### Chapter 151: King of Wild Fists

Before leaving, the boss and his wife gave the remaining barbecue and some beer to the four of Ye Fan, as a thank you.

Holding the principle of not wasting, the four continued to eat and drink.

By the way...

Wait for those people to come back.

as predicted.

After half an hour, the street shook, and twenty cars approached in a mighty manner, enclosing the shop.

Wow!

Like running water, hundreds of people jumped out of twenty cars, all black and dense, with a vigorous momentum.

Huh!

Huh!

It's not over yet, two dark shadows flew from a big tree not far away, and landed steadily on the ground. They were two masters.

"Humph!"

A voice mixed with anger sounded, still the young man, he walked to the front and stared at the four Ye Fan.

Xu Taishan spoke first, "Oh, dare to come back, haven't you been beaten enough? Itchy skin, but still have to suffer?"

"court death."

The youth was furious.

He wanted to pretend to be ruthless, but now he can't wait.

"Crazy, very good, go crazy with my four hundred little brothers."

"Give it to me!"

Four hundred people besieged, the scene was spectacular.

Xu Taishan and Wuqi attacked quickly.

This group of mobs, where is Xu Taishan's opponent, he has the strength of the top ranking.

Don't beg to be a little weaker, but it is also a master's level.

Puff puff.

For a time, blood stained the night sky.

Seeing the two of Xu Taishan ramming and knocking down a large group of people, their youthful faces were green, and roared: "A bunch of rice buckets, move me guys, hacking to death counts me."

As soon as this remark came out.

The battle escalated, and the risk factor surged.

The cold light flickered and was intriguing.

Broadswords with handles and clubs appeared, and the whistle of the wind was mixed between the swings.

"Help."

Ye Fan said while pouring wine.

Jiang Long turned into a black shadow, patted a few young people, and slew to Wuqi's side, and relieved Wuqi who had fallen into a dangerous situation.

Subsequently.

He is like crossing a river and a dragon, shuttled back and forth, like if there is no man's land, seven in and seven out, constantly dividing the battlefield, disrupting the opponent's rhythm, and this makes Xu Taishan and Wuqi less pressure.

The big scene, pay attention to one blast and then fade away again and again.

Being disrupted by the rhythm is fatal.

No, Xu Taishan and Wuqi quickly crushed them, while Jiang Long slowly closed their hands and sat back on the chair to chat with Ye Fanlu.

"damn it!"

The young man saw four hundred people in this short few minutes, and most of them fell, furious and frightened at the same time.

However, he did not order a retreat.

Bringing people over with great fanfare, if even four people can't solve it, he has no face to go back.

"Go on! Kill, kill, kill!"

"Yes."

The two men in black have turned their hands.

Their speed is very fast, their jumping ability is very good, a few overturned and killed Xu Taishan and Wuqi surroundings.

Falling from the sky, one foot trampled on their heads.

"court death!"

Xu Taishan's eyes were electric, and his foot was humiliating. He roared wildly and hit the man in black with a punch, smashing the sole of his foot.

"what!"

The man in black screamed.

When he fell, his pupils contracted, because Xu Taishan did not know when he had come behind him.

"At your level, you are also worthy to pretend in front of me."

Click.

A punch, simply and neatly.

Smashed the spine of the man in black.

The man in black was lying on the ground like a puddle of mud, convulsing constantly, and didn't even have the strength to scream.

The other end.

Do not beg also solved the man in black.

Three minutes later.

At the end of the battle, the audience was full of people, except that the surrounding area of Ye Fan was very clean.

"Come here, let's talk."

At this moment, Ye Fan looked up, smiled and waved.

hiss.

The young man took a breath, his scalp was numb, and his legs were shaking.

Oh my god!

What kind of monsters are these.

Four hundred people and two masters were all solved in just ten minutes.

The most frightening thing was that the young man in white did not move, only three people were dispatched! !

Grunt.

The young man swallowed his saliva, his body shaking more like chaff.

"Well, four big brothers, I took it, I took it completely. This is the end. My name is Liu Tao, and my dad is Liu Zhen. Please let the four of you look at my dad's face and let me go. Don't fight. Me." Liu Tao said tremblingly.

"Liu Zhen?"

Xu Taishan and the beggar king were surprised.

Ye Fan asked: "Do you know each other?"

The two stared at Liu Tao carefully, then glanced at each other, and solemnly replied: "I do know him, his dad Liu Zhen's name is very loud."

"Tell me."

"Liu Zhen is... Changning, the king of wild fists."

Chapter 152: Purgatory

"The king of wild fists?"

Ye Fan frowned, very interested.

Upon seeing this, Xu Taishan explained: "There is a 'purgatory field' in Changning, where black boxing is played. Boxing matches are held every three to five. Because it is a life-and-death fight, it is the best way to find excitement for Haogui, so it is very popular. "

"There is a black list in the purgatory field, with powerful boxers on it, and Liu Zhen is the number one who is revered as the 'King of Wild Fists'."

Don't beg added.

At this time, Xu Taishan kicked Liu Tao and snorted: "I didn't pay much attention just now. Looking closely now, this kid does look a lot like Liu Zhen. It's his son."

Ye Fan heard the respect for Liu Zhen from Xu Taishan's and Don't Begging's words. He asked: "This Liu Zhen is just a boxer. Are you very jealous?"

"I can't talk about fear, but don't underestimate it." Xu Taishan's face was solemn.

"Liu Zhengui is the king of wild boxing and he is quite strong. I remember Old Xu once fought him secretly, regardless of the outcome." Wuqi added.

Ye Fan and Jiang Long were surprised.

Xu Taishan has the strength of the top ranking, but he could not defeat Liu Zhen? !

On one side, Liu Tao was even more shocked.

Although he is dull, he is not a fool. His father Liu Zhen beat Changning Invincible, and there was only one person who made him uncertain.

That is, Taishan King Xu Taishan.

Hearing the name "Old Xu" again, Liu Tao was surprised, could this middle-aged man be the famous Taishan King?

correct!

Liu Tao's eyes turned abruptly, and he fell on Wuqi again, his face changed.

This temperament, this dress... the beggar king?

Oh my god!

At this moment, Liu Tao was stunned.

With a puff, he knelt on the ground and said tremblingly:

"Boy Liu Tao, see King Taishan and King Beggar! Before, I had no eyes and offended the two princes. I am sure that the prince did not remember the villain and spared the boy's life. My father will come to thank you again someday."

Xu Taishan and Wuqi glanced at them, but did not respond.

Liu Tao was sweating like rain, did not dare to look up, did not dare to breathe, just knelt quietly and waited for the fall.

Compared to just now, he was a little relieved.

I am most afraid of some stunned young men who don't know his identity and will kill them without any care. Now I know that they are the king of Taishan, the king of beggars, the big brothers in the circle, and they know his father, so there must be a lesson. But it will certainly not hurt him.

here.

Liu Tao secretly looked at Ye Fan.

Judging from the attitude of the two kings, he respects this young man in white, as if he is his little brother. Who is this person?

Which family's big or young?

Having said that, even the eldest young master of Changning's most powerful family is not qualified to make the two kings bow to their knees.

Liu Tao was puzzled.

I can only \*\*\*\* my ears and listen to the conversation of the four, hoping to hear some secrets.

"Even if Liu Zhen has the strength of the top rankings, he is just a lonely man." Jiang Long pouted his lips and didn't care.

"No, no."

Xu Taishan shook his head.

"The focus of the purgatory is to make money and not participate in disputes between the rivers and lakes; and the purgatory is very low-key, popular in the upper class, and ordinary people don't know that there is such a place."

"Although it is low-key, it cannot be denied that the purgatory field is a giant."

"Not to mention the thousands of armed guards trained, nor the boxing champion Liu Zhen. There are hundreds of wild boxers alone. The key is that they are all good players and strong in combat. Even I will not provoke the purgatory field."

Ye Fan felt more and more interesting.

At this moment, the phone vibrated and glanced at the message, which was sent by Meng Qingyi, saying that he was going to the purgatory to watch a boxing match, and asked where he was?

What a coincidence!

We are discussing here, the eldest sister is going there.

However, Ye Fan felt weird. According to Meng Qingyi's temperament, it was impossible to go to such a cruel and \*\*\*\* place. Someone must have invited it.

who is it? Xiao Shending?

Ye Fan's heart contracted.

Xiao Shending has been hitting a wall recently, his nose is gray, and if he disregards the principle and starts with his sisters in a desperate situation, the consequences will be disastrous.

Quickly, Ye Fan called Meng Qingyi.

A series of questions.

"Sister, what are you doing in the purgatory? Why do you want to go there? Have you been there before?"

"Don't mention it."

Meng Qingyi was very distressed.

"It's a young director from a cooperative company, so I had to invite me to watch the game. I originally refused, but he was snarling it. Besides, Ah Bing heard about it and clamored to go, so I could only agree."

"Where are you? If you have time, let's go with me. You can rest assured. I heard that there is no rule in the purgatory field. There are no rules for punching. It is very bloody, and I am a little scared."

Meng Qingyi's tone was very cute, Ye Fan was amused.

"Sister, I'm leaving now, let's meet in the purgatory."

After hanging up the phone, Ye Fan waved to the two kings.

