was placed on the pistol around his waist, waiting for him.

"Master, it's that kid who uttered wild words, humiliated me, and disrespect you." Hua Yun pointed to Ye Fan and complained.

With a sneer at the corner of his mouth, his eyes seemed to say:

Ye Fan, you are dead!

But Hua Tuo looked for what Hua Yun was pointing at, and instantly it turned into a petrification, and the crutch in his hand could not be held firmly and fell to the ground.

then.

Hua Tuo came to Ye Fan in two steps in three steps, knelt down on his knees and prostrated on the ground, and shouted devoutly: "Disciple, see the teacher!"

Chapter 133: Follow Mr. Ye!

—Disciple, see the teacher!

Hua Tuo's move shocked everyone.

Ye Fan lowered his eyebrows and Shengxue's white clothes set off his abundance like jade. He only listened to him jokingly saying: "I don't dare to be your teacher. Your apprentice will ride on my head. You are his master. , Don't you want to rub me on the ground."

boom!

Hua Tuo trembled, sweating like rain.

Then, he turned his head back abruptly, and shouted sternly: "Asshole thing, the Lord of Medicine dare to offend, you have a hundred lives and you are not enough to die."

"Master..."

"To shut up!"

Hua Tuo said cruelly, "You are just my registered disciple. You have not learned the art of medicine but you are flaunting my name and bravado. It is simply unforgivable."

"From now on, you are no longer my registered disciple, and at the same time, you are not worthy of being a Chinese medicine doctor. You will be removed from the TCM circle in Daxia."

Hua Yun's face was pale and limp on the ground.

"Master, I was wrong. I really know that I was wrong. Please take it back and take my life. The disciple is willing to serve you forever. I dare not make a mistake."

Hua Yun kept kowtow.

The blood flowed across his forehead, but he dared not stop.

He is a collateral young master of the Hua Family in Beijing. He became a named disciple of Hua Tuo by chance, and his status has risen, and even the family elders decided—

As long as he Hua Yun can become the official introductory disciple of the medical sage Hua Tuo, he will be listed as the descendant of the Hua family and the successor of the Hua family in the future.

But now.

Hua Tuo expelled him from the teacher's door, then all the glory he possessed would disappear.

not only.

This news spread back to the capital. Other families were worried that it would cause Hua Tuo's dissatisfaction, and they must have terminated their cooperation with the Hua family; and all of this was attributed to him.

turn out.....

Evicted from the Patriarch!

"Do not!"

Hua Yun roared and cried bitterly.

"Master, give the disciple a chance to reform and reform... Mr. Ye, Brother Fan, Lord Fan, please spare my life."

Ye Fan didn't look straightly at all.

At this time, Hua Tuo said again: "I also want to take back the medical skills you learned."

"what!"

Hua Tuo made a color.

The star warlord strode towards Hua Yun and stared at Hua Yun's two hands; this scared Hua Yun to death.

If his hands were abandoned, he would have no way of survival.

"Master, please forgive me!"

Hua Yun exclaimed.

The warlord had already caught him, and Hua Yun was so scared that he fainted directly; as he was about to abolish Hua Yun's hands, Ye Fan said, "Enough, stop."

"Master, please give orders." Hua Tuo said.

"He comes from a big family in the capital city, he was expelled from the teacher's door by you, and he abandoned his hands again, and he ended up with a dead word. He is not guilty of death."

"Master is kind."

Hua Yun said respectfully, then waved his hand.

The Star Wars will notice, holding Hua Yun, and throwing it out.

So far.

The Yuan family returned to his senses and looked at Ye Fan's eyes, full of horror and deep doubts.

Who is the medical saint Huatuo?

Even high-level officials at the national level will treat each other with courtesy.

At this moment, he was kneeling in front of Ye Fan, so pious, so respectful... and even with a sense of fear, and called Ye Fan the "teacher".

This is simply appalling, incredible!

"Teacher, the disciple is guilty."

"You are indeed guilty, and you are not good at accepting disciples. Starting today, you will walk around and hang the pot for three years."

"The disciple takes the lead."

Hua Tuo didn't have the slightest objection, and squatted his head three times guiltily.

Then he hurriedly left Yuan's house with the generals.

gone?

Just left? !

Wandering around and hanging pots for three years... Does this mean that the next three years will go deep into the grassroots of the civil society to treat people who are suffering for free?

This is a great punishment for Hua Tuo.

But at the same time it is an infinite merit.

this moment.

The Yuan family was convinced, and under the leadership of Yuan Changlong, they paid a visit and said:  
"All the Yuan family, meet Mr. Ye."

"Get up."

"Thank you, Mr." Yuan Changlong got up, pulled Yuan Yang and Yuan Feifei out, and said: "Mr. Ye, these two little rascals have offended you, please let me know."

Yuan Yang and Yuan Feifei were scared to death a long time ago.

Unanimously, they pleaded and said, "Mr. Ye, we don't know Taishan, please have a lot of yours, please spare us once. From now on, we will be your most faithful follower. If anyone troubles you, talk to our Yuan family. make life difficult for."

"Yes, Mr. Ye's business is my Yuan family's business." Yuan Changlong also signed a ticket.

"really?"

The Yuan family said together: "It is true."

Ye Fan smiled and said, "Since you are so sincere, the previous things are over. I will treat the old man, but you remember what you said."

"Mr. Yuan Jiawei is looking forward to the horse."

Yuan Changlong has no arrogance, holding his fists and bending over, very respectful.

joke.

The medical sage Hua Tuo was demoted to the mortal world by the capital Ye Fan with a single sentence. This is a great \*\*\*\* who is alive and free, and the existence of the Yuan family can be wiped out with a single sentence!

Sudden.

What did Yuan Changlong think of: The Xiao family and Pang family were destroyed one after another, would it have something to do with Ye Fan?

Ye Fan? Last name Ye.

Could it be that.....

Suddenly, Yuan Changlong looked up and found that Ye Fan looked at him with a smile, his heart contracted sharply and he was almost scared to death.

"Just know it yourself."

"Ming, understand."

Yuan Changlong's lips were trembling.

He took a deep breath and said cautiously: "Sir, Master Su should be anxious. Let's go to the restaurant to take a seat."

A group of people came to the restaurant.

Su Muyu hurriedly greeted him and asked, "Xiao Fan, are you okay? Where's Medical Sage?"

"he's gone."

"Gone?" Su Muyu was confused.

Yuan Changlong explained: "Master Medical Sage is not a narrow-minded person like Hua Yun. He admired Mr. Ye's superb medical skills, and he left after a few exchanges."

I see.

Su Muyu nodded slightly, without doubt.

Ye Fan mastered "The Nine Dragons Sacred Needle" and he had the confidence to make the medical sage Huatuo value it, and it was normal to not care about it.

He is an old man, standing at the top of Daxia, it is difficult for a young man to justify it!

"Everyone eat the bar."

"Come here."

The banquet started, Ye Fan and the two became the focus, and Su Muyu was embarrassed by everyone's enthusiasm.

Alcohol is over the middle.

The Yuan family gave Su Muyu a big gift, which was a supreme membership card.

With this card, Su Muyu is exempt from consumption in all enterprises under the Yuan family; this card has been issued for the first time by the Yuan family so far.

Su Muyu was really happy.

Finally, the Yuan family sent another check with a string of zeros on it.

The total amount is 100 million.

Yuan Changlong said: "Master Su, those two boxes are too troublesome to carry. I will give you a check directly, which is convenient."

Su Muyu was at a loss.

She treats illnesses and saves people. Although she doesn't care about money, she inevitably trembles with a check for one hundred million.

This check can buy Meng Qingyi's Qingye Group.

"Sister, take it, you deserve it."

