

Elegant SS 22

Chapter 22: I'm here, send you to wait on the road!

Zhangjia.

At this time, the crowds are full of friends and lively.

Many celebrities in Changning have come to congratulate Jinshan Group for its upcoming listing. By then, Zhang Tianlong's worth will skyrocket, at least doubling to six billion.

"Dong Zhang, this is a small antique I found a while ago. It has a history of three to five hundred years. I send it to you. Congratulations to Jinshan Group for becoming bigger and stronger."

"Brother Zhang, this is the sword that I went to Dali Temple some years ago to ask the master to consecrate it. It can be hung at home, so that it can turn bad luck and ward off evil and protect myself."

"A pair of **** ruyi, be careful, and ask the old man to smile."

"..."

One by one, there are no shortage of valuable gifts.

Zhang Tianlong responded with a smile one by one.

Zhang Tianhu and Zhang Tianbao and other Zhang family members are busy socializing, and the whole Zhang family seems to be thriving.

Zhang Tianlong has even imagined that Zhang Family will soon reach the top of the Changning First Family, even Zhao Qingmei will have to subdue to him.

"Hahaha."

Quite here, Zhang Tianlong couldn't help laughing and drinking a glass of wine.

At this time, a boss came with a wine glass and asked with a smile, "Brother Tianlong, why didn't you see Master Zhang Zhe."

Suddenly, many lords came.

"Master Zhang Zhe hasn't married yet, don't you know if you have someone?"

"The little girl is both talented and beautiful. If the old man is willing, how about letting Azhe and the little girl meet? The little girl is here today too, right there!"

"My little girl is not bad, gentle and dignified, and smart."

"..."

The magnates talked about each other, and they all wanted to marry the Zhang family.

Zhang Tianlong stretched out his hand, everyone calmed down, and only listened to him with a smile, "Thank you for your kindness. It's not unreasonable for you to have a chance to communicate with you daughters and dogs. It's just..."

"Just what?"

"The dog was caught by someone."

Zhang Tianlong said shockingly, and one of the bosses said angrily, "Who is so presumptuous, dare to arrest Master Zhang!"

In the lobby and courtyard, the crowd was excited.

Zhang Tianlong snorted, "The man also said that he would take the dog to visit at noon."

"Arrogant!"

"Arrogant!"

"act recklessly!"

The crowd scolded one after another.

A Patriarch sneered and said, "It's already noon now, and that person hasn't come yet. I'm afraid it's just trying to speak, so I don't dare to come at all."

"Hahaha."

Suddenly burst into laughter.

At the same time, there was a loud noise.

The gate of the yard collapsed, and the two security guards flew in, vomiting blood and fainted on the spot.

"Who!"

Zhang Tianbao roared.

Zhang Tianlong led people out of the big villa. In his sight, eight men slowly walked into the courtyard—

The headed person is dressed in white, full of spirits like jade, and his face is very calm, but his eyes are as deep as the starry sky and sea, intriguing.

Beside him is a domineering man who is as strong as a dragon.

Beyond that, there are six men in uniform!

Da da da.

Under his eyes, Ye Fan's face was as cold as a rock, and every step was dull and powerful, like the sound of bells and drums.

That look!

The head of the mercenary regiment, Spike, was horrified. He had never seen such a terrifying look in his eyes.

He is also well-versed.

He has been a mercenary for ten years, spent many years in a foreign country, crawled out of blood and fire again and again, and has seen too many waves of life and death.

Even if the barrel of the gun is against his head, he can still keep his face unchanged; but at this moment, those eyes make him cold and sweaty.

In a daze, Langya saw more than one person...

Behind Ye Fan, there are thousands of horses, galloping and screaming, sweeping towards them, and the air of Jin Ge and iron horses is overwhelming the world.

"I am coming."

Three characters, such as Zhonglu.

simple!

Domineering!

Shocking!

In the middle of the courtyard, eight people stood like steel.

To be precise, there is another person, but he is no longer a human being. He is carried in his hands by Jiang Long, his limbs are twisted, his hair is disheveled, and he is completely unrecognizable.