"You go back, Xiaolong and I are going to the purgatory field to play."

"Let's chant." Xu Taishan winked, "I haven't been there for a long time, and I want to see it too, hehe."

"I heard that there is a super contest in the purgatory tonight. The protagonist is Liu Zhen and a mysterious strong man. Tsk tsk, it must be very interesting." Don't beg is looking forward to it, and wants to follow Ye Fan.

Ye Fan was helpless and was about to greet everyone to get in the car.

Sudden.

The roar of the engine exploded, and a motorcycle flew out and rushed into the sky.

Under the night.

A figure jumped off the motorcycle.

puff!

When it fell to the ground, the bricks on the ground were smashed by the steps; a strong wind rose from the ground, flying sand and rocks, and the momentum was fierce and vigorous.

"boom."

At the same time, the motorcycle fell and smashed into the small shop, directly collapsing the shabby and thin storefront.

Woo woo woo.

The cold wind howled, the heaven and the earth were instantly clear.

Following that, there was a thunderous shout, shaking out, vigorous and vigorous.

"who is it--"

"——Dare to hurt my son!"

Chapter 153: Sister Flower Being Targeted

--who is it!

—Dare to hurt my son!

This voice was extremely vigorous and powerful, like Hong Zhong Dalu, shocking the eardrum.

Xu Taishan, don't beg on alert.

Jiang Long raised his eyebrows, but Ye Fan... his face was still.

"Father!"

Seeing the mighty man appearing in front of him, Liu Tao was overjoyed and burst into tears.

He knows that Liu Zhen's time is tight, because there is a very important boxing match tonight, which is related to his reputation. The opponent is a strong opponent, he can't be careless, he needs to prepare carefully.

Normally, Liu Zhen meditated in the confinement room and adjusted his state to the best.

However, now he is here.

Liu Tao was very moved.

For a long time, Liu Zhen has been stocking him. Apart from giving him enough money, he has not given him much paternal love. This makes Liu Tao believe that in Liu Zhen's heart, there is only wild fist, and his son is not important.

At this moment, Liu Tao changed his mind.

"stand up!"

Suddenly, he stopped drinking.

"My son, Liu Zhen, doesn't talk about being upright, but he is definitely not a bully. You are not ashamed of you kneeling on the ground, I am ashamed!"

Liu Tao shivered.

Wiping his tears, he was about to stand up, but his movements stopped, and he looked ahead with fear.

Liu Zhen was startled and looked at Liu Tao's gaze. There were four people not far away. The two at the front were very familiar.

"Tarzan King!"

"Beggar King!"

Liu Zhen's voice was low.

A quarter of an hour ago, he received the news that it was sent by two masters brought by Liu Tao that Liu Tao was in danger of his life.

This made Liu Zhen no longer care about the game, and drove over on a motorcycle without stopping.

I thought it was just a little thorn, but I didn't expect... it was actually the two big bosses of Taishan King and Beggar King!

Little bastard!

If you don't do good deeds, I will do my best!

Liu Zhen cursed in his heart, but now is not the time to teach Liu Tao; he took a deep breath, calmed down his anger, and said in a concentrated voice: "Two, long time no see."

"Um."

Xu Taishan and Wuqi nodded slightly with serious faces.

Liu Zhen embarrassed: "Well, I just received the news that Liu Tao is in danger of life. I don't know the specific situation. I don't know how this \*\*\*\* provoke the two dudes?"

Big bosses like Xu Taishan and Don't beg are naturally impossible to lower their status and take the initiative to find trouble for a junior.

Needless to say, Liu Tao must have offended them.

at the same time.

Liu Zhen was also shocked--

Xu Taishan and Wuqi are rivals, how come they stand together!

What is this going to do? Alliance?

Liu Zhen thought a lot in the flashlight, but his heart couldn't be calm.

Because once the two kings join forces, it also indicates that there will be a big storm in Changning rivers and lakes, sweeping the city.

At that time, the purgatory field can't stay out of it.

Or.

—The goal of the two teaming up is the purgatory field?

"You really don't know?"

Xu Taishan sneered.

Liu Zhen recovered, shook his head and said, "I can still lie to you."

Don't beg: "Your son robbed the girl. We saw him and we stopped him. This kid wanted to move us instead. Do you understand it now?"

Liu Zhen's face was pale.

Turning back, he stared at Liu Tao fiercely.

"Dad, I..."

"Snapped."

Liu Zhen's backhand was just a slap in the face, kicking Liu Tao, and cursing: "Little bastard, I told you not to do evil outside, and you still remain dead. Why do I have such a waste son like you!"

"Dad, I was wrong, I knew it was wrong, and I would never dare anymore."

Liu Tao grinned with pain and tears.

Xu Taishan glanced at Ye Fan, thinking that Ye Fan was in a hurry to go to the purgatory, he said to Liu Zhen: "Okay, let's go home and fight. We are not interested in seeing you teach your son. Saying that you still have it tonight. Boxing match, hurry back to the purgatory."

"We are going to watch your boxing match." Don't beg and laugh.

Liu Zhen's eyes lit up and he laughed: "It's an honor for someone from Liu to be able to join in."

"Baby rabbit!" Liu Zhen yelled, picked up Liu Tao, and ordered: "Drive the two uncles to the purgatory and arrange the best spectator seats."

"Dad, that..."

Liu Zhen didn't give Liu Tao a chance to speak at all. He threw him aside and quickly got on the motorcycle.

"Two mates, time is in a hurry, I'll be one step ahead."

Rumbling.

When the words were over, the car disappeared into the street.

"Dad, there are two big men..." Liu Tao muttered to himself, smiled bitterly, and then courageously walked over respectfully.

"Two uncles, Mr. Ye and Mr. Jiang, please get in the car."

"You go, I'll go by myself."

Ye Fan drove away.

He wants to meet Meng Qingyi and Han Bing first, and is not interested in mixing up with a few big masters.

Liu Tao contacted to deal with the battlefield; then, drove the Land Rover, and drove the Jianglong trio to the purgatory.

...

A private hospital in the western suburbs of Changning.

This is where the purgatory is located.

Of course not referring to the hospital, but...under the hospital.

It was built underground because the opinions of the students were not enough:

There is a hospital above it to save people in time. Injured in the boxing field, can be directly and quickly sent to the hospital for treatment.

The entrance of the hospital.

The three were wandering, two women and one man.

It was Meng Qingyi and Han Bing.

As for the man, he is obviously a rich second-generation, dressed very fashionable, with broken hair, looks good, tends to be feminine, and if he doesn't behave normally, he might be considered a sissy.

"Why hasn't Xiaofan come yet."

Meng Qingyi was a little anxious, stretched his head and looked around.

"Sister, just waited ten minutes, what's the hurry."

Han Bing curled his lips.

She has a long black dress all her life, extremely glamorous.

She has a different temperament from Meng Qingyi. Meng Qingyi is also a kind of "cold" outside, but it is not glamorous, but a kind of noble "cold."

just like...

The daughter of a big family is born high above, with a breath that naturally emerges from her bones.

"Qing Yi, A Bing, or let's go in first."

At this time, the young man spoke.

His name is Yu Jie, and he is also well-known in the circle.

The family is engaged in a gambling business, with a property of several hundred million. This asset is only third-rate in Changning, and it will not make him famous among the rich second generation.

but.

The key point is that the place where the Yu family does business is in the purgatory.

In the underground purgatory, boxing matches are the key events. In addition, there are many entertainment districts, among which there is a stone gambling area.

The Yu family is the biggest boss of the gambling area.

Because doing business in the purgatory field, he is still the big boss of a district, and he naturally has contact with the upper level of the purgatory field, which is equivalent to being covered by the purgatory field.

So although the Yu family is a third-rate family, no family dared to provoke him; no one dared to offend him Yu Jie, and even the second-rate rich family's children were fond of him.

And just a week ago.

I accidentally met Meng Qingyi, shocked as a heavenly man, and captured by Meng Qingyi's beauty.

However, Meng Qingyi ignored her.

Yu Jie was very annoyed, and took the opportunity to invite Meng Qingyi to the purgatory to watch the boxing match. When the time comes, Meng Qingyi will agree.

If you don't agree...

Yu Jie looked at Meng Qingyi's perfect back and curves, his eyes were full of greed and cruelty.

snort!

I hope you are acquainted, if you don't agree, I will force you.

Anyway, in the purgatory field, in my place, what are you afraid of!

Thinking, Yu Jie's gaze fell on Han Bing again, and he was really happy in his heart. He didn't expect Meng Qingyi and this stunning sister to come together.

Really, double happiness is coming.

Tonight, have a stunning sister flower...

"I'm coming!"

When Yu Jie was dreaming, Meng Qingyi shouted.

He looked over.

A BMW came galloping.

Yu Jie frowned slightly, but quickly relieved.

He only had three golden seat tickets in his hand, and there was no extra for Ye Fan; when that time he arranged Ye Fan elsewhere, it would be an eyesore.

Chapter 154: Who dares to stop me!

"sister."

Ye Fan parked the car and ran over.

Meng Qingyi complained: "It's really slow. Let me introduce you. This is Yu Jie, the young master of the Yu family. The family is in a stone gambling business."