"Okay." Su Muyu's face was flushed, "Thank you, Mr. Yuan, in the future your Yuan family will go to our medical clinic for medical treatment, and I will also be free."

"Haha, good good!"

...

Drunken Spring Tower, rooftop.

Guan Qing trembled and reported the situation to Xiao Shending.

"Young Master Xiao, that's all I know."

"waste!"

Xiao Shending slapped Guan Qing away.

Poor Guan Qing was beaten in Yuan's house with a bruised nose and swollen face. After being slapped again, a few teeth flew out, very embarrassed.

Du Juan said: "Young master calmed down. Ye Fan seems to be really capable, and he can also be a good doctor. The Pang family failed, and the Yuan family was passed by him."

Xiao Shending's face was uncertain.

After the three brothers of the Pang family were destroyed, the Yuan family was the chess piece he designed to target Ye Fan.

He had a relationship with Hua Yun on several occasions and asked him to come to Changning.

Later, Guan Qing, who was the rival of Su Muyu, was found, Guan Qing was bought, and he was ordered to provoke the incident.

Aiming at Su Muyu to contain Ye Fan, he wanted to see how Ye Fan broke the game.

did not expect.

Ye Fan knew medical skills and was so superb that he completely broke the situation.

"Something's wrong."

Xiao Shending frowned, always feeling that things were a bit tricky. Guan Qing fainted too early, and it was not clear what happened afterwards.

He immediately called Hua Yun...

Chapter 134: Give another 100 million!

"Hello, Hua Yun."

An unfamiliar voice rang on the other end of the phone, "Who are you."

Xiao Shending said, "Where is Huayun?"

"Hua Yun is being punished, who are you, what are you looking for?"

"Give him the phone, I'm looking for something to do with him."

Xiao Shending's tone was mixed with the implied meaning of command, and the popularity did not hit the spot, and after cursing "stupid fork", he hung up directly.

The cuckoo next to him said angrily: "So courageous, the Hua family doesn't want to live anymore, you are actually disrespectful to the young master."

However, Xiao Shending smelled an unusual smell, and even more eagerly wanted to contact Hua Yun to inquire about the situation in Yuan's house.

He called back again, this time his tone was gentle.

"I'm Hua Yun's friend, what's wrong with him? It was fine two hours ago."

"Huh, that idiot has dealt a blow to the family. Now he is locked up and will not be able to get out within a year or two. You don't need to call again, this phone card will be cancelled soon."

"that....."

Xiao Shending still wanted to ask, and the phone hung up.

Dialing for the third time, the display is off.

Du Juan said, "Master, should I fly to the capital and find Hua Yun to ask?"

"No need."

Xiao Shending shook his head, and said in a deep voice: "It's too late for you to go to the capital. The Hua Family does this, I'm afraid that it will kill Hua Yun."

Dianzhong asked puzzledly: "That's the disciple of the medical saint Huatuo. Although it is just a name, at least it has a little relationship. If the Hua family wants to lose Huayun, how much disaster has Huayun caused to the Hua family?"

"Is it because of Ye Fan?" Du Juan asked.

Xiao Shending was silent.

For a long time, he guessed and said, "Ye Fan is the door-to-door son-in-law of the Meng family, and the Hua family may be afraid of the Meng family. Recently, the Meng family has been gaining momentum and has faintly attacked the first-tier giant families in Beijing. "

Du Juan asked again; "Master, now Ye Fan has passed two levels, what should we do next?"

At this time, Xiao Shending sneered.

When I came to the roof railing, I looked at the busy traffic below, with a faint smile on his lips.

"I thought it would take some time for Ye Fan to pass the two levels, but I didn't expect it to be so devastating, I underestimated him."

"But that's interesting."

"For now, he can be my opponent. From now on, I will confront him personally."

When the words fell, a sharp breath rose into the sky.

Upon seeing this, Dianzhong exclaimed, "Master, your strength has increased by a point. Congratulations."

Xiao Shending laughed.

"Ajuan, I remember you reported before that the Qingye Group of Meng Qingyi, sister Ye Fan, has a cooperation project with Juding Group."

"That's right, garden landscape design, a billion-dollar project."

The corner of Xiao Shending's mouth raised and said: "The notice goes on, this cooperation needs to be re-signed, please Meng Qingyi over."

"Yes!"

...

It's more than one o'clock in the afternoon.

The three of Ye Fan left the Yuan family.

Su Muyu grabbed the heavy check, handed it to Ye Fan, and smiled softly: "Xiao Fan, this is for you."

"Sister, what are you doing?"

"Xiao Fan, if it wasn't for you to guide me, I wouldn't be able to save the old man. It's all your credit."

Ye Fan shrugged his shoulders and said, "Sister, you can do without me. Besides, give me the money, so you are not afraid that I will spend it indiscriminately. How can I say something..."

"When a man has money, he becomes bad." Jiang Long added.

"Yeah."

Ye Fan laughed.

Su Muyu thought for a while, felt it made sense, put the check into his pocket, and said, "That's still not for you. Let's go to the eldest sister and give the money to the eldest sister. Qingye Group is in the development period and needs capital turnover. "

The three came to Qingye Group.

When Meng Qingyi saw a one-hundred-million check, the whole person was stupid.

After listening to Su Muyu's narrative, Meng Qingyi looked at Ye Fan in surprise with a strange look in her eyes——

Earn 100 million this time.

Last time, I signed a 100 million yuan contract with Juding Group.

This is two billion.

What a kid!

She has worked hard for so many years, but it can't last for ten days and a half months.

Where is the reason to go here.

"Sister, take it well, I'm going to the hospital."

"Let's go together, I'm going to the Giant Mansion, just to pick you up on the way." Meng Qingyi held the briefcase and held Su Muyu.

Giant Building is the headquarters of Juding Group.

Ye Fan followed and asked, "Sister, what are you doing in the Giant Mansion?"

"Re-sign the contract."

Meng Qingyi explained: "Didn't the Xiao family sign a 100 million yuan project before, and now the Xiao family moved out of Changning, and Juding Group has changed the actual controller. The contract needs to be reviewed and signed. Alas, this should be the new official's appointment. Put the fire down."

Ye Fan knew it well.

This is Xiao Shending's trick again.

He snorted coldly: "Sister, you don't need to go. The contract has been signed and the official seal of the Juding Group has been affixed. It is not what they say can be changed."

Meng Qingyi said: "Xiao Fan, you have been worrying too much. It is not that you change the contract, and you have to sign it again. In the contract, the official seal of Juding Group has not changed, but the actual controller's private seal is wrong. Now it is a person named Xiao Shending. people."

"Sister, let me accompany you."

Ye Fan was not relieved to let Meng Qingyi go to see Xiao Shending alone.

Meng Qingyi did not refuse either.

After sending Su Muyu to the hospital, Ye Fan followed Meng Qingyi to the Giant Building.

Reception room.

Wang Teng, the new president of Juding Group, came in person.

"President Wang."

"Dong Meng, please sit down." Wang Teng smiled and nodded to Ye Fan, his expression very normal.

Ye Fan waited with interest, wanting to see what medicine Xiao Shending actually sold in the gourd.

Meng Qingyi handed over the contract and said: "Mr. Wang, this is the contract previously signed."

"good."

Wang Teng took the contract and glanced at it, but he didn't take the next step.

Meng Qingyi said, "Mr. Wang, what's the matter?"

"Ahem." Wang Teng cleared his throat and said solemnly: "Dong Meng, there is something wrong with this contract."

"Problem? I didn't move this contract. It has only been signed for half a month. How could there be any problems. Mr. Wang, look at it. This is the official seal of Juding Group and the private seal of the previous chairman Xiao Wenkang. Clear."