He is Zhang Zhe.

"Ye Fan!"

Zhang Tianlong shouted angrily, pointing at Ye Fan and shouting, "Little bastard, you really dare to come."

"Why don't you dare."

Ye Fan raised the corner of his mouth, glanced at it, and smiled, "It's very lively, maybe, let these magnates witness the destruction of the Zhang family and witness history."

Zhang Tianlong's face turned black.

Zhang Tianbao walked down the steps and sneered, "Little bastard, I don't know where you have the confidence to say such things and destroy my Zhang family? Just rely on the seven people you brought?"

"Too lazy to talk with you, hand over my nephew, I can keep your corpses."

"Little dragon, give it to him."

Ye Fan gestured.

With a cruel smile on Jiang Long's face, he kicked Zhang Zhe in his hand and landed at Zhang Tianlong's feet.

At this moment, all talents can see clearly the face of the blood man.

This is Zhang Zhe!

"Dad...Dad, save me...I was abolished. I want him to die. There is no place to be buried...Puff!" Zhang Zhe cried, vomiting blood and fainting.

"My son!"

Zhang Tianlong hissed and his eyes were cracked.

All the people present were frightened. The Zhang family was deposed and completely destitute, which was simply appalling.

Ye Fan?

Who is he and what identity!

Where did the confidence abolish Zhang Zhe? Bringing seven people to the Zhang family, threatening to destroy the Zhang family?

What a joke.

"Ye! Fan!"

"How is it? How about the big gift I gave you?"

"die!"

Zhang Tianlong's eyes were red, and a word popped out between his teeth.

Rumbling.

Without ordering, Langya rushed out with the mercenary group.

"Huhuhuhu."

A murderous aura swept the audience.

The two-hundred-member mercenary group, one by one, is worthy of five hundred men by its momentum alone. This is one of Zhang's cards.

"come out!"

At the same time, Zhang Tianbao roared.

Bastards rushed out from all directions, and everyone was carrying a guy in their hands.

At a glance, there are no less than five hundred people.

In the blink of an eye, seven or eight hundred more people came out, flooding the entire yard, and the whole yard was covered in black, and the scalp of all the guests in the room was numb.

This is the strength of the Zhang family!

Eight people face seven hundred people, ten times the gap...not to mention the Zhang family, the eyes of the guests and celebrities looking at Ye Fan also contain contempt and pity.

"Ye Fan, you think you are good at hitting, right? Open your eyes and show me, more than 700 people, I'm going to ask you, have you ever hit?" Zhang Tianbao mocked.

"Anything else?"

Ye Fan asked calmly.

Zhang Tianbao was stunned, "What do you mean?"

"It disappoints me too much." Ye Fan shook his head and sighed, "I thought you Zhang Family was a bit worthy, but I didn't expect it to be this way."

"Little bastard, you won't cry if you don't see the coffin!"

Ye Fan ignored Zhang Tianbao's roar, he turned around and gestured to the six dragon generals.

next moment.

Swish Swish! The six dragon generals lifted the black cloth in their hands together.

—Six tablets are presented.

Friends, the spiritual position of Wang Xiaofa!

Friends, the spiritual position of Zhou Xiaohao!

Friends, the spiritual position of Tian Aguang!

...

Six tablets, six names.

At this moment, it was like six heavenly swords rising into the sky, suspended above the Zhang family yard, with a heavy murderous aura covering the audience, and an icy cold wind rising from the ground.

Everyone couldn't help trembling.

Ye Fan looked at the six tablets, his eyes were red, and he suddenly turned around to look at Zhang Tianlong Lei Ting and drink, "Zhang Tianlong, you are guilty!"

Boom.

Zhang Tianlong was struck by lightning.

"Thirteen years ago, the Sunshine Welfare Institute burned to death six of my partners. Today, I brought them!"

Ye Fan took a deep breath.

Cold!

majesty!

Like a god!

He held his head up, staring at Zhang Tianlong and the others, and said word by word: "I want you Zhang family to kneel down for my partner!"

"I want you to confess!"

"then..."

"...In front of my partner, send you and wait on the road!"