"Hello." Ye Fan nodded indifferently. His eyesight could catch Yu Jie's careful thoughts at once, and he used the two sisters' ideas.

What a death!

"Yu Shao, this is my brother Ye Fan."

"Good boy!"

Yu Jie responded with a smile, then looked at his watch and urged: "It's getting late, let's go in quickly."

A group of people crossed the medical hall and came to the back mountain.

The gateway to the purgatory field is here, the wide black gate, with five guards on each side.

Full of momentum, all masters.

After registering and paying the entrance fee, Yu Jie took Ye Fan and the three into the door and took the elevator to the underground.

Sink fifty meters.

As soon as I got out of the elevator, I heard a lively noise.

After not walking much along the corridor, he suddenly enlightened, and his eyes were full of liveliness and bustling with people coming and going.

"Wow."

Meng Qingyi and Han Bing came here for the first time, and they were very surprised that the underground space was too big.

But Ye Fan disagrees.

He crossed the world and saw too many miracles, this small underground space is really not worth mentioning in his eyes.

For example, in non-continental.

There is an unknown country, eight hundred li in all directions, underground, isolated from the outside; there are millions of people living in it, and their lives are very moist.

This secret is only known to the giants at the top of the world, and counted them with both hands.

"This is just the vestibule."

Looking at the expressions of the two women, Yu Jie knew that tonight was stable, and it was easy to fool the sisters, so he walked and introduced them in a magnificent manner.

"The purgatory field covers an area of 300 acres and is divided into five major areas. We are in the entrance vestibule. You can reach the gambling area on the right and the entertainment area on the left. If you go straight ahead, you will enter the central boxing arena and pass through. The boxing field, there is the office area for the executives of the purgatory field."

"Simply put, the stone gambling area, entertainment area, office area, and forecourt are divided around the central boxing arena. This is the general pattern."

Speaking of this, Yu Jie looked to the right and proudly said: "My family is the largest operator in the gambling area, and my father is the person in charge of the area. This purgatory, I can walk sideways."

"Yu Shaohao."

"Yu Shaohao."

At the right time, a few staff members passed by and gave respectful greetings.

Yu Jie nodded in response with an old-fashioned head, and the pride on his face became more intense.

Come to the entrance of the boxing arena.

The ticket inspector greeted him, then smiled and asked: "Yu Shao, take someone to the boxing match, do you have a seat ticket?"

"Have."

Yu Jie handed in three golden seat tickets, then pointed at Meng Qingyi and Han Bing, and said, "The three of us."

Immediately afterwards.

Pointing to Ye Fan again, he said, "This young man is my friend, please arrange for the silver seat."

"no problem."

"Wait!" Ye Fan yelled, frowning and said; "Why don't you put me in the golden seat, why should I sit in silver?"

Yu Jie smiled and said, "Brother, don't complain. I'm afraid you don't know. Golden seat tickets are very expensive and rare. The price of one ticket is 30,000 yuan. Each time I sell 100 tickets, I finally got three tickets. of."

"As for arranging you in the silver seat... this is because there are rules in the boxing field, and the golden seat can't make random arrangements. I don't have the right to arrange you in the silver seat. I have already tried my best."

After speaking, Yu Jie beckoned.

"Qing Yi, A Bing, let's go. Seat tickets of different levels go through different passages. Golden tickets go through this passage. Ye Fan, your silver passage is over there."

"Wait!"

Ye Fan spoke again.

Yu Jie stopped, displeased.

"Ye Fan, this is the purgatory field, don't play tricks. It's not that I don't give you the golden ticket, but I only have three!"

"Three are just right, my two sisters and I are enough to count."

"And me!"

Ye Fan curled his lips and said, "Aren't you walking sideways in the purgatory field? You need tickets to watch the boxing match. Isn't it too good?"

Yu Jie was speechless.

Meng Qingyi and Han Bing glanced at each other and secretly laughed. The two remained silent, watching Ye Fan's performance quietly.

"Boy, you deliberately find the fault, right?" Yu Jie's face was hot, and he said angrily: "As one of the young masters in the purgatory field, I will definitely take the lead and set an example. I follow the rules in everything. How can I just get a vote? Go in and watch the boxing match."

"If you don't watch, just stay outside."

"Qing Yi, A Bing, let's go."

Yu Jie reached out to pull the two women, but Ye Fan pulled them to his side first.

Upon seeing this, Yu Jie's eyes flashed cold, and he shouted in a low voice: "Ye Fan, what do you mean?"

"It's not interesting, I don't have to go in, it's just..." Ye Fan dragged a long tail.

Yu Jie said, "Just what?"

Ye Fan sneered: "The golden ticket is too low-end to be worthy of my two sisters; unless you can get a higher-level ticket, you are eligible to invite my sister to watch the game."

"A higher ticket?"

"Isn't there a seat higher than gold in the purgatory field."

Yu Jie said, "That's not true. There are diamonds on top of gold, and supreme seats on top of diamonds."

"Then the supreme seat."

"What did you say!" Yu Jie's eyes widened.

Then he had a funny face and said contemptuously: "There are only ten frogs at the bottom of the well that have never seen the world. There are only ten supreme seats. Those who are qualified to sit on it are not the Changning boss."

"So you can't get the Supreme ticket?" Ye Fan shrugged and sighed: "In this case, my two sisters can't go with you."

call.

Yu Jie's anger could no longer be suppressed.

He was impatient by Ye Fan a long time ago. He showed his fangs and said coldly: "Want to go? It's not that easy. The Purgatory is not where you can come or leave if you want."

"Xiao Fan."

Meng Qingyi hugged Ye Fan's arm worriedly.

And Han Bing looked fearless, even ready to move, as long as there was danger, she would immediately capture Yu Jie.

However, Ye Fan said: "Who said we are leaving."

Yu Jie was shocked and saw Ye Fan look back at Meng Qingyi and Han Bing.

"Sister, it's all here, it's a pity not to watch the boxing match. Leave him alone, let's go in together and watch the supreme seat."

"Yeah."

Han Bing smiled openly.

Yu Jie was laughing.

"Do you have a ticket?"

"At this point in time, the tickets are sold out. Don't even think about the golden ticket in my hand."

"Also, you actually said that you want to be the supreme seat. Even my father has never done it. You are what you dare to say in the purgatory field."

Yu Jie's eyes glared and sternly scolded.

A lot of eyes were attracted, and Meng Qingyi became even more worried; but Han Bing looked amusing, ready to show off his skills.

At this moment, Ye Fan uttered three words lightly:

"I have no votes."

"but....."

Suddenly, Ye Fan's breath changed abruptly.

The gentle breath disappeared, and a sea-like breath surging out, mixed with fierceness in the vigor.

Like a sword like a sword.

The overwhelming oppression is on Yu Jie.

at the same time.

Domineering words sounded in Yu Jie's ears, like thunder hit the ground.

"I want to watch a boxing match. I still need a ticket? It's ridiculous. Who dares to stop me in this small purgatory field!"

Chapter 155: General manager

—Who dare to stop me!

The four words go straight into my heart.

Let alone Yu Jie, everyone who followed here, including Meng Qingyi and Han Bing, were very shocked.

What a mad boy!

Those who were watching took a breath. It was the first time they saw someone who was loading garlic in the purgatory.

Who is this young man?

What background?

A few middle-aged men and women walked out of the corridor on the left side of the vestibule and looked over when they heard the movement.

The middle-aged man in the lead chuckled: "It's interesting, do you know that kid? Which family young master?"

"do not know."

The men and women around are shaking their heads.

The assistant said: "Manager, do you need someone to deal with it?"

Tang Zhaoyun shook his head.

As the manager of the purgatory field, his status is second only to the owner, equivalent to the CEO of a group, and he is not interested in such trivial matters.

But after not taking a few steps, Tang Zhaoyun stopped and looked somewhere...

"What are you talking about?"

Yu Jie returned to his senses and looked at Ye Fan with disbelief. His eyebrows were full of anger. At the same time, he sneered: "Ye Fan, are you mad, you are utterly talking here, thinking this is a vegetable market?"

"Xiao Fan, don't mess around." Meng Qingyi tugged at the corner of Ye Fan's clothes and reprimanded in a low voice, "Quickly apologize."

"Apologize?"

Yu Jie was full of disdain.

"Apologizing has a shit. He utterly speaks contemptuously and insults all the members of the purgatory."

Cang Dang.

This big hat is not lightly buckled.

Meng Qingyi's discoloration changed on the spot.

Rao Han Bing also had a solemn expression. She was very confident in dealing with a Yu Jie, but if she offended the entire purgatory field, it would be troublesome.

She didn't have the confidence to break out of the siege and took Ye Fan and Meng Qingyi to leave here; because it was underground, which made it more difficult to escape.

"Yu Shao, my brother is outspoken, please don't care about it." Meng Qingyi said apologetically.

"Kneel down and apologize."

Yu Jie made a decision.

Ye Fan smiled: "What did you say?"

"Are you deaf? I ask you to kneel down and apologize and repent for your wrong words and deeds before forgiving. Otherwise, you will be the enemy of our purgatory."

"The purgatory is yours, when is it your turn to show off your majesty. A trash who wants to watch a boxing match is barking snarly here. I think you didn't put the purgatory in your eyes, so you should kneel down." It is you who apologize!"