"The chapter is correct, but the content of the contract..." Wang Teng shook his head and said, "This contract involves 100 million yuan, which is very large, and the details are also given to you. Qingye Group has not cooperated with Juding before, and suddenly signed this. The contract is abnormal."

Meng Qingyi wrinkled beautifully and looked at Ye Fan unconsciously.

After all, this contract was signed by Ye Fan, she didn't know it at all; Ye Fan put down the teacup and said slowly; "Then tell me how to solve it?"

Wang Teng said: "The contract is invalidated and signed again."

"joke!"

Ye Fan snorted and said sharply; "You wrote the "Contract Law". You can do it whatever you want, and you can say it is invalid when you open your mouth."

Wang Teng smiled and said, "Mr. Ye, don't get excited. The contract is invalidated. It does not mean that you are not cooperating with Qingye Group, but you need to negotiate terms again."

"Negotiating terms? What can I talk about."

"Of course there is." Wang Teng's eyes shone brightly and solemnly said: "My chairman has taken a fancy to the potential of Qingye Group and wants to buy Qingye Group."

Suddenly, Ye Fan's face was cold.

"What did you say?"

"I said, Juding intends to acquire Aoba..."

"Snapped!"

With this slap, Wang Teng's head was short-circuited.

The air is quiet.

Ye Fan lifted his chin, "Come on, say it again."

Chapter 135: You are also worthy to be called human beings?

"Xiao Fan, what are you doing, crazy!" Meng Qingyi was terrified, and Ye Fan actually slapped Wang Teng in the face.

Although Juding Group is a bit of a decline now, it is still a giant company in Changning, and it is not a small Qingye Group that she can provoke.

"Xiao Fan, apologize quickly."

Meng Qingyi glared at Ye Fan with beautiful eyes.

But Ye Fan shrugged his shoulders and said with a grin: "Sister, look at you. It's not just a slap, nothing is wrong. If you don't believe me, ask Mr. Wang."

"Hey, Pharaoh, how do you feel."

At this moment, Wang Teng recovered.

An anger burned in his heart, his entire face flushed, but due to Ye Fan's identity, he secretly squeezed his fist and said without a smile; "It's okay..."

"Snapped!"

The words are not over yet.

With another slap in the face, Wang Teng's glasses were all blown off.

Meng Qingyi Petrochemical.

Just listen to Ye Fan reprimanding: "Hippie smiling face, no rules, speak upright for me."

Wang Teng gritted his teeth and lowered his head slightly, "I'm sorry, but my attitude is not correct."

Meng Qingyi was at a loss.

What's wrong?

Ye Fan dared to beat Wang Teng, which made her unexpected; but Wang Teng's reaction made Meng Qingyi feel that she was dreaming.

Secretly, Meng Qingyi pinched Ye Fan's thigh.

"Ouch, sister, what are you doing."

"Knowing it hurts, it's not a dream." Meng Qingyi frowned, looked at Ye Fan and then at Wang Teng, not knowing what to say.

Wang Teng gritted his teeth and said, "Mr. Ye, you are a guest. I can bear these two slaps. Also, Mr. Ye is asked not to take an inch. Don't think I have no temper."

"You still have a temper!"

Ye Fan hit Wang Teng's forehead with a fist.

Wang Teng's smashed eyes cast gold stars and fell backward; seeing Ye Fan getting up, Wang Teng was frightened, thinking that Ye Fan was going to beat him violently, and hurriedly escaped from the reception room.

And in the chairman's office.

boom!

Xiao Shending smashed the laptop with a punch and walked out of the office angrily. He was able to see clearly what happened in the reception room.

This Ye Fan is too presumptuous!

Cang Dang.

Xiao Shending broke into the door and shouted in a low voice: "Ye Fan, are you looking for death? You dare to run wild in my turf."

"Xiao Dong, please calm down your anger."

Meng Qingyi said apologetically: "My brother is a soldier and he is passionate and impulsive. I must care about it. This is our fault. We don't sign this project. Let's terminate the cooperation."

Xiao Shending sneered: "What do you think of Juding Group? If you want to cooperate, you can cooperate, and if you want to carry a burden, you can carry a burden."

"not me..."

"Don't say it, the contract continues. Not only that, but I will add another project to you. In addition to landscape design, Qingye Group will also do some on-site construction. It just so happens that there is a construction site in Xicheng, and I will now package the construction part with 100 million yuan. you."

Meng Qingyi was dumbfounded.

Xiao Shending asked, "Why, you don't want to?"

"No, no." Meng Qingyi recovered, excited and anxious, "Xiao Dong, is it really okay?"

"Wang Teng, prepare the contract immediately."

"Yes."

ten minutes later.

Meng Qingyi took a look at the contract and signed it, making sure that there were no traps.

Holding two contracts, Meng Qingyi felt a little unrealistic.

Xiao Shending smiled lightly: "Dong Meng, the construction site in Xicheng, I hope you arrange people to start as soon as possible, and don't delay the construction period."

"Don't worry, I will do it right away."

Meng Qingyi said gratefully.

Leaving the reception room and passing in front of Xiao Shending, Ye Fan said meaningfully: "Thank you Xiao Dong for the 100 million yuan project."

"Where, when you first come to Changning, of course you have to make good connections." Xiao Shending raised his eyes and responded with "kindness".

Get in the car.

Meng Qingyi finally couldn't help laughing. He hugged Ye Fan's head and kissed Ye Fan, making Ye Fan blush.

"Xiao Fanfan, you are really sister's lucky baby."

"It's another billion-dollar project."

Meng Qingyi was so happy that she almost danced.

It took a long time to calm down, and she complained: "Xiao Fan, having said that, don't be so impulsive and irritable in the future. Hear you! This time it's good for Xiao Dong to be generous, otherwise we can't eat it."

"Sister, I heard that Wang Ba Laozi said that he wanted to buy the Qingye Group, and I was furious." Ye Fan hummed.

"Okay, let's go to the construction site in Xicheng." Meng Qingyi started the car and soon arrived at the destination.

This is a museum project and construction has just started.

The floor area is not small.

The strange thing is that there is no one in the daytime. Xiao Shending said that this construction site has been working on it, how could there be no one.

"Eh."

Suddenly, Meng Qingyi saw a worker and shouted: "Master, why is there no one on the construction site? What are you doing?"

"What are you doing? Of course, it's a bedding and leave. If you stay, I'm afraid you will die." The migrant worker said with tears.

"What's the matter?"

At this time, a few migrant workers came.

One of them said: "Oh, don't mention it, there are often a group of people coming to the construction site to destroy it. The completed construction is broken. Who dares to stop even the people from breaking it. Several workers have been beaten into the hospital."

"Did you call the police?"

"It's useless, there are too many of them, and it's impossible to catch all of them in the patrol. It's useless to catch a few, but you will be hated and retaliated."

Ye Fan understood.

How could Xiao Shending be so kind, because it turned out that there was a problem with the construction site.

Meng Qingyi sighed.

Then he asked: "Uncle, there should be a reason for those people to do damage. It's impossible to smash it for no reason."

"I heard that the person in charge of the construction site did not visit the master of the site, and did not give gifts to pay. It is commonly known as the protection fee. So, the site of the site sent people to hit it every three times. Just the day before yesterday, the person in charge ran away, and we only I can pack my things and leave."

Rumbling.

As he was talking, suddenly dust rose.

A group of people from all walks of life came to the construction site. It is roughly estimated that there are two to three hundred people, and they are very vicious.

The workers were terrified.

"Here comes again, these bastards."

"Let's run away!"

Dozens of workers fled in all directions.

In the distance, a fierce cry sounded: "Grass, if you want to run, stop for me, otherwise you will break your legs."