The whole house was shocked by the words.

Tang Zhaoyuan raised the corner of his mouth and chuckled softly: "This kid is a bit interesting."

"Manager, do you want me to rescue?"

"No need."

The corner of Tang Zhaoyun's eyes looked towards the entrance and fell on a figure that hurriedly arrived.

And this time.

Yu Jie was extremely angry.

He was offended by Ye Fan again and again, still in front of everyone, he couldn't bear it, murderous.

"Come on!"

When the two words fell, a large number of guards belonging to the gambling area came to kill.

Yu Jie stared at Ye Fan and shouted in a low voice: "To give something shameless to the face, I really think that you have a bad temper. Since you don't kneel, well, I will kneel for you."

"Come on, blow me his knee."

"Yes!"

Several guards came up.

Han Bing was about to take action, but he heard an extremely angry cry: "Grass, who the \*\*\*\* dare to move Mr. Ye!"

Suddenly, the audience was silent.

Liu Tao rushed here, and he saw an accident here from a distance. He ran over at a speed of 100 meters and happened to hear Yu Jie's order.

At the same time of anger, he was scared to death.

On the way here, he chatted with Xu Taishan and Don't Begging, confirming from line to line that both of them were following Ye Fan.

It can be said.

Ye Fan is the overlord of Changning Rivers and Lakes.

Such a great \*\*\*\* must be confessed!

Yu Jie actually ordered the guards to take a blow, almost recklessly. The most frightening thing is that if Ye Fan is angered, the purgatory field will suffer.

Although the purgatory field is strong, it cannot withstand the impact of the two kings, plus the mysterious and powerful Ye Fan!

"Liu Tao!"

"Yu Jie, I'm your ancestor." Liu Tao rushed forward and slapped Yu Jie severely. After hitting Yu Jie several times, his fangs flew out.

The originally quiet scene was even more silent, and there was no sound.

Yu Jie was beaten?

but.

When it was clear that Liu Tao was the one who made the shot, everyone was relieved.

It's Liu Tao and Liu Shao.

Liu Tao ranked second in the fourth junior middle school in the purgatory field, and Yu Jie was the last.

Yu Jie's father is the person in charge of the gambling area, but Liu Zhen is the king of wild boxing and the owner of the central boxing arena. His status is much higher, second only to the owner of the purgatory field, and is equal to the general manager Tang Zhaoyun.

"Oh... my tooth!" Yu Jie's face twisted and twitched, and he got up in pain and shouted: "Liu Tao, you bastard, dare to hit me!"

"I still want to abolish you!"

Liu Tao stared fiercely, that murderous intent made Yu Jie tremble.

Subsequently.

Liu Tao took a deep breath, calmed his heart, and turned around to laugh with him: "Mr. Ye, I'm so sorry to disturb you."

Meng Qingyi and Han Bing looked stunned.

For a moment, he asked cautiously: "Master, have you admitted the wrong person?"

"No, no, it's Mr. Ye Fan."

Meng Qingyi and Han Bing looked at Ye Fan suspiciously, only to see that he didn't change his face, and said lightly; "You just came here, I want to ask, do I need a ticket for the boxing match?"

"Where and where, it is our honour for Mr. Ye to come to see the boxing match. How can we need a ticket?"

Ye Fan asked again:

"Can I sit in the supreme seat?"

"Of course, I'm ready to take a seat at any time."

The conversation between the two stunned everyone.

Yu Jie even dropped his chin.

Liu Tao... crazy, right? !

"Mr. Ye, what else do you need?"

Ye Fan did not answer, but looked at Yu Jie with a funny face and said, "Look, I'm right, I don't need a ticket to enter the venue, and I can sit in the supreme seat. I can do it as an unknown person, you claim to be How can I not be able to walk sideways in the purgatory field."

"you!"

Yu Jie's face turned red.

The cheeks are hot, I can't wait to find a place to sew in.

Meng Qingyi and Han Bing also secretly laughed.

Ye Fan retracted his gaze and said faintly; "There is nothing needed, but this Young Master Yu just asked me to kneel and apologize. I don't know what Liu Shao thinks."

Liu Shao.

Two words make Liu Tao extremely divided.

Ye Fan gave him enough face, and he naturally wouldn't let Ye Fan down.

Immediately.

Liu Tao turned around abruptly, glaring at Yu Jie, and Lei Ting stopped drinking:

"Yu Jie, from now on, within three years, you are not allowed to enter the central audience. If you violate it, you will be caught and break your legs!"

"What are you talking about!" Yu Jie's expression changed drastically, and he roared, "Liu Tao, why did you give this order? Is the purgatory field your home?"

"The purgatory field is not my home, but the central boxing field is. My father is the owner, do you think I have the right to restrict you from entering the boxing field."

Liu Tao looked contemptuous.

"If you are not satisfied, you can declare that I will not be allowed to enter the gambling area for three years." Liu Tao added.

But.

It was this sentence that made Yu Jie even more embarrassed.

Because.

He didn't dare to restrict Liu Tao, because Liu Zhen's status and energy in the purgatory were higher and larger than his father, so how dare he offend him.

this moment.

Yu Jie really wanted to vomit blood in anger. Hearing the whispers of people around him, his eyes were bloodshot, and his eyes were cracked.

However.

In the eyes of the knot, a joking remark came: "Tsk tsk, openly abuse of private power to restrict Yu Jie, it is really a great prestige, it is better to restrict me from entering the boxing field for three years!"

Chapter 156: Chief Eunuch (Happy New Year's Eve everyone)

"Manager Tang!"

Everyone looked for their voices and found that it was Tang Zhaoyun, and they gave way.

Yu Jie was overjoyed.

Tang Zhaoyun just spoke for him and expressed dissatisfaction with Liu Tao.

This is understandable.

As we all know, in the purgatory field, Tang Zhaoyun and Liu Zhen couldn't deal with it.

As the general manager, Tang Zhaoyun should be the number two figure in the purgatory field.

However, as the owner of the central boxing arena, Liu Zhen is also the king of wild boxing, and the signature of the purgatory. Coupled with his own strength, he is not at all troubled by Tang Zhaoyun. He has even been confronted with him in high-level conferences many times.

This made Tang Zhaoyun sorrowful and always regarded Liu Zhen as a thorn in his eyes.

Tonight, Liu Zhen has a big battle. If he wins, his prestige will rise again. At that time, the chair of the second in command will be completely taken away by Liu Zhen.

Tang Zhaoyun had been thinking about how to deal with Liu Zhen, and seeing Liu Tao targeting Yu Jie here, Tang Zhaoyun knew that the opportunity was here.

"Manager."

Yu Jie greeted him and cried out: "Manager, you can see it, it's fine for Liu Tao to hit me, and he actually restricted me from entering the boxing arena in public. It's too arrogant! It's really presumptuous to regard the central boxing ring as his Liu family's territory! "

Tang Zhaoyun's face was grim.

"Manager, please call the shots for me."

"Liu Tao, whoever gives you the power and courage to restrict Yu Jie, should Liu Zhen be the host?" Tang Zhaoyun said coldly.

"this....."

Liu Tao was at a loss.

He knew that his father Liu Zhen and Tang Zhaoyun were at odds. Tang Zhaoyun's identity didn't need to come forward for such trivial matters, but he must have ulterior motives to stand up.

Liu Tao knew himself well. As a junior, he couldn't deal with Tang Zhaoyun at all, so he could only inform Liu Zhen.

But.....

Before Liu Zhen went to rescue him, he had already been disturbed. Now there is only a quarter of an hour before the start of the war. If he is distracted again, it will be detrimental to the subsequent battle.

After thinking about it, Liu Tao gritted his teeth and made a decision.

Never disturb my father.

"Manager, it was Yu Jie who picked things up first. My father, as the owner of the boxing ring, is the person in charge of the boxing ring. I am his son and have the obligation to maintain order. Of course it is impossible to watch Yu Jie make trouble."

"How do I see, it was your first hand."

Tang Zhaoyun sneered.

"It should be that the general manager's eyes have a problem. I know a friend who is an ophthalmologist. Would you like me to say hello, the general manager, go to the hospital to have a look at your eyes."

The audience was silent.

Liu Tao's words were beyond everyone's expectations.

Yu Jie was dumbfounded, and Liu Tao actually bashed Tang Zhaoyun in public! ! Boy, this is the wrong medicine.

Tang Zhaoyun was furious.

The second person in the dignified purgatory was actually taunted by a yellow-haired boy. If he didn't teach Liu Tao, where would he put his face?

How can I stay in the purgatory in the future?

"Vertical!"

Tang Zhaoyun rebuked, and then shouted: "The following commits, it is a big rebellion. If Liu Zhen doesn't educate you, then I will come."

Huh.

In the blink of an eye, Tang Zhaoyun appeared in front of Liu Tao.

As the No. 2 person in the purgatory field, and Liu Zhen is the opponent, how could he be weak.

There is no doubt that Tang Zhaoyun is a master.

He raised his hand to slap Liu Tao on the head.

However, when the arm was raised, it couldn't fall anyhow, as if being grasped by a pair of iron tongs.

Tang Zhaoyun blinked.

Suddenly, he found that Ye Fan was holding his wrist and couldn't help burning with anger.

"Asshole, let me go!"

"As the manager of the purgatory field, I will breathe with the juniors, and even make shots to hurt people. It's really awesome. You shameless, the purgatory field still has a lot of shame."

Ye Fan's words fell, fluttering lightly.

Tang Zhaoyun flew out.

"Boom."

However, Tang Zhaoyun turned his head in the air and landed steadily, but his face was extremely ugly, and his brows were murderous.

Yu Jie's eyes turned, and he took the opportunity to shout, "Ye Fan! You are so brave, that you offended the master general. You really don't put the purgatory field in your eyes. You are going to be an enemy of the purgatory field, and you are dead. NS!"

"Also, Liu Tao, listen to me. Although Liu Zhen is the owner of the central boxing ring, the boxing ring belongs to the purgatory, not the Liu family's territory. Your father is just working for the purgatory. Regarding status, the general manager The adult is the second in command. The prisoner is not here, and the director is in charge of everything in the purgatory field. Liu Zhen is called over quickly. This matter must be dealt with seriously."

"My lord, I'm right."

Yu Jie's words pushed Tang Zhaoyun to the forefront.

He frowned secretly, knowing that Yu Jie was going to force him to punish Liu Tao; if he didn't say that, he would definitely be afraid of Liu Zhen by being laughed at.

"Kneel down!"

Two words flew out of Tang Zhaoyun's mouth.

At the same time, Tang Zhaoyun strode towards Liu Tao, staring at him and said, "Kneel down and admit his mistakes, and I will spare you because of Liu Zhen's face. Otherwise, I must let you know who is the \*\*\*\* of the purgatory. As for Ye Fan. , What, dare to be mad in the purgatory field."

While they were speaking, a large group of guards rushed to surround Ye Fan and Liu Tao.

Upon seeing this, Yu Jie secretly smiled.

He looked at Ye Fan and Liu Tao sullenly, with the corners of his mouth rising, his face seemed to say: How is it, I won in the end.

"Manager, my central boxing ring is only responsible to the prisoner, you can't control this." Liu Tao squeezed his fist and hit back.

"evil creature."

Tang Zhaoyun lost his patience.

With a beckon, the guards rushed forward.

These are the elite guards of the purgatory field, everyone is one enemy three, and their hands are stained with a lot of blood.

When the culling came, the cold murderous aura made Liu Tao and Meng Qingyi pale.

"Puff puff."

The weird scene is--

All the guards who went up to the culprit flew back upside down, vomiting blood, and some fainted on the spot and became unconscious.

Everyone looked intently and saw a mighty and domineering man standing in front of Ye Fan and Liu Tao, with a vigorous momentum surging out.

Those eyes are like electricity like a waterfall, like a knife like a sword.

"Liu Zhen."

Tang Zhaoyun's eyelids jumped wildly.

But Liu Zhen stomped and broke a large piece of bluestone.

Between Feisha and the rocks, he roared: "The surname is Tang, are you going to become the chief eunuch!"

Woo woo woo.

A strong wind whizzed past, and Tang Zhaoyun couldn't help but retreat.

Eunuch chief.

The four words echoed in the space.

Everyone heard clearly, this is an extreme humiliation, it means that if Tang Zhaoyun dares to be handsome, Liu Zhen will castrate Tang Zhaoyun.

Arrogant and domineering.

The onlookers were amazed with their scalp numb.

Tang Zhaoyun almost burst into flames in his eyes. He said murderously, "Liu Zhen, you are too presumptuous."

"presumptuous?"

Liu Zhen's face was disdainful.

The next moment, he rushed out and came to Tang Zhaoyun.

Before Tang Zhaoyun could react, he just slapped him.

"what!"

Under all eyes, Tang Zhaoyun flew three meters away.

Liu Zhen's voice followed one after another.

"Is this presumptuous enough? My son, whose surname is Tang, restricts Yu Jie from entering the boxing arena. What does it have to do with you? What are you doing in the limelight!"

"Dad, Master General said, if Yu Jie is restricted from entering the boxing field for three years, then he will be restricted as well." Liu Tao complained.

Liu Zhen laughed loudly and jokingly said:

"Manager Tang, you have such a request, how could I fail to fulfill your wish. Everyone listens, Tang Zhaoyun is not allowed to step into the boxing arena for three years. If he violates, break into the audience, he can kill on the spot, and I will be responsible for everything. bear."

"Yes!"

The guards of the boxing ring shouted together.

As soon as Tang Zhaoyun recovered from his pain, he heard Liu Zhen's order, and his whole body was petrified.

"puff."

Then, a mouthful of old blood came out.

Tang Zhaoyun pointed at Liu Zhen, his throat squirmed, and he didn't make a sound for a long time. In front of everyone, he rolled his eyes and passed out.

"waste."

Liu Zhen curled his mouth, turned around, glanced at Xu Taishan, who was wearing a mask, and don't beg, finally his eyes fell on Ye Fan.

"Mr. Ye, please."

Chapter 157: Arrange the funeral!

"Mr. Ye, I'm really sorry for disturbing your interest. That Tang Zhaoyun has been at odds with me and came out deliberately to do things. But after this lesson, I should not dare anymore. Everyone, if you want to watch the boxing match, just come."

After entering the boxing ring, Liu Zhen smiled.

Ye Fan asked weirdly: "Tang Zhaoyun is the manager, second in the purgatory field, is it really okay for you to treat him this way?"

Liu Zhen was full of disdain, and hummed: "Tang Zhaoyun is just a manager of internal affairs, which is nothing in my eyes. If it were not for the face of the prisoner, I had to abolish one of his arms just now to vent his anger for Mr. Ye."

When the words were over, Liu Zhen glanced at Xu Taishan and Wuqi, then nodded to Meng Qingyi and Han Bing.

"Everyone, I will fight later, so I won't stay longer. You can visit the boxing arena at will. The supreme seat has been arranged and you can take your seat at any time."

"I'm going to prepare first."

Liu Zhen greeted Liu Tao and left in a hurry.

Looking at the backs of the father and son, Meng Qingyi and Han Bing were surprised.

—That's the master of the boxing field, with huge energy, why is he so polite to Ye Fan?

"Xiao Fan."

Meng Qingyi yelled softly, pursing her red lips, and staring at Ye Fan closely; the same was true for Han Bing, the two of them sandwiched Ye Fan between them.

It seemed that if Ye Fan didn't give an explanation, the consequences would be serious.

Ye Fan smiled and said, "Sister, Liu Zhen's younger brother is my monitor."

"What's the meaning?"

Meng Qingyi was even more puzzled.

"Did I not be a soldier in the army in those years? His brother was the squad leader who led me. Later, in a war, I saved his life. Unfortunately, he died in the battle six months ago. I returned from the army. It's time to send the ashes to Liu Zhen. For this reason, Liu Zhen is very grateful and respectful to me."

"Mr. Ye, three words are honorifics."

After Ye Fan finished speaking, Jiang Long echoed: "Sister, I can testify because I am in the same class as Brother Fan."

"That's it." Meng Qingyi and Han Bing dispelled their doubts. They knew that Jiang Long and Ye Fan were comrades-in-arms.

No wonder Xiao Ye Zi was so arrogant just now!

original.

I knew Liu Zhen would come out for him.

After thinking about this, Meng Qingyi cast an angry glance and said, "Speaking earlier, it made us worry in vain. But Xiaofan, we should keep a low profile in the future. After all, it's a favor, and it will be gone. People can't keep it up. Help you get ahead."

"understand."

Come to the supreme seat.

There are only nine seats in total, with the best viewing angle.

In order not to cause trouble, Meng Qingyi and Han Bing put on masks in advance.

Xu Taishan and Wuqi put them on when they came, and Tang Zhaoyun didn't recognize it because of the covered face, otherwise they would definitely not dare to target Ye Fan.

Ye Fan took a few seats and immediately attracted the attention of the entire boxing field.

"Who are those people!"

"Looks very young, wearing masks... Those two young people didn't wear them, they were very face-to-face. Which family's son and lady are they?"

"Something's wrong, even for the destroyed Xiao family, the young master of the family has never sat on the supreme seat. Only Changning's top boss can be seated!"

At a young age, is it a big brother?

Obviously unrealistic.

"..."

For a time, there was a lot of discussion.

In a certain office, in front of the French windows, Liu Zhen and Liu Tao stood side by side. Here you can see everything in the boxing field, including the situation on the supreme seat.

The floor-to-ceiling windows are one-way.

You can see the outside from the inside, and what you see outside is a wall.

At this moment, Liu Zhen's face was very solemn.

On the way to the purgatory, Liu Tao talked with Xu Taishan, Wuqi, and Jiang Long, and learned that the two kings were following Ye Fan and quietly reported the news to Liu Zhen.

Liu Zhen was shocked.

Later, Ye Fan and the others faced difficulties at the gate of the boxing ring. At that moment, Liu Zhen had already arrived and wanted to see how Ye Fan faced it.

Continue again.

As soon as Liu Tao and Tang Zhaoyun arrived, Tang Zhaoyun was furious. At this time, Liu Zhen knew that he couldn't hide, so he stood up in time for the next scene.