Where dozens of people have fought two or three hundred people, the migrant workers were surrounded in the blink of an eye.

"Don't beat me, don't beat me, I have no money."

"Big brother, I have the old and the young, what can I do if I am disabled, let me go."

"I only have two hundred dollars with me, and I will give you all. Let me go, elder brother, I'm just a small worker."

Seeing the migrant workers being oppressed, Meng Qingyi froze and exclaimed: "Do you still have humanity? You can even grab the hard-earned money from the hard-working migrant workers! Return them immediately and leave the construction site, otherwise I will call the police."

"Yo!"

A one-eyed boss came out, licked his lips, his eyes fiery.

"Which big beautiful girls are really good-looking. Come on, kiss my brother, and I will let them go."

"Hahaha."

The people of the rivers and lakes roared with laughter.

The one-eyed man came swaying, but when he approached Meng Qingyi's three feet of land, a black shadow flashed by, and then he flew straight back.

puff.

He squirted blood and passed out on the spot.

"blind."

A hungrily man screamed, then looked at Ye Fan angrily, and roared: "Little bastard, you dare to hurt people."

"When did I hurt someone?"

"Grass, you think we are blind, vomiting blood to death from my brother, and said that we didn't hurt anyone!"

The big man roared with red eyes.

Ye Fan looked contemptuously and said sarcastically, "I hurt him, but it is pure nonsense to say that I hurt people. Because...you beasts are also worthy of being called 'people'!"

Chapter 136: One crazy, two kings and three iron fists!

—You beasts are also worthy of being called "people"!

The voice echoed for a long time.

This group of people in the rivers and lakes froze for a few seconds, and then became angry, grinning one by one, brandishing knives, guns and clubs, and they waited for the order of the two big men to kill them.

"Xiao Fan, don't say a few words."

Meng Qingyi pulled Ye Fan's clothes with a worried face, and then quietly took out the phone, preparing to call the police.

Erhu was very angry.

But having been in the arena for so long, he is not a brainless person.

The young man Yu Xuanang in front of him, since he was weak in power, he still dared to hurt others. And so humiliated them...

There must be confidence!

"Boy, who are you? Where are you?"

"You don't need to know who I am, but you can tell you that this construction site is next to us.

"It turned out to be the person in charge." Erhu sneered. "The last person in charge ran away. You dare to follow, you are not afraid of it."

"How courageous I am, haven't you seen it yet." Ye Fan said lightly.

Erhu glanced at the fainted blind man. He was almost overwhelmed by Ye Fan's words. He said solemnly: "Since you are the person in charge of the construction site, you should understand the rules."

"I heard from the uncle worker that I need to meet the boss in this area first, give gifts, and have a meal."

"That's right, the last person in charge is ignorant, so he couldn't do the construction and was forced to run away. I hope you don't know how to promote."

With that said, Erhu greeted people to carry the blind man into the car.

The boys also got on the car one after another.

Erhu confessed: "You'd better see my boss as soon as possible. When the time comes, you will be accounted for in person to stun the blind man. If you don't, you will be at your own risk."

Rumbling.

A group of people went quickly.

Ye Fan was surprised. He thought that these people from the rivers and lakes were going to do something, but left like this before expecting it.

Meng Qingyi hummed: "If they run fast, or I'll call the police. Uncles, it's okay now, you can leave... By the way, if you wait, I'll pay you a salary."

"what?"

The migrant workers are at a loss.

Meng Qingyi said: "I am contracting this construction site now, and I am the person in charge here. You have suffered losses on the construction site, and I can't ignore it. I now arrange for people to withdraw money and pay you wages so that you have the money to go home."

"Are you true?"

"It's true, I will never lie to you. I have already contacted my secretary, and she will send money over soon."

Immediately, the migrant workers burst into tears.

A group of people wanted to kneel down to apologize, but they were stopped by Meng Qingyi and Ye Fan.

Not long after, Secretary Yang Hong drove up.

According to the workers' own accounting books, all wages were distributed, a total of 1.2 million.

Meng Qingyi can't actually pay the money, but the kind-hearted woman would rather suffer losses than see the workers being wronged.

"Sister, you are so kind."

Meng Qingyi took a deep breath and said, "We are orphans, and we have grown up thanks to donations from caring people in the society and the support of our grandfather. Therefore, it is my purpose and purpose to repay the society with kindness and to be a conscientious businessman. Guidelines."

"Sister, you will definitely become Daxia's most outstanding entrepreneur, and you will go down in history." Ye Fan said, his eyes firm.

Meng Qingyi gave a white glance and smiled.

After surveying the construction site, the three returned to the company.

"Xiao Fan, do you think I should go to the Public Security Bureau of Xicheng District to report the case, I think those people from the rivers and lakes will come to us again."

"No, I'll take care of this."

"you?"

Ye Fan curled his lips; "Sister, do you look down on it?"

Meng Qingyi exhorted, "How can you solve it? Are you going to fight with those people from the rivers and lakes? The fist can't solve the problem, this is a society ruled by law."

"The fist can't solve the problem, it's because the fist is too small. As long as the fist is big enough, all problems will be solved."

When the words fell, Ye Fan had already left the office.

"This kid!"

"Sister Qingyi, leave it to Brother Fan, Brother Fan is super awesome." Yang Hong said shyly with a flushed face.

Meng Qingyi had a weird face and asked, "You girl, don't you like that brat, right?"

"Ah! How come."

Yang Hong was taken aback and ran away quickly.

Get out of the Aoba Group.

Ye Fan informed Zhao Qingmei to check the boss in the Xicheng area.

And this time.

Xicheng District, Qi Le Great World.

Changning's No. 1 comprehensive leisure place covers an area of 100 acres. In this "big world", there are all kinds of entertainment facilities and projects.

Every night.

There are luxury cars everywhere, groups of beautiful women, and people coming and going.

Bright as day, brightly lit.

In the center of the big world, in the "Heaven Bath City", the top luxury hot spring box.

Erhu soaked in the pool and said, "Boss, I found it out. That woman is Meng Qingyi, the chairman of Qingye Group."

"Recently, in the Changning business community, the Qingye Group has been very popular. Meng Qingyi was also selected as the 'Changning Outstanding Young Female Entrepreneur.' That lady is indeed beautiful and she is really a beauty!"

Opposite the second tiger is a middle-aged man in his forties.

The body is strong, the muscles are bulging, the lines are distinct, and he is enjoying the wait of two beautiful ladies.

The middle-aged man closed his eyes, his expression was cold, and he was not angry or pretentious.

"Boss, Meng Qingyi's younger brother Ye Fan, the young man who stunned the blind man, did not find out any information, but Meng Qingyi personally said at the time that Ye Fan had been a soldier. Maybe it has something to do with the war zone, otherwise the kid would not be so arrogant. "

"Humph."

A cold snort made Erhu tremble.

He deeply knew how terrifying the middle-aged man in front of him was.

On Changning Road, there is a saying that "one mad, two kings and three iron fists", these are the six big brothers on the road.

One madness: It means that twenty years ago, a mad man swept the entire Changning rivers and lakes with his own power. Everyone who beat him couldn't raise his head and asked for the king of Changning rivers and lakes.

Since then, the "Mad King" has disappeared for ten years, and then reappeared, still sweeping across the rivers and lakes, and then disappeared again.

It has been ten years since now.

Let's talk about the two kings.

They are: Beggar King and Taishan King.

Beggar King——

Born as an orphan, he was originally a street beggar. One day, he came to his senses and gathered beggars and lonely people in the city step by step. The number of people under his command was the largest, but his fighting power was not very good, but it did not affect him as a top leader on the road.

Taishan King——

He is the opposite of the king of beggars. The family has always been a mixed bag. He has deep roots in Changning and has the highest prestige on the road.

Santiequan actually refers to three martial arts centers.

The owner is a brother.

They are the strongest fighters, but there are few people in the martial arts hall, and only the three martial arts halls are combined to compete with the king of beggars and the king of Taishan.

anyway--

At this moment, the middle-aged man in front of the two tigers is one of the two kings, Taishan King.

Xu Taishan!

Chapter 137: Taishan King, Xu Taishan!

"Brother Fan."

"Say."

Ye Fan stopped the car and took his mobile phone.

Zhao Qingmeihui reported: "It has been found that the area of Xicheng is the site of Mount Tai, the king of Mount Xu."

"Tarzan King?"

"That's the case. There is a saying in Changning rivers and lakes of 'one mad, two kings and three iron fists'..." Zhao Qingmei introduced it in detail.

After listening, Ye Fan smiled and said: "It's interesting."

"Brother Fan, unlike other forces in the rivers and lakes, Xu Taishan is backed by the Xu family. The Qile World is the No. 1 leisure place in Changning, with an annual output value of more than 3 billion. The Xu family's economic strength is in the second line, similar to Zhu Jun; but the road strength is not Zhu Jia can be compared."

Zhao Qingmei paused and reported a number: "It is roughly estimated that Xu Taishan has 3,000 people under his command."

"Great!"

Ye Fan nodded secretly.

With three thousand manpower under his command, it is absolutely incredible. If it were placed in ancient times, it would be a hero and overlord.

"Brother Fan, are you going to the Qile Great World? Then I will summon the disciples now and give me ten minutes."

"No need."

Ye Fan immediately refused.

"Recently, there have been a lot of big movements, including the Zhang family, the Lin family, the Xiao family, and the Pang family. Xu Taishan has 3,000 people, and the fight is turbulent, and it is inevitable that some are not good."

"Then you?"

"I'll meet Xu Taishan first."

Hum.

Ye Fan turned the front of the car and galloped towards the great world of Qi Le.

Drunk Chunlou at this time.

Du Juan rushed to report the situation on the construction site.

Dian Zhong said: "Ye Fan didn't know that the one-eyed was Xu Taishan's confidant? He was seriously injured."

"Maybe Ye Fan didn't know that those people were Xu Taishan's younger brothers, and Ye Fan might not know that he had provoked a big man." Du Juan said.

"No, Ye Fan should be very clear about the situation on Changning's side."

"Will Ye Fan visit Xu Taishan?"

Xiao Shending sat down and took a sip of his drink, "If Ye Fan goes to see Xu Taishan for peace, it means that he is not anxious, but it disappoints me."

"Master, then let's wait and see what happens next?"

"No, add some fire."

Du Juan and Dianzhong looked at each other, a little confused; but soon, the two understood, Du Juan hurriedly left to make arrangements.

...

Wonderful world, heaven bathing capital.

Top hot spring box.

The two tigers watched their noses and noses, and waited for more than ten minutes, when Xu Taishan and the two young ladies on the bed had finished tossing, he said:

"Boss, can you give me an order? The blind man is still lying in the hospital, he can't do nothing. I guess that Ye Fan won't come to see you honestly."

"call."

Xu Taishan lit a cigarette, puffed up the clouds, squinted and said, "Ye Fan, a soldier, is suspected to have something to do with the war zone."

"That's it?" Xu Taishan sneered.

"He won't come before eight o'clock tonight, so he will catch Meng Qingyi. As for Ye Fan, just do it."

"Yes!"

Erhu jumped out of the hot spring pool and strode out wrapped in a bathrobe.

At the door, I ran into the lobby manager.

"Brother Tiger, is the prince asleep?"

"Something?"

"A man named Ye Fan wants to see the prince and is waiting in the reception hall."

Erhu's eyes lit up.

He turned around and shouted: "Boss, Ye Fan is here, see you?"

No response was heard, but this is the response.

What qualifications does a yellow-haired kid have to see King Taishan!

Erhu said: "Let him wait."

"Good Brother Tiger."

The waiter hurried to the reception hall and told the truth.

Ye Fan smiled and said: "Wait, just wait, anyway, I have time. You have the most luxurious hot spring box, and then you will have a set of the most expensive and high-end services."

"Good sir."

After a while, a nice lady came and politely took Ye Fan to the box.

In the box, there are two beautiful female attendants.

"Welcome the boss."

"Are you talented?"

"Boss, as soon as you hear this, you will know that you are here for the first time. What you ordered is the most expensive and high-end service, of course we can do everything." The lady said with a smile.

Another smirk said: "The boss is so handsome, don't worry, we are sure to serve you comfortably. As long as you have heard of it, we will, and we will let you try if you have not heard of it, Zhu Ruo Dong, Du Long... "

"Stop it!"

Ye Fan coughed and said awkwardly, "I mean, do you know how to perform talent shows like singing and dancing?"

The two ladies looked at each other.

Three minutes later.

Ye Fan was soaking in the pool, listening to the two young ladies singing Peking opera.

Don't say it, the singing is really good.

Two hours later.

Erhu came to the reception hall and did not find Ye Fan after scanning; he called in the lobby manager and asked, "Where is Ye Fan?"

"Go to the hot springs."

"What?"

Second words were stunned, his face blackened.

Just wait like that?

Went to the hot spring pool and waited, did you order a few ladies to be happy?

There is simply no sincerity!

Erhu angrily came to the box and asked the manager to open the door.

Seeing the young lady singing Peking opera and Ye Fan's leisurely appearance, he was not angry and shouted: "Ye Fan, what a stinky boy, you actually came to enjoy it."

"Yo, you are here."

Ye Fan opened his eyes, beckoned and smiled, "Is Xu Taishan going to see me?"

"you!"

Two tigers gritted their teeth.

As someone else, he had already added fists and kicks. But I don't know how, facing Ye Fan, he dared not make a move.

just like.

A mouse is born with fear when he sees a cat.

What's wrong with me!

Erhu was puzzled and irritated. He shouted, "Get me up quickly, and I will take you to see the prince."

"Master, tusk, Xu Taishan is quite advanced."

Ye Fan slowly dried his body, put on his clothes, and followed Erhu with his head swaggering.

Arriving to the exclusive box on the top floor, Erhu said: "You give me waiting here."

"Waiting again? Then I'll go back and soak for a while."

"Stop me!"

Erhu's face was ugly, and he said solemnly;

"Since you are here, you know that my boss is great. Just ask the whole Changning, who would dare to provoke my boss. Even if you are a city leader, you can give three points of face. Don't think that if you have a little bit of effort, you will be deceived. As everyone knows, you can't afford to offend some people. ."

"Did you finish?"

Ye Fan kicked the two tigers away and pushed in.

Erhu was terrified.

I was about to scold him, but I heard Ye Fan shout: "Taishan King Xu Taishan, when I saw him today, it was really extraordinary."

"Ye Fan?"

"Exactly."

As soon as the voice fell, a strong breath came to cover the audience and enveloped Ye Fan.

Xu Taishan's eyes were sharp, and he sat cross-armed on the ground, his muscles squirming.

In a trance.

Taishan is like the top pressure, and people are under unparalleled pressure.

Puff through.

Erhu couldn't hold on, and knelt down.

Ye Fan remained motionless.

He was full of admiration or surprise in his eyes, and he deserved to be the king of Mount Tai. In this little Changning, Xu Taishan could indeed be the king.

"The strength of the sky list."

Ye Fan secretly thought that he didn't expect Changning to have a world top ranking player.

Although Xu Taishan is only equivalent to the middle of the sky list, it is nothing in his eyes, but in the eyes of ordinary people, it is definitely an insurmountable mountain.