"Dad, now you have no doubts, what I said is absolutely true, Xu Taishan and Do not beg follow Ye Fan."

"It's unbelievable." Liu Zhen exclaimed, then slapped his tongue: "You kid, I don't know whether it is a blessing or a curse to invite such a great \*\*\*\* for Lao Tzu."

"Originally, I left a bad impression on Ye Fan, and I was always worried. But I didn't expect Tang Zhaoyun and Yu Jie to give me the opportunity to do meritorious service. Dad, if you take the opportunity to make friends with Ye Fan, it is equivalent to having a relationship with King Tai and King Beggar. Friendship. At that time, you were the number two person in the purgatory field, and Tang Zhaoyun would never jump around again."

Liu Zhen said: "This matter is not in a hurry, it depends on whether I can survive tonight. If I die on the battlefield, what else to talk about."

Boom.

Liu Tao's heart contracted.

He blushed and asked worriedly: "Dad, why do you say this? You are the king of wild fists and you are invincible."

"Invincible?"

Liu Zhen laughed mockingly.

"Who can be invincible!"

"Who can speak undefeated!"

"Just say this little Changning, I am not invincible, at least the prisoner can crush me, and Xu Taishan, I am not sure to win."

Liu Zhen took a deep breath, grabbed Liu Tao's shoulders, and said solemnly: "For so many years, I haven't paid much attention to you, so I don't care about you. Your mother died early again, and no one educated you, so you developed some bad tempers, I I can tolerate it, don't blame you, it's me."

"Dad, don't talk about it..."

Liu Tao trembled.

He felt that Liu Zhen seemed to be arranging funeral affairs.

"Dad, you will definitely win."

"Oh." Liu Zhen sighed: "Ten years, that guy came to the door. Since he dared to come, it means he is sure."

"Who is it! Where is the enemy?"

"Hong Li."

"It's him!"

Liu Tao's pupils contracted.

Then, monstrous resentment surged out.

His eyes were red, and his eyes were cracked.

"The \*\*\*\* of the Hong family dare to show up!"

Liu Tao let out a low growl, his fists were white.

"It's nothing to do with you."

Liu Zhen patted his son on the shoulder and exhorted: "Hong Li, I will kill him, even if I pay my life. If I die..."

"Dad, it won't."

"Listen to me." Liu Zhen drank, staring at him, and said word by word: "I'm dead, and you can't keep the audience. So I talked to the prisoner early, and I will take the boxing ring away. And you..."

"The prisoner has promised that as long as you are in the purgatory, you will be safe for the rest of your life, and Tang Zhaoyun will not dare to move you."

"Of course, you don't want to stay in the purgatory field, you can leave. I have prepared a fortune for you, one billion. As long as you don't spend the rest of your life, it will be enough for you."

"The money is all in the prisoner's body. If you want to leave, he will give you the money and send you to the city or foreign country you want to go to."

"dad..."

Liu Tao burst into tears.

Looking at his only son, Liu Zhen's eyes were whirling with tears, and he smiled: "Man, don't flick when you have tears, hurry up and think about it."

"Of course, what I'm telling you is the worst result. Your father is still very confident! Ten years ago, Hong Li was just a nasty kid; ten years later, no matter how strong it is, how strong can it be."

"I will kill him!"

Liu Zhen turned around abruptly, walked into the secret room, and adjusted his state.

After half an hour.

When... With a bell ringing, the audience is quiet, and the host takes the stage.

After a few routine words, it was announced that the duel had officially begun.

"Huh!"

In an instant, a dark shadow leaped onto the battle platform and roared sharply: "Liu Zhen, old man, come up and die for me!"

Chapter 158: Hong Li VS Liu Zhen

——Liu Zhen, come up and die!

The sound oscillated and continued for a long time.

Everyone on the spectator stand cast their eyes to the battle platform. It was a man in black leather armor.

It seems that he is only in his thirties, quite young.

It is worth mentioning that this man has a murderous aura and a fierce light in his eyes. He is a \*\*\*\* madman; judging from his aura, he can be concluded to be a master.

"not simple."

Xu Taishan and Don't Begging spoke in unison.

Jiang Long said: "Yes, the momentum is hidden. It's hard to say who wins and who loses in this battle, Liu Zhen will be very tricky."

"Liu Zhen!"

At this time, Hong Li roared again.

Huh.

A strong wind passed by, and Liu Zhen stood on the battle platform.

Hong Li squinted his eyes, staring at Liu Zhen like poisonous snakes, and said with a cold smile: "Old Pifu, I finally found you!"

"When is the injustice reported? For more than ten years, the dust has returned to the dust, and you have not put it down." Liu Zhen sighed.

"Family feuds are not shared."

Hong Li roared, his eyes were red.

The fierce breath shook out, making Liu Zhen's expression surprisingly solemn, and he said solemnly: "It's really to be counted, it's your Hong family who made the move first. If you make any mistakes first, I should destroy your Hong family. I spared your life back then. I want to leave a ray of incense for the Hong family. If you didn't think about it, you still seek revenge."

"In that case..."

"——Send you down to reunite with your Hong family."

The war is about to start.

The two of them were not dragging their feet, and when they confronted each other, there was a violent storm, like thunder rolling in, and it was inextricably beaten.

"Wonderful!"

The audience applauded.

"The king of wild fists."

"The king of wild fists."

Almost everyone was shouting for Liu Zhen, and when the two saw blood, the atmosphere was once again pushed to a climax.

Life and death battle, stimulating blood.

This is the most important factor in the appeal of boxing matches.

"puff!"

At the right time, Liu Zhen smashed Hong Li into the air with a fist, and Hong Li spewed a mouthful of blood, hitting the ground; but he was also a ruthless man, and Liu Zhen was swept down by a sweeping leg.

"kill!"

"kill!"

The two blushed.

In this kind of battle, all the combat power is used, because whoever doesn't work hard will only end up with a dead word.

boom! boom! boom!

A series of physical collisions, the dull voice made the audience boil.

A quarter of an hour later.

The battle reached a white-hot stage, and both of them were scarred.

Ten minutes have passed.

Hong Li's chest was sunken and several ribs were broken; Liu Zhen was also miserable, with one hand drooping and breaking.

If you are an ordinary person, you have already fallen down.

But they were still fighting, and the more they fought, the more fierce they were, they abandoned their defenses and completely attacked.

"All are good guys."

Xu Taishan's blood boiled.

At this time, Liu Zhen and Hong Li were supported by one breath and willpower. Whoever relaxes that tone in his heart will end in one word.

"Hong Li!"

"Hong Li!"

"Hong Li!"

By this time, the audience had already changed their hearts. Many people were shouting the name of Hong Li, and the number even surpassed Liu Zhen.

The new king replaces the old one.

For the audience, they are very happy to see this result. After all, Liu Zhen and others have been tired of watching it in the past few years. Who wouldn't want to change their taste.

"dad."

In the office, Liu Tao knelt in front of the floor-to-ceiling windows, watching Liu Zhen who was \*\*\*\* on the battle stage, tears streaming down his face, his fingernails sinking deeply into the palm of his hand.

On the battle stage.

Liu Zhen and Hong Li come and go, but because of their injuries, their movements, strength, and speed have been greatly reduced.

"Hahaha."

Hong Li sneered as he shot, "Liu Zhen, old man, today you will die."

"If I die, I will take you down with you. How can you live alone in this world?" Liu Zhen was also a ruthless person, with a \*\*\*\* mouth full of laughter, looking hideous and terrifying.

"puff."

Hong Li punched him in his heart.

At the same time, Liu Zhen hit Hong Li's head with a punch, and instantly Hong Li fell to the ground and couldn't get up.

"boom!"

The boxing field is boiling.

In the office, Liu Tao jumped up and shouted frantically: "Win, win, hahaha, dad won!"

Liu Zhen staggered.

Looking condescendingly at Hong Li, with determination flashing in his eyes, he squatted down and reached out to clasp Hong Li's neck.

Just about to twist it off, suddenly opened his eyes sharply and spit out three silver needles in his mouth.

"Shoo, hoo."

In an instant, it shot into Liu Zhen's chest.

Punctured the lungs.

"what!"

Liu Zhen called out in pain, and was punched twice by Hong Li again, and his lung injuries became more serious. He vomited blood and rolled to the edge of the battle platform.

Sudden changes made the audience dead.

"Hong Li, you are despicable, you actually used a hidden weapon."

"The life-and-death battle still says that the rules are broken, old man, go to death, go down and confess to my Hong family."

Hong Li said as he pounced.

"Chatter."

"You are not alone on Huangquan Road. You have a son. I will send him on the road soon and go down to accompany you."

When the words fell, Hong Li had an extra dagger in his hand, taking Liu Zhen's heart directly.

At this time, Liu Zhen suffered severe injuries and moved, and there was no way he could resist it.

Just when everyone thought that Liu Zhen was going to die in Hong Li's hands, suddenly the dagger broke with a "bang".

Next second.

A shrill scream sounded, Hong Li fell in a pool of blood.

"Hands, my hands...ah, my hands...who is it! Ahhhhh!!" Hong Li wailed, his entire palm exploded and turned into powder, shockingly shocking.

On the supreme seat.

Jiang Long glanced at Ye Fan, his eyes flashed.

Just now.

That stone was shot by Ye Fan and saved Liu Zhen's life.

Seeing Ye Fan's silence, Jiang Long didn't ask much.

On the other side, Han Bing frowned, she saw the stone, which was calculated from the supreme seat according to the route.

However, there are only six of them here.

who can that be?

Han Bing observed quietly, first excluding Meng Qingyi, and leaving these men...

That stone can explode the palm of a powerful hand, and the speed and power are so terrifying that it is definitely not something ordinary people can do.

Xiaofan, Jianglong?

Han Bing shook his head. Although the two had served as soldiers, they should not be able to do so.

Are the two men wearing masks?

Han Bing was uncertain.

"puff!"

At this moment, there was an uproar.

On the battle stage, Liu Zhen picked up the dagger, without the slightest piercing into Hong Li's heart, and rotated it a few times.

Hong Li's eyes widened.

Holding Liu Zhen's arm tightly, his eyes were full of resentment.

"Go on the road with peace of mind."

Liu Zhen said indifferently.

At this moment, Hong Li laughed, "Old Piff, I will wait for you below... My master will not let you go, soon, he will find... My master is powerful, you can't imagine... you , Will not live long, will die..."

After a few seconds, Hong Li was silent.

"The King of Wild Fists!"

"The King of Wild Fists!"

"The King of Wild Fists!"

...

Puff through.

Liu Zhen fell on the battlefield.

But Liu Tao had arranged everything long ago, and the doctor rushed in quickly and carried Liu Zhen to perform the operation.

after an hour.

Liu Zhen woke up, with the help of Liu Tao, hurriedly to the Crimson Club in the entertainment area of the purgatory.

He came to thank you.

Had it not been for that stone, he would have died on the battlefield an hour ago.

As for who made the stone?

Of course he knows.

Pushing the door open, Liu Zhen glanced, and then shouted, "Mr. Ye."

Chapter 159: Please take care of Mr. Ye!

"Mr. Ye!"

Liu Zhen's voice made the box quiet.

Xu Taishan looked over and smiled: "I have a good physical fitness. I can walk around so soon."

"That is."

Liu Zhen patted his chest triumphantly, then walked quickly to Ye Fan, bent over ninety degrees and said respectfully: "Thank you, Mr. Ye, for your life-saving kindness. I will not remember this feeling for Liu Zhen."

The Supreme Seat was twenty meters away from the battle platform, and a stone was shot instantly, crushing the power of Hong Li's palm is terrifying.

As for Xu Taishan's strength, Liu Zhen knew about it. He had played against him before, and he knew that Xu Taishan could not achieve this level.

And don't beg, the strength is weaker than Xu Taishan, even more negligible.

Then only Ye Fan is left!

Of course, Jiang Long did not reveal the landscape and was consciously ignored by Liu Zhen.

"Sir." Liu Zhen clasped his fists and said vigorously: "From now on, you will be my iron buddy of Liu Zhen, and your business is mine!"

"You think too much."

Before Ye Fan could speak, Xu Taishan said, "Didn't Liu Tao tell you, I and Wuqi follow Mr., so why are you Ye Da's buddies!"

"Ah..." Liu Zhen looked embarrassed.

At the right time, Ye Fan waved his hand and said with a smile: "These are not important. In fact, I have no other meaning in saving you. I just can't get used to Hong Li's use of hidden weapons and dirty tricks."

Liu Zhen laughed.

"Anyway, my life belongs to you, Mr. Ye. From now on, you will be the most honored guest in the boxing ring. If you need anything in the future, Ye Da will give orders at any time."

Liu Zhen inadvertently changed his words and called Ye Fan "Ye Da". The meaning of this was obvious.

Behind.

Liu Tao was dumbfounded.

Own father, the king of wild fists, and the second in the purgatory field, wants to surrender Ye Fan?

Although shocked, Liu Tao is not unacceptable.

But Xu Taishan was not satisfied.

There is one more don't beg, now there is actually one more Liu Zhen. He stared at him and reprimanded: "Liu Zhen, Ye Da is a distinguished person. You don't accept people casually. You are not qualified."

"You can join, why can't I."

"Oh, you are itchy." Xu Taishan rolled up his sleeves and eagerly flexed his hands.

Liu Zhen was unwilling to show weakness, and snorted coldly: "Don't scream, when I get better, I will accompany you to fight for three hundred rounds."

The two should not fight each other, don't beg and laugh secretly.

"Ahem."

Just when the two of them were at war, Ye Fan coughed and calmed down.

Ye Fan looked at Liu Zhen and asked meaningfully: "Mr. Liu, you are the No. 2 person in the purgatory field, the king of wild fists, even if you are a lifesaver, you should not bow your head. I think you have no ulterior motives. ."

Liu Zhen's eyelids twitched.

Immediately afterwards, he smiled bitterly: "Sure enough, I still can't hide it from Mr."

"Grass, you are actually embarrassing."

Xu Taishan and Wuqi stopped drinking together.

Seeing that the two were about to do something, Liu Zhen quickly said: "The two elders are safe and not irritable. I don't have a list to hide the evil intentions. I just want to ask Mr. Ye to protect my father and son."

"Where does this start?" Ye Fan asked.

"Oh, before he died, that Hong Li said that if he killed him, his master would come to seek revenge; he also said that his master was much stronger than him. I am now injured and want to recover, and I can't do it for three to five months. I'm worried that Master Hong Li will check it out, and then our father and son will die!"

With that said, everyone suddenly realized.

Xu Taishan snorted: "You have a really good abacus."

Don't beg: "You are using Ye Da, this is not to hide evil intentions."

"You can't say that, I follow Mr. Ye, that's his person. I can't deal with the strong, Mr. Ye has a reason to solve it, right?"

"Don't be slapped up."

Xu Taishan slapped him over.

Cang Dang.

At the knot, a subordinate broke into the box and was Liu Zhen's assistant. He said: "Owner, someone is looking for you."

"Who?"

"Chairman of Juding Group, Xiao Shending."

Ye Fan raised his head, his eyes flickered.

Liu Zhen was also very surprised. He had heard about Xiao Shending. After all, the Great Ding Group of the Xiao family changed hands. Such a big event would surely spread in Changning's business community.

Although the Xiao family was shattered and the Juding Group lost a lot, it cannot be denied that at present, the Juding Group is still a giant in Changning.

In addition to the giant Red Sleeve Group and the newly emerging Mortal Group, the Juding Group is the strongest!

"Why is he looking for me?"

"I don't know, I want to see you, I will arrange to wait in the reception room. Owner, you see?" the assistant asked.

Liu Zhen opened his mouth, but Ye Fan said more quickly, "Wait."

"Sir, what's the matter?"

"I promised."

Liu Zhen was startled, Ye Fan said: "I promise to help you deal with Hong Li's master, and you don't have to follow me; not only that, I can heal your injury quickly."

Words fall.

Ye Fan shot and threw Liu Zhen on the sofa.

Liu Zhen was taken aback and wanted to get up, but Jiang Long, who was next to him, quickly slapped Liu Zhen a few times.

Strangely, Liu Shaking couldn't play.

"hiss."

Xu Taishan and Don't beg took a breath, their scalp numb.

Liu Tao was frightened, but he dared not speak.

Ye Fan got rid of the golden needles and performed the "Nine Dragons Needles". Five minutes later, his power was collected; Jiang Long slapped a few more times, and Liu Zhen felt his body loose.

Relaxed and comfortable.

"My injury!"

Liu Zhen touched his chest. Three silver needles were inserted into his lungs. He was operated on in the hospital, but his breathing was still painful and painful.

But now.

All symptoms disappeared.

Ye Fan packed up the golden needles while saying: "Your injury is fine, but it hasn't healed. Just take a rest for ten and a half months."

Liu Zhen's face was full of disbelief.

Also shocked were Xu Taishan and Wuqi.

What is this method?

Genius doctor?

It's so awesome, with such magical skills, most of them can't be beaten to death.

Isn't it invincible?

Xu Taishan and Do not beg looked at each other, secretly glad that they had chosen the right one and followed the right person.

"Thank you, Mr. Ye."

Liu Zhen was convinced, knelt down on one knee and clasped his fists.

"As far as I am concerned, it's just a matter of effort."

Ye Fanyun was light and breezy.

The extraordinary temperament makes Liu Zhen, Xu Taishan, and Do not beg to be in awe, and follow their family firmly.

"Go to meet Xiao Shending."

"Mr. and Xiao Shending have hatred?" Liu Zhen asked. He is not a fool. Ye Fan only helped him when he heard "Xiao Shending wants to see him".

If he had a good relationship with Xiao Shending, then it would not be this kind of expression and tone.

Obviously, there is a grudge.

Ye Fan didn't answer. Liu Zhen knew it was acquiescence. He knew what to do, and solemnly said, "Don't worry, sir, I know what to do."

"good."

Liu Zhen took Liu Tao and his assistant and hurriedly left the box.

They walked on the front foot, and on the back foot, Meng Qingyi and Han Bing returned.

The two women were strolling in the entertainment area just now, passing by Liu Zhen in the corridor. The point is that the three of Liu Zhen nodded slightly to them, expressing a friendly meaning.