Taishan, as the name suggests, lives up to its name.

Woo woo woo.

In the box, the strong wind roared, and the furniture was creaking.

Xu Taishan's face was deep.

In his sight, Ye Fan smiled, calmly and calmly, seemingly unaffected by his aura.

In Xu Taishan's memory, for so many years, only one person can do this.

That is-

The mad king.

The man who disappeared for ten years!

"Master, can you talk?"

"sit."

Most of the people who are in the middle of the world believe in "respecting the strong."

Ye Fan has the qualifications to make him serious, and he also shows sincerity to call him "the prince".

With emotion and reason, he should know Xu Taishan.

Chapter 138: Called Big Brother!

Changning City Hospital.

In an intensive care unit, the one-eyed blind man was still in a coma; at the right time, a man in a white coat walked into the ward and left after a minute.

ten minutes later.

The nurse in the rounds ran out in a panic and shouted: "It's not good, it's not good, the patient in room 3 has no signs of life."

...

Paradise bath, exclusive box.

Ye Fan and Xu Taishan sat face to face, and the two tigers were waiting on the side. At this moment, his eyes were full of awe at Ye Fan.

"I didn't expect that Changning still has a strong like you, young and promising." Xu Taishan raised his glass.

"I've seen a lot of top ranking players, but you should be the first one I have ever seen for the Tianbang born in Changning."

Xu Taishan's eyes flickered, and he looked up at Ye Fan.

Ordinary people don't know the sky list, how could Xu Taishan know.

That is the list of world-class powerhouses, and all of them are world-class giants, which are a symbol of glory and strength.

But what shocked Xu Taishan the most was what Ye Fan said just now. Does that mean that he has the strength of the top ranking?

"The prince doesn't know?"

Ye Fan was also stunned, and smiled: "The strength of the prince can at least be in the middle of the top ranking. There is no doubt about this."

"really?"

Xu Taishan trembled with excitement.

For a long time, he has been quite confident in his own strength, and once thought of making it to the top of the list, but unfortunately, there are only one hundred strong players in the top of the list, scattered all over the world.

If you want to meet the top talents, you will undoubtedly find a needle in a haystack.

If you want to hit the top charts, there is no chance.

In addition, there is another way, and that is to contact the department that made the ranking list-Tianji Pavilion.

As long as the Heavenly Secret Pavilion is approved, those old men will help contact the strongest in the Heavenly List. Unfortunately, Xu Taishan can't find the Heavenly Secret Pavilion.

Tianji Pavilion was originally a mysterious force.

"Are you on the top list?"

Xu Taishan asked, staring at Ye Fan closely, his eyes burning.

Ye Fan thought for a while and nodded.

"What's the ranking?"

"Hard to say."

"Then don't talk about it, come on, just fight a game." Xu Taishan jumped up, his aura exploded, and a more terrifying aura poured down.

Ye Fan sat still.

The most unlucky was the second tiger, who knelt down again and crawled on the ground.

"Master, I didn't come to fight with you." Ye Fanyun's calm appearance made Xu Taishan unpredictable, and he felt a little unsure.

"It's about the construction site."

Xu Taishan sat down and took a sip of wine and waved his hand: "You are a strong person in the top rankings, enough to get my respect. From now on, the people below will never go to the construction site to harass. Xiaohu, if you hear it, let the order go on. ."

"Yes."

Erhu immediately issued an order to the following.

Then, Xu Taishan's face suddenly became serious.

"But, one yard goes to one yard, you will seriously hurt my confidant love, we have to calculate this account."

"He should be punished for molesting my sister."

Xu Taishan frowned.

The elder sister of the top ranking powerhouse is indeed not something that Amao and Agou can molested. It is blasphemous and offensive.

Is it just that?

boom!

On the knot, a burly man broke through the door.

The man is somewhat similar to Erhu. It is his brother Dahu, who only heard him exclaiming: "Boss, there is news from the hospital that the blind man is dead."

"what!"

Xu Taishan's face changed in shock.

Erhu's eyes were red in an instant, and he roared: "Ye Fan, you killed the blind man and my brother. Boss, let's avenge the blind man."

Xu Taishan's breath became colder and colder.

Ye Fan said with a sullen face and speculation in his heart. He solemnly said, "I have always done things appropriately. The blind man molested my sister without dying. His injuries are within my control and there is absolutely no possibility of death."

"You still quibble, is it fake news from the hospital?" Erhu exclaimed angrily.

"Obviously, someone murdered."

Ye Fan was determined, looking at Xu Taishan who was angry like a lion, and comforted: "Your love will die, I'm sorry, but this is obviously someone deliberately provoking a contradiction between you and me behind the scenes, hoping that we will kill each other."

"The person behind? Who!"

"The actual controller of Juding Group, Xiao Shending."

Xu Taishan restrained his breath and said in deep thought: "I have heard that the Xiao family moved out of Changning, and the actual controller of Juding Group has changed. But Xiao Shending and I have never seen each other. I have no grudges and no complaints. Why is he? To kill my beloved general."

"Well..."

Ye Fan touched his nose and said awkwardly: "It's because of me, Xiao Shending and I are not dealing with it."

The two tigers couldn't help but speak; "Speaking of which, aren't you still a murderer? It's just that you have changed from a direct murderer to an indirect murderer, and you still can't get rid of the relationship!"

"To shut up!"

Xu Taishan scolded.

He stared at Ye Fan and said coldly: "If you are wronged, you have a debt, if Xiao Shending sent someone to murder my favorite general, it has nothing to do with you, I will find him. But, how can I trust you? ?"

...

At this time, Zuichunlou.

Du Juan came back and reported, "Master, it's done."

"Um."

Xiao Shending responded.

Du Juan said again: "It was also found that Ye Fan went to the Qile Great World two hours ago and went to meet Xu Taishan."

"Oh?"

Xiao Shending stopped teasing the birds and asked in surprise, "Is the news correct?"

"It's true."

"Tsk." Xiao Shending frowned, "Will Ye Fan admit to seeing Xu Taishan? If so, I overestimate him, and he is not qualified to be my opponent."

Dian Zhong said: "Master, I wanted to say that there is no need to treat Ye Fan so solemnly. Now that I understand, what will we do next?"

"It's boring, let's not play. Tonight, we are heading to Dayan Mountain. There is something in the Xiao Family Treasury that needs to be obtained; then, consider killing Ye Fan, and then go back."

Xiao Shending's tone was cold.

puff.

The five fingers contracted, the bird was pinched exploded, and blood splashed all over.

...

"How do I believe you?" Xu Taishan asked coldly.

"Listen to you."

Ye Fan shrugged his shoulders, his face was indifferent.

Xu Taishan thought for a while and said, "You should understand the situation in Changning rivers and lakes. Three iron fists are not a concern. The mad king disappeared, leaving only the beggar king."

"You mean?"

"Yes, if you help me solve the beggar king, I will believe in you. In this way, Xiao Shending is our common enemy, and we will join hands to win the Juding Group and split equally."

Ye Fan laughed.

"Master, you really know how to do business."

Xu Taishan asked: "Did you agree?"

"Master, I just said that I always have my own rules and measures. The king of beggars and I have no grievances, why should I deal with him."

"Then you catch him."

"Not suitable." Ye Fan still shook his head, paused for a few seconds, and said: "Well, I will invite the beggar king over, and let's drink and drink together."

"Will the beggar king come to drink?" Xu Taishan was startled, and then his face was gloomy and coldly snorted; "I and the beggar king are deadly enemies, how could the beggar king come to my place to drink! You are completely taking me to the side."

"Then what if I invite the king of beggars?"