When he arrived in the box, Han Bing blurted out and asked, "Xiao Fan, Liu Zhen came here to thank you, right?"

Ye Fan nodded.

Han Bing asked, "Who is it! In the supreme seat at the time, which man was so powerful, thundering method abolished Hong Li's palm, saved Liu Zhen, and turned the tide of the battle?"

"I!"

Chapter 160: Gorge on

"you?"

Looking at Ye Fan, Han Bing didn't even have any doubts. Instead, he said directly: "Go on the side, don't mix up."

Ye Fan was speechless.

Upon seeing this, Xu Taishan stood up and said with a smile: "I didn't expect Girl Han to have a lot of eyesight. I saved Liu Zhen."

Han Bing was surprised, but he was also expected.

For these few people, Xu Taishan, who has been wearing masks, and Do not beg are the most suspicious. At this moment, it is reasonable for Xu Taishan to stand up.

"Sister, have you played enough?"

"There's nothing to play, it's getting late, so I changed it back." Meng Qingyi looked at the time and urged.

Ye Fan followed Meng Qingyi and the two left, while Jiang Long and Xu Taishan went to the Qi Le Great World. Don't beg, he had a lot of things.

Following Ye Fan is not a verbal talk, besides, Ye Fan gave some postgraduate entrance examinations. The top priority is that he must integrate his forces.

It is different from Xu Taishan.

His power is too scattered, and mixed, follow Ye Fan with this appearance, don't be dissatisfied, must integrate and build.

And in the reception room.

Liu Zhen and Xiao Shending met.

"Master Liu."

Xiao Shending greeted very politely.

Xu Taishan has the strength of the top ranking list, Liu Zhen and him are equally matched, and he is also considered a top ranking player, worthy of respect.

"Xiao Dong."

Liu Zhen is also very polite.

The two shook hands, and a look of surprise flashed deep in Xiao Shending's eyes.

"It seems that the message is wrong."

"Oh?" Liu Zhen was puzzled.

Xiao Shending smiled and said: "The gossip said that the owner was injured in the boxing match tonight, and the injury is not light. Now it seems that it is nonsense."

"It is indeed an illusion." Liu Zhen walked in a tiger step, full of aura, sitting on the sofa; glanced at the burly man next to Xiao Shending, his heart tightened.

Great master!

Noting his gaze, Dianzhong nodded.

Liu Zhen's expression became serious. He took a sip of tea and asked, "Dong Xiao, let's open the skylight and speak up. What do you call me late at night?"

"readily!"

Xiao Shending clapped his hands and asked, "Taishan King Xu Taishan, I think the host is familiar."

"Xu Taishan!" Liu Zhen was startled, "How can it be strange, the king of Changning rivers and lakes, I used to fight him. How can Xiao Dong ask about Xu Taishan well, did he offend you?"

"Yes."

There was a fierce light in Xiao Shending's eyes.

In the Xiao Family Treasury of Dayan Mountain, Xu Taishan came to a "Oriental Bird Behind", which caused the loss of important organ boxes.

The organ box must be in Xu Taishan's hands.

Xiao Shending must get it back.

However, in Changning, Xu Taishan is very powerful, and there is also a strong fortress "Qile Great World", Xu Taishan is hidden in it, and it is not easy to solve the hatred.

therefore.

Xiao Shending thought of driving wolves and devouring tigers and killing people with the help of swords, and there are two people who can be "wolves": one is the king of beggars, and the other is the king of wild fists.

The beggar king has many people under his command, but the combat effectiveness is too weak and he was ruled out;

But Liu Zhen, the king of wild fists, is the best candidate, with his back on the purgatory field and his own strength comparable to Xu Taishan.

"Dare to ask, what are the holidays between Xiao Dong and Xu Taishan?"

"He robbed my baby!"

Upon hearing this, Liu Zhen looked at Xiao Shending's crotch unconsciously.

Baby was robbed?

Could it be that he was castrated by Xu Taishan?

Castrate castrate, why did Xu Taishan \*\*\*\* it?

He still has this habit?

Xiao Shending didn't pay attention to Liu Zhen's gaze. If he knew what Liu Zhen was thinking at this time, he might not vomit blood for anger.

Cough.

Liu Zhen coughed slightly and asked; "Xiao Dong, Xu Taishan snatched your baby, it has nothing to do with me. Go and ask him, why are you asking me?"

"I need you to defeat Xu Taishan and get my baby back."

Liu Zhen was stunned.

For a moment, he said weirdly: "Xiao Dong, are you kidding me again?"

Xiao Shending looked at Erlang's legs, leaned on the sofa, and said with a smile: "I know, Xu Taishan is so powerful, it will be very difficult for you to defeat Xu Taishan. However, with my help, it will be much easier to destroy Xu Taishan. NS."

"And the advantage is..."

"Xu Taishan's seat, you will take its place and become one of the giants of Changning Jianghu."

Xiao Shending's tone was full of temptation.

Then he said: "You are the number two person in the purgatory field, and the purgatory field is not mixed with the disputes of the rivers and lakes, which limits your development. As long as you cooperate with me, you will break the shackles and fly into the sky. In the future, you will become a giant of the rivers and lakes and take it backhand. Go down to the purgatory, your strength skyrocketed, and then kill the beggar king and the three martial arts halls, then you will be the overlord of the rivers and lakes in Changning."

"This, isn't it attractive!"

Liu Zhen was short of breath.

Xiao Shending's blueprint is very beautiful. Before he changed it, he might really be fascinated, but now...

It's impossible!

Ye Fan's supernatural skill completely convinced him, and Ye Fan had a feast with Xiao Shending, and that was his enemy of Liu Zhen.

How is it possible to cooperate with the enemy... Wait!

As soon as Liu Zhen's eyes rolled, he had an idea in his mind. His expression was extremely serious, and he asked, "Xu Taishan is not so easy to deal with, what strategy does Dong Xiao have?"

"Hahaha."

Xiao Shending laughed.

Because, Liu Zhen's words indicate the intention of cooperation.

"Brother Liu, the reason why Xu Taishan is so powerful is that it created the base camp of the 'Qille World' and became the No. 1 entertainment and leisure place in Changning. As long as the Qille World is destroyed, Xu Taishan will have no foundation. "

"As for his three thousand men and horses, it's nothing."

"Brother Liu, you have been operating in the purgatory for many years, and your appeal is absolutely strong. With a lift of your arms, you will surely be able to summon a thousand and eight hundred fighters. Then I will bring you a helper to destroy Xu Taishan's nails."

Liu Zhen asked: "Which helper?"

Xiao Shending said: "Beggar King and Xu Taishan are rivals, I believe he will be interested."

"Then what are you going to do to bring down the big world of Qi Le, it is a huge monster, but it is not that you can cross it." Liu Zhen inquired.

"Don't worry, I have my own means."

Xiao Shending sold a pass.

Seeing him, Liu Zhen didn't say. In order to avoid arousing suspicion, he did not ask, but said in a deep voice: "You must know that this action will be very dangerous. Once it fails and things are exposed, I will be expelled from the purgatory by then. There is no burial place for death."

"what do you mean?"

"Cooperation requires sincerity. I risked my life and agreed to cooperate, Xiao Dong, you have to show it too."

Liu Zhen squinted his eyes, with a playful smile on his face.

Xiao Shending snapped his fingers, and Dian Zhong came up with two boxes, and when he opened it, it was full of banknotes.

"Meeting with Brother Liu for the first time, and also reached a cooperation, I am very happy, these five million, as my little care. When Xu Taishan is destroyed, I will have to thank you very much. I, Mr. Xiao, never talks. !"

Seeing Liu Zhen's silence, Xiao Shending frowned, "Brother Liu, five million is too little?"

"Five million is an astronomical figure for ordinary people; but for me, it is just a profit from a few boxing matches."

"Then how much do you want?"

"I want ten points of equity in Juding Group, and I will be a shareholder of Juding Group." Liu Zhen said, making Liu Tao shiver.

Ten points of equity!

Oh my God.

The market value of Juding Group is more than 10 billion. If you calculate it, ten points of equity are more than 10 billion.

In fact, the value is even higher.

Because Juding Group will continue to develop, 10 points of equity can now cash out more than 10 billion, and it will be more valuable in the future.

Liu Tao was short of breath, and if he could win it, it would be a great fortune, and generations of people would not have to worry about it.

"Xiao Dong, what do you think?"

"Can."

Liu Zhen and his son were shocked, but Xiao Shending promised so simply.

Even Dianzhong was surprised.

Xiao Shending said, "Money is just a number to me, and I don't have much interest. You want 10 points of equity in Juding Group. I can give it to you and sign the contract tonight. But, for the sake of fairness, I have to Change the conditions."

"what?"

"Just now I said that we will divide the labor, I will destroy the great world of Qi Le, you deal with Xu Taishan and his 3,000 people... Now, everything is left to you. Within a month, I will see you destroy Xu Taishan. "

Xiao Shending raised his hand to stop Liu Zhen from speaking.

"Don't rush to refuse, you can challenge it. I promised to find you the beggar king as a helper, this will not change."

"Brother Liu, are you confident?"

"If you don't have confidence, then you are not worthy to take 10 stakes in Juding; if you agree, you will immediately plan to sign the contract."