Xu Taishan patted the table and exclaimed: "If you really invite the king of beggars, then I will call you eldest brother Xu Taishan from now on!"

Chapter 139: The Beggar King is here!

"Really?"

"I, Xu Taishan, speak with one word. However, you have to 'please' and let him come willingly, instead of using force to intimidate or arrest him."

Snapped.

Ye Fan snapped his fingers, "That's it."

Xu Taishan sneered secretly.

He has fought with the beggar king for more than ten years. That guy is a rat spirit, and the dragon does not see the head and the end.

Let alone whether Ye Fan can find the King Beggar, even if he finds it, he will not come to the Qile Great World if he kills the King Beggar.

Because the beggar king knows that coming here means death.

Xu Tai Shanmi took a sip of wine and reminded: "Set a deadline, you can't wait forever. How about before the sun goes down?"

"No, one hour is enough."

"One hour?" Xu Taishan was stunned, then lowered his face, feeling that Ye Fan was playing him.

Ye Fan took out his cell phone and called Zhao Qingmei.

"Qingmei, I want to see the king of beggars, and let the king of beggars come to the world of Qile within an hour."

Afterwards, Ye Fan put away the phone, picked up the wine glass and raised a gesture to Xu Taishan.

Xu Taishan was dumbfounded.

The big tiger and the two tigers also looked at each other.

"It's over?"

"What else? Drink a bar, let's just wait."

When Xu Taishan heard this, he put down his wine glass heavily.

"Ye Fan, is it interesting for you to play with me like this? You really think you have a good temper, right?"

"The prince doesn't have to be angry, trust me, just wait an hour."

Seeing Ye Fan's face full of confidence, Xu Taishan grinned coldly, "Okay, let's wait an hour. If the beggar king doesn't come, don't blame me for not showing affection."

Time flies.

After half an hour, Xu Taishan was a little impatient.

The big tiger and the two tigers quietly left the box to gather the men and horses. At the same time, they were equipped with weapons.

Xu Taishan is not worried at all.

Ye Fan is very strong, but is it stronger than a weapon?

He is so powerful, how can he not have guns and ammunition reserves, even if he can't take Ye Fan, he can still be shot.

Another quarter of an hour passed.

Xu Taishan hummed, "Ye Fan, there is not much time left."

"Not urgent."

Ye Fan knocked on the empty wine bottle: "This wine is not bad, let me have another bottle and let me have a drink."

Xu Taishan beckoned.

The maid hurriedly brought drinks, and at this moment, the phone in Ye Fan's trouser pocket vibrated.

He picked up the wine glass, touched Xu Taishan, and said with a smile: "Master, here comes the man."

"Um?"

Xu Taishan raised his eyes suspiciously.

boom!

The big tiger broke in and shouted with a shocked face: "Boss, that, that, the king of beggars, he is really here!"

Xu Taishan's arm holding the wine glass stagnated in midair.

"The beggar king is here, right here..."

"Xu Taishan!"

Before Dahu finished speaking, a sharp word came from behind, rushing in like a knife, making Xu Taishan tremble.

This voice...

It's him!

Dahu was pierced with needles and quickly stepped aside. Then, in his sight, a tall and thin man walked in.

The man's hair is fluffy, looks very ordinary or even a little sloppy, but the breath is very sharp and sharp.

To say that Xu Taishan's breath is deep and steady.

Then the breath of the beggar king is fierce and biting.

The beggar king glanced at Xu Taishan, sneered, two small eyes under his hair, bursting out with a faint green light.

Xu Taishan was preparing for an imposing confrontation, but when he saw that the beggar king didn't look at him, he hurried to Ye Fan and greeted him respectfully; "Mr. Ye."

this.....

Xu Taishan's face solidified.

Ye Fan smiled and said, "I'm really sorry, let the prince take a trip in his busy schedule."

"Where to speak."

The king of beggars didn't think Ye Fan was so kind, and called him "The Lord", a little flattered.

Recalling an hour ago...

Zhao Qingmei, the richest man, appeared in front of him and asked him to come to the world of Qi Le, he sneered.

But.

What happened next made him terrified.

All the industries under his command were controlled.

You know, all his industries are hidden industries, and even his rival Xu Taishan hasn't found out all these years.

not only.

Some of his secretly trained masters were also suppressed.

Everyone said that his people were mobs and did not have much fighting power. He was afraid to confront the King Taishan head-on.

How could he not be ashamed. In the past few years, he has been cultivating a group of masters in secret. Many people, who have already made great achievements, have been quietly suppressed.

One hour!

A huge force like a net of heaven and earth squeezed him to death, and for the first time he felt such powerlessness.

so.

he came.

Even if he knew that the great world of Qi Le was Xu Taishan's lair, he came here for a lifetime of nine deaths.

It's better than being killed by Zhao Qingmei on the spot!

"call."

When his thoughts returned, the beggar king took a deep breath and sat down properly.

"Lord..."

"Don't dare, just call me "Don't beg" by my real name."

"Don't beg... a good name!" Ye Fan showed his appreciation and asked, "Brother Wu, you are willing to come to Qile Great World."

"certainly."

Don't beg nodded heavily.

Can you not be willing? If you don't want to, your head will fall to the ground.

Then, Ye Fan looked at Xu Taishan, who was still in a petrochemical state, and smiled: "King Taishan, have you heard that, don't beg my brother to come voluntarily."

"Uh."

Xu Taishan's throat squirmed and he was speechless.

Ye Fan said playfully, "Remember what you said, and call me Big Brother from now on."

finally.

Xu Taishan regained consciousness, but the sea of mind was unable to calm down for a long time.

A call, invite the king of beggars?

Ye Fan.

Where is it sacred!

"I serve."

Xu Taishan gritted his teeth, took a sip of wine, and shouted awkwardly, "Big brother."

"Hahaha."

"Brother!"

Ye Fan laughed and felt happy.

Don't beg to laugh secretly, the arrogant Taishan King actually recognizes someone as the "big brother" and spreads it out, and Changning is afraid that it will make a big sensation.

Think about it again, don't beg and worry.

Ye Fan is so terrible, Xu Taishan follows Ye Fan and is sheltered by Ye Fan, so how can he fight Xu Taishan?

So don't beg to make a decision altogether, holding a glass of wine and saying respectfully; "Mr. Ye, I would like to follow you and stand up for you."

"There are too many people who follow me, and I am not short of them. Besides, those of you are too weak to follow me; the same goes for Old Xu's people, too weak!"

Ye Fan relentlessly refused to give a blow.

He added: "It's your own business to fight for the front, don't think about me, I won't intervene, so you don't have to worry about it."

"Thank you sir."

Don't beg to get a reassurance, and breathe a sigh of relief.

"Come on, drink."

Three rounds of wine.

Xu Taishan asked: "You are so powerful, you can win Xiao Shending in one sentence, and what do you want me to do."

"For some reason, I can't shoot."

Ye Fan knew that Xiao Shending had been testing him.

The Pang family, the Yuan family, and even now Xu Taishan are all probing.

If he exposes too much, Xiao Shending is bound to be alert, which is not conducive to investigating the secrets behind.

so.

It's best to not use your own strength.

Originally, we needed a reason to encourage Xu Taishan to deal with Xiao Shending; I didn't expect Xiao Shending to send someone to murder the blind man.

This is just great.

There is no need for him to find a reason, Xiao Shending is really a good person.

"what do you want me to do?"

"He killed your love general, and you should take revenge. However, Xiao Shending is extraordinary, so be careful."

at this time.

Jiang Long called, "Brother Fan, the latest news, a group of people came from Dayan Mountain and caught Xiao Chen, seemingly looking for the location of the Xiao family's treasure house."

"What is the origin of those people?"

"The person who is suspected to be Xiao Shending, and depending on the situation, is very purposeful. I guess I can find the treasure house before dark."

"I see."

After hanging up the phone, Ye Fan said mysteriously; "Old Xu, follow me to Dayan Mountain tonight, your chance of revenge is here."

Chapter 140: Gather in Dayan Mountain

The sun is setting.

Ye Fan and Xu Taishan came to Dayan Mountain.

Three or five miles deep, Jiang Long appeared.

When Xu Taishan saw Jiang Long, his whole body suddenly tightened, and he faintly felt a terrifying storm-like aura hidden in the man's body.

"Who is this?"

"My brother Jianglong." Ye Fan smiled and introduced: "Xiaolong, this is the king of Changning rivers and lakes, the king of Mount Tai, Xu Taishan."

"Nice to meet you."

The two shook hands.

Xu Taishan looked serious. He was sure that Jiang Long was a strong man who did not lose to him. The key was to follow Ye Fan.

this moment.

He looked at Ye Fan again, but at the same time he was very confused and surprised - who exactly is this Ye Fan?

Why did Changning suddenly pop out of such a terrifying kid.

"How about it?"

Ye Fan didn't care about Xu Taishan's thoughts. He asked. Jiang Long said, "It's a good guess. It is indeed the person arranged by Xiao Shending. Just now, Xiao Shending appeared and he has locked the treasure house. Place."

"Brother Fan, when we find the location of the treasure house, should I grab Xiao Shending or beat him away?" Jiang Long asked.

"No hurry, let's take a look at the treasures in the treasury. It is worthwhile for Xiao Shending to come here in person; when you get the treasures, leave the rest to Old Xu."

Xu Taishan said: "Xiao Shending killed my brother, I will naturally end him."

Jiang Long looked at Xu Taishan, and said with a smile; "That Xiao Shending is not an ordinary person, very powerful; and there is a general around him."

"Little Brother Jiang Long, you look down on me!"

"No, no, no, I'll give you a sweep at that time, to see your great power." Jiang Long laughed, Xu Taishan has the strength of the top rankings, which is worthy of respect.

The three drove straight in.

When night fell completely, I finally heard the movement.

From the crevices of the thickets, there were more than a dozen people in front of the huge stone wall, and Xiao Shending was among them.

In addition, there is Xiao Chen.

"This is it."

Xiao Shending stretched his waist and hummed, "The Xiao Family Treasure House is really hidden, and I'm exhausted. Uncle Zhong, let's start."

"good."

Dianzhong strode forward.

With a loud roar, his fists began to bombard the stone wall, and the broken stones smashed by the explosive force were flying, like a TV show, making the scalp numb.

"Good guy."

Xu Taishan was alarmed.

He is another strong man, he feels that he is not that person's opponent.

In just one day, there are so many top rankings, what is this? When did Tianbang become Chinese cabbage?

"Don't worry, just ask Xiao Shending for revenge, the one named Dianzhong, let Xiaolong deal with it."

"Can you do it?" Xu Taishan said.

"Damn, why don't you look down on me!" Jiang Long rolled his eyes and whispered; "Just the big guy, I can rub him on the ground with one hand."

"Just blow it."

Xu Taishan obviously didn't believe it.

During the conversation, Dian Zhong had stopped, the surface of the stone wall covered with rocks was shattered clean, exposing the mechanical stone gate inside.

"This treasure house is exquisitely built, and I am afraid it will cost several hundred million." Xiao Shending said, Dian Zhong bombarded the mechanical version with a punch.

Then he shook his head: "Master, this mechanical door is too strong for me to break."

Xiao Shending came to the door, inspected it carefully, and then waved to Xiao Chen, "Boy, come here."

"what!"

Xiao Chen screamed.

When he was caught during the day, he thought that someone was going to kill his mouth, and he was so scared that he almost urinated. Could it be that if he didn't kill during the day, he would end up at night?

"What are you doing?"

Xiao Chen trembled and said, seeing Xiao Shending taking out a dagger that was shining, he was so scared that he ran away.

"Boy, be honest."

Dianzhong grabbed Xiao Chen like a chicken.

Xiao Chen cried and shouted: "My lord, my lord, let me go. I'm just a trash. If you kill me, don't kill me."

"puff!"

Xiao Shending waved his dagger, and Xiao Chen's palm suddenly appeared a dozen blood holes, blood flowed.

"Push his palm up."

Dianzhong did.

The miraculous thing came, when Xiao Chen's blood fell into the induction area of the mechanical door, ten seconds later, the brilliance of the mechanical door was flowing.

Rumbling.

The mechanical door, which was originally sealed in dust, trembled, and then slowly opened.

"What kind of technology is this."

Xu Taishan and Jiang Long were surprised and curious.

I have seen fingerprints open the door, eyes and iris open the door... However, this is the first time I have seen the door open with blood recognition.

Is it so high-end!

Ye Fan's face was heavy. He guessed that it was possible that the mechanical door used Ye's advanced chip technology. What's more, the door might have "Hongmeng" embedded in it.

It was a chip made by father and mother with painstaking efforts.

Hongmeng!

The meaning of opening the world.

Unconsciously, Ye Fan clenched his fists.

Feeling the expansion of Ye Fan's breath, Xu Taishan's pressure doubled and he was a little unsteady; Jiang Long reminded him in a condensed voice: "Brother Fan, calm down, the overall situation matters."

"I have a sense of measure."

Seeing Xiao Shending, Dian Zhong, and Xiao Chen walking into the treasure house, Ye Fan withdrew his gaze and sat under the big tree with his eyes closed and rested.

Jiang Longan quietly stared at the treasure house.

Xu Taishan was restless and wanted to go in and take a look.

"Mature hunters will attack when they relax their vigilance after the prey is full. Acting prematurely will only stun the snake."

Xu Taishan was shocked, then clasped his fist and said, "Mr. Ye...er, brother, I have been taught."

at the same time.

In the jungle three to five miles from here.

Two figures are shuttled.

"call out!"

An arrow flew out and hit the hare's head impartially.

The girl triumphantly said proudly, "Second brother, how is my arrow technique?"

"Pretty."

The flat-headed youth threw the hare into the basket and smiled: "Sister, your arrow skills are getting better and better. It won't take long to surpass me."

"Second brother, I will be eighteen years old in three months. Before that, I will definitely surpass you and become the number one archer in the family."

"Okay, I'll wait!"

When the words fell, only one person flashed over.

It was a woman in her thirties with a black tights and a huge sickle on her back.

In the night, it looked terrible.

"Sanniang, you came just right, contact Uncle Hammer, we can go back to the house." The girl said.

"No hurry, Brother Hammer found an interesting place in the front, it looks like a treasure house, let me take you there." Yan Sanniang said.

Shi Xingqiong's eyes lit up and he said, "What a good thing! Xiaoyu, let's go and see."

"Dig baby."

Shi Xingyu cheered.

Not long after, the three met with the hammer.

This is a huge creature, two meters tall and burly like a hill.

"Master, I've been staring at it for a long time. This treasure house is so great, I actually used blood to open the door, and it was the first time I saw such high technology."

"In addition, of the three people who entered the treasure house, two of them are big masters. I can't say that one of them is big."

Shi Xingqiong was shocked: "Uncle Hammer, can you win?"

The Hammer smiled lightly and said: "The world is big, and there are people outside the world. I have the strength of the top rank. I am invincible in the Jinhua rivers and lakes. It does not mean that the world is invincible. In this world, no one dares to say that the world is invincible."

"No, there is one."

The girl Shi Xingyu spoke, her eyes full of awe and admiration.

"The lord of the Tianzun Temple, the Lord Tianzun who ranks first on the list, should be number one in the world, invincible in the world!"
